***Analysis by the Legislative Reference Bureau***

Current law, in general, prohibits a motorist from stopping or standing in any of the following places except temporarily for loading or unloading and while the vehicle is attended by a licensed operator: 1) in a loading zone, 2) in an alley in a business district, 3) within ten feet of a fire hydrant, 4) within four feet of the entrance to an alley or driveway, 5) closer than 15 feet to the near limits of a crosswalk, or 6) upon any portion of a highway where parking is prohibited. A person who violates this provision may be required to forfeit not less than $20 nor more than $40 for the first offense and not less than $50 nor more than $100 for the second or subsequent conviction within a year.
