January 2, 2024 – Introduced by Representatives JACOBSON, C. ANDERSON, MADISON, CONSIDINE, J. ANDERSON, JOERS, OHNSTAD and SINICKI, cosponsored by Senators HESSELBEIN, SPREITZER and AGARD. Referred to Committee on State Affairs.

AUTHORS SUBJECT TO CHANGE

AN ACT ***to amend*** 125.09 (7) of the statutes; **relating to:** providing alcohol beverage retailers with identification scanners.

Analysis by the Legislative Reference Bureau

Current law prohibits municipalities from providing to alcohol beverage retail licensees any device capable of scanning a driver's license or identification card issued by the Department of Transportation.

The bill repeals this prohibition and also prohibits a municipality that provides such a device from collecting or retaining data derived from the device.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 125.09 (7) of the statutes is amended to read:

125.09 **(7)** MUNICIPALITY PROVIDING IDENTIFICATION SCANNERS. ~~No~~ <u>If a</u> municipality ~~may provide,~~ <u>provides</u> to any retail licensee under this chapter~~,~~ any device capable of scanning an official identification card, as defined in s. 125.085 (1) (a) and (b)<u>, the municipality may not collect or retain data derived from the device</u>.
