6 **subdivisions and includes:**

7 **1. Any administrative organization of the Commonwealth described in**
8 **KRS 12.020;**

9 **2. Any person acting under color of state law; or**

10 **3. Any person suing under or attempting to enforce a law, rule, policy, or**
11 **administrative regulation adopted by the Commonwealth or any of its**
12 **political subdivisions; and**

13 **(b) "Substantially burden" means any action that directly or indirectly**

20 **facilities.**

21 **(2)** Government shall not substantially burden a person's freedom of religion. The right
22 to act or refuse to act in a manner motivated by a sincerely held religious belief may

16 the effective date of this Act. State laws enacted after the effective date of this Act
17 are subject to this section unless this statute is explicitly excluded. This section
18 shall not be construed to authorize any government to burden any religious
19 belief.
- 20 (5) If any provision of this section or the application thereof to any person or
21 circumstance is held invalid, the invalidity shall not affect other provisions or
22 applications of the section that can be given effect without the invalid provision
23 or application, and to this end the provisions of this section are severable.
- 24 (6) Sovereign and governmental immunity are waived to the extent of liability created
25 under this section.
