1 criteria set forth in the partnership contract, this section, and administrative  
2 regulations. The decisions of the aviation program in the issuance of

19 (8) The aviation training scholarship contract shall grant the aviation program, the  
20 Commonwealth, or the aviation industry partner the authority to initiate  
21 recoupment proceedings for the recovery of the total amount of all aviation  
22 training scholarships awarded to an individual that fails to complete the terms of  
23 a contract entered into in accordance with subsection (6) of this section, together
