18 corporation that provides electronic communication services, remote computing services or  
19 location information services, and (ii) that such records or information constitute evidence of or  
20 the means or instrumentalities of the commission of a specified criminal offense under the laws  
21 of the commonwealth, if satisfied that there is probable cause for such beliefs, issue a warrant  
22 identifying those records to be searched for and commanding the person making application for

44 (f) Search warrants issued under this section shall designate the corporation or other  
45 entity in possession of the records or data sought and shall describe, with particularity, the record  
46 systems and information to be provided. They shall be issued in the form and manner prescribed  
47 in sections 2A½ and 2B, in so far as they are applicable, and shall be directed to the government  
48 office or public official making application for the warrant, which shall serve the warrant upon  
49 the corporation or other entity.

50 (g) Not later than 7 days after information described in paragraphs (1) to (6), inclusive, of  
51 subsection (b) is obtained by a government office or public official under this section, that office  
52 or official shall serve upon, or deliver by registered or first-class mail, electronic mail, or other  
53 means reasonably calculated to be effective as specified by the court issuing the warrant to the  
54 customer or subscriber a copy of the warrant, a copy of the application for the warrant and notice  
55 that informs the customer or subscriber of the following:

56 (1) the nature of the law enforcement inquiry with reasonable specificity;

57 (2) that information maintained for the customer or subscriber by the provider of an  
58 electronic communications service, remote computing service or location information service  
59 was requested by or supplied to that government office or public official, and a description of  
60 that information;

61 (3) the dates on which the request was made and on which the information was  
62 supplied;

63 (4) whether notification of the customer or subscriber was delayed under subsection  
64 (h); and

65 (5) which court made the certification or determination under which that delay was  
66 made, if applicable.

67 (h) A government office or public official may include in its application for a warrant a  
68 request for an order delaying the notification required under subsection (g) for a period not to  
69 exceed 90 days, and the court shall issue the order if it determines there is reason to believe that  
70 notification of the existence of the warrant may have an adverse result. Upon expiration of any  
71 period of delay granted under this subsection, the government office or public official shall  
72 provide the customer or subscriber a copy of the warrant together with notice required under, and  
73 by the means described in, subsection (g).

77 issue the order if the court determines that there is reason to believe that notification of the  
78 existence of the warrant will have an adverse result.

79 (j) The court may, upon application, grant 1 or more extensions of orders granted under  
80 subsections (h) and (i) for an additional 90 days.

81 (k) Notwithstanding any general or special law to the contrary, a government office or  
82 public official may obtain information described in paragraphs (1) to (6), inclusive, of subsection  
83 (b):

84 (1) with the express consent of the owner or user of the electronic communications  
85 device concerned;

86 (2) in order to respond to the user's call for emergency services; or

87 (3) if it reasonably believes that an emergency involving immediate danger of death  
88 or serious physical injury to any person requires obtaining without delay information relating to  
89 the emergency; provided, however, that the request is narrowly tailored to address the emergency  
90 and subject to the following limitations:

91 (i) the request shall document the factual basis for believing that an emergency  
92 involving immediate danger of death or serious physical injury to a person requires obtaining  
93 without delay of the information relating to the emergency; and

94 (ii) not later than 48 hours after the government office obtains access to records, it  
95 shall file with the appropriate court a signed, sworn statement of a supervisory official of a rank  
96 designated by the head of the office setting forth the grounds for the emergency access.

97 (1) On the second Friday of January of each calendar year, any judge issuing or denying a  
98 warrant under this section during the preceding calendar year shall report on each such warrant  
99 to the office of court management within the trial court:

100 (1) the fact that the warrant was applied for;

101 (2) the identity of the agency making the application;

104 be obtained;

106 and

107 (6) the period of disclosures authorized by the warrant, and the number and duration  
108 of any extensions of the warrant.

109 In June of each year, beginning in 2014, the court administrator in the office of court  
110 management within the trial court shall transmit to the legislature a full and complete report  
111 concerning the number of applications for warrants authorizing or requiring the disclosure of  
112 information described in paragraphs (1) to (6), inclusive, of subsection (b) under this act. The  
113 reports shall include a summary and analysis of the data required to be filed with that office. The  
114 reports shall be filed with the offices of the clerk of the house and the senate and shall be public  
115 records. The court administrator in the office of court management within the trial court shall  
116 issue guidance regarding the form of the reports.

117 (m) Except in a judicial proceeding alleging a violation of this section, no information  
118 obtained in violation of this section shall be admissible in any criminal, civil, administrative or  
119 other proceeding.
