16 other authorization that might otherwise be required.

17 3. The regulatory relief office shall:

84 and for other issues of urgent need.

620.3910. 1. There is hereby created within the department of economic

15 speaker of the house of representatives and one to be appointed by the minority leader
16 of the house of representatives; and

17 (8) Two members of the senate, one to be appointed by the president pro
18 tempore of the senate and one to be appointed by the minority leader of the senate.

19 2. (1) Advisory committee members shall be appointed to a four-year term.
20 Members who cease holding elective office shall be replaced by the speaker or minority
21 leader of the house of representatives or the president pro tempore or minority floor

22 leader of the senate, as applicable. The sandbox program director may establish the
23 terms of initial appointments so that approximately half of the advisory committee is
24 appointed every two years.

25 (2) The sandbox program director shall select a chair of the advisory committee
26 every two years in consultation with the members of the advisory committee.

27 (3) No appointee of the governor, speaker of the house of representatives, or
28 president pro tempore of the senate may serve more than two consecutive complete
29 terms.

30 3. A majority of the advisory committee shall constitute a quorum for the
31 purpose of conducting business, and the action of a majority of a quorum shall
32 constitute the action of the advisory committee, except as provided in subsection 4 of
33 this section.

34 4. The advisory committee may, at its own discretion, meet to override a decision
35 of the regulatory relief office on the admission or denial of an applicant to the sandbox
36 program, provided such override is decided with a two-thirds majority vote of the
37 members of the advisory committee, and further provided that such vote shall be taken
38 within fifteen business days of the regulatory relief office's decision, and further
39 provided that the risks posed to consumer health and safety and protection of Missouri's
40 environment do not outweigh the intended benefits.

41 5. The advisory committee shall advise and make recommendations to the
42 regulatory relief office on whether to approve applications to the sandbox program
43 pursuant to section 620.3915.

44 6. The regulatory relief office shall provide administrative staff support for the
45 advisory committee.

46 7. The members of the advisory committee shall serve without compensation,
47 but may be reimbursed for any actual and necessary expenses incurred in the
48 performance of the advisory committee's official duties.

49 8. Meetings of the advisory committee shall be considered public meetings for
50 the purposes of chapter 610. However, a meeting of the committee shall be a closed
51 meeting if the purpose of the meeting is to discuss an application for participation in the
52 regulatory sandbox program and failing to hold a closed meeting would reveal
53 information that constitutes proprietary or confidential trade secrets. Upon approval
54 by a majority vote by members of the advisory committee, the advisory committee shall
55 be allowed to conduct remote meetings, and individual members shall be allowed to
56 attend meetings remotely. The advisory committee shall provide the public the ability to
57 view any such remote meetings.

(1) Confirms the applicant is subject to the jurisdiction of the state;

(2) Confirms the applicant has established physical residence or a virtual location in the state from which the demonstration of an innovative offering will be developed and performed, and where all required records, documents, and data will be maintained;

(a) How the innovative offering is subject to licensing, legal prohibition, or other authorization requirements outside of the sandbox program;

(b) Each regulation that the applicant seeks to have waived or suspended while participating in the sandbox program;

(c) How the innovative offering would benefit consumers;

(d) How the innovative offering is different from other innovative offerings available in the state;

(e) The risks that might exist for consumers who use or purchase the innovative offering;

(f) How participating in the sandbox program would enable a successful demonstration of the innovative offering of an innovative product or service;

(g) A description of the proposed demonstration plan, including estimated time periods for beginning and ending the demonstration;

(h) Recognition that the applicant will be subject to all laws and regulations pertaining to the applicant's innovative offering after the conclusion of the demonstration;

(i) How the applicant will end the demonstration and protect consumers if the demonstration fails;

(j) A list of each applicable agency, if any, that the applicant knows regulates the applicant's business; and

(k) Any other required information as determined by the regulatory relief office.

37 **2. An applicant shall remit to the regulatory relief office an application fee of**
38 **three hundred dollars per application for each innovative offering. Such application**
39 **fees shall be used by the regulatory relief office solely for the purpose of implementing**
40 **the provisions of sections 620.3900 to 620.3930.**

41 **3. An applicant shall file a separate application for each innovative offering that**
42 **the applicant wishes to demonstrate.**

43 **4. An applicant for the sandbox program may contact the regulatory relief office**
44 **to request a consultation regarding the sandbox program before submitting an**
45 **application. The regulatory relief office may provide assistance to an applicant in**
46 **preparing an application for submission.**

47 **5. (1) After an application is filed, the regulatory relief office shall:**

48 **(a) Consult with each applicable agency that regulates the applicant's business**
49 **regarding whether more information is needed from the applicant; and**

50 **(b) Seek additional information from the applicant that the regulatory relief**
51 **office determines is necessary.**

52 **(2) No later than fifteen business days after the day on which a completed**
53 **application is received by the regulatory relief office, the regulatory relief office shall:**

54 **(a) Review the application and refer the application to each applicable agency**
55 **that regulates the applicant's business; and**

56 **(b) Provide to the applicant:**

57 **a. An acknowledgment of receipt of the application; and**

58 **b. The identity and contact information of each applicable agency to which the**
59 **application has been referred for review.**

60 **(3) No later than sixty days after the day on which an applicable agency receives**
61 **a completed application for review, the applicable agency shall provide a written report**
62 **to the sandbox program director with the applicable agency's findings. Such report**
63 **shall:**

64 **(a) Describe any identifiable, likely, and significant harm to the health, safety, or**
65 **financial well-being of consumers or Missouri's environment that the relevant**
66 **regulation protects against; and**

67 **(b) Make a recommendation to the regulatory relief office that the applicant**
68 **either be admitted or denied entrance into the sandbox program.**

69 **(4) An applicable agency may request an additional ten business days to deliver**
70 **the written report required by subdivision (3) of this subsection by providing notice to**
71 **the sandbox program director, which request shall automatically be granted. An**
72 **applicable agency may request only one extension per application. The sandbox**

73 program director may also provide an additional extension to the applicable agency for
74 cause.

75 (5) If an applicable agency recommends an applicant under this section be
76 denied entrance into the sandbox program, the written report required by subdivision
77 (3) of this subsection shall include a description of the reasons for such recommendation,
78 including the reason a temporary waiver or suspension of the relevant regulations would
79 potentially significantly harm the health, safety, or financial well-being of consumers or
80 the public or Missouri's environment and the assessed likelihood of such harm
81 occurring.

82 (6) If an applicable agency determines that the consumer's or public's health,
83 safety, or financial well-being can be protected through less restrictive means than the
84 existing relevant laws or regulations, the applicable agency shall provide a
85 recommendation of how that can be achieved.

86 (7) If an applicable agency fails to deliver the written report required by
87 subdivision (3) of this subsection, the sandbox program director shall provide a final
88 notice to the applicable agency for delivery of the written report. If the report is not
89 delivered within five days of such final notice, the sandbox program director shall
90 assume that the applicable agency does not object to the temporary waiver or
91 suspension of the relevant regulations for an applicant seeking to participate in the
92 sandbox program.

93 6. (1) Notwithstanding any provision of this section to the contrary, an
94 applicable agency may, by written notice to the regulatory relief office:

95 (a) Reject an application, provided such rejection occurs within forty-five days
96 after the day on which the applicable agency receives a complete application for review,
97 or within fifty days if an extension has been requested by the applicable agency, if the
98 applicable agency determines, in the applicable agency's sole discretion, that the
99 applicant's offering fails to comply with standards or specifications:

100 a. Required by federal rule or regulation;

101 b. Previously approved for use by a federal agency; or

102 c. In which the rule or regulation is supported by way of federal funding; or

103 (b) Reject an application preliminarily approved by the regulatory relief office,
104 if the applicable agency:

105 a. Recommends rejection of the application in the applicable agency's written
106 report submitted pursuant to subdivision (3) of subsection 5 of this section; and

107 b. Provides in the written report submitted pursuant to subdivision (3) of
108 subsection 5 of this section a description of the applicable agency's reasons approval of
109 the application would create a substantial risk of harm to the health or safety of the

110 public or Missouri's environment, or create unreasonable expenses for taxpayers in the
111 state.

112 (2) If any applicable agency rejects an application on a nonpreliminary basis
113 pursuant to subdivision (1) of this subsection, the regulatory relief office shall not
114 approve the application.

115 7. (1) The sandbox program director shall provide all applications and
116 associated written reports to the advisory committee upon receiving a written report
117 from an applicable agency.

118 (2) The sandbox program director may call the advisory committee to meet as
119 needed, but not less than once per quarter if applications are available for review.

120 (3) After receiving and reviewing the application and each associated written
121 report, the advisory committee shall provide to the sandbox program director the
122 advisory committee's recommendation as to whether the applicant should be admitted
123 as a sandbox participant.

124 (4) As part of the advisory committee's review of each report, the advisory
125 committee shall use criteria used by applicable agencies to evaluate applications.

126 8. The regulatory relief office shall consult with each applicable agency and the
127 advisory committee before admitting an applicant into the sandbox program. Such
128 consultation may include seeking information and giving consideration to whether:

129 (1) The applicable agency has previously issued a license or other authorization
130 to the applicant; and

131 (2) The applicable agency has previously investigated, sanctioned, or pursued
132 legal action against the applicant and the reasons for such actions.

133 9. In reviewing an application under this section, the regulatory relief office and
134 applicable agencies shall consider whether:

135 (1) A competitor to the applicant is or has been a sandbox participant and, if so,
136 weigh that as a factor in favor of allowing the applicant to also become a sandbox
137 participant;

138 (2) The applicant's plan will adequately protect consumers from potential harm
139 identified by an applicable agency in the applicable agency's written report;

140 (3) The risk of harm to consumers is outweighed by the potential benefits to
141 consumers from the applicant's participation in the sandbox program; and

142 (4) Certain state regulations that regulate an innovative offering should not be
143 waived or suspended even if the applicant is approved as a sandbox participant,
144 including applicable anti-fraud or disclosure provisions.

145 10. An applicant shall become a sandbox participant if the regulatory relief
146 office approves the application for the sandbox program and enters into a written

147 agreement with the applicant describing the specific regulations that are waived or
148 suspended as part of participation in the sandbox program. Notwithstanding any other
149 provision of this section to the contrary, the regulatory relief office shall not enter into a
150 written agreement with an applicant that exempts the applicant from any income,
151 property, or sales tax liability unless such applicant otherwise qualifies for an exemption
152 from such tax.

153 **11. (1) The sandbox program director may deny at his or her sole discretion any**
154 **application submitted under this section for any reason, including if the sandbox**
155 **program director determines that the preponderance of evidence demonstrates that**
156 **suspending or waiving enforcement of a regulation would cause significant risk of harm**
157 **to consumers or residents of the state.**

158 **(2) If the sandbox program director denies an application submitted under this**
159 **section, the regulatory relief office shall provide to the applicant a written description of**
160 **the reasons for not allowing the applicant to become a sandbox participant.**

161 **(3) The denial of an application submitted under this section shall not be subject**
162 **to judicial or administrative review.**

163 **(4) The acceptance or denial of an application submitted under this section may**
164 **be overridden by an affirmative vote of a two-thirds majority of the advisory committee**
165 **at the discretion of the advisory committee, provided such vote shall take place within**
166 **fifteen business days of the sandbox program director's decision. Notwithstanding any**
167 **other provision of this section to the contrary, the advisory committee shall not override**
168 **a rejection made by an applicable agency.**

169 **(5) The sandbox program director shall deny an application for participation in**
170 **the sandbox program if the applicant or any person who seeks to participate with the**
171 **applicant in demonstrating an innovative offering has been convicted, entered into a**
172 **plea of nolo contendere, or entered a plea of guilty or nolo contendere held in abeyance,**
173 **for any crime involving significant theft, fraud, or dishonesty if the crime bears a**
174 **significant relationship to the applicant's or other participant's ability to safely and**
175 **competently participate in the sandbox program.**

176 **12. When an applicant is approved for participation in the sandbox program,**
177 **the sandbox program director shall provide notice of the approval on the department's**
178 **website.**

179 **13. Applications to participate in the sandbox program shall be considered**
180 **public records for the purposes of chapter 610, provided, however, that any information**
181 **contained in such applications that constitutes proprietary or confidential trade secrets**
182 **shall not be subject to disclosure pursuant to chapter 610.**

620.3920. 1. If the regulatory relief office approves an application pursuant to section 620.3915, the sandbox participant shall have twenty-four months after the day on which the application was approved to demonstrate the innovative offering described in the sandbox participant's application.

2. An innovative offering that is demonstrated within the sandbox program shall only be available to consumers who are residents of Missouri or of another state. No regulation shall be waived or suspended if waiving or suspending such regulation would prevent a consumer from seeking restitution in the event that the consumer is harmed.

3. Nothing in sections 620.3900 to 620.3930 shall restrict a sandbox participant that holds a license or other authorization in another jurisdiction from acting in that jurisdiction in accordance with such license or other authorization.

4. (1) During the demonstration period, a sandbox participant shall not be subject to the enforcement of state regulations identified in the written agreement between the regulatory relief office and the sandbox participant.

(2) A prosecutor shall not file or pursue charges for failing to comply with the regulation identified in the written agreement between the regulatory relief office and the sandbox participant that occurs during an approved demonstration period.

(3) A state agency shall not file or pursue any punitive action against a sandbox participant, including a fine or license suspension or revocation, for the violation of a regulation that is identified as being waived or suspended in the written agreement between the regulatory relief office and the sandbox participant that occurs during the demonstration period.

5. Notwithstanding any provision of this section to the contrary, a sandbox participant shall not have immunity related to any criminal offense committed during the sandbox participant's participation in the sandbox program.

6. By written notice, the regulatory relief office may end a sandbox participant's participation in the sandbox program at any time and for any reason, including if the sandbox program director determines that a sandbox participant is not operating in good faith to bring an innovative offering to market; provided, however, that the sandbox program director's decision may be overridden by an affirmative vote of a two-thirds majority of the members of the advisory committee.

7. The regulatory relief office and regulatory relief office's employees shall not be liable for any business losses or the recouping of application expenses or other expenses related to the sandbox program, including for:

(1) Denying an applicant's application to participate in the sandbox program for any reason; or

37 **(2) Ending a sandbox participant's participation in the sandbox program at any**
38 **time and for any reason.**

620.3925. 1. Before demonstrating an innovative offering to a consumer, a
2 **sandbox participant shall disclose the following information to the consumer:**

3 **(1) The name and contact information of the sandbox participant;**

4 **(2) A statement that the innovative offering is authorized pursuant to the**
5 **sandbox program and, if applicable, that the sandbox participant does not have a license**
6 **or other authorization to provide an innovative offering under state laws that regulate**
7 **offerings outside of the sandbox program;**

8 **(3) A statement that specific regulations have been waived for the sandbox**
9 **participant for the duration of its demonstration in the sandbox program, with a**
10 **summary of such waived regulations;**

11 **(4) A statement that the innovative offering is undergoing testing and may not**
12 **function as intended and may expose the consumer to certain risks as identified by the**
13 **applicable agency's written report;**

14 **(5) A statement that the provider of the innovative offering is not immune from**
15 **civil liability for any losses or damages caused by the innovative offering;**

16 **(6) A statement that the provider of the innovative offering is not immune from**
17 **criminal prosecution for violations of state regulations that are not suspended or waived**
18 **as allowed within the sandbox program;**

19 **(7) A statement that the innovative offering is a temporary demonstration that**
