

As Introduced

**135th General Assembly
Regular Session
2023-2024**

H. B. No. 358

Representative Robb Blasdel

A BILL

To declare the General Assembly's intent to 1
regulate carbon capture and storage technologies 2
and the geologic sequestration of carbon dioxide 3
for long-term storage. 4

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. The General Assembly declares its intent to 5
establish a comprehensive regulatory framework to ensure the 6
safe and secure deployment of carbon capture and storage 7
technologies in the state, which encompass point-source carbon 8
dioxide capture from large emissions sources and direct air 9
capture, and the geologic sequestration for long-term carbon 10
dioxide storage into reservoirs of geologic formations. 11
