12 B. The Interagency Resilience Coordination Council is
13 established to maintain awareness, communication, and alignment with
14 regard to the state's resilience and risk mitigation needs,
15 progress, and priorities, and to oversee development of the
16 statewide resilience report.

17 C. The Council shall be comprised of the resilience officers
18 from each state agency. The Oklahoma Department of Emergency
19 Management shall serve as the chair.

20 D. The Council shall meet upon the call of the chair, with a
21 minimum of four meetings annually.

22 E. The Council shall make recommendations to and render
23 assistance and guidance to agencies in the development of strategic
24 plans for resilience.

1 F. The Council will meet annually to:

2 1. Review and recommend updates to state mitigation and
3 resilience planning efforts;

4 2. Provide support and assistance in the preparation and
5 maintenance of the State Hazard Mitigation Plan as required by the
6 federal Disaster Mitigation Act of 2000, U.S.C 5121, et seq., which
7 requires all states to adopt and maintain a Federal Emergency
8 Management Agency-approved State Hazard Mitigation Plan as a
9 prerequisite for receiving federal disaster assistance under the
10 Stafford Act; provided, however, the Oklahoma Department of
11 Emergency Management shall be responsible for day to day execution
12 of the Plan.

13 SECTION 3. NEW LAW A new section of law to be codified
14 in the Oklahoma Statutes as Section 696.2 of Title 63, unless there
15 is created a duplication in numbering, reads as follows:

16 A. This act hereby instructs the Oklahoma Department of
17 Emergency Management to serve as the lead resilience office for the
18 state and to perform the functions and duties provided in this act.

19 B. For purposes of this act, the term "resilience" shall mean a
20 capability to anticipate, prepare for, respond to, and recover from
21 significant multi-hazard threats with minimal damage to social well-
22 being, the economy, infrastructure, and the environment.

1 SECTION 4. NEW LAW A new section of law to be codified
2 in the Oklahoma Statutes as Section 696.3 of Title 63, unless there
3 is created a duplication in numbering, reads as follows:

4 The Oklahoma Department of Emergency Management shall:

5 1. Coordinate and provide strategic direction for government
6 resilience initiatives in order to build long-term resilience for a
7 robust, vibrant economic activity and a sustainable natural
8 environment for Oklahoma residents;

9 2. Designate a resilience officer within the agency;

10 3. Provide technical guidance to agencies, as well as local and
11 regional jurisdictions, to integrate statewide resilience goals into
12 future projects, plans, and programs;

13 4. Review and reconcile state agency comments on federally
14 sponsored resilience and risk mitigation activities to establish and
15 present an official state position;

16 5. Pursue all available federal and private funds consistent
17 with the purposes of this act; and

18 6. Appraise the adequacy of statutory and administrative
19 mechanisms for coordinating the state's policies and programs at
20 both the intrastate and interstate levels with respect to resilience
21 and risk mitigation;

22 7. Appraise the adequacy of federal, regional, state, and local
23 programs to achieve the policies and meet the goals of the state
24 with respect to resilience and risk mitigation;

1 8. Coordinate and focus federal involvement in Oklahoma with
2 respect to resilience and risk mitigation;

3 9. Provide official state recommendations to the Legislature
4 and United States Congress with respect to policies, programs, and
5 coordinating mechanisms relative to resilience and risk mitigation;

6 10. Assist with the state's planning efforts to ensure the
7 incorporation and alignment of the state's resilience goals and
8 objectives into a unified, proactive, pre-disaster approach to
9 adaptation and long-term resilience;

10 11. Represent the resilience and risk mitigation policy of the
11 state at the federal, regional, state, and local levels; and.

12 12. Integrate resilience into pre-disaster planning and post-
13 disaster recovery.

14 SECTION 5. NEW LAW A new section of law to be codified
15 in the Oklahoma Statutes as Section 696.4 of Title 63, unless there
16 is created a duplication in numbering, reads as follows:

17 A. To coordinate and strengthen efforts to reduce losses from
18 future disasters across the state, the Oklahoma Department of
19 Emergency Management shall contribute to all statewide planning
20 efforts related to resilience and risk mitigation and shall develop
21 a strategic statewide resilience report to protect the state from
22 multiple threats. The report shall include, but is not limited to,
23 the following:

24 1. Articulation of the state's resilience goals and objectives;

1 2. Utilization of best available science, including a range of
2 future projections, to identify and implement policies, projects,
3 and programs that achieve the state's resilience goals and
4 objectives;

5 3. Prioritization of agency-identified adaptation actions based
6 on a vulnerability assessment of risks to agency mission areas,
7 assets, services, and populations served from multiple environmental
8 threats;

9 4. Descriptions of agency strategic actions; and

10 5. Progress on activities identified in the State Hazard
11 Mitigation Plan.

12 B. The statewide resilience report shall be updated every year
13 with the latest available science and updated conditions.

14 C. The Oklahoma Department of Emergency Management shall submit
15 the annual statewide resilience report to the Legislature by
16 November 15 every year.

17 SECTION 6. NEW LAW A new section of law to be codified
18 in the Oklahoma Statutes as Section 696.5 of Title 63, unless there
19 is created a duplication in numbering, reads as follows:

20 A. There is hereby established the Oklahoma Resilience Task
21 Force to provide strategic direction to resilience efforts across
22 the state.

23 B. The task force shall be composed of the following members:
24

- 1 1. The Director of the Oklahoma Department of Emergency
2 Management, who shall serve as chair and shall represent the views
3 of the Interagency Resilience Coordination Council;
- 4 2. The Insurance Commissioner or their designee;
- 5 3. The Secretary of the Department of Transportation or their
6 designee;
- 7 4. The Chair of the Oklahoma Corporation Commission or their
8 designee;
- 9 5. The President of the Association of County Commissioners of
10 Oklahoma or their designee;
- 11 6. The Executive Director of the Oklahoma Municipal League or
12 their designee;

14 their designee;
- 15 8. The President pro-tempore of the Oklahoma State Senate or
16 their designee;
- 17 9. The Chancellor of the Oklahoma State Regents for Higher
18 Education or their designee; and
- 19 10. The Chair may appoint additional membership from state,
20 local, tribal governments, the private sector, non-governmental
21 organizations, and advisors from Federal agencies to serve on the
22 task force and shall incorporate State, local, and tribal government
23 and private sector input in the development and revision of the
24 State Hazard Mitigation Plan and other related plans and strategies.

1 C. The Task Force shall meet quarterly and at the call of the
2 Chair.

3 SECTION 7. NEW LAW A new section of law to be codified
4 in the Oklahoma Statutes as Section 696.6 of Title 63, unless there
5 is created a duplication in numbering, reads as follows:

6 The Oklahoma Department of Emergency Management shall submit the
7 initial statewide resilience report to the Legislature by October 1,
8 2025, and the chief resilience officer shall convene the first
9 meeting of the Interagency Resilience Coordination Council no later
10 than October 1, 2024.

11 SECTION 8. This act shall become effective July 1, 2024.

12 SECTION 9. It being immediately necessary for the preservation
13 of the public peace, health or safety, an emergency is hereby
14 declared to exist, by reason whereof this act shall take effect and
15 be in full force from and after its passage and approval.
