A BILL

To establish leave policies of the Armed Forces for a member to seek an abortion.

1 *Be it enacted by the Senate and House of Representa-
2 tives of the United States of America in Congress assembled,*

3 SECTION 1. SHORT TITLE.

4 This Act may be cited as the “Access to Reproductive
5 Care for Servicemembers Act”.

6 SEC. 2. FINDINGS.

7 Congress finds the following:

1 (1) Following the Supreme Court's decision to
2 eliminate the right to abortion, States across the
3 country have moved swiftly to ban abortion access,
4 leading to even greater barriers to care for military
5 families.

6 (2) Access to abortion care is essential to a per-
7 son's health and central to their economic and social
8 well-being. Bans and restrictions on abortion delay
9 access to abortion care and therefore increase costs
10 for members of the Armed Forces seeking care. The
11 consequence of these delays and barriers could mean
12 that a person is forced to carry a pregnancy against
13 their will, which can greatly affect their bodily au-
14 tonomy, financial stability, and overall well-being.

15 (3) The Armed Forces have a large presence in
16 many States poised to ban or restrict access to abor-
17 tion, many of which also neighbor States that would
18 likely ban abortion.

19 (4) Members of the Armed Forces seeking care
20 off-base may be limited in their ability to do so due
21 to restrictions on leave or travel restrictions imposed
22 by their unit.

23 (5) Restrictions on receiving approval to take
24 leave for abortion care interfere with a member of
25 the Armed Forces' health, well-being, and right to

1 access the care they need. The decision to terminate
2 a pregnancy should not depend on the discretion or
3 judgment of a military commander.

4 (6) The Secretary of Defense has recognized
5 that abortion is a time sensitive-procedure and ac-
6 cess should not be delayed for members or military
7 families.

8 (7) When a member of the Armed Forces de-
9 cides to obtain an abortion, it should be available,
10 affordable, private, and free from punishment, re-
11 prisal, or judgment by the member's chain of com-
12 mand.

13 (8) Commanders or approval authorities have a
14 duty to display objectivity, compassion, and discre-
15 tion when addressing all health care matters, includ-
16 ing reproductive health care matters, and to enforce
17 existing policies against discrimination and retalia-
18 tion.

19 (9) The harms of abortion-specific restrictions
20 fall most heavily on people who already face barriers
21 to accessing health care including people with low in-
22 comes, such as junior members, and Black, Indige-
23 nous, and people of color, immigrants, young people,
24 people with disabilities, the LGBTQI+ community,

1 and those stationed in rural and other medically un-
2 derserved areas.

3 (10) Equal access to abortion care, everywhere,
4 is essential to social and economic participation,
5 equality, reproductive autonomy, and the right to de-
6 termine a person's own life and future.

7 (11) The denial of leave for an abortion or any
8 other reproductive health service violates the rights
9 of members of the Armed Forces. Access to care for
10 military families should not be determined by the
11 personal beliefs of others.

12 (12) In addition to the health and well-being
13 implications for members of the Armed Forces and
14 their families, the failure to address these issues will
15 contribute to the challenges that the Armed Forces
16 faces in attracting and retaining personnel, thereby
17 negatively affecting military strength and readiness.

18 **SEC. 3. LEAVE FOR A MEMBER OF THE ARMED FORCES FOR**
19 **ABORTION.**

20 (a) IN GENERAL.—The Secretary concerned (as such
21 term is defined in section 101 of title 10, United States
22 Code) shall, with regards to abortion care for a member
23 of the Armed Forces or the dependent of such a member—

24 (1) consider such care to be time-sensitive and
25 therefore approve leave for such abortion care; and

1 (2) not require the member or dependent to dis-
2 close to a commanding officer the time-sensitive care
3 or procedure being received during such leave.

4 (b) REIMBURSEMENT FOR TRAVEL.—The Secretary
5 concerned shall reimburse a member or dependent of a
6 member for costs incurred to travel to a clinic that pro-
7 vides abortion care and services if timely access to abor-
8 tion services is not available near the member or depend-
9 ent's location.

10 (c) PRIVACY.—Health care providers of the Defense
11 Health Agency and commanding officers shall, to the
12 greatest extent practicable, protect the privacy of a mem-
13 ber who takes leave under this section, including when
14 such member makes a request for such leave and when
15 such member returns to duty.

16 (d) PROHIBITION.—No member of the Armed Forces
17 may be subject to any adverse action for requesting, tak-
18 ing, or granting leave under this section.
