IN THE SENATE OF THE UNITED STATES

JANUARY 18, 2024

Mrs. HYDE-SMITH (for herself, Mr. BRAUN, Mrs. BLACKBURN, Mr. HAWLEY, Mr. RUBIO, Mr. MULLIN, Mr. WICKER, and Mr. CRAMER) introduced the following bill; which was read twice and referred to the Committee on Finance

A BILL

To amend part A of title IV of the Social Security Act to clarify the longstanding authority of States to use funds made available under the Temporary Assistance for Needy Families program to fund life-affirming services to empower pregnant women to choose life for their babies instead of abortion, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Let Pregnancy Centers
5 Serve Act of 2024”.

1 **SEC. 2. FINDINGS.**

2 Congress makes the following findings:

3 (1) Pregnancy centers are community-based,
4 nonprofit organizations that provide compassionate
5 support and resources to women and couples facing
6 unexpected pregnancy and offer life-affirming alter-
7 natives to abortion.

8 (2) In 2022 alone, 2,750 pregnancy centers
9 across the United States met with clients over
10 16,000,000 times, providing services and material
11 items that were estimated to be worth approximately
12 \$358,000,000. Pregnancy centers were served by
13 62,576 workers and 72 percent of these workers
14 (44,930) were volunteers. 97.4 percent of clients
15 seen by pregnancy centers reported having a positive
16 experience with pregnancy centers.

17 (3) Eighteen States have established alter-
18 natives to abortion programs, which fund life-affirm-
19 ing services to empower pregnant women to choose
20 life for their babies instead of abortion, typically by
21 supporting pregnancy centers, adoption agencies,
22 maternity homes, and other relevant social services
23 partners.

24 (4) Alternatives to abortion programs offer
25 services and material assistance to pregnant women
26 and their families, including parenting classes, train-

1 ing in life skills, sexual risk avoidance education,
2 promoting responsible paternity, promoting mar-
3 riage, care coordination, housing and support serv-
4 ices through maternity homes, assistance with job
5 searching, reducing dependence on government, and
6 much more.

7 (5) States have supported these alternatives to
8 abortion programs with a portion of the funds pro-
9 vided to them under the Temporary Assistance for
10 Needy Families Program under part A of title IV of
11 the Social Security Act (42 U.S.C. 601 et seq.) (re-
12 ferred to in this Act as “TANF”) for more than 2
13 decades, since 2001. At least 4 States, Indiana,
14 Louisiana, Missouri, and Ohio, currently use TANF
15 funds to support such programs, together expending
16 millions of dollars each year.

17 (6) On October 2, 2023, the Biden Administra-
18 tion issued a proposed rule, “Strengthening Tem-
19 porary Assistance for Needy Families (TANF) as a
20 Safety Net and Work Program,” (88 Fed. Reg.
21 67697) targeting pregnancy centers and alternatives
22 to abortion programs and threatening to strip them
23 of millions of dollars of funding, depriving pregnant
24 women in need of compassionate assistance for
25 themselves and their unborn babies.

1 (7) Contrary to the assertions of the Biden Ad-
2 ministration, alternatives to abortion programs, and
3 the pregnancy centers they support, fulfill the pur-
4 pose of TANF specified in section 401(a) of the So-
5 cial Security Act (42 U.S.C. 601(a)) to—

6 (A) provide assistance to needy families so
7 that children may be cared for in their own
8 homes or in the homes of relatives;

9 (B) end the dependence of needy parents
10 on government benefits by promoting job prepa-
11 ration, work, and marriage;

12 (C) prevent and reduce the incidence of
13 out-of-wedlock pregnancies and establish annual
14 numerical goals for preventing and reducing the
15 incidence of these pregnancies; and

16 (D) encourage the formation and mainte-
17 nance of two-parent families.

18 **SEC. 3. PURPOSES.**

19 The purposes of this Act are to—

20 (1) clarify the longstanding authority of States
21 to use TANF funds to fund alternatives to abortion
22 programs and pregnancy centers, which provide life-
23 affirming services to empower pregnant women to
24 choose life for their babies instead of abortion; and

1 (2) prevent wrongful attempts to target such
2 life-affirming programs and providers and to strip
3 such assistance from women and families in need.

4 **SEC. 4. CLARIFICATION OF ELIGIBILITY OF ALTERNATIVES**
5 **TO ABORTION PROGRAMS TO RECEIVE TANF**
