## RESOLUTION

Recognizing and supporting the goals and ideals of National Forensic Science Week.

Whereas the Senate is committed to the use of forensic science in the investigation of crimes, the prosecution and conviction of the correct perpetrators of crimes, and the exoneration of innocent individuals falsely accused of crimes in the United States;

Whereas forensic science service providers address critical questions in civil and criminal investigations and trials in the United States, including by providing scientific conclusions relating to forensic evidence;

Whereas forensic science service providers partner with—

(1) Federal agencies to build and maintain criminal databases relating to latent prints, DNA, and other information relevant to criminal cases; and

(2) Federal, State, and local agencies to ensure public safety;

Whereas forensic science service providers serve a vital role in the criminal justice system by providing scientific information to investigators and officers of the court; and

Whereas the week of September 17, 2023, to September 23, 2023, is recognized as “National Forensic Science Week”: Now, therefore, be it

1       *Resolved*, That the Senate—

2               (1) supports the goals and ideals of National  
3       Forensic Science Week; and

4               (2) recognizes that National Forensic Science  
5       Week provides a special opportunity for—
