2 and 454.26 (2); and **to create** 454.01 (7m) (am) of the statutes; **relating to:**
3 requirements concerning barbering and cosmetology licensure.

Analysis by the Legislative Reference Bureau

This bill makes several changes to the laws governing barbering and cosmetology in Wisconsin, including the following:

1. Under current law, barbering includes dyeing, tinting, coloring, or bleaching a person's hair. The bill removes those activities from the scope of the practice of barbering in Wisconsin.

2. Under current law, a course of instruction in barbering must include at least 1,000 classroom hours, and those classroom hours must be spread out over at least 10 months. The bill eliminates that 10-month requirement.

3. Current law requires that an apprentice in barbering must complete at least 3,712 hours of practical training and 288 classroom hours before the apprentice may sit for the examination to become a licensed barber. Under the bill, an apprentice in barbering must complete at least 1,712 hours of practical training and 288 classroom hours before the apprentice may sit for the examination to become a licensed barber.

4. Under current law, a course of instruction in barbering or in cosmetology may not exceed eight hours in one day or 48 hours in one week. The bill eliminates that limitation.
