1 **AN ACT to amend** 8.40 (2) of the statutes; **relating to:** verification of the identity
2 of recall petition circulators.

Analysis by the Legislative Reference Bureau

Currently, each nomination paper or petition for an election must contain the dated certification of a qualified circulator, as defined by law, at the bottom of each separate sheet, stating his or her residence and affirming that he or she personally circulated the paper or petition and obtained each of the signatures, that the circulator knows that the signers are electors of the jurisdiction or district in which the paper or the petition is circulated, that the circulator knows that the signers signed the paper or petition with full knowledge of its content, that the circulator knows their residences given, that the circulator knows that they signed on the dates opposite their names, that the circulator is qualified to circulate the petition, and that the circulator knows that falsifying the certification is punishable as a felony.

This bill provides, in addition, that if the circulator is signing a petition for the recall of an elective officer, the statement must be in the form of an affidavit acknowledged by an officer who is authorized to administer oaths affirming the circulator's identity and stating that the circulator appeared before the officer and executed the statement in the officer's presence.
