### *Analysis by the Legislative Reference Bureau*

Under this bill, a town located on Madeline Island or Washington Island is exempt from the county property tax levy related to operating or maintaining, or providing services to, an airport or for public health or economic development services, if the town levies a tax for the same purposes and in an amount that is proportionate to the amount the county levies for those purposes.

Because this bill relates to an exemption from state or local taxes, it may be referred to the Joint Survey Committee on Tax Exemptions for a report to be printed as an appendix to the bill.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
