29 have the meanings given in AS 46.40.210.

31 **Sec. 46.40.030. Development of district coastal management plans.** (a)

1 Coastal resource districts shall develop and adopt district coastal management plans in

9 (1) a delineation within the district of the boundaries of the coastal area
 10 subject to the district coastal management plan;

11 (2) a statement, list, or definition of the land and water uses and
 12 activities subject to the district coastal management plan;

13 (3) a statement of **enforceable** policies to be applied to the land and
 14 water uses subject to the district coastal management plan; **and**

15 (4) [A DESCRIPTION OF THE USES AND ACTIVITIES THAT
 16 WILL BE CONSIDERED PROPER AND THE USES AND ACTIVITIES THAT
 17 WILL BE CONSIDERED IMPROPER WITH RESPECT TO THE LAND AND
 18 WATER WITHIN THE COASTAL AREA; AND

19 (5)] a designation of **any** [, AND THE POLICIES THAT WILL BE

 22 **that will be applicable within those areas which** [RESOURCE DISTRICT THAT]
 23 merit special attention.

24 (b) In developing enforceable policies in its coastal management plan under
 25 (a) of this section, a coastal resource district shall **meet the requirements of**
 26 **AS 46.40.070 and ensure that the enforceable policies**

 30 **written in precise and enforceable language;**

1 **the coastal resource district as demonstrated by local knowledge or supported by**
 2 **scientific evidence; and**

3 **(4) employ the least restrictive means to achieve the objective of**
 4 **the enforceable policy** [MEET THE REQUIREMENTS OF AS 46.40.070 AND
 5 MAY NOT DUPLICATE, RESTATE, OR INCORPORATE BY REFERENCE
 6 STATUTES AND ADMINISTRATIVE REGULATIONS ADOPTED BY STATE

 10 means to achieve its objective, the following factors shall be considered:

- 11 (1) alternative methods of achieving the objective of the policy;
 12 (2) local knowledge or scientific evidence supporting each alternative
 13 method; and
 14 (3) how the alternative methods may affect other existing or potential
 15 uses.

16 (d) Additional factors that the department may require be addressed in
 17 determining whether an enforceable policy employs the least restrictive means to
 18 achieve its objective are as follows:

- 19 (1) the economic effects of alternative methods;
 20 (2) the technological feasibility of the alternative methods; and
 21 (3) any other relevant factors.

22 * **Sec. 9.** AS 46.40.040(b) is amended to read:

23 (b) **Notwithstanding any other provision of law,** AS 46.03, AS 46.04,
 24 AS 46.09, AS 46.14, and the regulations adopted under those statutes constitute the
 25 exclusive enforceable policies of the Alaska coastal management program for those
 26 purposes. For those purposes only,

- 27 (1) the issuance of permits, certifications, approvals, and
 28 authorizations by the Department of Environmental Conservation establishes
 29 consistency with the Alaska coastal management program for those activities of a
 30 proposed project subject to those permits, certifications, approvals, and authorizations;
 31 (2) for a consistency review of an activity that does not require a

1 Department of Environmental Conservation permit, certification, approval, or
2 authorization because the activity is a federal activity or the activity is located on
3 federal land or the federal outer continental shelf, consistency with AS 46.03,
4 AS 46.04, AS 46.09, and AS 46.14 and the regulations adopted under those statutes
5 shall be established on the basis of whether the Department of Environmental
6 Conservation finds that the activity satisfies the requirements of those statutes and
7 regulations.

8 * **Sec. 10.** AS 46.40.050 is amended by adding a new subsection to read:

9 (c) A coastal resource district shall resubmit its coastal management plan, as
10 may be directed by the board under AS 46.39.005(k)(3).

11 * **Sec. 11.** AS 46.40.060(a) is amended to read:

12 (a) If, upon submission of a district coastal management plan for approval, the
13 department finds that the plan meets the provisions of this chapter [AND THE
14 STATEWIDE STANDARDS AND DISTRICT PLAN CRITERIA ADOPTED BY
15 THE DEPARTMENT AND DOES NOT ARBITRARILY OR UNREASONABLY
16 RESTRICT OR EXCLUDE USES OF STATE CONCERN], the department may
17 approve the district coastal management plan, or may approve portions of the district
18 plan that meet those requirements.

19 * **Sec. 12.** AS 46.40.060(b) is amended to read:

20 (b) If the department finds that a district coastal management plan is not
21 approvable or is approvable only in part under (a) of this section, **the department**
22 **shall explain in writing the basis for its decision. The coastal resource district that**
23 **submitted the plan may request that the department submit the plan or portions**
24 **of the plan to the board for review. The board shall review the plan or portions of**
25 **the plan and make recommendations relating to whether the department should**
26 **approve or modify the district coastal management plan in whole or in part** [IT
27 SHALL DIRECT THAT DEFICIENCIES IN THE PLAN SUBMITTED BY THE
28 COASTAL RESOURCE DISTRICT BE MEDIATED. IN MEDIATING THE
29 DEFICIENCIES, THE DEPARTMENT MAY CALL FOR ONE OR MORE PUBLIC
30 HEARINGS IN THE DISTRICT. THE DEPARTMENT SHALL MEET WITH
31 OFFICIALS OF THE COASTAL RESOURCE DISTRICT IN ORDER TO

1 RESOLVE DIFFERENCES].

2 * **Sec. 13.** AS 46.40.060(c) is amended to read:

3 (c) **After the board has reviewed the district coastal management plan**
 4 **and submitted recommendations under (b) of this section** [IF, AFTER
 5 MEDIATION, THE DIFFERENCES HAVE NOT BEEN RESOLVED], the
 6 department shall enter findings and, by order, may [REQUIRE]

7 (1) **approve the plan or portions of the plan;**

8 (2) **require** that the district coastal management plan be amended to
 9 **meet** [SATISFY] the provisions of this chapter [OR MEET THE STATEWIDE
 10 STANDARDS] and district plan criteria adopted by the department;

11 (3) **require** [(2)] that the district coastal management plan be revised
 12 to accommodate a use of state concern; or

13 (4) **require the coastal resource district to submit additional**
 14 **information if, in the judgment of the department, additional information is**
 15 **necessary for the department to approve the plan or portions of the plan** [(3)
 16 ANY OTHER ACTION BE TAKEN BY THE COASTAL RESOURCE DISTRICT
 17 AS APPROPRIATE].

18 * **Sec. 14.** AS 46.40.060 is amended by adding new subsections to read:

19 (e) Only a coastal resource district affected by a decision of the department
 20 under this section may request reconsideration of the decision. The request must be
 21 made within 15 days after the decision, must be in writing, and must include a
 22 statement of the specific issues and material facts that the coastal resource district
 23 contends that the department overlooked, failed to consider, or misconceived. The
 24 commissioner of natural resources may review the department's decision on the basis
 25 of the request and determine whether the decision should be changed. The
 26 commissioner may issue a determination in writing within 20 days after the issuance
 27 of the decision. If the commissioner has not issued a written decision within the 20-
 28 day period, the request for reconsideration shall be considered as denied. Denial of a
 29 request for reconsideration is a final administrative order and decision of the
 30 department.

31 (f) The superior courts of the state have jurisdiction to enforce orders of the

1 department entered under (c) and (e) of this section.

2 * **Sec. 15.** AS 46.40.070 is repealed and reenacted to read:

3 **Sec. 46.40.070. Requirements for department review and approval.** (a) The
4 department shall approve a district coastal management plan submitted for review and
5 approval if, as determined by the department, the

6 (1) district coastal management plan meets the requirements of this
7 chapter and the district plan criteria adopted by the department; and

8 (2) enforceable policies of the district coastal management plan

9 (A) do not duplicate, restate, incorporate by reference,
10 rephrase, or adopt state or federal statutes or regulations;

11 (B) are not preempted by or in conflict with state or federal
12 statutes or regulations;

13 (C) employ the least restrictive means to achieve the objective
14 of the enforceable policies;

15 (D) do not arbitrarily or unreasonably restrict uses of state
16 concern; and

17 (E) meet the requirements of (b) and (c) of this section.

18 (b) The enforceable policies in a district coastal management plan submitted
19 for review under this section must meet the requirements of (a) of this section and may
20 establish new standards or requirements that are within the authority of a state or
21 federal agency unless

22 (1) a state agency specifically objects to the proposed new standards or
23 requirements on the grounds that the proposed standards or requirements

24 (A) are based on scientific evidence or local knowledge relied
25 upon by the coastal resource district to satisfy the requirements of
26 AS 46.40.030 but that conflicts with the agency's interpretation of the scientific
27 evidence within the agency's area of expertise;

28 (B) conflict with the agency's allocation of existing or planned
29 agency resources to meet state policies and objectives; or

30 (C) conflict with agency priorities or objectives, or other state
31 policies;

1 (2) the proposed new standards or requirements address discharges,
 2 emissions, contaminants, conditions, risks, or other matters that fall within the
 3 authority of the Department of Environmental Conservation under AS 46.03,
 4 AS 46.04, AS 46.09, AS 46.14, and regulations adopted under those statutes.

5 (c) An approval of a district coastal management plan with enforceable
 6 policies may not affect a person's rights or authorizations under an unexpired permit,
 7 lease, or other valid existing right to explore or develop natural resources that predates
 8 the date that the enforceable policy becomes final. An enforceable policy becomes
 9 final when its adoption is no longer subject to further review through either a judicial
 10 or administrative process.

11 (d) Notwithstanding AS 46.40.030(a)(4), in reviewing and approving a district
 12 coastal management plan under (a) of this section, the department may not require a
 13 district to designate areas for the purpose of developing an enforceable policy.

14 (e) In this section, "specifically objects" means that, during a review of a
 15 district coastal management plan under AS 46.40.050 or 46.40.060 and their
 16 implementing regulations, a written objection to the enforceable policy that establishes
 17 the new standards or requirements is filed with the department by

18 (1) the commissioner or deputy commissioner of a state agency; or

19 (2) the attorney general of the state.

20 (f) Notwithstanding any other provision of this chapter, an enforceable policy
 21 that establishes requirements within the authority of a state or federal agency shall be
 22 superseded upon the enactment of a law or adoption of a regulation that is inconsistent
 23 with the enforceable policy.

24 * **Sec. 16.** AS 46.40.096(d) is amended to read:

25 (d) In preparing a consistency review and determination for a proposed
 26 project, the reviewing entity shall

27 (1) request consistency review comments for the proposed project
 28 from state resource agencies, affected coastal resource districts, and other interested
 29 parties as determined by regulation adopted by the department;

30 (2) prepare proposed consistency determinations;

31 (3) **conduct an elevated review** [COORDINATE SUBSEQUENT

1 REVIEWS] of proposed consistency determinations prepared under (2) of this
 2 subsection; **an elevated** [A SUBSEQUENT] review of a proposed consistency
 3 determination under this paragraph

4 (A) **shall be conducted** [IS LIMITED TO A REVIEW] by the
 5 **commissioners or deputy commissioners of the resource agencies**
 6 [DEPARTMENT];

7 (B) may occur only if requested by

8 (i) the project applicant;

9 (ii) a state resource agency; or

10 (iii) an affected coastal resource district; and

11 (C) shall be completed **with the issuance of a written order**
 12 **signed by at least two of the commissioners or deputy commissioners of**
 13 **the resource agencies** [BY THE DEPARTMENT] within **60** [45] days after
 14 the initial request for **an elevated** [SUBSEQUENT] review under this
 15 paragraph; **if a written order is not issued in accordance with this**
 16 **subparagraph, the proposed consistency determination under (2) of this**
 17 **subsection is the final consistency determination and certification; and**

18 (4) render the final consistency determination and certification
 19 **consistent with this subsection.**

20 * **Sec. 17.** AS 46.40.096(o) is amended to read:

21 (o) The time limitations in (n) of this section

22 (1) do not apply to a consistency review involving the disposal of an
 23 interest in state land or resources;

24 (2) are suspended

25 (A) from the time the reviewing entity determines that the
 26 applicant has not adequately responded in writing within 14 days after the
 27 receipt of a written request from the reviewing entity for additional
 28 information, until the time the reviewing entity determines that the applicant
 29 has provided an adequate written response;

30 (B) during a period of time requested by the applicant;

31 (C) during the period of time a consistency review is

1 undergoing **an elevated** [A SUBSEQUENT] review under (d)(3) of this
2 section.

3 * **Sec. 18.** AS 46.40.096(q)(2) is amended to read:

4 (2) "reviewing entity" means the

6 subject to AS 46.39.010;

7 (B) **commissioners or deputy commissioners of the resource**
8 **agencies for an elevated review;**

9 (C) state agency identified in (b) of this section, for a
10 consistency review not subject to AS 46.39.010.

11 * **Sec. 19.** AS 46.40.180(b) is amended to read:

12 (b) If a city or village within a coastal resource service area fails to approve a
13 portion of the district coastal management plan prepared and submitted for approval
14 under (a) of this section, the governing body shall advise the coastal resource service
15 area board of its objections to the proposed plan and suggest alternative elements or
16 components for inclusion in the district coastal management plan. New matter
17 submitted by a city or village that **is not inconsistent with the standards adopted**
18 **under AS 46.40.040 and** meets the [STATEWIDE STANDARDS AND] district plan
19 criteria adopted under this chapter shall be accepted and the district coastal
20 management plan modified accordingly. If a city or village fails to provide objections
21 and suggested alternatives within the time limits established in this section, the coastal
22 resource service area board may adopt the district coastal management plan as initially
23 offered.

24 * **Sec. 20.** AS 46.40.210 is amended by adding new paragraphs to read:

25 (13) "board" means the Alaska Coastal Policy Board established in
26 AS 46.39.005;

27 (14) "commissioners" means the commissioners of the resource

6 (17) "scientific evidence" means facts or data that are

 10 management to furnish proof of a matter required under this chapter;

11 (B) in a form that would allow resource agency review for
 12 scientific merit; and

13 (C) supported by one or more of the following:

14 (i) written analysis based on field observation and
 15 professional judgment along with photographic documentation;

16 (ii) written analysis from a professional scientist with
 17 expertise in the specific discipline; or

18 (iii) site-specific scientific research that may include
 19 peer-review level research or literature.
