31 as contained in this section is enacted into law and entered into on behalf of the state

1 with all other states and jurisdictions legally joining it in a form substantially as  
2 follows:

3 ARTICLE I

4 Findings and Declaration of Purpose

5 (a) The legislature finds that:

6 (1) The health and safety of the public are affected by the degree of  
7 compliance with and the effectiveness of enforcement activities related to state nurse  
8 licensure laws;

9 (2) Violations of nurse licensure and other laws regulating the practice  
10 of nursing may result in injury or harm to the public;

11 (3) The expanded mobility of nurses and the use of advanced  
12 communication technologies as part of our nation's health care delivery system require  
13 greater coordination and cooperation among states in the areas of nurse licensure and  
14 regulation;

15 (4) New practice modalities and technology make compliance with  
16 individual state nurse licensure laws difficult and complex;

17 (5) The current system of duplicative licensure for nurses practicing in  
18 multiple states is cumbersome and redundant for both nurses and states; and

19 (6) Uniformity of nurse licensure requirements throughout the states  
20 promotes public safety and public health benefits.

21 (b) The general purposes of this Compact are to:

22 (1) Facilitate the states' responsibility to protect the public's health and  
23 safety;

24 (2) Ensure and encourage the cooperation of party states in the areas of  
25 nurse licensure and regulation;

26 (3) Facilitate the exchange of information between party states in the  
27 areas of nurse regulation, investigation and adverse actions;

28 (4) Promote compliance with the laws governing the practice of  
29 nursing in each jurisdiction;

30 (5) Invest all party states with the authority to hold a nurse accountable  
31 for meeting all state practice laws in the state in which the patient is located at the time

1 care is rendered through the mutual recognition of party state licenses;

2 (6) Decrease redundancies in the consideration and issuance of nurse  
3 licenses; and

4 (7) Provide opportunities for interstate practice by nurses who meet  
5 uniform licensure requirements.

## 6 ARTICLE II

### 7 Definitions

8 As used in this compact, unless the context clearly requires a different construction,

9 (1) "Adverse action" means any administrative, civil, equitable or  
10 criminal action permitted by a state's laws which is imposed by a licensing board or  
11 other authority against a nurse, including actions against an individual's license or  
12 multistate licensure privilege such as revocation, suspension, probation, monitoring of  
13 the licensee, limitation on the licensee's practice, or any other encumbrance on  
14 licensure affecting a nurse's authorization to practice, including issuance of a cease  
15 and desist action.

16 (2) "Alternative program" means a non-disciplinary monitoring  
17 program approved by a licensing board.

18 (3) "Coordinated licensure information system" means an integrated

20 enforcement activities related to nurse licensure laws that is administered by a  
21 nonprofit organization composed of and controlled by licensing boards.

22 (4) "Current significant investigative information" means:

23 (A) Investigative information that a licensing board, after a  
24 preliminary inquiry that includes notification and an opportunity for the nurse  
25 to respond, if required by state law, has reason to believe is not groundless and,  
26 if proved true, would indicate more than a minor infraction; or

27 (B) Investigative information that indicates that the nurse  
28 represents an immediate threat to public health and safety regardless of  
29 whether the nurse has been notified and had an opportunity to respond.

30 (5) "Encumbrance" means a revocation or suspension of, or any  
31 limitation on, the full and unrestricted practice of nursing imposed by a licensing

1 board.

2 (6) "Home state" means the party state which is the nurse's primary  
3 state of residence.

4 (7) "Licensing board" means a party state's regulatory body  
5 responsible for issuing nurse licenses.

6 (8) "Multistate license" means a license to practice as a registered or a  
7 licensed practical/vocational nurse (LPN/VN) issued by a home state licensing board  
8 that authorizes the licensed nurse to practice in all party states under a multistate  
9 licensure privilege.

10 (9) "Multistate licensure privilege" means a legal authorization  
11 associated with a multistate license permitting the practice of nursing as either a  
12 registered nurse (RN) or LPN/VN in a remote state.

13 (10) "Nurse" means RN or LPN/VN, as those terms are defined by  
14 each party state's practice laws.

15 (11) "Party state" means any state that has adopted this Compact.

16 (12) "Remote state" means a party state, other than the home state.

17 (13) "Single-state license" means a nurse license issued by a party state  
18 that authorizes practice only within the issuing state and does not include a multistate  
19 licensure privilege to practice in any other party state.

20 (14) "State" means a state, territory or possession of the United States  
21 and the District of Columbia.

22 (15) "State practice laws" means a party state's laws, rules and  
23 regulations that govern the practice of nursing, define the scope of nursing practice,  
24 and create the methods and grounds for imposing discipline. "State practice laws" do  
25 not include requirements necessary to obtain and retain a license, except for  
26 qualifications or requirements of the home state.

### 27 ARTICLE III

#### 28 General Provisions and Jurisdiction

29 (a) A multistate license to practice registered or licensed practical/vocational  
30 nursing issued by a home state to a resident in that state will be recognized by each  
31 party state as authorizing a nurse to practice as a registered nurse (RN) or as a licensed

1 practical/vocational nurse (LPN/VN), under a multistate licensure privilege, in each  
2 party state.

3 (b) A state must implement procedures for considering the criminal history  
4 records of applicants for initial multistate license or licensure by endorsement. Such  
5 procedures shall include the submission of fingerprints or other biometric-based  
6 information by applicants for the purpose of obtaining an applicant's criminal history  
7 record information from the Federal Bureau of Investigation and the agency  
8 responsible for retaining that state's criminal records.

9 (c) Each party state shall require the following for an applicant to obtain or  
10 retain a multistate license in the home state:

11 (1) Meets the home state's qualifications for licensure or renewal of  
12 licensure, as well as, all other applicable state laws;

13 (2) Has graduated or is eligible to graduate from a licensing board-  
14 approved RN or LPN/VN prelicensure education program; or has graduated from a  
15 foreign RN or LPN/VN prelicensure education program that (a) has been approved by  
16 the authorized accrediting body in the applicable country and (b) has been verified by  
17 an independent credentials review agency to be comparable to a licensing board-  
18 approved prelicensure education program;

19 (3) Has, if a graduate of a foreign prelicensure education program not  
20 taught in English or if English is not the individual's native language, successfully  
21 passed an English proficiency examination that includes the components of reading,  
22 speaking, writing and listening;

23 (4) Has successfully passed an NCLEX-RN or NCLEX-PN  
24 Examination or recognized predecessor, as applicable;

25 (5) Is eligible for or holds an active, unencumbered license;

26 (6) Has submitted, in connection with an application for initial  
27 licensure or licensure by endorsement, fingerprints or other biometric data for the  
28 purpose of obtaining criminal history record information from the Federal Bureau of  
29 Investigation and the agency responsible for retaining that state's criminal records;

30 (7) Has not been convicted or found guilty, or has entered into an  
31 agreed disposition, of a felony offense under applicable state or federal criminal law;

1                   (8) Has not been convicted or found guilty, or has entered into an  
2 agreed disposition, of a misdemeanor offense related to the practice of nursing as  
3 determined on a case-by-case basis;

4                   (9) Is not currently enrolled in an alternative program;

5                   (10) Is subject to self-disclosure requirements regarding current  
6 participation in an alternative program; and

7                   (11) Has a valid United States Social Security number.

8                   (d) All party states shall be authorized, in accordance with existing state due  
9 process law, to take adverse action against a nurse's multistate licensure privilege such  
10 as revocation, suspension, probation or any other action that affects a nurse's  
11 authorization to practice under a multistate licensure privilege, including cease and  
12 desist actions. If a party state takes such action, it shall promptly notify the  
13 administrator of the coordinated licensure information system. The administrator of  
14 the coordinated licensure information system shall promptly notify the home state of  
15 any such actions by remote states.

16                   (e) A nurse practicing in a party state must comply with the state practice laws  
17 of the state in which the client is located at the time service is provided. The practice  
18 of nursing is not limited to patient care, but shall include all nursing practice as  
19 defined by the state practice laws of the party state in which the client is located. The  
20 practice of nursing in a party state under a multistate licensure privilege will subject a  
21 nurse to the jurisdiction of the licensing board, the courts and the laws of the party  
22 state in which the client is located at the time service is provided.

23                   (f) Individuals not residing in a party state shall continue to be able to apply  
24 for a party state's single-state license as provided under the laws of each party state.  
25 However, the single-state license granted to these individuals will not be recognized as  
26 granting the privilege to practice nursing in any other party state. Nothing in this  
27 Compact shall affect the requirements established by a party state for the issuance of a  
28 single-state license.

29                   (g) Any nurse holding a home state multistate license, on the effective date of  
30 this Compact, may retain and renew the multistate license issued by the nurse's then-  
31 current home state, provided that:

1 (1) A nurse, who changes primary state of residence after this  
2 Compact's effective date, must meet all applicable Article III.c. requirements to obtain  
3 a multistate license from a new home state.

4 (2) A nurse who fails to satisfy the multistate licensure requirements in  
5 Article III.c. due to a disqualifying event occurring after this Compact's effective date  
6 shall be ineligible to retain or renew a multistate license, and the nurse's multistate  
7 license shall be revoked or deactivated in accordance with applicable rules adopted by  
8 the Interstate Commission of Nurse Licensure Compact Administrators  
9 ("Commission").

#### 10 ARTICLE IV

##### 11 Applications for Licensure in a Party State

12 (a) Upon application for a multistate license, the licensing board in the issuing  
13 party state shall ascertain, through the coordinated licensure information system,  
14 whether the applicant has ever held, or is the holder of, a license issued by any other  
15 state, whether there are any encumbrances on any license or multistate licensure  
16 privilege held by the applicant, whether any adverse action has been taken against any  
17 license or multistate licensure privilege held by the applicant and whether the  
18 applicant is currently participating in an alternative program.

19 (b) A nurse may hold a multistate license, issued by the home state, in only  
20 one party state at a time.

21 (c) If a nurse changes primary state of residence by moving between two party  
22 states, the nurse must apply for licensure in the new home state, and the multistate  
23 license issued by the prior home state will be deactivated in accordance with  
24 applicable rules adopted by the Commission.

25 (1) The nurse may apply for licensure in advance of a change in  
26 primary state of residence.

27 (2) A multistate license shall not be issued by the new home state until  
28 the nurse provides satisfactory evidence of a change in primary state of residence to  
29 the new home state and satisfies all applicable requirements to obtain a multistate  
30 license from the new home state.

31 (d) If a nurse changes primary state of residence by moving from a party state

1 to a non-party state, the multistate license issued by the prior home state will convert  
2 to a single-state license, valid only in the former home state.

### 3 ARTICLE V

#### 4 Additional Authorities Invested in Party State Licensing Boards

5 (a) In addition to the other powers conferred by state law, a licensing board  
6 shall have the authority to:

7 (1) Take adverse action against a nurse's multistate licensure privilege  
8 to practice within that party state.

9 (A) Only the home state shall have the power to take adverse  
10 action against a nurse's license issued by the home state.

11 (B) For purposes of taking adverse action, the home state  
12 licensing board shall give the same priority and effect to reported conduct  
13 received from a remote state as it would if such conduct had occurred within  
14 the home state. In so doing, the home state shall apply its own state laws to  
15 determine appropriate action.

16 (2) Issue cease and desist orders or impose an encumbrance on a  
17 nurse's authority to practice within that party state.

18 (3) Complete any pending investigations of a nurse who changes  
19 primary state of residence during the course of such investigations. The licensing  
20 board shall also have the authority to take appropriate action(s) and shall promptly  
21 report the conclusions of such investigations to the administrator of the coordinated  
22 licensure information system. The administrator of the coordinated licensure  
23 information system shall promptly notify the new home state of any such actions.

24 (4) Issue subpoenas for both hearings and investigations that require  
25 the attendance and testimony of witnesses, as well as, the production of evidence.  
26 Subpoenas issued by a licensing board in a party state for the attendance and  
27 testimony of witnesses or the production of evidence from another party state shall be  
28 enforced in the latter state by any court of competent jurisdiction, according to the  
29 practice and procedure of that court applicable to subpoenas issued in proceedings  
30 pending before it. The issuing authority shall pay any witness fees, travel expenses,  
31 mileage and other fees required by the service statutes of the state in which the

1 witnesses or evidence are located.

2 (5) Obtain and submit, for each nurse licensure applicant, fingerprint  
3 or other biometric-based information to the Federal Bureau of Investigation for  
4 criminal background checks, receive the results of the Federal Bureau of Investigation  
5 record search on criminal background checks and use the results in making licensure  
6 decisions.

7 (6) If otherwise permitted by state law, recover from the affected nurse  
8 the costs of investigations and disposition of cases resulting from any adverse action  
9 taken against that nurse.

10 (7) Take adverse action based on the factual findings of the remote  
11 state, provided that the licensing board follows its own procedures for taking such  
12 adverse action.

13 (b) If adverse action is taken by the home state against a nurse's multistate  
14 license, the nurse's multistate licensure privilege to practice in all other party states  
15 shall be deactivated until all encumbrances have been removed from the multistate  
16 license. All home state disciplinary orders that impose adverse action against a nurse's  
17 multistate license shall include a statement that the nurse's multistate licensure  
18 privilege is deactivated in all party states during the pendency of the order. Nothing in  
19 this Compact shall override a party state's decision that participation in an alternative  
20 program may be used in lieu of adverse action. The home state licensing board shall  
21 deactivate the multistate licensure privilege under the multistate license of any nurse  
22 for the duration of the nurse's participation in an alternative program.

## 23 ARTICLE VI

### 24 Coordinated Licensure Information System and Exchange of Information

25 (a) All party states shall participate in a coordinated licensure information  
26 system of all licensed registered nurses (RNs) and licensed practical/vocational nurses  
27 (LPNs/VNs). This system will include information on the licensure and disciplinary  
28 history of each nurse, as submitted by party states, to assist in the coordination of  
29 nurse licensure and enforcement efforts.

30 (b) The Commission, in consultation with the administrator of the coordinated  
31 licensure information system, shall formulate necessary and proper procedures for the

1 identification, collection and exchange of information under this Compact.

2 (c) All licensing boards shall promptly report to the coordinated licensure  
3 information system any adverse action, any current significant investigative  
4 information, denials of applications (with the reasons for such denials) and nurse  
5 participation in alternative programs known to the licensing board regardless of  
6 whether such participation is deemed nonpublic or confidential under state law.

7 (d) Current significant investigative information and participation in nonpublic  
8 or confidential alternative programs shall be transmitted through the coordinated  
9 licensure information system only to party state licensing boards.

10 (e) Notwithstanding any other provision of law, all party state licensing boards  
11 contributing information to the coordinated licensure information system may  
12 designate information that may not be shared with non-party states or disclosed to  
13 other entities or individuals without the express permission of the contributing state.

14 (f) Any personally identifiable information obtained from the coordinated  
15 licensure information system by a party state licensing board shall not be shared with  
16 non-party states or disclosed to other entities or individuals except to the extent  
17 permitted by the laws of the party state contributing the information.

18 (g) Any information contributed to the coordinated licensure information  
19 system that is subsequently required to be expunged by the laws of the party state  
20 contributing that information shall also be expunged from the coordinated licensure  
21 information system.

22 (h) The Compact administrator of each party state shall furnish a uniform data  
23 set to the Compact administrator of each other party state, which shall include, at a  
24 minimum:

25 (1) Identifying information;

26 (2) Licensure data;

27 (3) Information related to alternative program participation; and

28 (4) Other information that may facilitate the administration of this

29 Compact, as determined by Commission rules.

30 (i) The Compact administrator of a party state shall provide all investigative  
31 documents and information requested by another party state.

## ARTICLE VII

## Establishment of the Interstate Commission of Nurse Licensure Compact Administrators

(a) The party states hereby create and establish a joint public entity known as the Interstate Commission of Nurse Licensure Compact Administrators.

(1) The Commission is an instrumentality of the party states.

(2) Venue is proper, and judicial proceedings by or against the Commission shall be brought solely and exclusively, in a court of competent jurisdiction where the principal office of the Commission is located. The Commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings.

(3) Nothing in this Compact shall be construed to be a waiver of sovereign immunity.

## (b) Membership, Voting and Meetings

(1) Each party state shall have and be limited to one administrator. The head of the state licensing board or designee shall be the administrator of this Compact for each party state. Any administrator may be removed or suspended from office as provided by the law of the state from which the Administrator is appointed. Any vacancy occurring in the Commission shall be filled in accordance with the laws of the party state in which the vacancy exists.

(2) Each administrator shall be entitled to one (1) vote with regard to the promulgation of rules and creation of bylaws and shall otherwise have an opportunity to participate in the business and affairs of the Commission. An administrator shall vote in person or by such other means as provided in the bylaws. The bylaws may provide for an administrator's participation in meetings by telephone or other means of communication.

(3) The Commission shall meet at least once during each calendar year. Additional meetings shall be held as set forth in the bylaws or rules of the commission.

(4) All meetings shall be open to the public, and public notice of meetings shall be given in the same manner as required under the rulemaking provisions in Article VIII.

1                   (5) The Commission may convene in a closed, nonpublic meeting if  
2 the Commission must discuss:

3                   (A) Noncompliance of a party state with its obligations under  
4 this Compact;

5                   (B) The employment, compensation, discipline or other  
6 personnel matters, practices or procedures related to specific employees or  
7 other matters related to the Commission's internal personnel practices and  
8 procedures;

9                   (C) Current, threatened or reasonably anticipated litigation;

10                  (D) Negotiation of contracts for the purchase or sale of goods,  
11 services or real estate;

12                  (E) Accusing any person of a crime or formally censuring any  
13 person;

14                  (F) Disclosure of trade secrets or commercial or financial  
15 information that is privileged or confidential;

16                  (G) Disclosure of information of a personal nature where  
17 disclosure would constitute a clearly unwarranted invasion of personal privacy;

18                  (H) Disclosure of investigatory records compiled for law  
19 enforcement purposes;

20                  (I) Disclosure of information related to any reports prepared by  
21 or on behalf of the Commission for the purpose of investigation of compliance  
22 with this Compact; or

23                  (J) Matters specifically exempted from disclosure by federal or  
24 state statute.

25                  (6) If a meeting, or portion of a meeting, is closed pursuant to this  
26 provision, the Commission's legal counsel or designee shall certify that the meeting  
27 may be closed and shall reference each relevant exempting provision. The  
28 Commission shall keep minutes that fully and clearly describe all matters discussed in  
29 a meeting and shall provide a full and accurate summary of actions taken, and the  
30 reasons therefor, including a description of the views expressed. All documents  
31 considered in connection with an action shall be identified in such minutes. All

1 minutes and documents of a closed meeting shall remain under seal, subject to release  
2 by a majority vote of the Commission or order of a court of competent jurisdiction.

3 (c) The Commission shall, by a majority vote of the administrators, prescribe  
4 bylaws or rules to govern its conduct as may be necessary or appropriate to carry out  
5 the purposes and exercise the powers of this Compact, including but not limited to:

6 (1) Establishing the fiscal year of the Commission;

7 (2) Providing reasonable standards and procedures:

8 (A) For the establishment and meetings of other committees;

9 and

10 (B) Governing any general or specific delegation of any  
11 authority or function of the Commission;

12 (3) Providing reasonable procedures for calling and conducting  
13 meetings of the Commission, ensuring reasonable advance notice of all meetings and  
14 providing an opportunity for attendance of such meetings by interested parties, with  
15 enumerated exceptions designed to protect the public's interest, the privacy of  
16 individuals, and proprietary information, including trade secrets. The Commission  
17 may meet in closed session only after a majority of the administrators vote to close a  
18 meeting in whole or in part. As soon as practicable, the Commission must make public  
19 a copy of the vote to close the meeting revealing the vote of each administrator, with  
20 no proxy votes allowed;

21 (4) Establishing the titles, duties and authority and reasonable  
22 procedures for the election of the officers of the Commission;

23 (5) Providing reasonable standards and procedures for the  
24 establishment of the personnel policies and programs of the Commission.  
25 Notwithstanding any civil service or other similar laws of any party state, the bylaws  
26 shall exclusively govern the personnel policies and programs of the Commission; and

27 (6) Providing a mechanism for winding up the operations of the  
28 Commission and the equitable disposition of any surplus funds that may exist after the  
29 termination of this Compact after the payment or reserving of all of its debts and  
30 obligations;

31 (d) The Commission shall publish its bylaws and rules, and any amendments

1 thereto, in a convenient form on the website of the Commission.

2 (e) The Commission shall maintain its financial records in accordance with the  
3 bylaws.

4 (f) The Commission shall meet and take such actions as are consistent with the  
5 provisions of this Compact and the bylaws.

6 (g) The Commission shall have the following powers:

7 (1) To promulgate uniform rules to facilitate and coordinate  
8 implementation and administration of this Compact. The rules shall have the force and  
9 effect of law and shall be binding in all party states;

10 (2) To bring and prosecute legal proceedings or actions in the name of  
11 the Commission, provided that the standing of any licensing board to sue or be sued  
12 under applicable law shall not be affected;

13 (3) To purchase and maintain insurance and bonds;

14 (4) To borrow, accept or contract for services of personnel, including,  
15 but not limited to, employees of a party state or nonprofit organizations;

16 (5) To cooperate with other organizations that administer state  
17 compacts related to the regulation of nursing, including but not limited to sharing  
18 administrative or staff expenses, office space or other resources;

19 (6) To hire employees, elect or appoint officers, fix compensation,  
20 define duties, grant such individuals appropriate authority to carry out the purposes of  
21 this Compact, and to establish the Commission's personnel policies and programs  
22 relating to conflicts of interest, qualifications of personnel and other related personnel  
23 matters;

24 (7) To accept any and all appropriate donations, grants and gifts of  
25 money, equipment, supplies, materials and services, and to receive, utilize and dispose  
26 of the same; provided that at all times the Commission shall avoid any appearance of  
27 impropriety or conflict of interest;

28 (8) To lease, purchase, accept appropriate gifts or donations of, or  
29 otherwise to own, hold, improve or use, any property, whether real, personal or mixed;  
30 provided that at all times the Commission shall avoid any appearance of impropriety;

31 (9) To sell, convey, mortgage, pledge, lease, exchange, abandon or

1 otherwise dispose of any property, whether real, personal or mixed;

2 (10) To establish a budget and make expenditures;

3 (11) To borrow money;

4 (12) To appoint committees, including advisory committees comprised  
5 of administrators, state nursing regulators, state legislators or their representatives, and  
6 consumer representatives, and other such interested persons;

7 (13) To provide and receive information from, and to cooperate with,  
8 law enforcement agencies;

9 (14) To adopt and use an official seal; and

10 (15) To perform such other functions as may be necessary or  
11 appropriate to achieve the purposes of this Compact consistent with the state  
12 regulation of nurse licensure and practice.

13 (h) Financing of the Commission

14 (1) The Commission shall pay, or provide for the payment of, the  
15 reasonable expenses of its establishment, organization and ongoing activities.

16 (2) The Commission may also levy on and collect an annual  
17 assessment from each party state to cover the cost of its operations, activities and staff  
18 in its annual budget as approved each year. The aggregate annual assessment amount,  
19 if any, shall be allocated based upon a formula to be determined by the Commission,  
20 which shall promulgate a rule that is binding upon all party states.

21 (3) The Commission shall not incur obligations of any kind prior to  
22 securing the funds adequate to meet the same; nor shall the Commission pledge the  
23 credit of any of the party states, except by, and with the authority of, such party state.

24 (4) The Commission shall keep accurate accounts of all receipts and  
25 disbursements. The receipts and disbursements of the Commission shall be subject to  
26 the audit and accounting procedures established under its bylaws. However, all  
27 receipts and disbursements of funds handled by the Commission shall be audited  
28 yearly by a certified or licensed public accountant, and the report of the audit shall be  
29 included in and become part of the annual report of the Commission.

30 (i) Qualified Immunity, Defense and Indemnification

31 (1) The administrators, officers, executive director, employees and

1 representatives of the Commission shall be immune from suit and liability, either  
2 personally or in their official capacity, for any claim for damage to or loss of property  
3 or personal injury or other civil liability caused by or arising out of any actual or  
4 alleged act, error or omission that occurred, or that the person against whom the claim  
5 is made had a reasonable basis for believing occurred, within the scope of  
6 Commission employment, duties or responsibilities; provided that nothing in this  
7 paragraph shall be construed to protect any such person from suit or liability for any  
8 damage, loss, injury or liability caused by the intentional, willful or wanton  
9 misconduct of that person.

10 (2) The Commission shall defend any administrator, officer, executive  
11 director, employee or representative of the Commission in any civil action seeking to  
12 impose liability arising out of any actual or alleged act, error or omission that occurred  
13 within the scope of Commission employment, duties or responsibilities, or that the  
14 person against whom the claim is made had a reasonable basis for believing occurred  
15 within the scope of Commission employment, duties or responsibilities; provided that  
16 nothing herein shall be construed to prohibit that person from retaining his or her own  
17 counsel; and provided further that the actual or alleged act, error or omission did not  
18 result from that person's intentional, willful or wanton misconduct.

19 (3) The Commission shall indemnify and hold harmless any  
20 administrator, officer, executive director, employee or representative of the  
21 Commission for the amount of any settlement or judgment obtained against that  
22 person arising out of any actual or alleged act, error or omission that occurred within  
23 the scope of Commission employment, duties or responsibilities, or that such person  
24 had a reasonable basis for believing occurred within the scope of Commission  
25 employment, duties or responsibilities, provided that the actual or alleged act, error or  
26 omission did not result from the intentional, willful or wanton misconduct of that  
27 person.

## 28 ARTICLE VIII

### 29 Rulemaking

30 (a) The Commission shall exercise its rulemaking powers pursuant to the  
31 criteria set forth in this Article and the rules adopted thereunder. Rules and

1 amendments shall become binding as of the date specified in each rule or amendment  
2 and shall have the same force and effect as provisions of this Compact.

3 (b) Rules or amendments to the rules shall be adopted at a regular or special  
4 meeting of the Commission.

5 (c) Prior to promulgation and adoption of a final rule or rules by the  
6 Commission, and at least sixty (60) days in advance of the meeting at which the rule  
7 will be considered and voted upon, the Commission shall file a notice of proposed  
8 rulemaking:

9 (1) On the website of the Commission; and

10 (2) On the website of each licensing board or the publication in which  
11 each state would otherwise publish proposed rules.

12 (d) The notice of proposed rulemaking shall include:

13 (1) The proposed time, date and location of the meeting in which the  
14 rule will be considered and voted upon;

15 (2) The text of the proposed rule or amendment, and the reason for the  
16 proposed rule;

17 (3) A request for comments on the proposed rule from any interested  
18 person; and

19 (4) The manner in which interested persons may submit notice to the  
20 Commission of their intention to attend the public hearing and any written comments.

21 (e) Prior to adoption of a proposed rule, the Commission shall allow persons  
22 to submit written data, facts, opinions and arguments, which shall be made available to  
23 the public.

24 (f) The Commission shall grant an opportunity for a public hearing before it  
25 adopts a rule or amendment.

26 (g) The Commission shall publish the place, time and date of the scheduled  
27 public hearing.

28 (1) Hearings shall be conducted in a manner providing each person  
29 who wishes to comment a fair and reasonable opportunity to comment orally or in  
30 writing. All hearings will be recorded, and a copy will be made available upon request.

31 (2) Nothing in this section shall be construed as requiring a separate

1 hearing on each rule. Rules may be grouped for the convenience of the Commission at  
2 hearings required by this section.

3 (h) If no one appears at the public hearing, the Commission may proceed with  
4 promulgation of the proposed rule.

5 (i) Following the scheduled hearing date, or by the close of business on the  
6 scheduled hearing date if the hearing was not held, the Commission shall consider all  
7 written and oral comments received.

8 (j) The Commission shall, by majority vote of all administrators, take final  
9 action on the proposed rule and shall determine the effective date of the rule, if any,  
10 based on the rulemaking record and the full text of the rule.

11 (k) Upon determination that an emergency exists, the Commission may  
12 consider and adopt an emergency rule without prior notice, opportunity for comment  
13 or hearing, provided that the usual rulemaking procedures provided in this Compact  
14 and in this section shall be retroactively applied to the rule as soon as reasonably  
15 possible, in no event later than ninety (90) days after the effective date of the rule. For  
16 the purposes of this provision, an emergency rule is one that must be adopted  
17 immediately in order to:

18 (1) Meet an imminent threat to public health, safety or welfare;

19 (2) Prevent a loss of Commission or party state funds; or

20 (3) Meet a deadline for the promulgation of an administrative rule that  
21 is required by federal law or rule.

22 (l) The Commission may direct revisions to a previously adopted rule or  
23 amendment for purposes of correcting typographical errors, errors in format, errors in  
24 consistency or grammatical errors. Public notice of any revisions shall be posted on  
25 the website of the Commission. The revision shall be subject to challenge by any  
26 person for a period of thirty (30) days after posting. The revision may be challenged

28 shall be made in writing, and delivered to the Commission, prior to the end of the  
29 notice period. If no challenge is made, the revision will take effect without further  
30 action. If the revision is challenged, the revision may not take effect without the  
31 approval of the Commission.

## ARTICLE IX

## Oversight, Dispute Resolution and Enforcement

## (a) Oversight

(1) Each party state shall enforce this Compact and take all actions necessary and appropriate to effectuate this Compact's purposes and intent.

(2) The Commission shall be entitled to receive service of process in any proceeding that may affect the powers, responsibilities or actions of the Commission, and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process in such proceeding to the Commission shall render a judgment or order void as to the Commission, this Compact or promulgated rules.

## (b) Default, Technical Assistance and Termination

(1) If the Commission determines that a party state has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated rules, the Commission shall:

(A) Provide written notice to the defaulting state and other party states of the nature of the default, the proposed means of curing the default or any other action to be taken by the Commission; and

(B) Provide remedial training and specific technical assistance regarding the default.

(2) If a state in default fails to cure the default, the defaulting state's membership in this Compact may be terminated upon an affirmative vote of a majority of the administrators, and all rights, privileges and benefits conferred by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(3) Termination of membership in this Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the governor of the defaulting state and to the executive officer of the defaulting state's licensing board and each of the party states.

1 (4) A state whose membership in this Compact has been terminated is  
2 responsible for all assessments, obligations and liabilities incurred through the  
3 effective date of termination, including obligations that extend beyond the effective  
4 date of termination.

5 (5) The Commission shall not bear any costs related to a state that is  
6 found to be in default or whose membership in this Compact has been terminated  
7 unless agreed upon in writing between the Commission and the defaulting state.

8 (6) The defaulting state may appeal the action of the Commission by  
9 petitioning the U.S. District Court for the District of Columbia or the federal district in  
10 which the Commission has its principal offices. The prevailing party shall be awarded  
11 all costs of such litigation, including reasonable attorneys' fees.

12 (c) Dispute Resolution

13 (1) Upon request by a party state, the Commission shall attempt to  
14 resolve disputes related to the Compact that arise among party states and between  
15 party and non-party states.

16 (2) The Commission shall promulgate a rule providing for both  
17 mediation and binding dispute resolution for disputes, as appropriate.

18 (3) In the event the Commission cannot resolve disputes among party  
19 states arising under this Compact:

20 (A) The party states may submit the issues in dispute to an  
21 arbitration panel, which will be comprised of individuals appointed by the  
22 Compact administrator in each of the affected party states and an individual  
23 mutually agreed upon by the Compact administrators of all the party states  
24 involved in the dispute.

25 (B) The decision of a majority of the arbitrators shall be final  
26 and binding.

27 (d) Enforcement

28 (1) The Commission, in the reasonable exercise of its discretion, shall  
29 enforce the provisions and rules of this Compact.

30 (2) By majority vote, the Commission may initiate legal action in the  
31 U.S. District Court for the District of Columbia or the federal district in which the

1 Commission has its principal offices against a party state that is in default to enforce  
2 compliance with the provisions of this Compact and its promulgated rules and bylaws.  
3 The relief sought may include both injunctive relief and damages. In the event judicial  
4 enforcement is necessary, the prevailing party shall be awarded all costs of such  
5 litigation, including reasonable attorneys' fees.

6 (3) The remedies herein shall not be the exclusive remedies of the  
7 Commission. The Commission may pursue any other remedies available under federal  
8 or state law.

## 9 ARTICLE X

### 10 Effective Date, Withdrawal and Amendment

11 (a) This Compact shall become effective and binding on the earlier of the date  
12 of legislative enactment of this Compact into law by no less than twenty-six (26) states  
13 or December 31, 2018. All party states to this Compact, that also were parties to the  
14 prior Nurse Licensure Compact, superseded by this Compact, ("Prior Compact"), shall  
15 be deemed to have withdrawn from said Prior Compact within six (6) months after the  
16 effective date of this Compact.

17 (b) Each party state to this Compact shall continue to recognize a nurse's  
18 multistate licensure privilege to practice in that party state issued under the Prior  
19 Compact until such party state has withdrawn from the Prior Compact.

20 (c) Any party state may withdraw from this Compact by enacting a statute  
21 repealing the same. A party state's withdrawal shall not take effect until six (6) months  
22 after enactment of the repealing statute.

23 (d) A party state's withdrawal or termination shall not affect the continuing  
24 requirement of the withdrawing or terminated state's licensing board to report adverse  
25 actions and significant investigations occurring prior to the effective date of such  
26 withdrawal or termination.

27 (e) Nothing contained in this Compact shall be construed to invalidate or  
28 prevent any nurse licensure agreement or other cooperative arrangement between a  
29 party state and a non-party state that is made in accordance with the other provisions  
30 of this Compact.

31 (f) This Compact may be amended by the party states. No amendment to this

1 Compact shall become effective and binding upon the party states unless and until it is  
2 enacted into the laws of all party states.

3 (g) Representatives of non-party states to this Compact shall be invited to  
4 participate in the activities of the Commission, on a nonvoting basis, prior to the  
5 adoption of this Compact by all states.

## 6 ARTICLE XI

### 7 Construction and Severability

8 This Compact shall be liberally construed so as to effectuate the purposes  
9 thereof. The provisions of this Compact shall be severable, and if any phrase, clause,  
10 sentence or provision of this Compact is declared to be contrary to the constitution of  
11 any party state or of the United States, or if the applicability thereof to any  
12 government, agency, person or circumstance is held invalid, the validity of the  
13 remainder of this Compact and the applicability thereof to any government, agency,  
14 person or circumstance shall not be affected thereby. If this Compact shall be held to  
15 be contrary to the constitution of any party state, this Compact shall remain in full  
16 force and effect as to the remaining party states and in full force and effect as to the  
17 party state affected as to all severable matters.
