7 * **Section 1.** AS 23.30.097(a) is amended to read:

8 (a) All fees and other charges for medical treatment or service are subject to
9 regulation by the board consistent with this section. A fee or other charge for medical
10 treatment or service

11 **(1) rendered in the state** may not exceed the lowest of

12 **(A)** [(1)] the usual, customary, and reasonable fees for the

1 treatment or service in the community in which it is rendered, for treatment or
2 service provided on or after December 31, 2010, not to exceed the fees or other
3 charges as specified in a fee schedule established by the board and adopted by
4 reference in regulation; the fee schedule must be based on statistically credible
5 data, including charges for the most recent category I, II, and III medical
6 services maintained by the American Medical Association and the Health Care
7 Procedure Coding System for medical supplies, injections, emergency
8 transportation, and other medically related services, and must result in a
9 schedule that

10 (i) [(A)] reflects the cost in the geographical area where
11 services are provided; and

12 (ii) [(B)] is at the 90th percentile;

21 (h) A provider of medical treatment or services may receive payment for
22 medical treatment and services under this chapter only if the bill for services is
23 received by the employer within 180 days after the later of

24 (1) the date of service; or

25 (2) the date that the provider knew of the claim and knew that the
26 claim related to employment.

27 (i) A provider whose bill has been denied or reduced by the employer may file
28 an appeal with the board within 60 days after receiving notice of the denial or
