7 * **Sec. 2.** AS 43.05.240(a) is amended to read:

8 (a) A taxpayer aggrieved by the action of the department in fixing the amount
 9 of a tax or penalty or the revocation or suspension of a seller's permit or a resale
 10 exemption certificate issued under AS 43.44.080 or 43.44.100 may apply to the
 11 department within 60 days after the date of mailing of the notice required to be given
 12 to the taxpayer by the department, giving notice of the grievance, and requesting an
 13 informal conference to be scheduled with an appeals officer. The taxpayer shall be
 14 given access to the taxpayer's file in the department in the matter for preparation for
 15 the informal conference. At the informal conference, the taxpayer may present to the
 16 appeals officer arguments and evidence relevant to the amount of tax or penalty due
 17 the state. If the department determines that a correction is warranted, the department
 18 shall make the correction.

19 * **Sec. 3.** AS 43 is amended by adding a new chapter to read:

 23 sales price is levied on the

24 (1) sale or lease of tangible personal property; or

25 (2) sale of services.

26 (b) A use tax of two percent of the sales price is levied on the person using

27 (1) tangible personal property acquired on or after July 1, 2022, and

28 (A) acquired outside this state as the result of a transaction that
 29 would have been subject to the sales tax had it occurred in this state; or

30 (B) acquired by a purchaser for a use that was exempt under
 31 AS 43.44.060 but later converted to a use that is subject to sales tax; or

3 **Sec. 43.44.020. Collection of sales tax by sellers; use tax responsibility.** (a)
4 The tax described in AS 43.44.010(a) is imposed on the purchaser. However, a seller

10 property or service in the state.

11 **Sec. 43.44.030. Value, timing.** (a) If a sales price is less than the value of
12 property or a service purchased or if a sale did not occur but tax is due under this
13 chapter, the use tax shall be imposed on the untaxed value of the property or service.

14 (b) The sales price of property or a service must be determined at the time of
15 acquisition, introduction into this state, or conversion to use, whichever is latest.

16 **Sec. 43.44.040. Separate statement of tax; no advertising to absorb or**
17 **refund tax.** (a) If a seller collects a tax in excess of the tax imposed by
18 AS 43.44.010(a), the seller shall remit the excess to the department.

19 (b) A seller collecting the tax imposed by AS 43.44.010(a) shall separately
20 state the sales tax for all sales, except for sales from vending machines, sales of drinks
21 in a bar, sales from street vending carts, games of chance, admission fees, taxi fares,
22 and other sales determined by regulation by the department.

23 (c) A seller may not advertise, hold out, or state to the public or to a customer
24 that the seller will absorb or refund the tax imposed by AS 44.43.010(a).

25 **Sec. 43.44.050. Liability of user for payment of use tax.** A person in this
26 state who uses property subject to the tax under this chapter is liable to the state for
27 payment of the tax on the sales price of the property if the tax has not been paid. The
28 liability imposed by this section is discharged when the person pays the sales or use
29 tax to the seller for payment to the department.

30 **Article 2. Exemptions.**

11 purpose of fundraising by a nonprofit organization.

12 (g) Personal or household effects brought into the state for the establishment
13 by the individual of an initial residence in the state and the use by a nonresident of

5 (n) The transport, handling, storage, drayage, packing, or other related service
6 of property is exempt from a tax imposed under this chapter if the property is being
7 transported in interstate or foreign commerce.

8 **Article 3. Credits, Tax Collection and Payment, Seller's Permit, Resale Exemption.**

9 **Sec. 43.44.070. Tax credit for sales or use tax paid to another state.** A
10 purchaser liable for sales or use tax on tangible personal property or services is
11 entitled to a full credit for the amount of sales or use tax paid to another state on the
12 tangible personal property or services.

13 **Sec. 43.44.080. Seller's permit.** (a) Before engaging in business in this state, a
14 person shall obtain a seller's permit.

15 (b) An application for a seller's permit must be on a form or in a format
16 prescribed by the department and must set out the name under which the applicant
17 intends to transact business, the location of the applicant's place or places of business,
18 and other information that the department may require. If the owner is

19 (1) a natural person, the owner shall file the application;

20 (2) an association or partnership, a member or partner shall file the
21 application;

22 (3) a corporation, a person authorized to sign the application shall file
23 the application.

24 (c) If the person has more than one place of business, an application may
25 include multiple locations. A vending machine operator who has more than one
26 vending machine location is considered to have only one place of business for
27 purposes of this section. An applicant who does not have a single place of business
28 and who moves from place to place is considered to have only one place of business
29 and shall attach the seller's permit to the applicant's cart, stand, truck, or other
30 merchandising device.

31 (d) The department shall issue to an eligible applicant a numbered seller's

1 permit. A seller's permit is valid until revoked or suspended and is not assignable. A
 2 seller's permit is valid only for the person in whose name the permit is issued. A copy
 3 of the seller's permit must be conspicuously displayed at all times at the place of
 4 business for which the permit is issued.

5 **Sec. 43.44.090. Exempt resales.** Sales for resale are exempt from the tax
 6 under this chapter. A person making a sale for resale must have an exemption
 7 certificate issued under AS 43.44.100 and must present the certificate at the time of
 8 the sale for resale. In this section, "sale for resale" means the sale of tangible personal
 9 property to a buyer whose principal business is the resale of property, whether in the
 10 same or an altered form.

11 **Sec. 43.44.100. Resale exemption certificate.** (a) The department shall issue a
 12 resale exemption certificate to a person that has obtained a seller's permit under
 13 AS 43.44.080. The resale exemption certificate must be in both paper and electronic
 14 form.

15 (b) The resale exemption certificate must include

16 (1) the number of the seller's permit issued to the person as provided in
 17 AS 43.44.080;

18 (2) the general character of property or service sold by the person in
 19 the regular course of business;

20 (3) the name and address of the person; and

21 (4) the signature or electronic signature of the person.

22 **Sec. 43.44.110. Revocation or suspension of a seller's permit or resale**
 23 **exemption certificate.** (a) The department may revoke or suspend a seller's permit or
 24 resale exemption certificate, or both the seller's permit and resale exemption
 25 certificate, held by a person who fails to comply with the provisions of this chapter.

26 (b) A person aggrieved by a decision of the department to revoke or suspend a
 27 seller's permit or resale exemption certificate under (a) of this section may appeal the
 28 decision under AS 43.05.240 - 43.05.430.

29 (c) If a seller's permit or resale exemption certificate is revoked, the
 30 department may not issue a new seller's permit or resale exemption certificate except
 31 upon application accompanied by reasonable evidence of the intention of the applicant

1 to comply with the provisions of this chapter. The department may, as a condition for
 2 the issuance of a new seller's permit to the applicant, require security in addition to
 3 that authorized by AS 43.44.200 in an amount reasonably necessary to ensure
 4 compliance with this chapter.

5 **Sec. 43.44.120. Improper use of purchase obtained with resale exemption**
 6 **certificate; penalty.** A person who intentionally uses a resale exemption certificate
 7 for property that is used for purposes other than the purpose claimed is subject to a
 8 penalty, payable to the department, of \$100 or 100 percent of the tax due, whichever is
 9 greater, for each transaction in which an improper use of the resale exemption
 10 certificate has occurred. The penalty under this subsection is in addition to tax,
 11 interest, or other penalties due.

12 **Sec. 43.44.130. Commingling resale exemption certificate property.** If a
 13 person uses a resale exemption certificate for the purchase of tangible personal
 14 property and commingles that property with property that was not purchased with a
 15 resale exemption certificate but that is so similar that the identity of the property in the
 16 commingled mass cannot be determined, sales from the mass of commingled property
 17 are considered to be sales of the property purchased with the resale exemption
 18 certificate until the quantity of commingled property sold equals the quantity of
 19 property originally purchased under the resale exemption certificate.

20 **Sec. 43.44.140. Liability for payment of tax.** (a) Liability for the payment of
 21 a tax imposed under this chapter is not extinguished until the taxes have been paid to
 22 the department.

23 (b) A seller is liable for the tax due under this chapter on all property sold and
 24 services provided in this state in accordance with this chapter and may be required to
 25 furnish adequate security as provided in AS 43.44.200 to ensure collection and
 26 payment of the taxes.

27 **Sec. 43.44.150. Method of accounting.** A person who has a seller's permit
 28 shall report and pay the tax due under this chapter using the same method of
 29 accounting that the person uses for federal tax purposes.

30 **Sec. 43.44.160. Returns: payment.** A seller responsible for collecting the
 31 sales tax due under AS 43.44.010(a) shall file a return on a form or in a format

1 prescribed by the department and pay the tax due monthly. The seller shall file the
 2 return and pay the tax on or before the last day of the month following the month for
 3 which the tax is due. A person responsible for a use tax under AS 43.44.010(b) that
 4 has not been collected shall file a return and pay the tax within one month of the tax
 5 becoming due.

6 **Sec. 43.44.170. Methods.** (a) The department shall adopt regulations providing
 7 a rounding method for payment of a tax imposed under this chapter.

8 (b) The department may use sampling principles or methods instead of
 9 examining 100 percent of records in conducting an audit of a return filed under
 10 AS 43.44.160.

11 **Sec. 43.44.180. Deduction for bad debts.** (a) A person filing a return under
 12 AS 43.44.160 may deduct sales found to be worthless. The bad debt may be deducted
 13 when it

14 (1) is written off as uncollectable in the person's books and records;
 15 and

16 (2) qualifies as a deduction for federal income tax purposes under 26
 17 U.S.C. (Internal Revenue Code).

18 (b) If the amount of bad debt exceeds the amount of taxable sales or leases
 19 during the period that the bad debt is written off, a person may file a refund claim with
 20 the department.

21 (c) If a bad debt deducted under (a) of this section is later collected, the person
 22 who claimed the deduction shall pay the tax levied under AS 43.44.010 on the amount
 23 collected. For purposes of this section, a payment made on a debt or account is applied
 24 first to the sales price of the property or service, then to interest, service charges, and
 25 any other charges.

26 **Sec. 43.44.190. Timely filing allowance.** (a) A person filing a return under
 27 AS 43.44.160 may claim an allowance in the amount of one percent of the tax or \$75 a
 28 month, whichever is less, if the return is timely filed and the tax is timely paid.

29 (b) The allowance under (a) of this section may be deducted on the return.

30 **Sec. 43.44.200. Security: limitations; sale of security deposit at auction;
 31 bond.** (a) The department may require a seller to deposit with the department security

1 in a form and amount that the department determines is appropriate. The deposit may
2 not be more than twice the estimated average tax liability under this chapter for the
3 period for which the return is required under AS 43.44.160 to be filed or \$10,000,
4 whichever is less. The department may increase or decrease the amount of security,
5 subject to the limitations provided in this section.

6 (b) The department may sell at public auction property deposited as security to
7 recover a tax amount required to be collected under this chapter, including interest and
8 penalties. Notice of the sale must be sent at least 30 days before the sale by certified
9 mail to the last known address of the person who deposited the security. After the sale,
10 any surplus above the amount due that is not required as security under this section
11 must be returned to the person who deposited the security.

12 (c) Instead of security, the department may require a seller to file a bond to
13 guarantee solvency and responsibility issued by a surety company authorized to
14 transact business in this state.

15 (d) In addition to the other requirements of this section, the department may
16 require the corporate officers, directors, or shareholders of a seller corporation to
17 provide a personal guaranty and assumption of liability for the payment of the tax due
18 under this chapter.

19 **Sec. 43.44.210. Quitting business; liability of successor.** (a) Within 10 days
20 after a person quits business, sells, exchanges, or otherwise transfers the business, or
21 disposes of the complete stock of goods of the business, the person shall file a return
22 and pay the taxes due under this chapter.

23 (b) Except as provided in (d) of this section, a successor in a business or stock
24 of goods is liable for the payment of the full amount of tax and shall withhold from the
25 sales price payable to the predecessor a sum sufficient to pay any tax due until the
26 predecessor produces either a receipt from the department showing payment in full of
27 any tax due or a statement from the department that tax is not due.

28 (c) If a tax is due but has not been paid as provided in (a) of this section, the
29 successor is liable for the payment of the full amount of tax. The payment of the tax
30 by the successor is considered to be a payment on the sales price and, if the payment is
31 greater in amount than the sales price, the amount of the difference becomes a debt

1 due to the successor from the taxpayer owing the tax under (a) of this section.

2 (d) A successor is not liable for any tax due under this section if the successor
3 gives written notice to the department of the acquisition and the department does not
4 issue an assessment against the predecessor within six months after receipt of the
5 notice from the successor. If the department issues an assessment and a copy of the
6 assessment is not mailed to the successor, the successor is not liable for the tax due.

7 (e) In this section, "predecessor" means a person that quits business, sells,
8 exchanges, or otherwise transfers the business, or disposes of the complete stock of
9 goods of the business.

10 **Sec. 43.44.220. Tax as debt.** (a) The tax imposed by this chapter and related
11 interest and penalties become a personal debt of a person required to file a return
12 under AS 43.44.160 or a person required by the department to personally guarantee
13 the payment of taxes under this chapter from the time the liability arises, regardless of
14 when the time for payment of the liability occurs.

15 (b) If the personal representative of an estate has voluntarily distributed the
16 assets held in that capacity without reserving sufficient assets to pay the taxes due
17 under this chapter and interest and penalties resulting from taxes due under this
18 chapter, the personal representative is personally liable for the taxes, interest, and
19 penalties, to the extent permitted under AS 13.16.

20 (c) An officer or employee of a corporation whose duty it is to collect,
21 truthfully account for, and pay to the state the taxes imposed by this chapter and who
22 fails to pay the taxes is liable to the state for the taxes imposed by this chapter and the
23 penalty and interest due on the taxes.

24 **Article 4. General Provisions.**

25 **Sec. 43.44.230. Authority to enter Streamlined Sales and Use Tax**
26 **Agreement.** (a) The department shall enter into the Streamlined Sales and Use Tax
27 Agreement. To further the purposes of the Streamlined Sales and Use Tax Agreement,
28 the department may act jointly with other states that are members of the Streamlined
29 Sales and Use Tax Agreement to establish standards for certification of a certified
30 service provider and certified automated system and establish performance standards
31 for multistate sellers.

1 (b) The department shall adopt regulations to implement this chapter
2 consistent with the Streamlined Sales and Use Tax Agreement.

3 (c) The department may take other actions reasonably required to implement
4 this section.

5 (d) The department or the department's designee may represent this state
6 before the other states that are signatories to the Streamlined Sales and Use Tax
7 Agreement.

8 **Sec. 43.44.240. Electronic registration, filing, and forms.** (a) The
9 department may participate in any electronic sales and use tax registration system
10 made available in cooperation with other states through the Streamlined Sales and Use
11 Tax Agreement.

12 (b) The department may use and accept a standard electronic exemption form
13 made available in cooperation with other states through the Streamlined Sales and Use
14 Tax Agreement.

15 (c) The department may prescribe and provide for the use of forms,
16 certificates, permits, and other documents required under this chapter in electronic
17 format, including the use of electronic signatures and authentications, and for
18 electronic filing.

19 **Sec. 43.44.250. Municipal share.** The department shall separately account for
20 the revenue collected from the tax under this chapter that the department deposits in
21 the general fund. The legislature may appropriate half of the annual estimated balance
22 in the account to municipalities. A municipality may receive an appropriation under
23 this section if the municipality does not collect

24 (1) property taxes in excess of 10 mills; or

25 (2) an oil and gas production tax or gas pipeline property tax under
26 AS 29.45.080.

27 **Sec. 43.44.290. Definitions.** In this chapter,

28 (1) "electronic signature" has the meaning given in AS 09.80.190;
