2 sale of the enterprise or business and its assets and liabilities;

3 (B) the seller provides the buyer with full access to the books  
4 and records of the enterprise or business; and

5 (C) a legend is placed on the certificate or other document  
6 evidencing ownership of the security, stating that the security is not registered  
7 under this chapter and cannot be resold without registration under this chapter  
8 or exemption from it;

9 (25) offers or sales of certificates of interest or participation in oil, gas,  
10 or mining rights, titles, or leases, or in payments out of production under the rights,  
11 titles, or leases, if the purchasers

12 (A) are or have been, during the preceding two years, engaged  
13 primarily in the business of exploring for, mining, producing, or refining oil,  
14 gas, or minerals; or

15 (B) have been found by the administrator upon written  
16 application to be substantially engaged in the business of exploring for,  
17 mining, producing, or refining oil, gas, or minerals so as not to require the  
18 protection provided by this chapter;

19 (26) a transaction involving only family members, or involving only  
20 family members and the corporations, partnerships, limited liability companies,  
21 limited partnerships, limited liability partnerships, associations, joint-stock companies,  
22 or trusts that are organized, formed, or created by family members or at the direction  
23 of family members; in this paragraph, "family members" means persons who are

25 consanguinity; or

26 (27) a transaction relating to a security that is not part of an initial issue  
27 of stock covered by AS 45.55.138, but that is issued by a corporation organized under

29 corporation qualifies for exempt status under 43 U.S.C. 1625(a).

30 **Sec. 45.56.220. Small intrastate securities offerings.** (a) An offer or sale of  
31 securities conducted solely in this state to a person who has established residency in

1 this state, by an issuer in a transaction that meets the requirements of this section, is  
2 exempt from the requirements of AS 45.56.105, 45.56.305 - 45.56.360, and 45.56.550  
3 and is subject to the following limitations:

4 (1) the issuer of the security shall be a for-profit corporation, another  
5 for-profit entity, or a business cooperative, have its principal place of business in this  
6 state, and be licensed by the department;

7 (2) the transaction must meet the requirements of the federal  
8 exemption for intrastate offerings in 15 U.S.C. 77c(a)(11) (Securities Act of 1933) and  
9 17 C.F.R. 230.147; the securities must be offered to and sold only to persons who  
10 have established residency in this state at the time of purchase; before any offer or sale  
11 under this exemption, the seller shall obtain documentary evidence from each  
12 prospective purchaser that provides the seller with a reasonable basis to believe the  
13 investor has established residency in this state;

14 (3) the sum of all cash and other consideration to be received for all  
15 sales of the security in reliance on this exemption may not exceed \$1,000,000, less the  
16 aggregate amount received for all sales of securities by the issuer within the 12 months  
17 before the first offer or sale made in reliance on this exemption;

18 (4) the issuer may not accept more than \$10,000 from any single  
19 purchaser unless the purchaser is an accredited investor as defined by 17 C.F.R.  
20 230.501;

21 (5) the issuer reasonably believes that all purchasers of securities are  
22 purchasing for investment and not for sale in connection with a distribution of the  
23 security;

24 (6) a commission or remuneration may not be paid or given, directly or  
25 indirectly, for any person's participation in the offer or sale of securities for the issuer  
26 unless the person is registered as a broker-dealer, agent, investment adviser  
27 representative, or investment adviser under AS 45.56.405 - 45.56.440;

28 (7) the issuer of the security shall deposit in an escrow account in a  
29 bank or other depository institution authorized to do business in this state all funds  
30 received from investors until the minimum target dollar amount for the security  
31 offering is met; the issuer shall file the escrow agreement with the administrator, and

1 the contents of the escrow agreement must include a statement that the proceeds of the  
 2 sale under this section will not be released from the escrow account until the minimum  
 3 target dollar amount for the security offering is met; all funds shall be used in  
 4 accordance with representations made to investors;

5 (8) not less than 10 days before the use of any general solicitation or  
 6 within 15 days after the first sale of the security under this exemption, if general  
 7 solicitation has not been used before the sale, whichever occurs first, the issuer shall  
 8 provide a notice to the administrator as prescribed in regulations for this section; the  
 9 notice must specify that the issuer is conducting an offering in reliance on this  
 10 exemption and must contain the names and addresses of

11 (A) the issuer;

12 (B) officers, directors, and any controlling person of the issuer;

13 (C) all persons who will be involved in the offer or sale of  
 14 securities on behalf of the issuer; and

15 (D) the bank or other depository institution in which investor  
 16 funds will be deposited;

17 (9) the issuer may not be, either before or as a result of the offering,

18 (A) an investment company as defined by 15 U.S.C. 80a-1 -  
 19 80a-64 (Investment Company Act of 1940), or subject to the reporting  
 20 requirements of 15 U.S.C. 78m or 78o (Securities Exchange Act of 1934); or

21 (B) a broker-dealer, agent, investment adviser representative, or  
 22 investment adviser subject to AS 45.56.405 - 45.56.440;

23 (10) the issuer shall inform all purchasers that the securities have not  
 24 been registered under AS 45.56.105, 45.56.305 - 45.56.360, and 45.56.550 and may  
 25 not be resold unless the securities are registered or qualify for an exemption from  
 26 registration under AS 45.56.205, 45.56.210, or 45.56.240; in addition, the issuer shall  
 27 make the disclosures required by 17 C.F.R. 230.147(f);

28 (11) the issuer shall require all purchasers to sign the following  
 29 statement at the time of sale: "I acknowledge that I am investing in a high-risk,  
 30 speculative business venture, that I may lose all of my investment, and that I can  
 31 afford the loss of my investment";

1 (12) this exemption may not be used in conjunction with any other  
 2 exemption under this chapter, except the exemption to institutional investors under  
 3 AS 45.56.405 and 45.56.435 and for offers and sales to controlling persons of the  
 4 issuer; sales to controlling persons may not count toward the limitation in (3) of this  
 5 subsection;

6 (13) this exemption may not be construed to remove any person from  
 7 the anti-fraud provisions under AS 45.56.505 - 45.56.560, and the exemption may not  
 8 be construed to provide relief from any other provision of this chapter other than as  
 9 expressly stated.

10 (b) The administrator may by order deny or revoke the exemption specified in  
 11 this section with respect to a specific security if the administrator finds that the sale of  
 12 the security would work or tend to work a fraud on the purchasers of the security. An  
 13 order under this subsection may not operate retroactively. A person may not be  
 14 considered to have violated an order because of any offer or sale effected after the  
 15 entry of an order under this subsection if the person sustains the burden of proof that  
 16 the person did not know and, in the exercise of reasonable care, could not have known  
 17 of the order.

18 (c) A person who makes application to the department for an exemption under  
 19 this section shall be assessed a filing fee as prescribed in regulations for this section.

20 (d) In this section, "residency" has the meaning given in AS 01.10.055.

21 **Sec. 45.56.230. Disqualifier.** Exemption from registration under AS 45.56.205  
 22 - 45.56.250 is not available for a security or transaction if the issuer, or any of its  
 23 officers, controlling persons, or promoters, is subject to a disqualifier described in the  
 24 regulations adopted under 15 U.S.C. 78c(a)(39) (Dodd-Frank Wall Street Reform and  
 25 Consumer Protection Act) as of the date of the transaction or offer.

26 **Sec. 45.56.240. Waiver and modification.** For any security or transaction or  
 27 any type of security or transaction, the administrator may by order, waive, withdraw,  
 28 or modify any of the requirements or conditions of AS 45.56.205 - 45.56.250.

29 **Sec. 45.56.250. Denial, suspension, revocation, condition, or limitation of**  
 30 **exemptions.** (a) Except with respect to a federal covered security or a transaction  
 31 involving a federal covered security, an order under this chapter may deny, suspend

1 application of, condition, limit, or revoke an exemption created under  
 2 AS 45.56.205(3)(C), (7), or (8), 45.56.210, or 45.56.220, or an exemption or waiver  
 3 created under AS 45.56.240 with respect to a specific security, transaction, or offer.  
 4 An order under this subsection may be issued only under the procedures in  
 5 AS 45.56.360(d) or 45.56.650 and only prospectively.

6 (b) A person does not violate AS 45.56.105, 45.56.305 - 45.56.320, 45.56.340,  
 7 45.56.360, 45.56.550, or 45.56.665 by an offer to sell, offer to purchase, sale, or  
 8 purchase effected after the entry of an order issued under this section if the person did  
 9 not know and, in the exercise of reasonable care, could not have known, of the order.

10 **Article 3. Registration of Securities and Notice Filing of Federal Covered Securities.**

11 **Sec. 45.56.305. Securities registration by coordination.** (a) A security for  
 12 which a registration statement has been filed under 15 U.S.C. 77a - 77aa (Securities  
 13 Act of 1933) in connection with the same offering may be registered by coordination  
 14 under this section.

15 (b) A registration statement and accompanying records under this section must  
 16 contain or be accompanied by the following records, in addition to the information  
 17 specified in AS 45.56.320, and a consent to service of process complying with  
 18 AS 45.56.630:

19 (1) a copy of the latest form of prospectus filed under 15 U.S.C. 77a -  
 20 77aa (Securities Act of 1933);

21 (2) if the administrator requires, a copy of the articles of incorporation  
 22 and bylaws or their substantial equivalents currently in effect; a copy of any other  
 23 information or any other records filed by the issuer under 15 U.S.C. 77a - 77aa  
 24 (Securities Act of 1933) requested by the administrator; a copy of any agreement with  
 25 or among underwriters; a copy of any indenture or other instrument governing the  
 26 issuance of the security to be registered; and a specimen, copy, or description of the  
 27 security that is required by a regulation adopted or order issued under this chapter; and

28 (3) an undertaking to forward each amendment to the federal  
 29 prospectus, other than an amendment that delays the effective date of the registration  
 30 statement, promptly after it is filed with the Securities and Exchange Commission.

31 (c) A registration statement under this section becomes effective

1 simultaneously with or subsequent to the federal registration statement when all the  
2 following conditions are satisfied:

3 (1) a stop order under (d) of this section or AS 45.56.360 or issued by  
4 the Securities and Exchange Commission is not in effect, and a proceeding is not  
5 pending against the issuer under AS 45.56.485; and

6 (2) the registration statement has been on file for at least 20 days or a  
7 shorter period provided by a regulation adopted or order issued under this chapter.

8 (d) The registrant shall promptly notify the administrator in a record of the  
9 date when the federal registration statement becomes effective and the content of any  
10 price amendment and shall promptly file a record containing the price amendment. If  
11 the notice is not timely received, the administrator may issue a stop order, without  
12 prior notice or hearing, retroactively denying effectiveness to the registration  
13 statement or suspending its effectiveness until compliance with this section. The  
14 administrator shall promptly notify the registrant of an order by telephone or  
15 electronic means and promptly confirm this notice by a record. If the registrant later  
16 complies with the notice requirements of this subsection, the stop order is void as of  
17 the date of its issuance.

18 (e) If the federal registration statement becomes effective before each of the  
19 conditions in this section is satisfied or is waived by the administrator, the registration  
20 statement is automatically effective under this chapter when all the conditions are  
21 satisfied or waived. If the registrant notifies the administrator of the date when the  
22 federal registration statement is expected to become effective, the administrator shall  
23 promptly notify the registrant by telephone or electronic means and promptly confirm  
24 this notice by a record, indicating whether all the conditions are satisfied or waived  
25 and whether the administrator intends the institution of a proceeding under  
26 AS 45.56.360. The notice by the administrator does not preclude the institution of a  
27 proceeding under AS 45.56.360.

28 **Sec. 45.56.310. Securities registration by qualification.** (a) A security may  
29 be registered by qualification under this section.

30 (b) A registration statement under this section must contain the information or  
31 records specified in AS 45.56.320, a consent to service of process complying with

1 AS 45.56.630, and the following information or records:

3 address, and form of organization of the issuer and subsidiary; the state or foreign  
4 jurisdiction and date of organization of the issuer and subsidiary; the general character  
5 and location of the business of the issuer and subsidiary; a description of the physical

18 aggregate sum of the remuneration paid to those persons during the previous 12  
19 months and estimated to be paid during the next 12 months, directly or indirectly, by  
20 the issuer and all predecessors, parents, subsidiaries, and affiliates of the issuer;

21 (4) with respect to a person owning of record or owning beneficially, if  
22 known, 10 percent or more of the outstanding shares of any class of equity security of  
23 the issuer, the information specified in (2) of this subsection, other than the person's  
24 occupation;

25 (5) with respect to a promoter, if the issuer was organized within the  
26 previous three years, the information or records specified in (2) of this subsection, any  
27 amount paid to the promoter within that period or intended to be paid to the promoter,

6 forma basis, of the issuer and any significant subsidiary, including a description of  
7 each security outstanding or being registered or otherwise offered, and a statement of  
8 the amount and kind of consideration, whether in the form of cash, physical assets,  
9 services, patents, goodwill, or anything else of value, for which the issuer or any

11 issue its securities;

12 (8) the kind and amount of securities to be offered; the proposed  
13 offering price or the method by which the offering price is to be computed; any  
14 variation at which a proportion of the offering is to be made to a person or class of  
15 persons other than the underwriters, with a specification of the person or class; the  
16 basis on which the offering is to be made if otherwise than for cash; the estimated  
17 aggregate underwriting and selling discounts or commissions and finders' fees,  
18 including separately cash, securities, contracts, or anything else of value to accrue to  
19 the underwriters or finders in connection with the offering or, if the selling discounts  
20 or commissions are variable, the basis of determining them and their maximum and  
21 minimum amounts; the estimated amounts of other selling expenses, including legal,  
22 engineering, and accounting charges; the name and address of each underwriter and  
23 each recipient of a finder's fee; a copy of any underwriting or selling group agreement  
24 under which the distribution is to be made, or the proposed form of an underwriting or

26 of the plan of distribution of any securities that are to be offered other than through an  
27 underwriter;

28 (9) the estimated monetary proceeds to be received by the issuer from

1 from other sources to achieve the purposes stated; the sources of the funds; and, if a  
2 part of the proceeds is to be used to acquire property, including goodwill, other than in  
3 the ordinary course of business, the names and addresses of the vendors, the purchase

10 (8) of this subsection and by any person that holds or will hold 10 percent or more in  
11 the aggregate of those options;

12 (11) the dates of, parties to, and general effect, concisely stated, of  
13 each managerial or other material contract made or to be made other than in the

15 the registration statement or that was made within the previous two years, and a copy  
16 of each contract;

17 (12) a description of any pending litigation, action, or proceeding to

24 (14) a specimen or copy of the security being registered, unless the  
25 security is uncertificated; a copy of the issuer's articles of incorporation and bylaws or  
26 their substantial equivalents, in effect; and a copy of any indenture or other instrument  
27 covering the security to be registered;

1 the issuer;

2 (16) a signed or conformed copy of a consent of any accountant,  
3 engineer, appraiser, or other person whose profession gives authority for a statement  
4 made by the person if the person is named as having prepared or certified a report or  
5 valuation, other than an official record, that is public, and that is used in connection  
6 with the registration statement;

7 (17) a balance sheet of the issuer as of a date within four months  
8 before the filing of the registration statement; a statement of income and a statement of

11 of the balance sheet, or for the period of the issuer's and any predecessor's existence if  
12 less than three years; and, if any part of the proceeds of the offering is to be applied to  
13 the purchase of a business, the financial statements that would be required if that  
14 business were the registrant; and

15 (18) any additional information or records required by a regulation  
16 adopted or order issued under this chapter.

17 (c) A registration statement under this section becomes effective when the  
18 administrator orders that the registration is effective.

19 (d) A regulation adopted or order issued under this chapter may require as a  
20 condition of registration under this section that a prospectus containing a specified part  
21 of the information or record specified in (b) of this section be sent or given to each  
22 person to which an offer is made before or concurrently with the earliest of

23 (1) the first offer made in a record to the person other than by means of  
24 a public advertisement, by or for the account of the issuer or another person on whose  
25 behalf the offering is being made or by an underwriter or broker-dealer that is offering  
26 part of an unsold allotment or subscription taken by the person as a participant in the  
27 distribution;

28 (2) the confirmation of a sale made by or for the account of the person;

29 (3) payment under the sale; or

30 (4) delivery of the security under the sale.

31 **Sec. 45.56.320. Securities registration filings.** (a) A registration statement

1 may be filed by the issuer, a person on whose behalf the offering is to be made, or a  
2 broker-dealer registered under this chapter.

3 (b) A person filing a registration statement shall pay a filing fee established by  
4 a regulation adopted under this chapter and consent to service of process as described  
5 under AS 45.56.630.

6 (c) A registration statement filed under AS 45.56.305 or 45.56.310 must  
7 specify

8 (1) the amount of securities to be offered in this state;

9 (2) the states in which a registration statement or similar record in  
10 connection with the offering has been or is to be filed; and

11 (3) any adverse order, judgment, or decree issued in connection with  
12 the offering by a state securities regulator, the Securities and Exchange Commission,  
13 or a court.

14 (d) A record filed under this chapter or former AS 45.55 within five years  
15 preceding the filing of a registration statement may be incorporated by reference in the  
16 registration statement to the extent that the record is currently accurate.

17 (e) In the case of a nonissuer distribution, information or a record may not be  
18 required under (i) of this section or AS 45.56.310 unless it is known to the person  
19 filing the registration statement or to the person on whose behalf the distribution is to  
20 be made or unless it can be furnished by those persons without unreasonable effort or  
21 expense.

22 (f) A regulation adopted or order issued under this chapter may require as a  
23 condition of registration that a security issued within the previous five years or to be  
24 issued to a promoter for a consideration substantially less than the public offering  
25 price or to a person for a consideration other than cash be deposited in escrow and that  
26 the proceeds from the sale of the registered security in this state be impounded until  
27 the issuer receives a specified amount from the sale of the security, either in this state  
28 or elsewhere. The conditions of any escrow or impoundment required under this  
29 subsection may be established by a regulation adopted or order issued under this  
30 chapter, but the administrator may not reject a depository institution solely because of  
31 its location in another state.

1 (g) A regulation adopted or order issued under this chapter may require as a  
2 condition of registration that a security registered under this chapter be sold only on a  
3 specified form of subscription or sale contract and that a signed or conformed copy of  
4 each contract be filed under this chapter or preserved for a period specified by the  
5 regulation or order, not to exceed five years.

6 (h) Except while a stop order is in effect under AS 45.56.360, a registration  
7 statement is effective for one year after the effective date of the registration statement  
8 or for any longer period designated in an order under this chapter during which the  
9 security is being offered or distributed in a nonexempted transaction by or for the  
10 account of the issuer or other person on whose behalf the offering is being made or by  
11 an underwriter or broker-dealer that is still offering part of an unsold allotment or  
12 subscription taken as a participant in the distribution. For the purposes of a nonissuer  
13 transaction, all outstanding securities of the same class identified in the registration  
14 statement as a security registered under this chapter are considered to be registered  
15 while the registration statement is effective. If any securities of the same class are  
16 outstanding, a registration statement may not be withdrawn until one year after the  
17 effective date of the registration statement. A registration statement may be withdrawn  
18 only with the approval of the administrator.

19 (i) While a registration statement is effective, a regulation adopted or order  
20 issued under this chapter may require the person that filed the registration statement to  
21 file reports, not more often than quarterly, to keep the information or other record in  
22 the registration statement reasonably current and to disclose the progress of the  
23 offering.

24 (j) A registration statement may be amended after the effective date of the  
25 registration statement. The post-effective amendment becomes effective when the  
26 administrator so orders. If a post-effective amendment is made to increase the number  
27 of securities specified to be offered or sold, the person filing the amendment shall pay  
28 a registration fee established by a regulation adopted under this chapter. A post-  
29 effective amendment relates back to the date of the offering of the additional securities  
30 being registered if, within one year after the date of the sale, the amendment is filed  
31 and the additional registration fee is paid.

1           **Sec. 45.56.330. Notice filing of federal covered securities.** (a) With respect to  
 2 a federal covered security, as defined in 15 U.S.C. 77r(b) (Securities Act of 1933), that  
 3 is not otherwise exempt under AS 45.56.205 - 45.56.240, a regulation adopted or order  
 4 issued under this chapter may require the filing of any or all of the following records:

5           (1) before the initial offer of a federal covered security in this state, all  
 6 records that are part of a federal registration statement filed with the Securities and  
 7 Exchange Commission under 15 U.S.C. 77a - 77aa (Securities Act of 1933), a consent  
 8 to service of process complying with AS 45.56.630 signed by the issuer, and the  
 9 payment of a fee established in a regulation adopted under this chapter;

10           (2) after the initial offer of the federal covered security in this state, all  
 11 records that are part of an amendment to a federal registration statement filed with the  
 12 Securities and Exchange Commission under 15 U.S.C. 77a - 77aa (Securities Act of  
 13 1933); and

14           (3) to the extent necessary or appropriate to compute fees, a report of  
 15 the value of the federal covered securities sold or offered to persons present in this  
 16 state if the sales data are not included in records filed with the Securities and  
 17 Exchange Commission and payment of a fee established in a regulation adopted under  
 18 this chapter.

19           (b) A notice filing under (a) of this section is effective for one year  
 20 commencing on the later of the notice filing or the effectiveness of the offering filed  
 21 with the Securities and Exchange Commission. On or before expiration, the issuer  
 22 may renew a notice filing by filing with the Securities and Exchange Commission a  
 23 copy of those records filed by the issuer that are required by a regulation adopted or  
 24 order issued under this chapter to be filed and by paying a renewal fee established in a  
 25 regulation adopted under this chapter. A previously filed consent to service of process  
 26 complying with AS 45.56.630 may be incorporated by reference in a renewal. A  
 27 renewed notice filing becomes effective upon the expiration of the filing being  
 28 renewed.

29           (c) With respect to a security that is a federal covered security under 15 U.S.C.  
 30 77r(b)(4)(D) (Securities Act of 1933), a regulation adopted under this chapter may  
 31 require a notice filing by or on behalf of an issuer to include a copy of Form D,

1 including the Appendix, as adopted by the Securities and Exchange Commission, and  
2 a consent to service of process complying with AS 45.56.630 signed by the issuer not  
3 later than 15 days after the first sale of the federal covered security in this state and the  
4 payment of a fee established in a regulation adopted under this chapter; and the  
5 payment of a fee established in a regulation adopted under this chapter for any late  
6 filing.

7 (d) Except with respect to a federal covered security under 15 U.S.C. 77r(b)(1)  
8 (Securities Act of 1933), if the administrator finds that there is a failure to comply  
9 with a notice or fee requirement of this section, the administrator may issue a stop  
10 order suspending the offer and sale of a federal covered security in this state. If the  
11 deficiency is corrected, the stop order is void as of the time of its issuance and a  
12 penalty may not be imposed by the administrator.

13 **Sec. 45.56.340. Viatical settlement interests.** (a) Before the sale of a viatical  
14 settlement interest, an issuer shall provide a prospective buyer with information that is  
15 sufficient to make an informed investment decision. The issuer shall also provide the  
16 information to the administrator upon request if the issuer is not otherwise required to  
17 file the information with the administrator. In this subsection, "information that is  
18 sufficient to make an informed investment decision" includes state-mandated  
19 disclosure forms and a disclosure of any significant factors that may affect the  
20 outcome of the investment.

21 (b) Except as may be required in the course of conduct of the responsibilities  
22 of the administrator, an issuer of a viatical settlement interest may not disclose to  
23 another person the identity of the viator or insured of the insurance policy that is the  
24 subject of the viatical settlement interest. The viator may waive this prohibition  
25 against disclosure if the waiver is in writing and signed by the viator.

26 (c) The administrator shall regulate transactions between a viatical settlement  
27 provider or person acting as an agent of a viatical settlement provider and a  
28 subsequent investor, while the authority of the director of the division of insurance  
29 extends to the regulation of viatical settlement contracts under AS 21.96.110.

30 (d) In this section,

31 (1) "viatical settlement contract" has the meaning given in

1 AS 21.96.110(h);

2 (2) "viatical settlement interest"

3 (A) means the entire interest or any fractional interest in a life  
4 insurance policy or in the death benefit under a life insurance policy that is the  
5 subject of a viatical settlement contract;

6 (B) does not include the initial purchase from the viator by a  
7 viatical settlement provider;

8 (3) "viatical settlement provider" has the meaning given in  
9 AS 21.96.110(h);

10 (4) "viator" has the meaning given in AS 21.96.110(h).

11 **Sec. 45.56.350. Waiver and modification.** The administrator may waive or  
12 modify, in whole or in part, any or all of the requirements of AS 45.56.305 and  
13 45.56.320 or the requirement of any information or record in a registration statement  
14 or in a periodic report filed under AS 45.56.320(i).

15 **Sec. 45.56.360. Denial, suspension, and revocation of securities**  
16 **registration.** (a) The administrator may issue a stop order denying effectiveness to, or  
17 suspending or revoking the effectiveness of, a registration statement if the  
18 administrator finds that the order is in the public interest and that

19 (1) the registration statement as of the effective date of the registration  
20 statement or before the effective date in the case of an order denying effectiveness, an  
21 amendment under AS 45.56.320(j) as of the effective date of the amendment, or a  
22 report under AS 45.56.320(i) is incomplete in a material respect or contains a  
23 statement that, in the light of the circumstances under which it was made, was false or  
24 misleading with respect to a material fact;

25 (2) this chapter or a regulation adopted, order issued, or condition  
26 imposed under this chapter has been wilfully violated in connection with the offering  
27 by

28 (A) the person filing the registration statement;

29 (B) the issuer, a partner, officer, or director of the issuer or a  
30 person having a similar status or performing a similar function;

31 (C) a promoter of the issuer;

1 (D) a person directly or indirectly controlling or controlled by  
 2 the issuer, but only if the person filing the registration statement is directly or  
 3 indirectly controlled by or acting for the issuer; or

4 (E) an underwriter;

5 (3) the security registered or sought to be registered is the subject of a  
 6 permanent or temporary injunction of a court of competent jurisdiction or an  
 7 administrative stop order or similar order issued under any federal, foreign, or state  
 8 law other than this chapter applicable to the offering; the administrator may not  
 9 institute a proceeding against an effective registration statement under this paragraph  
 10 more than one year after the date of the order or injunction on which it is based, and  
 11 the administrator may not issue an order under this paragraph based on an order or  
 12 injunction issued under the securities act of another state unless the order or injunction  
 13 was based on conduct that would constitute, as of the date of the order, a ground for a  
 14 stop order under this section;

15 (4) the issuer's enterprise or method of business includes or would  
 16 include activities that are unlawful where performed;

17 (5) with respect to a security sought to be registered under  
 18 AS 45.56.305, there has been a failure to comply with the undertaking required by  
 19 AS 45.56.305(b)(3);

20 (6) the applicant or registrant has not paid the filing fee; the  
 21 administrator shall void the order if the deficiency is corrected and the order was  
 22 based solely on the nonpayment of the filing fee; or

23 (7) the offering

24 (A) will work or tend to work a fraud on purchasers or would  
 25 operate to work or tend to work a fraud on purchasers;

26 (B) has been or would be made with unreasonable amounts of  
 27 underwriters' and sellers' discounts, commissions, or other compensation, or  
 28 promoters' profits or participations, or unreasonable amounts or kinds of  
 29 options; or

30 (C) is being made on terms that are unfair, unjust, or  
 31 inequitable.

1 (b) To the extent practicable, the administrator shall, by a regulation adopted  
2 or order issued under this chapter, publish standards that provide notice of conduct  
3 that violates (a)(7) of this section.

4 (c) The administrator may not institute a stop order proceeding against an  
5 effective registration statement based on conduct or a transaction known to the  
6 administrator when the registration statement became effective unless the proceeding  
7 is instituted within 30 days after the registration statement became effective.

8 (d) The administrator may summarily revoke, deny, postpone, or suspend the  
9 effectiveness of a registration statement pending final determination of an  
10 administrative proceeding. Upon the issuance of the order, the administrator shall  
11 promptly notify each person specified in (e) of this section that the order has been  
12 issued, the reasons for the revocation, denial, postponement, or suspension, and that,  
13 within 15 days after the receipt of a request in a record from the person, the matter will  
14 be scheduled for a hearing. If, within 30 days after the date of service of the order, a  
15 hearing is not requested and none is ordered by the administrator, the order becomes  
16 final. If a hearing is requested or ordered, the administrator, after notice of and  
17 opportunity for hearing for each person subject to the order, may modify or vacate the  
18 order or extend the order until final determination.

19 (e) A stop order may not be issued under this section without

20 (1) appropriate notice to the applicant or registrant, the issuer, and the  
21 person on whose behalf the securities are to be or have been offered;

22 (2) an opportunity for hearing conducted in the manner provided in  
23 AS 45.56.650(c); and

24 (3) findings of fact and conclusions of law in a record.

25 (f) The administrator may modify or vacate a stop order issued under this  
26 section if the administrator finds that the conditions that caused its issuance have  
27 changed or that it is necessary or appropriate in the public interest or for the protection  
28 of investors.

10 **Sec. 45.56.435. Investment adviser registration requirement and**  
 11 **exemptions.** (a) A person may not transact business in this state as an investment  
 12 adviser unless the person is registered under this chapter as an investment adviser or is  
 13 exempt from registration as an investment adviser under (b) of this section.

14 (b) The following persons are exempt from the registration requirement in (a)  
 15 of this section:

16 (1) a person without a place of business in this state that is registered  
 17 under the securities act of the state in which the person has the person's principal place  
 18 of business if the person's only clients in this state are

19 (A) federal covered investment advisers, investment advisers  
 20 registered under this chapter, or broker-dealers registered under this chapter;

21 (B) institutional investors;

22 (C) bona fide preexisting clients whose principal places of  
 23 residence are not in this state if the investment adviser is registered under the  
 24 securities act of the state in which the clients maintain principal places of  
 25 residence; or

26 (D) exempt by a regulation adopted or order issued under this  
 27 chapter;

28 (2) a person without a place of business in this state if the person has  
 29 had, during the preceding 12 months, not more than five clients that are resident in this  
 30 state in addition to those specified under (1) of this subsection; or

31 (3) any other person exempted by a regulation adopted or order issued

1 under this chapter.

2 (c) An investment adviser may not, directly or indirectly, employ or associate  
3 with an individual to engage in an activity related to investment advice in this state if  
4 the registration of the individual is suspended or revoked or the individual is barred  
5 from employment or association with an investment adviser, federal covered  
6 investment adviser, or broker-dealer by an order under this chapter, the Securities and  
7 Exchange Commission, or a self-regulatory organization, unless the investment  
8 adviser did not know and, in the exercise of reasonable care, could not have known of  
9 the suspension, revocation, or bar. Upon request from the investment adviser and for  
10 good cause, the administrator may by order, waive, in whole or in part, the application  
11 of the prohibitions of this subsection to the investment adviser.

12 (d) An investment adviser may not employ or associate with an individual  
13 required to be registered under this chapter as an investment adviser representative  
14 who transacts business in this state on behalf of the investment adviser unless the  
15 individual is registered under AS 45.56.440(a) or is exempt from registration under  
16 AS 45.56.440(b).

17 **Sec. 45.56.440. Investment adviser representative registration requirement**  
18 **and exemptions.** (a) An individual may not transact business in this state as an  
19 investment adviser representative unless the individual is registered under this chapter  
20 as an investment adviser representative or is exempt from registration as an investment  
21 adviser representative under (b) of this section.

22 (b) The following individuals are exempt from the registration requirement of  
23 (a) of this section:

24 (1) an individual who is employed by or associated with an investment

26 investment adviser that is excluded from the notice filing requirements of  
27 AS 45.56.445; and

28 (2) any other individual exempted by a regulation adopted or order  
29 issued under this chapter.

30 (c) The registration of an investment adviser representative is not effective  
31 while the investment adviser representative is not employed by or associated with an

1 investment adviser registered under this chapter or a federal covered investment  
2 adviser that has made or is required to make a notice filing under AS 45.56.445.

3 (d) An individual may transact business as an investment adviser  
4 representative for more than one investment adviser or federal covered investment  
5 adviser unless a regulation adopted or order issued under this chapter prohibits or  
6 limits an individual from acting as an investment adviser representative for more than  
7 one investment adviser or federal covered investment adviser.

8 (e) An individual acting as an investment adviser representative may not,  
9 directly or indirectly, conduct business in this state on behalf of an investment adviser  
10 or a federal covered investment adviser if the registration of the individual as an  
11 investment adviser representative is suspended or revoked or the individual is barred  
12 from employment or association with an investment adviser or a federal covered  
13 investment adviser by an order under this chapter, the Securities and Exchange  
14 Commission, or a self-regulatory organization. Upon request from a federal covered  
15 investment adviser and for good cause, the administrator may by order, waive, in  
16 whole or in part, the application of the requirements of this subsection to the federal  
17 covered investment adviser.

18 (f) An investment adviser registered under this chapter, a federal covered  
19 investment adviser that has filed a notice under AS 45.56.445, or a broker-dealer  
20 registered under this chapter is not required to employ or associate with an individual  
21 as an investment adviser representative if the only compensation paid to the individual  
22 for a referral of investment advisory clients is paid to an investment adviser registered  
23 under this chapter, a federal covered investment adviser who has filed a notice under  
24 AS 45.56.445, or a broker-dealer registered under this chapter with which the  
25 individual is employed or associated as an investment adviser representative.

26 **Sec. 45.56.445. Federal covered investment adviser notice filing**  
27 **requirement.** (a) Except with respect to a federal covered investment adviser  
28 described in (b) of this section, a federal covered investment adviser may not transact  
29 business in this state as a federal covered investment adviser unless the federal  
30 covered investment adviser complies with (c) of this section.

31 (b) The following federal covered investment advisers are not required to

1 comply with (c) of this section:

2 (1) a federal covered investment adviser without a place of business in  
3 this state if the only clients of the federal covered investment adviser in this state are

4 (A) federal covered investment advisers, investment advisers  
5 registered under this chapter, and broker-dealers registered under this chapter;

6 (B) institutional investors;

7 (C) bona fide preexisting clients whose principal places of  
8 residence are not in this state; or

9 (D) other clients specified by a regulation adopted or order  
10 issued under this chapter;

11 (2) a federal covered investment adviser without a place of business in  
12 this state if the person has had, during the preceding 12 months, not more than five  
13 clients that are resident in this state in addition to those specified under (1) of this  
14 subsection; and

15 (3) any other person excluded by a regulation adopted or order issued  
16 under this chapter.

17 (c) A person acting as a federal covered investment adviser not excluded  
18 under (b) of this section shall file a notice, a consent to service of process complying  
19 with AS 45.56.630, and the records that have been filed with the Securities and  
20 Exchange Commission under 15 U.S.C. 80b-1 - 80b-21 (Investment Advisers Act of  
21 1940) as required by a regulation adopted or order issued under this chapter and shall  
22 pay the fees specified by regulation adopted under AS 45.56.470.

23 (d) The notice under (c) of this section becomes effective upon filing.

24 **Sec. 45.56.450. Registration by broker-dealer, agent, investment adviser,**  
25 **and investment adviser representative.** (a) A person shall register as a broker-dealer,  
26 agent, investment adviser, or investment adviser representative by filing an application  
27 and a consent to service of process complying with AS 45.56.630 and by paying the  
28 fee specified in AS 45.56.470 and any reasonable fees charged by the designee of the  
29 administrator for processing the filing. The application must contain

30 (1) the information or record required for the filing of a uniform  
31 application; and

1 (2) upon request by the administrator, any other financial or other  
2 information or record that the administrator determines is appropriate.

3 (b) If the information or record contained in an application filed under (a) of  
4 this section is or becomes inaccurate or incomplete in a material respect, the registrant  
5 shall promptly file a correcting amendment.

6 (c) If an order is not in effect, and a proceeding is not pending under  
7 AS 45.56.485, and the administrator has not initiated an investigation, registration  
8 becomes effective at noon on the 45th day after a completed application is filed, unless  
9 the registration is denied. A regulation adopted or order issued under this chapter may  
10 set an earlier effective date or may defer the effective date until noon on the 45th day  
11 after the filing of any amendment completing the application.

12 (d) A registration is effective until midnight on December 31 of the year for  
13 which the application for registration is filed. Unless an order is in effect under  
14 AS 45.56.485, a registration may be automatically renewed each year by filing the  
15 records required by a regulation adopted or order issued under this chapter, by paying  
16 the fee specified in AS 45.56.470, and by paying costs charged by the designee of the  
17 administrator for processing the filings.

18 (e) A regulation adopted or order issued under this chapter may impose other  
19 conditions, not inconsistent with 15 U.S.C. 77b, 77c, 77e, 77f, 77r, 77z-3, 77ddd, 78b  
20 - 78d, 78g, 78h, 78n, 78o, 78q, 78bb, 78ee, 78kk, 78mm, 80a-2, 80a-3, 80a-6, 80a-12,  
21 80a-24, 80a-26, 80a-27, 80a-29, 80a-30, 80a-34, 80a-51, 80a-54, 80a-60, 80a-63, 80b-  
22 2, 80b-3a, 80b-5, 80b-10, 80b-18a, and 80b-20, and 29 U.S.C. 1002 (National  
23 Securities Markets Improvement Act of 1996). An order issued under this chapter may  
24 waive, in whole or in part, specific requirements in connection with registration that  
25 are in the public interest and for the protection of investors.

26 **Sec. 45.56.455. Succession and change in registration of broker-dealer or**  
27 **investment adviser.** (a) A broker-dealer or investment adviser may succeed to the  
28 current registration of another broker-dealer or investment adviser or a notice filing of  
29 a federal covered investment adviser, and a federal covered investment adviser may  
30 succeed to the current registration of an investment adviser or notice filing of another  
31 federal covered investment adviser, by filing as a successor an application for

1 registration under AS 45.56.405 or 45.56.435 or a notice under AS 45.56.445 for the  
2 unexpired portion of the current registration or notice filing.

3 (b) A broker-dealer or investment adviser that changes its form of  
4 organization or state of incorporation or organization may continue its registration by  
5 filing an amendment to its registration if the change does not involve a material  
6 change in its financial condition or management. The amendment becomes effective  
7 when filed or on a date designated by the registrant in its filing. The new organization  
8 is a successor to the original registrant for the purposes of this chapter. If there is a  
9 material change in financial condition or management, the broker-dealer or investment  
10 adviser shall file a new application for registration. A predecessor registered under this  
11 chapter shall stop conducting its securities business other than winding down  
12 transactions and shall file for withdrawal of broker-dealer or investment adviser  
13 registration within 45 days after filing its amendment to effect succession.

14 (c) A broker-dealer or investment adviser that changes its name may continue  
15 its registration by filing an amendment to its registration. The amendment becomes  
16 effective when filed or on a date designated by the registrant.

17 (d) A change of control of a broker-dealer or investment adviser may be made  
18 in accordance with a regulation adopted or order issued under this chapter.

19 **Sec. 45.56.460. Termination of employment or association of agent and**  
20 **investment adviser representative and transfer of employment or association.** (a)  
21 If an agent registered under this chapter terminates employment by or association with  
22 a broker-dealer or issuer, or if an investment adviser representative registered under  
23 this chapter terminates employment by or association with an investment adviser or  
24 federal covered investment adviser, or if either registrant terminates activities that  
25 require registration as an agent or investment adviser representative, the broker-dealer,  
26 issuer, investment adviser, or federal covered investment adviser shall promptly file a  
27 notice of termination. The registrant may file the notice of termination if the registrant  
28 learns that the broker-dealer, issuer, investment adviser, or federal covered investment  
29 adviser has not filed the notice.

30 (b) If an agent registered under this chapter terminates employment by or  
31 association with a broker-dealer registered under this chapter and begins employment

1 by or association with another broker-dealer registered under this chapter, or if an  
2 investment adviser representative registered under this chapter terminates employment  
3 by or association with an investment adviser registered under this chapter or a federal  
4 covered investment adviser that has filed a notice under AS 45.56.445 and begins  
5 employment by or association with another investment adviser registered under this  
6 chapter or a federal covered investment adviser that has filed a notice under  
7 AS 45.56.445, then, within 30 days after the termination, upon the filing by or on  
8 behalf of the registrant of an application for registration that complies with the  
9 requirement of AS 45.56.450(a) and payment of the filing fee required under  
10 AS 45.56.470, the registration of the agent or investment adviser representative is

11 (1) immediately effective as of the date of the completed filing, if the  
12 agent's record or successor record in the Central Registration Depository operated by  
13 the Financial Industry Regulatory Authority or the investment adviser representative's  
14 record or successor record in the Investment Adviser Registration Depository operated  
15 by the Financial Industry Regulatory Authority does not contain a new or amended  
16 disciplinary disclosure within the previous 12 months; or

17 (2) temporarily effective as of the date of the completed filing, if the  
18 agent's record or successor record in the Central Registration Depository operated by  
19 the Financial Industry Regulatory Authority or the investment adviser representative's  
20 record or successor record in the Investment Adviser Registration Depository operated  
21 by the Financial Industry Regulatory Authority contains a new or amended  
22 disciplinary disclosure within the preceding 12 months.

23 (c) The administrator may withdraw a temporary registration if there are or  
24 were grounds for discipline as specified in AS 45.56.485 and the administrator does so  
25 within 30 days after the filing of the application. If the administrator does not  
26 withdraw the temporary registration within the 30-day period, registration becomes  
27 automatically effective on the 31st day after filing.

28 (d) The administrator may prevent the effectiveness of a transfer of an agent  
29 or investment adviser representative under (b)(1) or (2) of this section based on the  
30 public interest and the protection of investors.

31 (e) If the administrator determines that a registrant or applicant for registration

1 is no longer in existence, has ceased to act as a broker-dealer, agent, investment  
 2 adviser, or investment adviser representative, is the subject of an adjudication of  
 3 incapacity, is subject to the control of a committee, conservator, or guardian, or cannot  
 4 reasonably be located, a regulation adopted or order issued under this chapter may  
 5 require that the registration be cancelled or terminated or the application be denied.  
 6 The administrator may reinstate a cancelled or terminated registration, with or without  
 7 hearing, and may make the registration retroactive.

8 **Sec. 45.56.465. Withdrawal of registration of broker-dealer, agent,**  
 9 **investment adviser, and investment adviser representative.** Withdrawal of  
 10 registration by a broker-dealer, agent, investment adviser, or investment adviser  
 11 representative becomes effective 60 days after the filing of the application to withdraw  
 12 or within any shorter period as provided by a regulation adopted or order issued under  
 13 this chapter unless a revocation or suspension proceeding is pending when the  
 14 application is filed. If a proceeding is pending, withdrawal becomes effective when  
 15 and upon the conditions required by a regulation adopted or order issued under this  
 16 chapter. The administrator may institute a revocation or suspension proceeding under  
 17 AS 45.56.485 within one year after the withdrawal became effective automatically and  
 18 issue a revocation or suspension order as of the last date on which registration was  
 19 effective if a proceeding is not pending.

20 **Sec. 45.56.470. Fees.** (a) The administrator shall establish fees by regulation  
 21 for

22 (1) an initial filing of an application as a broker-dealer and renewal of  
 23 an application by a broker-dealer for registration;

24 (2) an application for registration as an agent and renewal of  
 25 registration as an agent;

26 (3) an application for registration as an investment adviser and renewal  
 27 of registration as an investment adviser;

28 (4) an application for registration as an investment adviser  
 29 representative, a renewal of registration as an investment adviser representative, and a  
 30 change of registration as an investment adviser representative; and

31 (5) an initial fee and annual notice fee for a federal covered investment

1 adviser required to file a notice under AS 45.56.445.

2 (b) A person required to pay a filing or notice fee under this section may  
3 transmit the fee through or to a designee as provided by a regulation adopted or order  
4 issued under this chapter.

5 (c) The administrator may establish other fees by regulation as necessary to  
6 administer this chapter.

7 **Sec. 45.56.475. Post registration requirements.** (a) Subject to 15 U.S.C.  
8 78o(i) or 80b-18a, a regulation adopted or order issued under this chapter may  
9 establish minimum financial requirements for broker-dealers registered or required to  
10 be registered under this chapter and investment advisers registered or required to be  
11 registered under this chapter.

12 (b) Subject to 15 U.S.C. 78o(i) or 80b-18a, a broker-dealer registered or  
13 required to be registered under this chapter and an investment adviser registered or  
14 required to be registered under this chapter shall file the financial reports required by a  
15 regulation adopted or order issued under this chapter. If the information contained in a  
16 record filed under this subsection is or becomes inaccurate or incomplete in a material  
17 respect, the registrant shall promptly file a correcting amendment.

18 (c) Subject to 15 U.S.C. 78o(i) or 80b-18a,

19 (1) a broker-dealer registered or required to be registered under this  
20 chapter and an investment adviser registered or required to be registered under this  
21 chapter shall make and maintain the accounts, correspondence, memoranda, papers,  
22 books, and other records required by a regulation adopted or order issued under this  
23 chapter;

24 (2) broker-dealer records required to be maintained under (1) of this  
25 subsection may be maintained in any form of data storage acceptable under 15 U.S.C.  
26 78q(a) if they are readily accessible to the administrator; and

27 (3) investment adviser records required to be maintained under (1) of  
28 this subsection may be maintained in any form of data storage required by a regulation  
29 adopted or order issued under this chapter.

30 (d) The records of a broker-dealer registered or required to be registered under  
31 this chapter and of an investment adviser registered or required to be registered under

1 this chapter are subject to the reasonable periodic, special, or other audits or  
2 inspections by a representative of the administrator, in or outside this state, that the  
3 administrator considers necessary or appropriate in the public interest and for the  
4 protection of investors. An audit or inspection may be made at any time and without  
5 prior notice. The administrator may copy and remove for audit or inspection copies of  
6 all records the administrator reasonably considers necessary or appropriate to conduct  
7 the audit or inspection. The administrator may assess a reasonable charge for  
8 conducting an audit or inspection under this subsection.

9 (e) Subject to 15 U.S.C. 78o(i) or 80b-18a, a regulation adopted or order  
10 issued under this chapter may require a broker-dealer or investment adviser that has  
11 custody of or discretionary authority over funds or securities of a customer or client to  
12 obtain insurance or post a bond or other satisfactory form of security in an amount  
13 established by a regulation adopted under this chapter. The administrator may  
14 determine the requirements of the insurance, bond, or other satisfactory form of  
15 security. Insurance or a bond or other satisfactory form of security may not be required  
16 of a broker-dealer registered under this chapter whose net capital exceeds, or of an  
17 investment adviser registered under this chapter whose minimum financial  
18 requirements exceed, the amounts required by a regulation adopted or order issued  
19 under this chapter. The insurance, bond, or other satisfactory form of security must  
20 permit an action by a person to enforce any liability on the insurance, bond, or other  
21 satisfactory form of security if instituted within the time limitations in  
22 AS 45.56.660(j)(2).

23 (f) Subject to 15 U.S.C. 78o(i) or 80b-18a, an agent may not have custody of  
24 funds or securities of a customer except under the supervision of a broker-dealer, and  
25 an investment adviser representative may not have custody of funds or securities of a  
26 client except under the supervision of an investment adviser or a federal covered  
27 investment adviser. A regulation adopted or order issued under this chapter may  
28 prohibit, limit, or impose conditions on a broker-dealer regarding custody of funds or  
29 securities of a customer and on an investment adviser regarding custody of securities  
30 or funds of a client.

31 (g) With respect to an investment adviser registered or required to be

1 registered under this chapter, a regulation adopted or order issued under this chapter  
 2 may require that information or other records be furnished or disseminated to clients  
 3 or prospective clients in this state as necessary or appropriate in the public interest and  
 4 for the protection of investors and advisory clients.

5 (h) A regulation adopted or order issued under this chapter may require an  
 6 individual registered under AS 45.56.430 or 45.56.440 to participate in a continuing  
 7 education program approved by the Securities and Exchange Commission and  
 8 administered by a self-regulatory organization, or, in the absence of a continuing  
 9 education program, a regulation adopted or order issued under this chapter may  
 10 require continuing education for an individual registered under AS 45.56.440.

11 **Sec. 45.56.480. Protecting older and vulnerable adults from financial**  
 12 **exploitation.** (a) If a broker-dealer, investment adviser, or qualified individual  
 13 reasonably believes that the financial exploitation of a covered adult may have  
 14 occurred, may have been attempted, or is being attempted, the broker-dealer,  
 15 investment adviser, or qualified individual shall notify adult protective services and  
 16 the administrator not later than five days after the broker-dealer, investment adviser, or  
 17 qualified individual develops the reasonable belief that the financial exploitation or  
 18 attempted financial exploitation has or may have occurred, or is being attempted,  
 19 except that the broker-dealer, investment adviser, or qualified individual shall notify  
 20 adult protective services and the administrator immediately upon confirmation of the  
 21 financial exploitation or attempted financial exploitation of the covered adult.

22 (b) The requirements of (a) of this section may not be construed to require  
 23 more than one notification for each occurrence of exploitation or attempted  
 24 exploitation.

25 (c) If a broker-dealer, investment adviser, or qualified individual reasonably  
 26 believes that financial exploitation of a covered adult may have occurred, may have  
 27 been attempted, or is being attempted, a broker-dealer, investment adviser, or qualified  
 28 individual may notify a person whom the covered adult previously designated to be  
 29 notified about financial matters of the covered adult, as well as any other person  
 30 allowed under state or federal law or regulation, or the rules of a self-regulatory  
 31 organization, except that the broker-dealer, investment adviser, or qualified individual

1 may not notify a person that is suspected of engaging in financial exploitation or other  
2 abuse of the covered adult.

3 (d) A broker-dealer or investment adviser may delay a disbursement from an  
4 account of a covered adult or from an account on which a covered adult is a  
5 beneficiary if

6 (1) the broker-dealer, investment adviser, or qualified individual  
7 reasonably believes, after initiating an internal review of the requested disbursement  
8 and the suspected financial exploitation of a covered adult, that the requested  
9 disbursement may result in financial exploitation of the covered adult; and

10 (2) the broker-dealer or investment adviser

11 (A) within two business days after receiving the request for  
12 disbursement, provides written notification of the delay and the reason for the  
13 delay to all persons authorized to transact business on the account, except to a  
14 person that the broker-dealer, investment adviser, or qualified individual  
15 reasonably believes has engaged in suspected or attempted financial  
16 exploitation of the covered adult;

17 (B) within two business days after receiving the request for  
18 disbursement, notifies adult protective services and the administrator; and

19 (C) continues as necessary an internal review of the suspected  
20 or attempted financial exploitation of the covered adult and, within seven  
21 business days after receiving the request for disbursement, reports the status of  
22 the investigation to adult protective services and the administrator, and  
23 provides additional status updates to the administrator and adult protective  
24 services upon request.

25 (e) A disbursement delay under (d) of this section expires when the earlier of  
26 the following events occurs:

27 (1) the broker-dealer or investment adviser determines that the  
28 disbursement will not result in financial exploitation of the covered adult;

29 (2) 15 business days after the date on which the broker-dealer or  
30 investment adviser first delayed the disbursement, unless

31 (A) adult protective services or the administrator requests that

1 the broker-dealer or investment adviser extend the delay, in which case the  
2 delay expires 25 business days after the date on which the broker-dealer or  
3 investment adviser first delayed disbursement; or

4 (B) adult protective services, the administrator, or the superior  
5 court terminates the delay.

6 (f) Adult protective services, the administrator, the broker-dealer or  
7 investment adviser that initiated the delay under (d) or (e) of this section, or another  
8 interested person may petition the superior court for an order extending a  
9 disbursement delay or providing other relief to a covered adult, and the superior court  
10 may enter an order providing the requested relief.

11 (g) A broker-dealer or investment adviser shall provide access to or copies of  
12 records that are relevant to the suspected or attempted financial exploitation of a  
13 covered adult to adult protective services and to state law enforcement agencies as part  
14 of a referral to adult protective services or an investigation. The records that may be  
15 accessed or copied under this subsection include records relating to past transactions  
16 that may have involved financial exploitation of the covered adult as well as records  
17 relating to the most recent transaction that may involve financial exploitation of the  
18 covered adult. Records made available to agencies under this subsection are not public  
19 records as defined in AS 40.25.220. This subsection does not limit or impede the  
20 authority of the administrator to access or examine the books and records of broker-  
21 dealers and investment advisers as otherwise provided by law.

22 (h) A broker-dealer, investment adviser, or qualified individual acting in good  
23 faith and exercising reasonable care under (a) - (g) of this section is immune from  
24 administrative or civil liability for a notification, disclosure, disbursement delay, or  
25 record sharing under (a) - (g) of this section.

26 (i) The following constitute the financial exploitation of a covered adult under  
27 this section:

28 (1) the wrongful or unauthorized taking, withholding, appropriation, or  
29 use of the money, assets, or other property of a covered adult; or

30 (2) an act or omission of a person, including an act or omission made  
31 through the use of a power of attorney, guardianship, or conservatorship of a covered

1 adult, to

2 (A) obtain control, through deception, intimidation, or undue  
3 influence, over the covered adult's money, assets, or other property to deprive  
4 the covered adult of the ownership, use, benefit, or possession of the covered  
5 adult's money, assets, or other property; or

6 (B) convert the ownership, use, benefit, or possession of the  
7 covered adult's money, assets, or other property to another person.

8 (j) In this section,

9 (1) "adult protective services" means the agency that has the  
10 responsibility for providing protective services for adults; in this paragraph,

11 (A) "agency" has the meaning given in AS 44.64.200;

12 (B) "protective services" has the meaning given in  
13 AS 47.24.900;

14 (2) "broker-dealer" has the meaning given in AS 45.56.900;

15 (3) "covered adult" means a natural person who is

16 (A) 60 years of age or older; or

17 (B) a vulnerable adult;

18 (4) "investment adviser" has the meaning given in AS 45.56.900;

19 (5) "qualified individual" means an agent, investment adviser  
20 representative, or other person who is acting in a supervisory, compliance, or legal  
21 capacity for a broker-dealer or investment adviser.

22 **Sec. 45.56.485. Denial, revocation, suspension, withdrawal, restriction,**  
23 **condition, or limitation of registration.** (a) If the administrator finds that the order is  
24 in the public interest and (d) of this section authorizes the action, an order issued under  
25 this chapter may deny an application, or may condition or limit registration of an  
26 applicant to be a broker-dealer, agent, investment adviser, or investment adviser  
27 representative, and, if the applicant is a broker-dealer or investment adviser, of a  
28 partner, officer, director, or person having a similar status or performing similar  
29 functions, or a person directly or indirectly in control, of the broker-dealer or  
30 investment adviser.

31 (b) If the administrator finds that the order is in the public interest and (d) of

1 this section authorizes the action, an order issued under this chapter may revoke,  
 2 suspend, condition, or limit the registration of a registrant, and, if the registrant is a  
 3 broker-dealer or investment adviser, of a partner, officer, director, or person having a  
 4 similar status or performing similar functions, or a person directly or indirectly in  
 5 control, of the broker-dealer or investment adviser. However, the administrator may  
 6 not

7 (1) institute a revocation or suspension proceeding under this  
 8 subsection based on an order issued under a law of another state that is reported to the  
 9 administrator or a designee of the administrator more than three years after the date of  
 10 the order on which it is based; or

11 (2) under (d)(5)(A) and (B) of this section, issue an order based on an  
 12 order issued under the securities act of another state unless the other order was based  
 13 on conduct for which (d) of this section would authorize the action had the conduct  
 14 occurred in this state.

15 (c) If the administrator finds that the order is in the public interest and (d)(1) -  
 16 (6), (8) - (10), (12), or (13) of this section authorize the action, an order under this  
 17 chapter may censure, impose a bar, or impose a civil penalty of not more than  
 18 \$100,000 for a single violation on a registrant and, if the registrant is a broker-dealer  
 19 or investment adviser, on a partner, officer, director, or person having a similar status  
 20 or performing similar functions, or on a person directly or indirectly in control of the  
 21 broker-dealer or investment adviser.

22 (d) A person may be disciplined under (a) - (c) of this section if the person

23 (1) has filed, within the previous 10 years under this chapter or former  
 24 AS 45.55, an application for registration in this state that, as of the effective date of  
 25 registration or as of any date after filing in the case of an order denying effectiveness,  
 26 was incomplete in any material respect or contained a statement that, in light of the  
 27 circumstances under which it was made, was false or misleading with respect to a  
 28 material fact;

29 (2) wilfully violated or wilfully failed to comply with this chapter or  
 30 former AS 45.55 or a regulation adopted or order issued under this chapter or former  
 31 AS 45.55 within the previous 10 years;

1 (3) has been convicted of a felony or within the previous 10 years has  
 2 been convicted of a misdemeanor involving a security, a commodity future or option  
 3 contract, or an aspect of a business involving securities, commodities, investments,  
 4 franchises, insurance, banking, or finance;

5 (4) is enjoined or restrained by a court of competent jurisdiction in an  
 6 action instituted by the administrator under this chapter or former AS 45.55, by a state,  
 7 by the Securities and Exchange Commission, or by the United States from engaging in  
 8 or continuing an act, practice, or course of business involving an aspect of a business  
 9 involving securities, commodities, investments, franchises, insurance, banking, or  
 10 finance;

11 (5) is the subject of an order issued after notice and opportunity for  
 12 hearing by

13 (A) the securities or other financial services regulator of a state  
 14 or the Securities and Exchange Commission or other federal agency denying,  
 15 revoking, barring, or suspending registration as a broker-dealer, agent,  
 16 investment adviser, federal covered investment adviser, or investment adviser  
 17 representative;

18 (B) the securities regulator of a state or the Securities and  
 19 Exchange Commission against a broker-dealer, agent, investment adviser,  
 20 investment adviser representative, or federal covered investment adviser;

21 (C) the Securities and Exchange Commission or a self-  
 22 regulatory organization suspending or expelling the registrant from  
 23 membership in the self-regulatory organization;

24 (D) a court adjudicating a United States Postal Service fraud  
 25 order;

26 (E) the insurance regulator of a state denying, suspending, or  
 27 revoking registration as an insurance agent; or

28 (F) a depository institution or financial services regulator  
 29 suspending or barring the person from the depository institution or other  
 30 financial services business;

31 (6) is the subject of an adjudication or determination, after notice and

1 opportunity for hearing, by the Securities and Exchange Commission, the Commodity  
 2 Futures Trading Commission, the Federal Trade Commission, a federal depository  
 3 institution regulator, or a depository institution, insurance, or other financial services  
 4 regulator of a state that the person wilfully violated 15 U.S.C. 77a - 77aa (Securities  
 5 Act of 1933), 15 U.S.C. 78a - 78pp (Securities Exchange Act of 1934), 15 U.S.C. 80b-  
 6 1 - 80b-21 (Investment Advisers Act of 1940), 15 U.S.C. 80a-1 - 80a-64 (Investment  
 7 Company Act of 1940), or 7 U.S.C. 1 - 27 (Commodity Exchange Act), the securities  
 8 or commodities law of a state, or a federal or state law under which a business  
 9 involving investments, franchises, insurance, banking, or finance is regulated;

10 (7) is insolvent, either because the person's liabilities exceed the  
 11 person's assets or because the person cannot meet the person's obligations as they  
 12 mature, but the administrator may not enter an order against an applicant or registrant  
 13 under this paragraph without a finding of insolvency as to the applicant or registrant;

14 (8) refuses to allow or otherwise impedes the administrator from  
 15 conducting an audit or inspection under AS 45.56.475(d) or refuses access to a  
 16 registrant's office to conduct an audit or inspection under AS 45.56.475(d);

17 (9) has failed to reasonably supervise an agent, investment adviser  
 18 representative, or other individual, if the agent, investment adviser representative, or  
 19 other individual was subject to the person's supervision and committed a violation of  
 20 this chapter or former AS 45.55 or a regulation adopted or order issued under this  
 21 chapter or former AS 45.55;

22 (10) has not paid the proper filing fee within 30 days after having been  
 23 notified by the administrator of a deficiency, but the administrator shall vacate an  
 24 order under this paragraph when the deficiency is corrected;

25 (11) after notice and opportunity for a hearing, has been found

26 (A) by a court of competent jurisdiction to have wilfully  
 27 violated the laws of a foreign jurisdiction under which the business of  
 28 securities, commodities, investment, franchises, insurance, banking, or finance  
 29 is regulated;

30 (B) to have been the subject of an order of a securities regulator  
 31 of a foreign jurisdiction denying, revoking, or suspending the right to engage

1 in the business of securities as a broker-dealer, agent, investment adviser,  
2 investment adviser representative, or similar person; or

3 (C) to have been suspended or expelled from membership by or  
4 participation in a securities exchange or securities association operating under  
5 the securities laws of a foreign jurisdiction;

6 (12) is the subject of a cease and desist order issued by the Securities  
7 and Exchange Commission or issued under the securities, commodities, investment,  
8 franchise, banking, finance, or insurance laws of a state;

9 (13) has engaged in dishonest or unethical practices in the securities,  
10 commodities, investment, franchise, banking, finance, or insurance business;

11 (14) is not qualified based on factors that may include training,  
12 experience, and knowledge of the securities business; however, in the case of an  
13 application by an agent for a broker-dealer that is a member of a self-regulatory  
14 organization or by an individual for registration as an investment adviser  
15 representative, a denial order may not be based on this paragraph if the individual has  
16 successfully completed all examinations required by (e) of this section; the  
17 administrator may require an applicant for registration under AS 45.56.430 or  
18 45.56.440 who has not been registered in a state within the two years preceding the  
19 filing of an application in this state to complete successfully an examination; or

20 (15) is a person whose license renewal is denied under AS 14.43.148  
21 or whose license issuance or renewal is denied under AS 25.27.244.

22 (e) A regulation adopted or order issued under this chapter may require that an  
23 examination, including an examination developed or approved by an organization of  
24 securities regulators, be successfully completed by a class of individuals or all  
25 individuals. An order issued under this chapter may waive, in whole or in part, an  
26 examination as to an individual and a regulation adopted under this chapter may  
27 waive, in whole or in part, an examination as to a class of individuals if the  
28 administrator determines that the examination is not necessary or appropriate in the  
29 public interest and for the protection of investors.

30 (f) The administrator may suspend or deny an application summarily; restrict,  
31 condition, limit, or suspend a registration; or censure, bar, or impose a civil penalty on

1 a registrant before final determination of an administrative proceeding. Upon the  
 2 issuance of an order, the administrator shall promptly notify each person subject to the  
 3 order that the order has been issued, the reasons for the action, and that, within 15 days  
 4 after the receipt of a request in a record from the person, the matter will be scheduled  
 5 for a hearing. If a hearing is not requested and none is ordered by the administrator  
 6 within 30 days after the date of service of the order, the order becomes final by  
 7 operation of law. If a hearing is requested or ordered, the administrator, after notice of  
 8 and opportunity for hearing to each person subject to the order, may modify or vacate  
 9 the order or extend the order until final determination.

10 (g) An order may not be issued under this section, except under (f) of this  
 11 section, without appropriate notice to the applicant or registrant, and an opportunity  
 12 for hearing under AS 45.56.650(c).

13 (h) A person that controls, directly or indirectly, a person not in compliance  
 14 with this section may be disciplined by order of the administrator under (a) - (c) of this  
 15 section to the same extent as the noncomplying person, unless the controlling person  
 16 did not know, and in the exercise of reasonable care could not have known, of the  
 17 existence of conduct that is a ground for discipline under this section.

18 (i) The administrator may not institute a proceeding under (a) - (c) of this  
 19 section based solely on material facts actually known by the administrator unless an  
 20 investigation or the proceeding is instituted within one year after the administrator  
 21 actually acquires knowledge of the material facts.

#### 22 **Article 5. Fraud and Liabilities.**

23 **Sec. 45.56.505. General fraud.** A person may not, in connection with the  
 24 offer, sale, or purchase of a security, directly or indirectly,

25 (1) employ a device, scheme, or artifice to defraud;

26 (2) make an untrue statement of a material fact or omit to state a  
 27 material fact necessary to make the statements made, in light of the circumstances  
 28 under which they were made, not misleading; or

29 (3) engage in an act, practice, or course of business that operates or  
 30 would operate as a fraud or deceit on another person.

31 **Sec. 45.56.510. Prohibited conduct in providing investment advice.** (a) A

1 person that advises others for compensation, either directly or indirectly or through  
 2 publications or writings, as to the value of securities or the advisability of investing in,  
 3 purchasing, or selling securities or that, for compensation and as part of a regular  
 4 business, issues or adopts analyses or reports relating to securities may not

5 (1) employ a device, scheme, or artifice to defraud another person; or

6 (2) engage in an act, practice, or course of business that operates or  
 7 would operate as a fraud or deceit on another person.

8 (b) A regulation adopted under this chapter may define an act, practice, or  
 9 course of business of an investment adviser or an investment adviser representative,  
 10 other than a supervised person of a federal covered investment adviser, as fraudulent,  
 11 deceptive, or manipulative and may prescribe means reasonably designed to prevent  
 12 investment advisers and investment adviser representatives, other than supervised  
 13 persons of a federal covered investment adviser, from engaging in acts, practices, and  
 14 courses of business defined as fraudulent, deceptive, or manipulative.

15 (c) A regulation adopted under this chapter may specify the contents of an  
 16 investment advisory contract entered into, extended, or renewed by an investment  
 17 adviser.

18 **Sec. 45.56.520. Misleading filings.** A person may not, in a document filed  
 19 with the administrator or in a proceeding under this chapter, make or cause to be made  
 20 an untrue statement of a material fact or omit to state a material fact necessary in order  
 21 to make the statements made, in the light of the circumstances under which they are  
 22 made, not misleading.

23 **Sec. 45.56.530. Misrepresentations concerning registration or exemption.**  
 24 The filing of an application for registration, a registration statement, a notice filing  
 25 under this chapter, the registration of a person, the notice filing by a person, or the  
 26 registration of a security under this chapter does not constitute a finding by the  
 27 administrator that a record filed under this chapter is true, complete, and not  
 28 misleading. The filing or registration or the availability of an exemption, exception,  
 29 preemption, or exclusion for a security or a transaction does not mean that the  
 30 administrator has passed on the merits or qualifications of, or recommended or given  
 31 approval to, a person, security, or transaction. A person may not make, or cause to be

1 made, to a purchaser, customer, client, or prospective customer or client a  
 2 representation inconsistent with this section.

3 **Sec. 45.56.540. Evidentiary burden.** (a) In a civil action or administrative  
 4 proceeding under this chapter, a person claiming an exemption, exception,  
 5 preemption, or exclusion has the burden to prove the applicability of the claim.

6 (b) In a criminal proceeding under this chapter, an exemption, exception,  
 7 preemption, or exclusion claimed by the defendant is an affirmative defense. In this  
 8 subsection, "affirmative defense" has the meaning given in AS 11.81.900.

9 **Sec. 45.56.550. Filing of sales and advertising literature.** (a) Except as  
 10 otherwise provided in (b) of this section, a regulation adopted or order issued under  
 11 this chapter may require the filing of a prospectus, pamphlet, circular, form letter,  
 12 advertisement, sales literature, or other advertising record relating to a security or  
 13 investment advice, addressed or intended for distribution to prospective investors,  
 14 including clients or prospective clients of a person registered or required to be  
 15 registered as an investment adviser under this chapter.

16 (b) This section does not apply to sales and advertising literature specified in  
 17 (a) of this section that relates to a federal covered security, a federal covered  
 18 investment adviser, or a security or transaction exempted by AS 45.56.205, 45.56.210,  
 19 45.56.220, or 45.56.240, except as required under AS 45.56.205(7).

20 (c) The administrator may by regulation or order prohibit the publication,  
 21 circulation, or use of any advertising considered false or misleading.

22 **Sec. 45.56.560. Qualified immunity.** A broker-dealer, agent, investment  
 23 adviser, federal covered investment adviser, or investment adviser representative is not  
 24 liable to another broker-dealer, agent, investment adviser, federal covered investment  
 25 adviser, or investment adviser representative for defamation relating to a statement  
 26 that is contained in a record required by the administrator, a designee of the  
 27 administrator, the Securities and Exchange Commission, or a self-regulatory  
 28 organization, unless the person knew, or should have known at the time the statement  
 29 was made, that it was false in a material respect or the person acted in reckless  
 30 disregard of the statement's truth or falsity.

31 **Article 6. Administration and Judicial Review.**

1           **Sec. 45.56.605. Administration.** (a) The department shall administer this  
2 chapter.

3           (b) The administrator or an officer, employee, or designee of the administrator  
4 may not use for personal benefit or the benefit of others records or other information  
5 obtained by or filed with the administrator that is not public under AS 45.56.615(b).  
6 This chapter does not authorize the administrator or an officer, employee, or designee  
7 of the administrator to disclose the record or information, except in accordance with  
8 AS 45.56.615(c), 45.56.620, or 45.56.645.

9           (c) This chapter does not create or diminish a privilege or exemption that  
10 exists at common law, by statute or regulation, or otherwise.

11           (d) The administrator may develop and implement investor education  
12 initiatives to inform the public about investing in securities, with particular emphasis  
13 on the prevention and detection of securities fraud. In developing and implementing  
14 these initiatives, the administrator may collaborate with public and nonprofit  
15 organizations with an interest in investor education. The administrator may accept a  
16 grant or donation from a person that is not affiliated with the securities industry or  
17 from a nonprofit organization, regardless of whether the organization is affiliated with  
18 the securities industry, to develop and implement investor education initiatives. This  
19 subsection does not authorize the administrator to require participation or monetary  
20 contributions of a registrant in an investor education program.

21           **Sec. 45.56.610. Administrative files and opinions.** (a) The administrator shall  
22 maintain, or designate a person to maintain, a register of applications for registration  
23 of securities; registration statements; notice filings; applications for registration of  
24 broker-dealers, agents, investment advisors, and investment adviser representatives;  
25 notice filings by federal covered investment advisors that are or have been effective  
26 under this chapter or former AS 45.55; notices of claims of exemption from  
27 registration or notice filing requirements contained in a record; orders issued under  
28 this chapter or former AS 45.55; and interpretative opinions or no-action  
29 determinations issued under this chapter. The register must be kept according to the  
30 existing retention schedule mandated by the department.

31           (b) The administrator shall make all regulations, forms, interpretative

1 opinions, and orders available to the public.

2 (c) The administrator shall furnish a copy of a record that is a public record or  
3 a certification that the public record does not exist to a person upon request. A copy of  
4 the record certified or a certificate by the administrator of a record's nonexistence is  
5 prima facie evidence of a record or its nonexistence.

6 **Sec. 45.56.615. Public records; confidentiality.** (a) Except as otherwise  
7 provided in (b) of this section, records obtained by the administrator or filed under this  
8 chapter, including a record contained in or filed with a registration statement,  
9 application, notice filing, or report are public records and are available for public  
10 examination under AS 40.25.100 - 40.25.295 (Alaska Public Records Act).

11 (b) The following records are not public records under AS 40.25.100 -  
12 40.25.295 (Alaska Public Records Act) and are not available for public examination  
13 under (a) of this section:

14 (1) a record obtained by the administrator in connection with an audit,  
15 examination or inspection under AS 45.56.475(d) or an investigation under  
16 AS 45.56.645;

17 (2) a part of a record filed in connection with a registration statement  
18 under AS 45.56.105 and 45.56.305 - 45.56.320 or a record under AS 45.56.475(d) that  
19 contains trade secrets or confidential information if the person filing the registration  
20 statement or report has asserted a claim of confidentiality or privilege that is  
21 authorized by law;

22 (3) a record that is not required to be provided to the administrator or  
23 filed under this chapter and is provided to the administrator only on the condition that  
24 the record may not be subject to public examination or disclosure;

25 (4) a nonpublic record received from a person specified in  
26 AS 45.56.620(a); and

27 (5) a social security number, residential address unless used as a  
28 business address, and residential telephone number unless used as a business  
29 telephone number, contained in a record that is filed.

30 (c) If disclosure is for the purpose of a civil, administrative, or criminal  
31 investigation, action, or proceeding or to a person specified in AS 45.56.620(a), the

1 administrator may disclose a record obtained in connection with an audit or inspection  
 2 under AS 45.56.475(d) or a record obtained in connection with an investigation under  
 3 AS 45.56.645.

4 **Sec. 45.56.620. Uniformity and cooperation with other agencies.** (a) The  
 5 administrator may cooperate, coordinate, consult, and, subject to AS 45.56.615, share  
 6 records and information with the securities regulator of another state, Canada, a  
 7 Canadian province or territory, a foreign jurisdiction, the Securities and Exchange  
 8 Commission, the United States Department of Justice, the Commodity Futures  
 9 Trading Commission, the Federal Trade Commission, the Securities Investor  
 10 Protection Corporation, a self-regulatory organization, a national or international  
 11 organization of securities regulators, a federal or state banking and insurance  
 12 regulator, and a governmental law enforcement agency to bring about greater  
 13 uniformity in securities matters among the federal government, self-regulatory  
 14 organizations, states, and foreign governments.

15 (b) In cooperating, coordinating, consulting, and sharing records and  
 16 information under this section and in acting by regulation, order, or waiver under this  
 17 chapter, the administrator may take into consideration in carrying out the public  
 18 interest the following general policies:

19 (1) maximizing effectiveness of regulation for the protection of  
 20 investors;

21 (2) maximizing uniformity in federal and state regulatory standards;  
 22 and

23 (3) minimizing burdens on the business of capital formation, without  
 24 adversely affecting essentials of investor protection.

25 (c) The cooperation, coordination, consultation, and sharing of records and  
 26 information authorized by this section includes

27 (1) establishing or employing one or more designees as a central  
 28 depository for registration and notice filings under this chapter and for records  
 29 required or allowed to be maintained under this chapter;

30 (2) developing and maintaining uniform forms;

31 (3) conducting a joint examination or investigation;

- 1 (4) holding a joint administrative hearing;
- 2 (5) instituting and prosecuting a joint civil or administrative  
3 proceeding;
- 4 (6) sharing and exchanging personnel;
- 5 (7) coordinating registrations under AS 45.56.105 and 45.56.405 -  
6 45.56.440 and exemptions under AS 45.56.240;
- 7 (8) sharing and exchanging records, subject to AS 45.56.615;
- 8 (9) formulating regulations, statements of policy, guidelines, forms,  
9 and interpretative opinions and releases;
- 10 (10) formulating common systems and procedures;
- 11 (11) notifying the public of proposed regulations, forms, statements of  
12 policy, and guidelines;
- 13 (12) attending conferences and other meetings among securities  
14 regulators, that may include representatives of governmental and private sector  
15 organizations involved in capital formation, considered necessary or appropriate to  
16 promote or achieve uniformity; and
- 17 (13) developing and maintaining a uniform exemption from  
18 registration for small issuers and taking other steps to reduce the burden of raising  
19 investment capital by small businesses.

20 **Sec. 45.56.625. Securities investor education and training fund.** The  
21 securities investor education and training fund is created as a special fund in the  
22 general fund to provide funds for the purposes specified in 45.56.605(d). The  
23 legislature may appropriate 33 percent of the money received by this state from civil  
24 penalties under this chapter into the fund for securities investor education and training.  
25 Nothing in this section exempts money deposited into the fund from the requirements  
26 of AS 37.07 (Executive Budget Act) or dedicates money for a specific purpose.

27 **Sec. 45.56.630. Service of process.** (a) A consent to service of process  
28 complying with this section required by this chapter shall be signed and filed in the  
29 form required by a regulation adopted or order issued under this chapter. A consent  
30 appointing the administrator the person's agent for service of process in a noncriminal  
31 action or proceeding against the person or the person's successor or personal

1 representative under this chapter or a regulation adopted or order issued under this  
2 chapter after the consent is filed has the same force and validity as if the service were  
3 made personally on the person filing the consent. A person that has filed a consent  
4 under this subsection in connection with a previous application for registration or  
5 notice filing need not file an additional consent.

6 (b) If a person, including a nonresident of this state, engages in an act,  
7 practice, or course of business prohibited or made actionable by this chapter or a  
8 regulation adopted or order issued under this chapter and the person has not filed a  
9 consent to service of process under (a) of this section, the act, practice, or course of  
10 business constitutes the appointment of the administrator as the person's agent for  
11 service of process in a noncriminal action or proceeding against the person or the  
12 person's successor or personal representative.

13 (c) Service under (a) or (b) of this section may be made by providing a copy of  
14 the process to the office of the administrator, but the service is not effective unless

15 (1) the plaintiff, which may be the administrator, promptly sends  
16 notice of the service and a copy of the process, return receipt requested, to the  
17 defendant or respondent at the address set out in the consent to service of process or, if  
18 a consent to service of process has not been filed, at the last known address, or takes  
19 other reasonable steps to give notice; and

20 (2) the plaintiff files an affidavit of compliance with this subsection in  
21 the action or proceeding on or before the return day of the process, if any, or within  
22 the time that the court, or the administrator in a proceeding before the administrator,  
23 allows.

24 (d) Service under (c) of this section may be used in a proceeding before the  
25 administrator or by the administrator in a civil action in which the administrator is the  
26 moving party.

27 (e) If process is served under (c) of this section, the court, or the administrator  
28 in a proceeding before the administrator, shall order continuances as are necessary or  
29 appropriate to afford the defendant or respondent reasonable opportunity to defend.

30 **Sec. 45.56.635. Applicability of the chapter.** (a) Unless the persons are  
31 exempt elsewhere in this chapter, this chapter applies to persons who buy or offer to

1 buy when an offer to

2 (1) buy is made in this state; or

3 (2) sell is made and accepted in this state.

4 (b) Unless the person is exempt elsewhere in this chapter, this chapter applies  
5 to a person who sells or offers to sell when an offer to

6 (1) sell is made in this state; or

7 (2) buy is made and accepted in this state.

8 (c) For the purpose of this section, an offer to sell or to buy is made in this  
9 state, whether or not either party is then present in this state, when the offer

10 (1) originates from this state;

11 (2) is directed by the offeror to this state and received at the place to  
12 which it is directed or at a post office in this state in the case of a mailed offer;

13 (3) is for an interest or participation in an oil, gas, or mining right, title,  
14 or lease on land in this state, including submerged land, regardless of where the offer  
15 is made;

16 (4) is for an interest or participation in payments out of production  
17 under an oil, gas, or mining right, title, or lease on land in this state, including  
18 submerged land, regardless of where the offer is made;

19 (5) is for an interest or participation in real property located in this  
20 state, or in a corporation, a partnership, a limited liability company, a limited  
21 partnership, a limited liability partnership, an association, or a joint-stock company;  
22 jurisdiction under this paragraph may be exercised only when the exercise is  
23 consistent with the constitution of this state or of the United States.

24 (d) For the purpose of this section, an offer to buy or to sell is accepted in this  
25 state when acceptance is communicated to the offeror in this state and has not  
26 previously been communicated to the offeror, orally or in writing, outside this state.  
27 Acceptance is communicated to the offeror in this state, whether or not either party is  
28 then present in this state, when the offeree directs the acceptance to the offeror in this  
29 state reasonably believing the offeror to be in this state and the acceptance is received  
30 at the place to which it is directed or, in the case of a mailed acceptance, at a post  
31 office in this state.

1 (e) This chapter applies to investment advisers, federal covered advisers, and  
 2 investment adviser representatives when any act instrumental in effecting prohibited  
 3 conduct is done in this state, regardless of whether either party is then present in this  
 4 state.

5 **Sec. 45.56.640. Regulations, forms, orders, interpretative opinions, and**  
 6 **hearings.** (a) The administrator may

7 (1) issue forms and orders; after notice and comment, adopt and amend  
 8 regulations necessary or appropriate to carry out this chapter; and repeal regulations,  
 9 including regulations and forms governing registration statements, applications, notice  
 10 filings, reports, and other records;

11 (2) by regulation, define terms, whether or not used in this chapter, but  
 12 those definitions may not be inconsistent with this chapter; and

13 (3) by regulation, classify securities, persons, and transactions and  
 14 adopt different requirements for different classes.

15 (b) Under this chapter, a regulation or form may not be adopted or amended,  
 16 or an order issued or amended, unless the administrator finds that the regulation, form,  
 17 order, or amendment is necessary or appropriate in the public interest or for the  
 18 protection of investors and is consistent with the purposes intended by this chapter. In  
 19 adopting, amending, and repealing regulations and forms, AS 45.56.620 applies to  
 20 achieve uniformity among the states and coordination with federal laws in the form  
 21 and content of registration statements, applications, reports, and other records,  
 22 including the adoption of uniform rules, forms, and procedures.

23 (c) Subject to 15 U.S.C. 78o(i) and 80b-18a, the administrator may require  
 24 that a financial statement filed under this chapter be prepared in accordance with  
 25 generally accepted accounting principles in the United States and comply with other  
 26 requirements specified by regulation adopted or order issued under this chapter. A  
 27 regulation adopted or order issued under this chapter may establish

28 (1) subject to 15 U.S.C. 78o(i) and 80b-18a, the form and content of  
 29 financial statements required under this chapter;

30 (2) whether unconsolidated financial statements must be filed; and

31 (3) whether required financial statements must be audited by an

1 independent certified public accountant.

2 (d) The administrator may provide interpretative opinions or issue  
3 determinations that the administrator will not institute a proceeding or an action under  
4 this chapter against a specified person for engaging in a specified act, practice, or  
5 course of business if the determination is consistent with this chapter. A regulation  
6 adopted or order issued under this chapter may establish a reasonable charge for  
7 interpretative opinions or determinations that the administrator will not institute an  
8 action or a proceeding under this chapter.

9 (e) A hearing in an administrative proceeding under this chapter shall be  
10 conducted in public unless the administrative law judge or the administrator for good  
11 cause consistent with this chapter determines that the hearing may not be conducted in  
12 public.

13 (f) AS 44.62 (Administrative Procedure Act) applies to all regulations adopted  
14 or authorized under this chapter.

15 **Sec. 45.56.645. Investigations and subpoenas.** (a) The administrator may

16 (1) conduct public or private investigations in or outside of this state  
17 that the administrator considers necessary or appropriate to determine whether a  
18 person has violated, is violating, or is about to violate this chapter or a regulation  
19 adopted or order issued under this chapter, or to aid in the enforcement of this chapter  
20 or in the adoption of regulations and forms under this chapter;

21 (2) require or permit a person to testify, file a statement, or produce a  
22 record, under oath or otherwise as the administrator determines, as to all the facts and  
23 circumstances concerning a matter to be investigated or about which an action or  
24 proceeding is to be instituted; and

25 (3) publish a record concerning an action, proceeding, or an  
26 investigation under, or a violation of, this chapter or a regulation adopted or order  
27 issued under this chapter if the administrator determines it is necessary or appropriate  
28 in the public interest and for the protection of investors.

29 (b) For the purpose of an investigation under this chapter, the administrator or  
30 the designated officer of the administrator may administer oaths and affirmations,  
31 subpoena witnesses, seek compulsion of attendance, take evidence, require the filing

1 of statements, and require the production of any records that the administrator  
2 considers relevant or material to the investigation.

3 (c) If a person does not appear or refuses to testify, file a statement, produce  
4 records, or otherwise obey a subpoena as required by the administrator under this  
5 chapter, the administrator may refer the matter to the attorney general, who may bring  
6 an action in the superior court or a court of another state to enforce compliance. The  
7 court may

8 (1) hold the person in contempt;

9 (2) order the person to appear before the administrator;

10 (3) order the person to testify about the matter under investigation or in  
11 question;

12 (4) order the production of records;

13 (5) grant injunctive relief, including restricting or prohibiting the offer  
14 or sale of securities or the providing of investment advice;

15 (6) impose a civil penalty of not more than \$100,000 for a single  
16 violation; and

17 (7) grant any other necessary or appropriate relief.

18 (d) This section does not preclude a person from applying to the superior court  
19 or a court of another state for relief from a request to appear, testify, file a statement,  
20 produce records, or obey a subpoena.

21 (e) A person is not excused from attending, testifying, filing a statement,  
22 producing a record or other evidence, or obeying a subpoena of the administrator  
23 under this chapter or in an action or proceeding instituted by the administrator under  
24 this chapter on the ground that the required testimony, statement, record, or other  
25 evidence, directly or indirectly, may tend to incriminate the individual or subject the  
26 individual to a criminal fine, penalty, or forfeiture. If the person refuses to testify, file  
27 a statement, or produce a record or other evidence based on the individual's privilege  
28 against self-incrimination, the administrator may apply to the superior court to compel  
29 the testimony, the filing of the statement, the production of the record, or the giving of  
30 other evidence. The testimony, record, or other evidence compelled under an order of  
31 the superior court may not be used, directly or indirectly, against the individual in a

1 criminal case, except in a prosecution for perjury, contempt, or otherwise failing to  
2 comply with the order.

3 (f) At the request of the securities regulator of another state or a foreign  
4 jurisdiction, the administrator may provide assistance if the requesting regulator states  
5 that it is conducting an investigation to determine whether a person has violated, is  
6 violating, or is about to violate a law or regulation of the other state or foreign  
7 jurisdiction relating to securities matters that the requesting regulator administers or  
8 enforces. The administrator may provide the assistance by using the authority to  
9 investigate and the powers conferred by this section as the administrator determines is  
10 necessary or appropriate. The assistance may be provided without regard to whether  
11 the conduct described in the request would also constitute a violation of this chapter or  
12 other law of this state if occurring in this state. In deciding whether to provide the  
13 assistance, the administrator may consider whether the requesting regulator is  
14 permitted and has agreed to provide assistance reciprocally within its state or foreign  
15 jurisdiction to the administrator on securities matters when requested, whether  
16 compliance with the request would violate or prejudice the public policy of this state,  
17 and the availability of resources and employees of the administrator to carry out the  
18 request for assistance.

19 **Sec. 45.56.650. Administrative enforcement.** (a) If the administrator  
20 determines that a person has engaged, is engaging, or is about to engage in an act,  
21 practice, or course of business constituting a violation of this chapter or a regulation  
22 adopted or order issued under this chapter or that a person has materially aided, is  
23 materially aiding, or is about to aid materially an act, practice, or course of business  
24 constituting a violation of this chapter or a regulation adopted or order issued under  
25 this chapter, the administrator may issue an order

26 (1) directing the person to cease and desist from engaging in the act,  
27 practice, or course of business or to take other action necessary or appropriate to  
28 comply with this chapter;

29 (2) denying, suspending, revoking, or conditioning the exemptions for  
30 a broker-dealer under AS 45.56.405(b)(1)(D) or (F) or an investment adviser under  
31 AS 45.56.435(b)(1)(C); or

1                   (3) denying, suspending, conditioning, or limiting an exemption as  
2 provided under AS 45.56.250.

3                   (b) An order under (a) of this section is effective on the date of issuance. Upon  
4 issuance of the order, the administrator shall promptly serve each person subject to the  
5 order with a copy of the order and a notice that the order has been entered. The order  
6 must include a statement of any civil penalty, restitution, or costs of investigation the  
7 administrator will seek, a statement of the reasons for the order, and notice that, within  
8 15 days after receipt of a request in a record from the person, the matter will be  
9 scheduled for a hearing. If a person subject to the order does not request a hearing and  
10 none is ordered by the administrator within 30 days after the date of service of the  
11 order, the order, including the imposition of a civil penalty, the imposition of  
12 restitution, or requirement for payment of the costs of investigation sought in a  
13 statement in the order, becomes final as to that person by operation of law. If a hearing  
14 is requested or ordered, the administrator, after notice of and opportunity for hearing  
15 provided to each person subject to the order, may modify or vacate the order or extend  
16 it until final determination.

17                   (c) If a hearing is requested or ordered under (b) of this section, a hearing shall  
18 be conducted by the office of administrative hearings (AS 44.64.010), and  
19 AS 44.64.040 - 44.64.200 apply to and govern the hearing.

20                   (d) In a final order under (b) of this section, the administrator may impose a  
21 civil penalty of not more than \$100,000 for a single violation, unless the violation of  
22 this chapter is against an older person or a vulnerable adult. In addition to a civil  
23 penalty imposed under this subsection, a person or entity who engages in conduct  
24 prohibited under this chapter against an older person or a vulnerable adult may be  
25 liable for an additional civil penalty of treble statutory damages. In determining  
26 whether to impose a supplemental civil penalty under this subsection, the  
27 administrator shall consider, in addition to other appropriate factors, the extent to  
28 which the following factors are present:

29                   (1) whether the respondent knew that the respondent's conduct was  
30 directed to an older person or a vulnerable adult;

31                   (2) whether the respondent's conduct caused an older person or a

1 vulnerable adult to suffer

2 (A) severe loss or encumbrance of a primary residence,  
3 principal employment, or source of income; or

4 (B) substantial loss of property set aside for retirement or for  
5 personal and family care and maintenance; or

6 (3) whether the respondent's conduct caused substantial loss of  
7 payments received under a pension or retirement plan or a government benefits  
8 program.

9 (e) In a final order under (b) of this section, the administrator may

10 (1) impose restitution to any person in interest for any money or  
11 property, real or personal, that may have been acquired or transferred in violation of  
12 this chapter;

13 (2) charge the actual cost of an investigation or proceeding for a  
14 violation of this chapter or a regulation adopted or order issued under this chapter; and

15 (3) deny the violator of the use of any exemptions listed under this  
16 chapter.

17 (f) The administrator may petition the superior court to enter a judgment  
18 against a person who is a respondent in the order for the amount of the civil penalty  
19 levied against the person. Subject to AS 44.62.570, the filing of the petition for a  
20 judgment does not reopen the final order to further substantive review. A judgment  
21 entered under this subsection may be executed on and levied under in the manner  
22 provided in AS 09.35.

23 (g) If a person does not comply with an order under this section, the  
24 administrator may petition a court of competent jurisdiction to enforce the order. The  
25 court may not require the administrator to post a bond in an action or proceeding under  
26 this section. If the court finds, after service and opportunity for hearing, that the person  
27 was not in compliance with the order, the court may adjudge the person in civil  
28 contempt of the order. The court may impose a further civil penalty against the person  
29 for contempt in an amount not less than \$5,000 but not greater than \$100,000 for each  
30 violation and may grant any other relief the court determines is just and proper in the  
31 circumstances.

1           **Sec. 45.56.655. Civil enforcement.** (a) If the administrator believes that a  
 2 person has engaged, is engaging, or is about to engage in an act, practice, or course of  
 3 business constituting a violation of this chapter or a regulation adopted or order issued  
 4 under this chapter, or that a person has engaged, is engaging, or is about to engage in  
 5 an act, practice, or course of business that materially aids a violation of this chapter or  
 6 a regulation adopted or order issued under this chapter, the administrator may maintain  
 7 an action in the superior court to enjoin the act, practice, or course of business and to  
 8 enforce compliance with this chapter or a regulation adopted or order issued under this  
 9 chapter.

10           (b) In an action under this section and on a proper showing, the court may

11                   (1) issue a permanent or temporary injunction, restraining order, or  
 12 declaratory judgment;

13                   (2) order other appropriate or ancillary relief, which may include

14                           (A) an asset freeze, accounting, writ of attachment, writ of  
 15 general or specific execution, and appointment of a receiver or conservator that  
 16 may be the administrator for the defendant or the defendant's assets;

17                           (B) ordering the administrator to take charge and control of a  
 18 defendant's property, including investment accounts and accounts in a  
 19 depository institution, rents, and profits; to collect debts; and to acquire and  
 20 dispose of property;

21                           (C) imposing a civil penalty of not more than \$100,000 for a  
 22 single violation, unless the violation of this chapter is against an older person  
 23 or a vulnerable adult; in determining whether to impose a supplemental civil  
 24 penalty for a violation of this chapter against an older person or a vulnerable  
 25 adult, the court shall consider, in addition to other appropriate factors, the  
 26 extent to which the following factors are present:

27                                   (i) whether the respondent knew that the respondent's  
 28 conduct was directed to an older person or a vulnerable adult;

29                                   (ii) whether the respondent's conduct caused an older  
 30 person or a vulnerable adult to suffer severe loss or encumbrance of a  
 31 primary residence, principal employment, or source of income; or

1 substantial loss of property set aside for retirement or for personal and  
2 family care and maintenance; or

3 (iii) whether the respondent's conduct caused  
4 substantial loss of payments received under a pension or retirement  
5 plan or a government benefits program;

6 (D) imposing an order of rescission, or disgorgement directed  
7 to a person that has engaged in an act, practice, or course of business  
8 constituting a violation of this chapter or former AS 45.55 or a regulation  
9 adopted or order issued under this chapter or former AS 45.55;

10 (E) imposing an order of restitution to any person in interest for  
11 any money or property, real or personal, that may have been acquired or  
12 transferred in violation of this chapter; and

13 (F) ordering the payment of prejudgment and post judgment  
14 interest; or

15 (3) order other relief that the court considers appropriate.

16 (c) The administrator may not be required to post a bond in an action or  
17 proceeding under this chapter.

18 (d) After an order issued by the court under (b) of this section becomes final  
19 and all rights of appeal are exhausted, the administrator may petition the superior court  
20 to enter a judgment against a person who is a respondent in the order for the amount of  
21 the civil penalty levied against the person. Subject to AS 44.62.570, the filing of the  
22 petition for a judgment does not reopen the final order to further substantive review. A  
23 judgment entered under this subsection may be executed on and levied under in the  
24 manner provided in AS 09.35.

25 **Sec. 45.56.660. Civil liability.** (a) Enforcement of civil liability under this  
26 section is subject to P.L. 105-353 (Securities Litigation Uniform Standards Act of  
27 1998).

28 (b) A person is liable to the purchaser if the person sells a security in violation  
29 of AS 45.56.105, or by means of an untrue statement of a material fact or an omission  
30 to state a material fact necessary to make the statement made, in light of the  
31 circumstances under which it is made, not misleading, the purchaser not knowing the

1 untruth or omission and the seller not sustaining the burden of proof that the seller did  
2 not know and, in the exercise of reasonable care, could not have known of the untruth  
3 or omission. An action under this subsection is governed by the following:

4 (1) the purchaser may maintain an action to recover the consideration  
5 paid for the security, less the amount of any income received on the security, and  
6 interest at the legal rate of interest under AS 09.30.070, or eight percent a year,  
7 whichever is greater, from the date of the purchase, costs, and attorney fees as  
8 determined by the court, upon the tender of the security, or for actual damages as  
9 provided in (3) of this subsection;

10 (2) the tender referred to in (1) of this subsection may be made any  
11 time before entry of judgment; tender requires only notice in a record of ownership of  
12 the security and willingness to exchange the security for the amount specified; a
