25 (5) the issuer reasonably believes that all purchasers of securities are
26 purchasing for investment and not for sale in connection with a distribution of the
27 security;

28 (6) a commission or remuneration may not be paid or given, directly or
29 indirectly, for any person's participation in the offer or sale of securities for the issuer
30 unless the person is registered as a broker-dealer, agent, investment adviser
31 representative, or investment adviser under AS 45.56.405 - 45.56.440;

1 (7) the issuer of the security shall deposit in an escrow account in a
2 bank or other depository institution authorized to do business in this state all funds
3 received from investors until the minimum target dollar amount for the security
4 offering is met; the issuer shall file the escrow agreement with the administrator, and
5 the contents of the escrow agreement must include a statement that the proceeds of the
6 sale under this section will not be released from the escrow account until the minimum
7 target dollar amount for the security offering is met; all funds shall be used in
8 accordance with representations made to investors;

9 (8) not less than 10 days before the use of any general solicitation or
10 within 15 days after the first sale of the security under this exemption, if general
11 solicitation has not been used before the sale, whichever occurs first, the issuer shall
12 provide a notice to the administrator as prescribed in regulations for this section; the
13 notice must specify that the issuer is conducting an offering in reliance on this
14 exemption and must contain the names and addresses of

15 (A) the issuer;

16 (B) officers, directors, and any controlling person of the issuer;

17 (C) all persons who will be involved in the offer or sale of
18 securities on behalf of the issuer; and

19 (D) the bank or other depository institution in which investor
20 funds will be deposited;

21 (9) the issuer may not be, either before or as a result of the offering,

22 (A) an investment company as defined by 15 U.S.C. 80a-1 -
23 80a-64 (Investment Company Act of 1940), or subject to the reporting
24 requirements of 15 U.S.C. 78m or 78o (Securities Exchange Act of 1934); or

25 (B) a broker-dealer, agent, investment adviser representative, or
26 investment adviser subject to AS 45.56.405 - 45.56.440;

27 (10) the issuer shall inform all purchasers that the securities have not
28 been registered under AS 45.56.105, 45.56.305 - 45.56.360, and 45.56.550 and may
29 not be resold unless the securities are registered or qualify for an exemption from
30 registration under AS 45.56.205, 45.56.210, or 45.56.240; in addition, the issuer shall
31 make the disclosures required by 17 C.F.R. 230.147(f);

1 (11) the issuer shall require all purchasers to sign the following
 2 statement at the time of sale: "I acknowledge that I am investing in a high-risk,
 3 speculative business venture, that I may lose all of my investment, and that I can
 4 afford the loss of my investment";

5 (12) this exemption may not be used in conjunction with any other
 6 exemption under this chapter, except the exemption to institutional investors under
 7 AS 45.56.405 and 45.56.435 and for offers and sales to controlling persons of the
 8 issuer; sales to controlling persons may not count toward the limitation in (3) of this
 9 subsection;

10 (13) this exemption may not be construed to remove any person from
 11 the anti-fraud provisions under AS 45.56.505 - 45.56.560, and the exemption may not
 12 be construed to provide relief from any other provision of this chapter other than as
 13 expressly stated.

14 (b) The administrator may by order deny or revoke the exemption specified in
 15 this section with respect to a specific security if the administrator finds that the sale of
 16 the security would work or tend to work a fraud on the purchasers of the security. An
 17 order under this subsection may not operate retroactively. A person may not be
 18 considered to have violated an order because of any offer or sale effected after the
 19 entry of an order under this subsection if the person sustains the burden of proof that
 20 the person did not know and, in the exercise of reasonable care, could not have known
 21 of the order.

22 (c) A person who makes application to the department for an exemption under
 23 this section shall be assessed a filing fee as prescribed in regulations for this section.

24 (d) In this section, "residency" has the meaning given in AS 01.10.055.

25 **Sec. 45.56.230. Disqualifier.** Exemption from registration under AS 45.56.205
 26 - 45.56.250 is not available for a security or transaction if the issuer, or any of its
 27 officers, controlling persons, or promoters, is subject to a disqualifier described in the
 28 regulations adopted under 15 U.S.C. 78c(a)(39) (Dodd-Frank Wall Street Reform and
 29 Consumer Protection Act) as of the date of the transaction or offer.

30 **Sec. 45.56.240. Waiver and modification.** For any security or transaction or
 31 any type of security or transaction, the administrator may by order, waive, withdraw,

1 or modify any of the requirements or conditions of AS 45.56.205 - 45.56.250.

2 **Sec. 45.56.250. Denial, suspension, revocation, condition, or limitation of**
 3 **exemptions.** (a) Except with respect to a federal covered security or a transaction
 4 involving a federal covered security, an order under this chapter may deny, suspend
 5 application of, condition, limit, or revoke an exemption created under
 6 AS 45.56.205(3)(C), (7), or (8), 45.56.210, or 45.56.220, or an exemption or waiver
 7 created under AS 45.56.240 with respect to a specific security, transaction, or offer.
 8 An order under this subsection may be issued only under the procedures in
 9 AS 45.56.360(d) or 45.56.650 and only prospectively.

10 (b) A person does not violate AS 45.56.105, 45.56.305 - 45.56.320, 45.56.340,
 11 45.56.360, 45.56.550, or 45.56.665 by an offer to sell, offer to purchase, sale, or
 12 purchase effected after the entry of an order issued under this section if the person did
 13 not know and, in the exercise of reasonable care, could not have known, of the order.

14 **Article 3. Registration of Securities and Notice Filing of Federal Covered Securities.**

15 **Sec. 45.56.305. Securities registration by coordination.** (a) A security for
 16 which a registration statement has been filed under 15 U.S.C. 77a - 77aa (Securities
 17 Act of 1933) in connection with the same offering may be registered by coordination
 18 under this section.

19 (b) A registration statement and accompanying records under this section must
 20 contain or be accompanied by the following records, in addition to the information
 21 specified in AS 45.56.320, and a consent to service of process complying with
 22 AS 45.56.630:

23 (1) a copy of the latest form of prospectus filed under 15 U.S.C. 77a -
 24 77aa (Securities Act of 1933);

25 (2) if the administrator requires, a copy of the articles of incorporation
 26 and bylaws or their substantial equivalents currently in effect; a copy of any other
 27 information or any other records filed by the issuer under 15 U.S.C. 77a - 77aa
 28 (Securities Act of 1933) requested by the administrator; a copy of any agreement with
 29 or among underwriters; a copy of any indenture or other instrument governing the
 30 issuance of the security to be registered; and a specimen, copy, or description of the
 31 security that is required by a regulation adopted or order issued under this chapter; and

1 (3) an undertaking to forward each amendment to the federal
2 prospectus, other than an amendment that delays the effective date of the registration
3 statement, promptly after it is filed with the Securities and Exchange Commission.

4 (c) A registration statement under this section becomes effective
5 simultaneously with or subsequent to the federal registration statement when all the
6 following conditions are satisfied:

7 (1) a stop order under (d) of this section or AS 45.56.360 or issued by
8 the Securities and Exchange Commission is not in effect, and a proceeding is not
9 pending against the issuer under AS 45.56.485; and

10 (2) the registration statement has been on file for at least 20 days or a
11 shorter period provided by a regulation adopted or order issued under this chapter.

12 (d) The registrant shall promptly notify the administrator in a record of the
13 date when the federal registration statement becomes effective and the content of any
14 price amendment and shall promptly file a record containing the price amendment. If
15 the notice is not timely received, the administrator may issue a stop order, without
16 prior notice or hearing, retroactively denying effectiveness to the registration
17 statement or suspending its effectiveness until compliance with this section. The
18 administrator shall promptly notify the registrant of an order by telephone or
19 electronic means and promptly confirm this notice by a record. If the registrant later
20 complies with the notice requirements of this subsection, the stop order is void as of
21 the date of its issuance.

22 (e) If the federal registration statement becomes effective before each of the
23 conditions in this section is satisfied or is waived by the administrator, the registration
24 statement is automatically effective under this chapter when all the conditions are
25 satisfied or waived. If the registrant notifies the administrator of the date when the
26 federal registration statement is expected to become effective, the administrator shall
27 promptly notify the registrant by telephone or electronic means and promptly confirm
28 this notice by a record, indicating whether all the conditions are satisfied or waived
29 and whether the administrator intends the institution of a proceeding under
30 AS 45.56.360. The notice by the administrator does not preclude the institution of a
31 proceeding under AS 45.56.360.

1 **Sec. 45.56.310. Securities registration by qualification.** (a) A security may
2 be registered by qualification under this section.

3 (b) A registration statement under this section must contain the information or
4 records specified in AS 45.56.320, a consent to service of process complying with
5 AS 45.56.630, and the following information or records:

7 address, and form of organization of the issuer and subsidiary; the state or foreign

28 occupation;

29 (5) with respect to a promoter, if the issuer was organized within the
30 previous three years, the information or records specified in (2) of this subsection, any
31 amount paid to the promoter within that period or intended to be paid to the promoter,

14 subsidiary has issued its securities within the previous two years or is obligated to
15 issue its securities;

16 (8) the kind and amount of securities to be offered; the proposed

19 persons other than the underwriters, with a specification of the person or class; the
20 basis on which the offering is to be made if otherwise than for cash; the estimated
21 aggregate underwriting and selling discounts or commissions and finders' fees,
22 including separately cash, securities, contracts, or anything else of value to accrue to
23 the underwriters or finders in connection with the offering or, if the selling discounts
24 or commissions are variable, the basis of determining them and their maximum and
25 minimum amounts; the estimated amounts of other selling expenses, including legal,
26 engineering, and accounting charges; the name and address of each underwriter and
27 each recipient of a finder's fee; a copy of any underwriting or selling group agreement
28 under which the distribution is to be made, or the proposed form of an underwriting or

31 underwriter;

1 (9) the estimated monetary proceeds to be received by the issuer from
2 the offering; the purposes for which the proceeds are to be used by the issuer; the
3 estimated amount to be used for each purpose; the order or priority in which the
4 proceeds will be used for the purposes stated; the amounts of any funds to be raised
5 from other sources to achieve the purposes stated; the sources of the funds; and, if a
6 part of the proceeds is to be used to acquire property, including goodwill, other than in
7 the ordinary course of business, the names and addresses of the vendors, the purchase
8 price, the names of any persons that have received commissions in connection with the
9 acquisition, and the amounts of the commissions and other expenses in connection
10 with the acquisition, including the cost of borrowing money to finance the acquisition;

15 the aggregate of those options;

16 (11) the dates of, parties to, and general effect, concisely stated, of
17 each managerial or other material contract made or to be made other than in the

19 the registration statement or that was made within the previous two years, and a copy
20 of each contract;

21 (12) a description of any pending litigation, action, or proceeding to
22 which the issuer is a party and that materially affects the issuer's business or assets and
23 any litigation, action, or proceeding known to be contemplated;

25 advertisement, or other sales literature intended as of the effective date of the
26 registration statement to be used in connection with the offering and any solicitation of
27 interest used in compliance with AS 45.56.210(17)(B);

28 (14) a specimen or copy of the security being registered, unless the
29 security is uncertificated; a copy of the issuer's articles of incorporation and bylaws or
30 their substantial equivalents, in effect; and a copy of any indenture or other instrument
31 covering the security to be registered;

1 (15) a signed or conformed copy of an opinion of counsel concerning
2 the legality of the security being registered, with an English translation if the opinion
3 is in a language other than English, that states whether the security when sold will be
4 validly issued, fully paid, nonassessable, and, if a debt security, a binding obligation of
5 the issuer;

6 (16) a signed or conformed copy of a consent of any accountant,
7 engineer, appraiser, or other person whose profession gives authority for a statement

9 valuation, other than an official record, that is public, and that is used in connection
10 with the registration statement;

11 (17) a balance sheet of the issuer as of a date within four months
12 before the filing of the registration statement; a statement of income and a statement of

15 of the balance sheet, or for the period of the issuer's and any predecessor's existence if
16 less than three years; and, if any part of the proceeds of the offering is to be applied to
17 the purchase of a business, the financial statements that would be required if that
18 business were the registrant; and

19 (18) any additional information or records required by a regulation
20 adopted or order issued under this chapter.

21 (c) A registration statement under this section becomes effective when the
22 administrator orders that the registration is effective.

23 (d) A regulation adopted or order issued under this chapter may require as a
24 condition of registration under this section that a prospectus containing a specified part
25 of the information or record specified in (b) of this section be sent or given to each
26 person to which an offer is made before or concurrently with the earliest of

27 (1) the first offer made in a record to the person other than by means of
28 a public advertisement, by or for the account of the issuer or another person on whose
29 behalf the offering is being made or by an underwriter or broker-dealer that is offering
30 part of an unsold allotment or subscription taken by the person as a participant in the
31 distribution;

- 1 (2) the confirmation of a sale made by or for the account of the person;
 2 (3) payment under the sale; or
 3 (4) delivery of the security under the sale.

4 **Sec. 45.56.320. Securities registration filings.** (a) A registration statement
 5 may be filed by the issuer, a person on whose behalf the offering is to be made, or a
 6 broker-dealer registered under this chapter.

7 (b) A person filing a registration statement shall pay a filing fee established by
 8 a regulation adopted under this chapter and consent to service of process as described
 9 under AS 45.56.630.

10 (c) A registration statement filed under AS 45.56.305 or 45.56.310 must
 11 specify

12 (1) the amount of securities to be offered in this state;

13 (2) the states in which a registration statement or similar record in
 14 connection with the offering has been or is to be filed; and

15 (3) any adverse order, judgment, or decree issued in connection with
 16 the offering by a state securities regulator, the Securities and Exchange Commission,
 17 or a court.

18 (d) A record filed under this chapter or former AS 45.55 within five years
 19 preceding the filing of a registration statement may be incorporated by reference in the
 20 registration statement to the extent that the record is currently accurate.

21 (e) In the case of a nonissuer distribution, information or a record may not be
 22 required under (i) of this section or AS 45.56.310 unless it is known to the person
 23 filing the registration statement or to the person on whose behalf the distribution is to
 24 be made or unless it can be furnished by those persons without unreasonable effort or
 25 expense.

26 (f) A regulation adopted or order issued under this chapter may require as a
 27 condition of registration that a security issued within the previous five years or to be
 28 issued to a promoter for a consideration substantially less than the public offering
 29 price or to a person for a consideration other than cash be deposited in escrow and that
 30 the proceeds from the sale of the registered security in this state be impounded until
 31 the issuer receives a specified amount from the sale of the security, either in this state

1 or elsewhere. The conditions of any escrow or impoundment required under this
2 subsection may be established by a regulation adopted or order issued under this
3 chapter, but the administrator may not reject a depository institution solely because of
4 its location in another state.

5 (g) A regulation adopted or order issued under this chapter may require as a
6 condition of registration that a security registered under this chapter be sold only on a
7 specified form of subscription or sale contract and that a signed or conformed copy of
8 each contract be filed under this chapter or preserved for a period specified by the
9 regulation or order, not to exceed five years.

10 (h) Except while a stop order is in effect under AS 45.56.360, a registration
11 statement is effective for one year after the effective date of the registration statement
12 or for any longer period designated in an order under this chapter during which the
13 security is being offered or distributed in a nonexempted transaction by or for the
14 account of the issuer or other person on whose behalf the offering is being made or by
15 an underwriter or broker-dealer that is still offering part of an unsold allotment or
16 subscription taken as a participant in the distribution. For the purposes of a nonissuer
17 transaction, all outstanding securities of the same class identified in the registration
18 statement as a security registered under this chapter are considered to be registered
19 while the registration statement is effective. If any securities of the same class are
20 outstanding, a registration statement may not be withdrawn until one year after the
21 effective date of the registration statement. A registration statement may be withdrawn
22 only with the approval of the administrator.

23 (i) While a registration statement is effective, a regulation adopted or order
24 issued under this chapter may require the person that filed the registration statement to
25 file reports, not more often than quarterly, to keep the information or other record in
26 the registration statement reasonably current and to disclose the progress of the
27 offering.

28 (j) A registration statement may be amended after the effective date of the
29 registration statement. The post-effective amendment becomes effective when the
30 administrator so orders. If a post-effective amendment is made to increase the number
31 of securities specified to be offered or sold, the person filing the amendment shall pay

1 a registration fee established by a regulation adopted under this chapter. A post-
2 effective amendment relates back to the date of the offering of the additional securities
3 being registered if, within one year after the date of the sale, the amendment is filed
4 and the additional registration fee is paid.

5 **Sec. 45.56.330. Notice filing of federal covered securities.** (a) With respect to
6 a federal covered security, as defined in 15 U.S.C. 77r(b) (Securities Act of 1933), that
7 is not otherwise exempt under AS 45.56.205 - 45.56.250, a regulation adopted or order
8 issued under this chapter may require the filing of any or all of the following records:

9 (1) before the initial offer of a federal covered security in this state, all
10 records that are part of a federal registration statement filed with the Securities and
11 Exchange Commission under 15 U.S.C. 77a - 77aa (Securities Act of 1933), a consent
12 to service of process complying with AS 45.56.630 signed by the issuer, and the
13 payment of a fee established in a regulation adopted under this chapter;

14 (2) after the initial offer of the federal covered security in this state, all
15 records that are part of an amendment to a federal registration statement filed with the
16 Securities and Exchange Commission under 15 U.S.C. 77a - 77aa (Securities Act of
17 1933); and

18 (3) to the extent necessary or appropriate to compute fees, a report of
19 the value of the federal covered securities sold or offered to persons present in this
20 state if the sales data are not included in records filed with the Securities and
21 Exchange Commission and payment of a fee established in a regulation adopted under
22 this chapter.

23 (b) A notice filing under (a) of this section is effective for one year
24 commencing on the later of the notice filing or the effectiveness of the offering filed
25 with the Securities and Exchange Commission. On or before expiration, the issuer
26 may renew a notice filing by filing with the Securities and Exchange Commission a
27 copy of those records filed by the issuer that are required by a regulation adopted or
28 order issued under this chapter to be filed and by paying a renewal fee established in a
29 regulation adopted under this chapter. A previously filed consent to service of process
30 complying with AS 45.56.630 may be incorporated by reference in a renewal. A
31 renewed notice filing becomes effective upon the expiration of the filing being

1 renewed.

2 (c) With respect to a security that is a federal covered security under 15 U.S.C.
3 77r(b)(4)(D) (Securities Act of 1933), a regulation adopted under this chapter may
4 require a notice filing by or on behalf of an issuer to include a copy of Form D,
5 including the Appendix, as adopted by the Securities and Exchange Commission, and
6 a consent to service of process complying with AS 45.56.630 signed by the issuer not
7 later than 15 days after the first sale of the federal covered security in this state and the
8 payment of a fee established in a regulation adopted under this chapter; and the
9 payment of a fee established in a regulation adopted under this chapter for any late
10 filing.

11 (d) Except with respect to a federal covered security under 15 U.S.C. 77r(b)(1)
12 (Securities Act of 1933), if the administrator finds that there is a failure to comply
13 with a notice or fee requirement of this section, the administrator may issue a stop
14 order suspending the offer and sale of a federal covered security in this state. If the
15 deficiency is corrected, the stop order is void as of the time of its issuance and a
16 penalty may not be imposed by the administrator.

17 **Sec. 45.56.340. Viatical settlement interests.** (a) Before the sale of a viatical
18 settlement interest, an issuer shall provide a prospective buyer with information that is
19 sufficient to make an informed investment decision. The issuer shall also provide the
20 information to the administrator upon request if the issuer is not otherwise required to
21 file the information with the administrator. In this subsection, "information that is
22 sufficient to make an informed investment decision" includes state-mandated
23 disclosure forms and a disclosure of any significant factors that may affect the
24 outcome of the investment.

25 (b) Except as may be required in the course of conduct of the responsibilities
26 of the administrator, an issuer of a viatical settlement interest may not disclose to
27 another person the identity of the viator or insured of the insurance policy that is the
28 subject of the viatical settlement interest. The viator may waive this prohibition
29 against disclosure if the waiver is in writing and signed by the viator.

30 (c) The administrator shall regulate transactions between a viatical settlement
31 provider or person acting as an agent of a viatical settlement provider and a

1 subsequent investor, while the authority of the director of the division of insurance
2 extends to the regulation of viatical settlement contracts under AS 21.96.110.

3 (d) In this section,

4 (1) "viatical settlement contract" has the meaning given in
5 AS 21.96.110(h);

6 (2) "viatical settlement interest"

7 (A) means the entire interest or any fractional interest in a life
8 insurance policy or in the death benefit under a life insurance policy that is the
9 subject of a viatical settlement contract;

10 (B) does not include the initial purchase from the viator by a
11 viatical settlement provider;

12 (3) "viatical settlement provider" has the meaning given in
13 AS 21.96.110(h);

14 (4) "viator" has the meaning given in AS 21.96.110(h).

15 **Sec. 45.56.350. Waiver and modification.** The administrator may waive or
16 modify, in whole or in part, any or all of the requirements of AS 45.56.305 and
17 45.56.320 or the requirement of any information or record in a registration statement
18 or in a periodic report filed under AS 45.56.320(i).

19 **Sec. 45.56.360. Denial, suspension, and revocation of securities**
20 **registration.** (a) The administrator may issue a stop order denying effectiveness to, or
21 suspending or revoking the effectiveness of, a registration statement if the
22 administrator finds that the order is in the public interest and that

23 (1) the registration statement as of the effective date of the registration
24 statement or before the effective date in the case of an order denying effectiveness, an
25 amendment under AS 45.56.320(j) as of the effective date of the amendment, or a
26 report under AS 45.56.320(i) is incomplete in a material respect or contains a
27 statement that, in the light of the circumstances under which it was made, was false or
28 misleading with respect to a material fact;

29 (2) this chapter or a regulation adopted, order issued, or condition
30 imposed under this chapter has been wilfully violated in connection with the offering
31 by

1 (A) the person filing the registration statement;

2 (B) the issuer, a partner, officer, or director of the issuer or a
3 person having a similar status or performing a similar function;

4 (C) a promoter of the issuer;

5 (D) a person directly or indirectly controlling or controlled by
6 the issuer, but only if the person filing the registration statement is directly or
7 indirectly controlled by or acting for the issuer; or

8 (E) an underwriter;

9 (3) the security registered or sought to be registered is the subject of a
10 permanent or temporary injunction of a court of competent jurisdiction or an
11 administrative stop order or similar order issued under any federal, foreign, or state
12 law other than this chapter applicable to the offering; the administrator may not
13 institute a proceeding against an effective registration statement under this paragraph
14 more than one year after the date of the order or injunction on which it is based, and
15 the administrator may not issue an order under this paragraph based on an order or
16 injunction issued under the securities act of another state unless the order or injunction
17 was based on conduct that would constitute, as of the date of the order, a ground for a
18 stop order under this section;

19 (4) the issuer's enterprise or method of business includes or would
20 include activities that are unlawful where performed;

21 (5) with respect to a security sought to be registered under
22 AS 45.56.305, there has been a failure to comply with the undertaking required by
23 AS 45.56.305(b)(3);

24 (6) the applicant or registrant has not paid the filing fee; the
25 administrator shall void the order if the deficiency is corrected and the order was
26 based solely on the nonpayment of the filing fee; or

27 (7) the offering

28 (A) will work or tend to work a fraud on purchasers or would
29 operate to work or tend to work a fraud on purchasers;

30 (B) has been or would be made with unreasonable amounts of

1 promoters' profits or participations, or unreasonable amounts or kinds of
2 options; or

3 (C) is being made on terms that are unfair, unjust, or
4 inequitable.

5 (b) To the extent practicable, the administrator shall, by a regulation adopted
6 or order issued under this chapter, publish standards that provide notice of conduct
7 that violates (a)(7) of this section.

8 (c) The administrator may not institute a stop order proceeding against an
9 effective registration statement based on conduct or a transaction known to the
10 administrator when the registration statement became effective unless the proceeding
11 is instituted within 30 days after the registration statement became effective.

12 (d) The administrator may summarily revoke, deny, postpone, or suspend the
13 effectiveness of a registration statement pending final determination of an
14 administrative proceeding. Upon the issuance of the order, the administrator shall
15 promptly notify each person specified in (e) of this section that the order has been
16 issued, the reasons for the revocation, denial, postponement, or suspension, and that,
17 within 15 days after the receipt of a request in a record from the person, the matter will
18 be scheduled for a hearing. If, within 30 days after the date of service of the order, a
19 hearing is not requested and none is ordered by the administrator, the order becomes
20 final. If a hearing is requested or ordered, the administrator, after notice of and
21 opportunity for hearing for each person subject to the order, may modify or vacate the
22 order or extend the order until final determination.

23 (e) A stop order may not be issued under this section without

29 (f) The administrator may modify or vacate a stop order issued under this
30 section if the administrator finds that the conditions that caused its issuance have
31 changed or that it is necessary or appropriate in the public interest or for the protection

1 of investors.

28 (1) an individual who is employed by or associated with an investment
29 adviser that is exempt from registration under AS 45.56.435(b) or a federal covered
30 investment adviser that is excluded from the notice filing requirements of
31 AS 45.56.445; and

1 (2) any other individual exempted by a regulation adopted or order
2 issued under this chapter.

3 (c) The registration of an investment adviser representative is not effective
4 while the investment adviser representative is not employed by or associated with an
5 investment adviser registered under this chapter or a federal covered investment
6 adviser that has made or is required to make a notice filing under AS 45.56.445.

7 (d) An individual may transact business as an investment adviser
8 representative for more than one investment adviser or federal covered investment
9 adviser unless a regulation adopted or order issued under this chapter prohibits or
10 limits an individual from acting as an investment adviser representative for more than
11 one investment adviser or federal covered investment adviser.

12 (e) An individual acting as an investment adviser representative may not,
13 directly or indirectly, conduct business in this state on behalf of an investment adviser
14 or a federal covered investment adviser if the registration of the individual as an
15 investment adviser representative is suspended or revoked or the individual is barred
16 from employment or association with an investment adviser or a federal covered
17 investment adviser by an order under this chapter, the Securities and Exchange
18 Commission, or a self-regulatory organization. Upon request from a federal covered
19 investment adviser and for good cause, the administrator may by order, waive, in
20 whole or in part, the application of the requirements of this subsection to the federal
21 covered investment adviser.

22 (f) An investment adviser registered under this chapter, a federal covered
23 investment adviser that has filed a notice under AS 45.56.445, or a broker-dealer
24 registered under this chapter is not required to employ or associate with an individual
25 as an investment adviser representative if the only compensation paid to the individual
26 for a referral of investment advisory clients is paid to an investment adviser registered
27 under this chapter, a federal covered investment adviser who has filed a notice under
28 AS 45.56.445, or a broker-dealer registered under this chapter with which the
29 individual is employed or associated as an investment adviser representative.

30 **Sec. 45.56.445. Federal covered investment adviser notice filing**
31 **requirement.** (a) Except with respect to a federal covered investment adviser

1 described in (b) of this section, a federal covered investment adviser may not transact
 2 business in this state as a federal covered investment adviser unless the federal
 3 covered investment adviser complies with (c) of this section.

4 (b) The following federal covered investment advisers are not required to
 5 comply with (c) of this section:

6 (1) a federal covered investment adviser without a place of business in
 7 this state if the only clients of the federal covered investment adviser in this state are

8 (A) federal covered investment advisers, investment advisers
 9 registered under this chapter, and broker-dealers registered under this chapter;

10 (B) institutional investors;

11 (C) bona fide preexisting clients whose principal places of
 12 residence are not in this state; or

13 (D) other clients specified by a regulation adopted or order
 14 issued under this chapter;

15 (2) a federal covered investment adviser without a place of business in
 16 this state if the person has had, during the preceding 12 months, not more than five
 17 clients that are resident in this state in addition to those specified under (1) of this
 18 subsection; and

19 (3) any other person excluded by a regulation adopted or order issued
 20 under this chapter.

21 (c) A person acting as a federal covered investment adviser not excluded
 22 under (b) of this section shall file a notice, a consent to service of process complying
 23 with AS 45.56.630, and the records that have been filed with the Securities and
 24 Exchange Commission under 15 U.S.C. 80b-1 - 80b-21 (Investment Advisers Act of
 25 1940) as required by a regulation adopted or order issued under this chapter and shall
 26 pay the fees specified in AS 45.56.470.

27 (d) The notice under (c) of this section becomes effective upon filing.

28 **Sec. 45.56.450. Registration by broker-dealer, agent, investment adviser,**
 29 **and investment adviser representative.** (a) A person shall register as a broker-dealer,
 30 agent, investment adviser, or investment adviser representative by filing an application
 31 and a consent to service of process complying with AS 45.56.630 and by paying the

1 fee specified in AS 45.56.470 and any reasonable fees charged by the designee of the
2 administrator for processing the filing. The application must contain

3 (1) the information or record required for the filing of a uniform
4 application; and

5 (2) upon request by the administrator, any other financial or other
6 information or record that the administrator determines is appropriate.

7 (b) If the information or record contained in an application filed under (a) of
8 this section is or becomes inaccurate or incomplete in a material respect, the registrant
9 shall promptly file a correcting amendment.

10 (c) If an order is not in effect, and a proceeding is not pending under
11 AS 45.56.485, and the administrator has not initiated an investigation, registration
12 becomes effective at noon on the 45th day after a completed application is filed, unless
13 the registration is denied. A regulation adopted or order issued under this chapter may
14 set an earlier effective date or may defer the effective date until noon on the 45th day
15 after the filing of any amendment completing the application.

16 (d) A registration is effective until midnight on December 31 of the year for
17 which the application for registration is filed. Unless an order is in effect under
18 AS 45.56.485, a registration may be automatically renewed each year by filing the
19 records required by a regulation adopted or order issued under this chapter, by paying
20 the fee specified in AS 45.56.470, and by paying costs charged by the designee of the
21 administrator for processing the filings.

22 (e) A regulation adopted or order issued under this chapter may impose other
23 conditions, not inconsistent with 15 U.S.C. 77b, 77c, 77e, 77f, 77r, 77z-3, 77ddd, 78b
24 - 78d, 78g, 78h, 78n, 78o, 78q, 78bb, 78ee, 78kk, 78mm, 80a-2, 80a-3, 80a-6, 80a-12,
25 80a-24, 80a-26, 80a-27, 80a-29, 80a-30, 80a-34, 80a-51, 80a-54, 80a-60, 80a-63, 80b-
26 2, 80b-3a, 80b-5, 80b-10, 80b-18a, and 80b-20, and 29 U.S.C. 1002 (National
27 Securities Markets Improvement Act of 1996). An order issued under this chapter may
28 waive, in whole or in part, specific requirements in connection with registration that
29 are in the public interest and for the protection of investors.

30 **Sec. 45.56.455. Succession and change in registration of broker-dealer or**
31 **investment adviser.** (a) A broker-dealer or investment adviser may succeed to the

1 current registration of another broker-dealer or investment adviser or a notice filing of
2 a federal covered investment adviser, and a federal covered investment adviser may
3 succeed to the current registration of an investment adviser or notice filing of another
4 federal covered investment adviser, by filing as a successor an application for
5 registration under AS 45.56.405 or 45.56.435 or a notice under AS 45.56.445 for the
6 unexpired portion of the current registration or notice filing.

7 (b) A broker-dealer or investment adviser that changes its form of
8 organization or state of incorporation or organization may continue its registration by
9 filing an amendment to its registration if the change does not involve a material
10 change in its financial condition or management. The amendment becomes effective
11 when filed or on a date designated by the registrant in its filing. The new organization
12 is a successor to the original registrant for the purposes of this chapter. If there is a
13 material change in financial condition or management, the broker-dealer or investment
14 adviser shall file a new application for registration. A predecessor registered under this
15 chapter shall stop conducting its securities business other than winding down
16 transactions and shall file for withdrawal of broker-dealer or investment adviser
17 registration within 45 days after filing its amendment to effect succession.

18 (c) A broker-dealer or investment adviser that changes its name may continue
19 its registration by filing an amendment to its registration. The amendment becomes
20 effective when filed or on a date designated by the registrant.

21 (d) A change of control of a broker-dealer or investment adviser may be made
22 in accordance with a regulation adopted or order issued under this chapter.

23 **Sec. 45.56.460. Termination of employment or association of agent and**
24 **investment adviser representative and transfer of employment or association.** (a)
25 If an agent registered under this chapter terminates employment by or association with
26 a broker-dealer or issuer, or if an investment adviser representative registered under
27 this chapter terminates employment by or association with an investment adviser or
28 federal covered investment adviser, or if either registrant terminates activities that
29 require registration as an agent or investment adviser representative, the broker-dealer,
30 issuer, investment adviser, or federal covered investment adviser shall promptly file a
31 notice of termination. The registrant may file the notice of termination if the registrant

1 learns that the broker-dealer, issuer, investment adviser, or federal covered investment
2 adviser has not filed the notice.

3 (b) If an agent registered under this chapter terminates employment by or
4 association with a broker-dealer registered under this chapter and begins employment
5 by or association with another broker-dealer registered under this chapter, or if an
6 investment adviser representative registered under this chapter terminates employment
7 by or association with an investment adviser registered under this chapter or a federal
8 covered investment adviser that has filed a notice under AS 45.56.445 and begins
9 employment by or association with another investment adviser registered under this
10 chapter or a federal covered investment adviser that has filed a notice under
11 AS 45.56.445, then, within 30 days after the termination, upon the filing by or on
12 behalf of the registrant of an application for registration that complies with the
13 requirement of AS 45.56.450(a) and payment of the filing fee required under
14 AS 45.56.470, the registration of the agent or investment adviser representative is

15 (1) immediately effective as of the date of the completed filing, if the
16 agent's record or successor record in the Central Registration Depository operated by
17 the Financial Industry Regulatory Authority or the investment adviser representative's
18 record or successor record in the Investment Adviser Registration Depository operated
19 by the Financial Industry Regulatory Authority does not contain a new or amended
20 disciplinary disclosure within the previous 12 months; or

21 (2) temporarily effective as of the date of the completed filing, if the
22 agent's record or successor record in the Central Registration Depository operated by
23 the Financial Industry Regulatory Authority or the investment adviser representative's
24 record or successor record in the Investment Adviser Registration Depository operated
25 by the Financial Industry Regulatory Authority contains a new or amended
26 disciplinary disclosure within the preceding 12 months.

27 (c) The administrator may withdraw a temporary registration if there are or
28 were grounds for discipline as specified in AS 45.56.485 and the administrator does so
29 within 30 days after the filing of the application. If the administrator does not
30 withdraw the temporary registration within the 30-day period, registration becomes
31 automatically effective on the 31st day after filing.

1 (d) The administrator may prevent the effectiveness of a transfer of an agent
2 or investment adviser representative under (b)(1) or (2) of this section based on the
3 public interest and the protection of investors.

4 (e) If the administrator determines that a registrant or applicant for registration
5 is no longer in existence, has ceased to act as a broker-dealer, agent, investment
6 adviser, or investment adviser representative, is the subject of an adjudication of
7 incapacity, is subject to the control of a committee, conservator, or guardian, or cannot
8 reasonably be located, a regulation adopted or order issued under this chapter may
9 require that the registration be cancelled or terminated or the application be denied.
10 The administrator may reinstate a cancelled or terminated registration, with or without
11 hearing, and may make the registration retroactive.

12 **Sec. 45.56.465. Withdrawal of registration of broker-dealer, agent,**
13 **investment adviser, and investment adviser representative.** Withdrawal of
14 registration by a broker-dealer, agent, investment adviser, or investment adviser
15 representative becomes effective 60 days after the filing of the application to withdraw
16 or within any shorter period as provided by a regulation adopted or order issued under
17 this chapter unless a revocation or suspension proceeding is pending when the
18 application is filed. If a proceeding is pending, withdrawal becomes effective when
19 and upon the conditions required by a regulation adopted or order issued under this
20 chapter. The administrator may institute a revocation or suspension proceeding under
21 AS 45.56.485 within one year after the withdrawal became effective automatically and
22 issue a revocation or suspension order as of the last date on which registration was
23 effective if a proceeding is not pending.

24 **Sec. 45.56.470. Fees.** (a) The administrator shall establish fees by regulation
25 for

26 (1) an initial filing of an application as a broker-dealer and renewal of
27 an application by a broker-dealer for registration;

28 (2) an application for registration as an agent and renewal of
29 registration as an agent;

30 (3) an application for registration as an investment adviser and renewal
31 of registration as an investment adviser;

1 (4) an application for registration as an investment adviser
2 representative, a renewal of registration as an investment adviser representative, and a
3 change of registration as an investment adviser representative; and

4 (5) an initial fee and annual notice fee for a federal covered investment
5 adviser required to file a notice under AS 45.56.445.

6 (b) A person required to pay a filing or notice fee under this section may
7 transmit the fee through or to a designee as provided by a regulation adopted or order
8 issued under this chapter.

9 (c) The administrator may establish other fees by regulation as necessary to
10 administer this chapter.

11 **Sec. 45.56.475. Post registration requirements.** (a) Subject to 15 U.S.C.
12 78o(i) or 80b-18a, a regulation adopted or order issued under this chapter may
13 establish minimum financial requirements for broker-dealers registered or required to
14 be registered under this chapter and investment advisers registered or required to be
15 registered under this chapter.

16 (b) Subject to 15 U.S.C. 78o(i) or 80b-18a, a broker-dealer registered or
17 required to be registered under this chapter and an investment adviser registered or
18 required to be registered under this chapter shall file the financial reports required by a
19 regulation adopted or order issued under this chapter. If the information contained in a
20 record filed under this subsection is or becomes inaccurate or incomplete in a material
21 respect, the registrant shall promptly file a correcting amendment.

22 (c) Subject to 15 U.S.C. 78o(i) or 80b-18a,

23 (1) a broker-dealer registered or required to be registered under this
24 chapter and an investment adviser registered or required to be registered under this
25 chapter shall make and maintain the accounts, correspondence, memoranda, papers,
26 books, and other records required by a regulation adopted or order issued under this
27 chapter;

28 (2) broker-dealer records required to be maintained under (1) of this
29 subsection may be maintained in any form of data storage acceptable under 15 U.S.C.
30 78q(a) if they are readily accessible to the administrator; and

31 (3) investment adviser records required to be maintained under (1) of

1 this subsection may be maintained in any form of data storage required by a regulation
2 adopted or order issued under this chapter.

3 (d) The records of a broker-dealer registered or required to be registered under
4 this chapter and of an investment adviser registered or required to be registered under
5 this chapter are subject to the reasonable periodic, special, or other audits or
6 inspections by a representative of the administrator, in or outside this state, that the
7 administrator considers necessary or appropriate in the public interest and for the
8 protection of investors. An audit or inspection may be made at any time and without
9 prior notice. The administrator may copy and remove for audit or inspection copies of
10 all records the administrator reasonably considers necessary or appropriate to conduct
11 the audit or inspection. The administrator may assess a reasonable charge for
12 conducting an audit or inspection under this subsection.

13 (e) Subject to 15 U.S.C. 78o(i) or 80b-18a, a regulation adopted or order
14 issued under this chapter may require a broker-dealer or investment adviser that has
15 custody of or discretionary authority over funds or securities of a customer or client to
16 obtain insurance or post a bond or other satisfactory form of security in an amount
17 established by a regulation adopted under this chapter. The administrator may
18 determine the requirements of the insurance, bond, or other satisfactory form of
19 security. Insurance or a bond or other satisfactory form of security may not be required
20 of a broker-dealer registered under this chapter whose net capital exceeds, or of an
21 investment adviser registered under this chapter whose minimum financial
22 requirements exceed, the amounts required by a regulation adopted or order issued
23 under this chapter. The insurance, bond, or other satisfactory form of security must
24 permit an action by a person to enforce any liability on the insurance, bond, or other
25 satisfactory form of security if instituted within the time limitations in
26 AS 45.56.660(j)(2).

27 (f) Subject to 15 U.S.C. 78o(i) or 80b-18a, an agent may not have custody of
28 funds or securities of a customer except under the supervision of a broker-dealer, and
29 an investment adviser representative may not have custody of funds or securities of a
30 client except under the supervision of an investment adviser or a federal covered
31 investment adviser. A regulation adopted or order issued under this chapter may

1 prohibit, limit, or impose conditions on a broker-dealer regarding custody of funds or
2 securities of a customer and on an investment adviser regarding custody of securities
3 or funds of a client.

4 (g) With respect to an investment adviser registered or required to be
5 registered under this chapter, a regulation adopted or order issued under this chapter
6 may require that information or other records be furnished or disseminated to clients
7 or prospective clients in this state as necessary or appropriate in the public interest and
8 for the protection of investors and advisory clients.

9 (h) A regulation adopted or order issued under this chapter may require an
10 individual registered under AS 45.56.430 or 45.56.440 to participate in a continuing
11 education program approved by the Securities and Exchange Commission and
12 administered by a self-regulatory organization, or, in the absence of a continuing
13 education program, a regulation adopted or order issued under this chapter may
14 require continuing education for an individual registered under AS 45.56.440.

15 **Sec. 45.56.480. Protecting older and vulnerable adults from financial**
16 **exploitation.** (a) If a broker-dealer, investment adviser, or qualified individual
17 reasonably believes that the financial exploitation of a covered adult may have
18 occurred, may have been attempted, or is being attempted, the broker-dealer,
19 investment adviser, or qualified individual shall notify adult protective services and
20 the administrator not later than five days after the broker-dealer, investment adviser, or
21 qualified individual develops the reasonable belief that the financial exploitation or
22 attempted financial exploitation has or may have occurred, or is being attempted,
23 except that the broker-dealer, investment adviser, or qualified individual shall notify
24 adult protective services and the administrator immediately upon confirmation of the
25 financial exploitation or attempted financial exploitation of the covered adult.

26 (b) The requirements of (a) of this section may not be construed to require
27 more than one notification for each occurrence of exploitation or attempted
28 exploitation.

29 (c) If a broker-dealer, investment adviser, or qualified individual reasonably
30 believes that financial exploitation of a covered adult may have occurred, may have
31 been attempted, or is being attempted, a broker-dealer, investment adviser, or qualified

1 individual may notify a person whom the covered adult previously designated to be
2 notified about financial matters of the covered adult, as well as any other person
3 allowed under state or federal law or regulation, or the rules of a self-regulatory
4 organization, except that the broker-dealer, investment adviser, or qualified individual
5 may not notify a person that is suspected of engaging in financial exploitation or other
6 abuse of the covered adult.

7 (d) A broker-dealer or investment adviser may delay a disbursement from an
8 account of a covered adult or from an account on which a covered adult is a
9 beneficiary if

10 (1) the broker-dealer, investment adviser, or qualified individual
11 reasonably believes, after initiating an internal review of the requested disbursement
12 and the suspected financial exploitation of a covered adult, that the requested
13 disbursement may result in financial exploitation of the covered adult; and

14 (2) the broker-dealer or investment adviser

15 (A) within two business days after receiving the request for
16 disbursement, provides written notification of the delay and the reason for the
17 delay to all persons authorized to transact business on the account, except to a
18 person that the broker-dealer, investment adviser, or qualified individual
19 reasonably believes has engaged in suspected or attempted financial
20 exploitation of the covered adult;

21 (B) within two business days after receiving the request for
22 disbursement, notifies adult protective services and the administrator; and

23 (C) continues as necessary an internal review of the suspected
24 or attempted financial exploitation of the covered adult and, within seven
25 business days after receiving the request for disbursement, reports the status of
26 the investigation to adult protective services and the administrator, and
27 provides additional status updates to the administrator and adult protective
28 services upon request.

29 (e) A disbursement delay under (d) of this section expires when the earlier of
30 the following events occurs:

31 (1) the broker-dealer or investment adviser determines that the

1 disbursement will not result in financial exploitation of the covered adult;

2 (2) 15 business days after the date on which the broker-dealer or
3 investment adviser first delayed the disbursement, unless

4 (A) adult protective services or the administrator requests that
5 the broker-dealer or investment adviser extend the delay, in which case the
6 delay expires 25 business days after the date on which the broker-dealer or
7 investment adviser first delayed disbursement; or

8 (B) adult protective services, the administrator, or the superior
9 court terminates the delay.

10 (f) Adult protective services, the administrator, the broker-dealer or
11 investment adviser that initiated the delay under (d) or (e) of this section, or another
12 interested person may petition the superior court for an order extending a
13 disbursement delay or providing other relief to a covered adult, and the superior court
14 may enter an order providing the requested relief.

15 (g) A broker-dealer or investment adviser shall provide access to or copies of
16 records that are relevant to the suspected or attempted financial exploitation of a
17 covered adult to adult protective services and to state law enforcement agencies as part
18 of a referral to adult protective services or an investigation. The records that may be
19 accessed or copied under this subsection include records relating to past transactions
20 that may have involved financial exploitation of the covered adult as well as records
21 relating to the most recent transaction that may involve financial exploitation of the
22 covered adult. Records made available to agencies under this subsection are not public
23 records as defined in AS 40.25.220. This subsection does not limit or impede the
24 authority of the administrator to access or examine the books and records of broker-
25 dealers and investment advisers as otherwise provided by law.

26 (h) A broker-dealer, investment adviser, or qualified individual acting in good
27 faith and exercising reasonable care under (a) - (g) of this section is immune from
28 administrative or civil liability for a notification, disclosure, disbursement delay, or
29 record sharing under (a) - (g) of this section.

30 (i) The following constitute the financial exploitation of a covered adult under
31 this section:

1 (1) the wrongful or unauthorized taking, withholding, appropriation, or
2 use of the money, assets, or other property of a covered adult; or

3 (2) an act or omission of a person, including an act or omission made
4 through the use of a power of attorney, guardianship, or conservatorship of a covered
5 adult, to

6 (A) obtain control, through deception, intimidation, or undue
7 influence, over the covered adult's money, assets, or other property to deprive
8 the covered adult of the ownership, use, benefit, or possession of the covered
9 adult's money, assets, or other property; or

10 (B) convert the ownership, use, benefit, or possession of the
11 covered adult's money, assets, or other property to another person.

12 (j) In this section,

13 (1) "adult protective services" means the agency that has the
14 responsibility for providing protective services for adults; in this paragraph,

15 (A) "agency" has the meaning given in AS 44.64.200;

16 (B) "protective services" has the meaning given in
17 AS 47.24.900;

18 (2) "covered adult" means a natural person who is

19 (A) 60 years of age or older; or

20 (B) a vulnerable adult;

21 (3) "qualified individual" means an agent, investment adviser
22 representative, or other person who is acting in a supervisory, compliance, or legal
23 capacity for a broker-dealer or investment adviser.

24 **Sec. 45.56.485. Denial, revocation, suspension, withdrawal, restriction,**
25 **condition, or limitation of registration.** (a) If the administrator finds that the order is
26 in the public interest and (d) of this section authorizes the action, an order issued under
27 this chapter may deny an application, or may condition or limit registration of an
28 applicant to be a broker-dealer, agent, investment adviser, or investment adviser
29 representative, and, if the applicant is a broker-dealer or investment adviser, of a
30 partner, officer, director, or person having a similar status or performing similar
31 functions, or a person directly or indirectly in control, of the broker-dealer or

1 investment adviser.

2 (b) If the administrator finds that the order is in the public interest and (d) of
3 this section authorizes the action, an order issued under this chapter may revoke,
4 suspend, condition, or limit the registration of a registrant, and, if the registrant is a
5 broker-dealer or investment adviser, of a partner, officer, director, or person having a
6 similar status or performing similar functions, or a person directly or indirectly in
7 control, of the broker-dealer or investment adviser. However, the administrator may
8 not

9 (1) institute a revocation or suspension proceeding under this
10 subsection based on an order issued under a law of another state that is reported to the
11 administrator or a designee of the administrator more than three years after the date of
12 the order on which it is based; or

13 (2) under (d)(5)(A) and (B) of this section, issue an order based on an
14 order issued under the securities act of another state unless the other order was based
15 on conduct for which (d) of this section would authorize the action had the conduct
16 occurred in this state.

17 (c) If the administrator finds that the order is in the public interest and (d)(1) -
18 (6), (8) - (10), (12), or (13) of this section authorize the action, an order under this
19 chapter may censure, impose a bar, or impose a civil penalty of not more than
20 \$100,000 for a single violation on a registrant and, if the registrant is a broker-dealer
21 or investment adviser, on a partner, officer, director, or person having a similar status
22 or performing similar functions, or on a person directly or indirectly in control of the
23 broker-dealer or investment adviser.

24 (d) A person may be disciplined under (a) - (c) of this section if the person

25 (1) has filed, within the previous 10 years under this chapter or former
26 AS 45.55, an application for registration in this state that, as of the effective date of
27 registration or as of any date after filing in the case of an order denying effectiveness,
28 was incomplete in any material respect or contained a statement that, in light of the
29 circumstances under which it was made, was false or misleading with respect to a
30 material fact;

31 (2) wilfully violated or wilfully failed to comply with this chapter or

1 former AS 45.55 or a regulation adopted or order issued under this chapter or former
2 AS 45.55 within the previous 10 years;

3 (3) has been convicted of a felony or within the previous 10 years has
4 been convicted of a misdemeanor involving a security, a commodity future or option
5 contract, or an aspect of a business involving securities, commodities, investments,
6 franchises, insurance, banking, or finance;

7 (4) is enjoined or restrained by a court of competent jurisdiction in an
8 action instituted by the administrator under this chapter or former AS 45.55, by a state,
9 by the Securities and Exchange Commission, or by the United States from engaging in
10 or continuing an act, practice, or course of business involving an aspect of a business
11 involving securities, commodities, investments, franchises, insurance, banking, or
12 finance;

13 (5) is the subject of an order issued after notice and opportunity for
14 hearing by

15 (A) the securities or other financial services regulator of a state
16 or the Securities and Exchange Commission or other federal agency denying,
17 revoking, barring, or suspending registration as a broker-dealer, agent,
18 investment adviser, federal covered investment adviser, or investment adviser
19 representative;

20 (B) the securities regulator of a state or the Securities and
21 Exchange Commission against a broker-dealer, agent, investment adviser,
22 investment adviser representative, or federal covered investment adviser;

23 (C) the Securities and Exchange Commission or a self-
24 regulatory organization suspending or expelling the registrant from
25 membership in the self-regulatory organization;

26 (D) a court adjudicating a United States Postal Service fraud
27 order;

28 (E) the insurance regulator of a state denying, suspending, or
29 revoking registration as an insurance agent; or

30 (F) a depository institution or financial services regulator
31 suspending or barring the person from the depository institution or other

1 financial services business;

2 (6) is the subject of an adjudication or determination, after notice and
 3 opportunity for hearing, by the Securities and Exchange Commission, the Commodity
 4 Futures Trading Commission, the Federal Trade Commission, a federal depository
 5 institution regulator, or a depository institution, insurance, or other financial services
 6 regulator of a state that the person wilfully violated 15 U.S.C. 77a - 77aa (Securities
 7 Act of 1933), 15 U.S.C. 78a - 78pp (Securities Exchange Act of 1934), 15 U.S.C. 80b-
 8 1 - 80b-21 (Investment Advisers Act of 1940), 15 U.S.C. 80a-1 - 80a-64 (Investment
 9 Company Act of 1940), or 7 U.S.C. 1 - 27 (Commodity Exchange Act), the securities
 10 or commodities law of a state, or a federal or state law under which a business
 11 involving investments, franchises, insurance, banking, or finance is regulated;

12 (7) is insolvent, either because the person's liabilities exceed the
 13 person's assets or because the person cannot meet the person's obligations as they
 14 mature, but the administrator may not enter an order against an applicant or registrant
 15 under this paragraph without a finding of insolvency as to the applicant or registrant;

16 (8) refuses to allow or otherwise impedes the administrator from
 17 conducting an audit or inspection under AS 45.56.475(d) or refuses access to a
 18 registrant's office to conduct an audit or inspection under AS 45.56.475(d);

19 (9) has failed to reasonably supervise an agent, investment adviser
 20 representative, or other individual, if the agent, investment adviser representative, or
 21 other individual was subject to the person's supervision and committed a violation of
 22 this chapter or former AS 45.55 or a regulation adopted or order issued under this
 23 chapter or former AS 45.55;

24 (10) has not paid the proper filing fee within 30 days after having been
 25 notified by the administrator of a deficiency, but the administrator shall vacate an
 26 order under this paragraph when the deficiency is corrected;

27 (11) after notice and opportunity for a hearing, has been found

28 (A) by a court of competent jurisdiction to have wilfully
 29 violated the laws of a foreign jurisdiction under which the business of
 30 securities, commodities, investment, franchises, insurance, banking, or finance
 31 is regulated;

1 (B) to have been the subject of an order of a securities regulator
2 of a foreign jurisdiction denying, revoking, or suspending the right to engage
3 in the business of securities as a broker-dealer, agent, investment adviser,
4 investment adviser representative, or similar person; or

5 (C) to have been suspended or expelled from membership by or
6 participation in a securities exchange or securities association operating under
7 the securities laws of a foreign jurisdiction;

8 (12) is the subject of a cease and desist order issued by the Securities
9 and Exchange Commission or issued under the securities, commodities, investment,
10 franchise, banking, finance, or insurance laws of a state;

11 (13) has engaged in dishonest or unethical practices in the securities,
12 commodities, investment, franchise, banking, finance, or insurance business;

13 (14) is not qualified based on factors that may include training,
14 experience, and knowledge of the securities business; however, in the case of an
15 application by an agent for a broker-dealer that is a member of a self-regulatory
16 organization or by an individual for registration as an investment adviser
17 representative, a denial order may not be based on this paragraph if the individual has
18 successfully completed all examinations required by (e) of this section; the
19 administrator may require an applicant for registration under AS 45.56.430 or
20 45.56.440 who has not been registered in a state within the two years preceding the
21 filing of an application in this state to complete successfully an examination; or

22 (15) is a person whose license renewal is denied under AS 14.43.148
23 or whose license issuance or renewal is denied under AS 25.27.244.

24 (e) A regulation adopted or order issued under this chapter may require that an
25 examination, including an examination developed or approved by an organization of
26 securities regulators, be successfully completed by a class of individuals or all
27 individuals. An order issued under this chapter may waive, in whole or in part, an
28 examination as to an individual and a regulation adopted under this chapter may
29 waive, in whole or in part, an examination as to a class of individuals if the
30 administrator determines that the examination is not necessary or appropriate in the
31 public interest and for the protection of investors.

1 (f) The administrator may suspend or deny an application summarily; restrict,
 2 condition, limit, or suspend a registration; or censure, bar, or impose a civil penalty on
 3 a registrant before final determination of an administrative proceeding. Upon the
 4 issuance of an order, the administrator shall promptly notify each person subject to the
 5 order that the order has been issued, the reasons for the action, and that, within 15 days
 6 after the receipt of a request in a record from the person, the matter will be scheduled
 7 for a hearing. If a hearing is not requested and none is ordered by the administrator
 8 within 30 days after the date of service of the order, the order becomes final by
 9 operation of law. If a hearing is requested or ordered, the administrator, after notice of
 10 and opportunity for hearing to each person subject to the order, may modify or vacate
 11 the order or extend the order until final determination.

12 (g) An order may not be issued under this section, except under (f) of this
 13 section, without appropriate notice to the applicant or registrant, and an opportunity
 14 for hearing under AS 45.56.650(c).

15 (h) A person that controls, directly or indirectly, a person not in compliance
 16 with this section may be disciplined by order of the administrator under (a) - (c) of this
 17 section to the same extent as the noncomplying person, unless the controlling person
 18 did not know, and in the exercise of reasonable care could not have known, of the
 19 existence of conduct that is a ground for discipline under this section.

20 (i) The administrator may not institute a proceeding under (a) - (c) of this
 21 section based solely on material facts actually known by the administrator unless an
 22 investigation or the proceeding is instituted within one year after the administrator
 23 actually acquires knowledge of the material facts.

24 **Article 5. Fraud and Liabilities.**

25 **Sec. 45.56.505. General fraud.** A person may not, in connection with the
 26 offer, sale, or purchase of a security, directly or indirectly,

- 27 (1) employ a device, scheme, or artifice to defraud;
 28 (2) make an untrue statement of a material fact or omit to state a
 29 material fact necessary to make the statements made, in light of the circumstances
 30 under which they were made, not misleading; or
 31 (3) engage in an act, practice, or course of business that operates or

1 would operate as a fraud or deceit on another person.

2 **Sec. 45.56.510. Prohibited conduct in providing investment advice.** (a) A
3 person that advises others for compensation, either directly or indirectly or through
4 publications or writings, as to the value of securities or the advisability of investing in,
5 purchasing, or selling securities or that, for compensation and as part of a regular
6 business, issues or adopts analyses or reports relating to securities may not

7 (1) employ a device, scheme, or artifice to defraud another person; or

8 (2) engage in an act, practice, or course of business that operates or
9 would operate as a fraud or deceit on another person.

10 (b) A regulation adopted under this chapter may define an act, practice, or
11 course of business of an investment adviser or an investment adviser representative,
12 other than a supervised person of a federal covered investment adviser, as fraudulent,
13 deceptive, or manipulative and may prescribe means reasonably designed to prevent
14 investment advisers and investment adviser representatives, other than supervised
15 persons of a federal covered investment adviser, from engaging in acts, practices, and
16 courses of business defined as fraudulent, deceptive, or manipulative.

17 (c) A regulation adopted under this chapter may specify the contents of an
18 investment advisory contract entered into, extended, or renewed by an investment
19 adviser.

20 **Sec. 45.56.520. Misleading filings.** A person may not, in a document filed
21 with the administrator or in a proceeding under this chapter, make or cause to be made
22 an untrue statement of a material fact or omit to state a material fact necessary in order
23 to make the statements made, in the light of the circumstances under which they are
24 made, not misleading.

25 **Sec. 45.56.530. Misrepresentations concerning registration or exemption.**
26 The filing of an application for registration, a registration statement, a notice filing
27 under this chapter, the registration of a person, the notice filing by a person, or the
28 registration of a security under this chapter does not constitute a finding by the
29 administrator that a record filed under this chapter is true, complete, and not
30 misleading. The filing or registration or the availability of an exemption, exception,
31 preemption, or exclusion for a security or a transaction does not mean that the

1 administrator has passed on the merits or qualifications of, or recommended or given
 2 approval to, a person, security, or transaction. A person may not make, or cause to be
 3 made, to a purchaser, customer, client, or prospective customer or client a
 4 representation inconsistent with this section.

5 **Sec. 45.56.540. Evidentiary burden.** (a) In a civil action or administrative
 6 proceeding under this chapter, a person claiming an exemption, exception,
 7 preemption, or exclusion has the burden to prove the applicability of the claim.

8 (b) In a criminal proceeding under this chapter, an exemption, exception,
 9 preemption, or exclusion claimed by the defendant is an affirmative defense. In this
 10 subsection, "affirmative defense" has the meaning given in AS 11.81.900.

11 **Sec. 45.56.550. Filing of sales and advertising literature.** (a) Except as
 12 otherwise provided in (b) of this section, a regulation adopted or order issued under
 13 this chapter may require the filing of a prospectus, pamphlet, circular, form letter,
 14 advertisement, sales literature, or other advertising record relating to a security or
 15 investment advice, addressed or intended for distribution to prospective investors,
 16 including clients or prospective clients of a person registered or required to be
 17 registered as an investment adviser under this chapter.

18 (b) This section does not apply to sales and advertising literature specified in
 19 (a) of this section that relates to a federal covered security, a federal covered
 20 investment adviser, or a security or transaction exempted by AS 45.56.205, 45.56.210,
 21 45.56.220, or 45.56.240, except as required under AS 45.56.205(7).

22 (c) The administrator may by regulation or order prohibit the publication,
 23 circulation, or use of any advertising considered false or misleading.

24 **Sec. 45.56.560. Qualified immunity.** A broker-dealer, agent, investment
 25 adviser, federal covered investment adviser, or investment adviser representative is not
 26 liable to another broker-dealer, agent, investment adviser, federal covered investment
 27 adviser, or investment adviser representative for defamation relating to a statement
 28 that is contained in a record required by the administrator, a designee of the
 29 administrator, the Securities and Exchange Commission, or a self-regulatory
 30 organization, unless the person knew, or should have known at the time the statement
 31 was made, that it was false in a material respect or the person acted in reckless

1 disregard of the statement's truth or falsity.

2 **Article 6. Administration and Judicial Review.**

3 **Sec. 45.56.605. Administration.** (a) The department shall administer this
4 chapter.

5 (b) The administrator or an officer, employee, or designee of the administrator
6 may not use for personal benefit or the benefit of others records or other information
7 obtained by or filed with the administrator that is not public under AS 45.56.615(b).
8 This chapter does not authorize the administrator or an officer, employee, or designee
9 of the administrator to disclose the record or information, except in accordance with
10 AS 45.56.615(c), 45.56.620, or 45.56.645.

11 (c) This chapter does not create or diminish a privilege or exemption that
12 exists at common law, by statute or regulation, or otherwise.

13 (d) The administrator may develop and implement investor education
14 initiatives to inform the public about investing in securities, with particular emphasis
15 on the prevention and detection of securities fraud. In developing and implementing
16 these initiatives, the administrator may collaborate with public and nonprofit
17 organizations with an interest in investor education. The administrator may accept a
18 grant or donation from a person that is not affiliated with the securities industry or
19 from a nonprofit organization, regardless of whether the organization is affiliated with
20 the securities industry, to develop and implement investor education initiatives. This
21 subsection does not authorize the administrator to require participation or monetary
22 contributions of a registrant in an investor education program.

23 **Sec. 45.56.610. Administrative files and opinions.** (a) The administrator shall
24 maintain, or designate a person to maintain, a register of applications for registration
25 of securities; registration statements; notice filings; applications for registration of
26 broker-dealers, agents, investment advisors, and investment adviser representatives;
27 notice filings by federal covered investment advisors that are or have been effective
28 under this chapter or former AS 45.55; notices of claims of exemption from
29 registration or notice filing requirements contained in a record; orders issued under
30 this chapter or former AS 45.55; and interpretative opinions or no-action
31 determinations issued under this chapter. The register must be kept according to the

1 existing retention schedule mandated by the department.

2 (b) The administrator shall make all regulations, forms, interpretative
3 opinions, and orders available to the public.

4 (c) The administrator shall furnish a copy of a record that is a public record or
5 a certification that the public record does not exist to a person upon request. A copy of
6 the record certified or a certificate by the administrator of a record's nonexistence is
7 prima facie evidence of a record or its nonexistence.

8 **Sec. 45.56.615. Public records; confidentiality.** (a) Except as otherwise
9 provided in (b) of this section, records obtained by the administrator or filed under this
10 chapter, including a record contained in or filed with a registration statement,
11 application, notice filing, or report are public records and are available for public
12 examination under AS 40.25.100 - 40.25.295 (Alaska Public Records Act).

13 (b) The following records are not public records under AS 40.25.100 -
14 40.25.295 (Alaska Public Records Act) and are not available for public examination
15 under (a) of this section:

16 (1) a record obtained by the administrator in connection with an audit,
17 examination or inspection under AS 45.56.475(d) or an investigation under
18 AS 45.56.645;

19 (2) a part of a record filed in connection with a registration statement
20 under AS 45.56.105 and 45.56.305 - 45.56.320 or a record under AS 45.56.475(d) that
21 contains trade secrets or confidential information if the person filing the registration
22 statement or report has asserted a claim of confidentiality or privilege that is
23 authorized by law;

24 (3) a record that is not required to be provided to the administrator or
25 filed under this chapter and is provided to the administrator only on the condition that
26 the record may not be subject to public examination or disclosure;

27 (4) a nonpublic record received from a person specified in
28 AS 45.56.620(a); and

29 (5) a social security number, residential address unless used as a
30 business address, and residential telephone number unless used as a business
31 telephone number, contained in a record that is filed.

1 (c) If disclosure is for the purpose of a civil, administrative, or criminal
2 investigation, action, or proceeding or to a person specified in AS 45.56.620(a), the
3 administrator may disclose a record obtained in connection with an audit or inspection
4 under AS 45.56.475(d) or a record obtained in connection with an investigation under
5 AS 45.56.645.

6 **Sec. 45.56.620. Uniformity and cooperation with other agencies.** (a) The
7 administrator may cooperate, coordinate, consult, and, subject to AS 45.56.615, share
8 records and information with the securities regulator of another state, Canada, a
9 Canadian province or territory, a foreign jurisdiction, the Securities and Exchange
10 Commission, the United States Department of Justice, the Commodity Futures
11 Trading Commission, the Federal Trade Commission, the Securities Investor
12 Protection Corporation, a self-regulatory organization, a national or international
13 organization of securities regulators, a federal or state banking and insurance
14 regulator, and a governmental law enforcement agency to bring about greater
15 uniformity in securities matters among the federal government, self-regulatory
16 organizations, states, and foreign governments.

17 (b) In cooperating, coordinating, consulting, and sharing records and
18 information under this section and in acting by regulation, order, or waiver under this
19 chapter, the administrator may take into consideration in carrying out the public
20 interest the following general policies:

21 (1) maximizing effectiveness of regulation for the protection of
22 investors;

23 (2) maximizing uniformity in federal and state regulatory standards;
24 and

25 (3) minimizing burdens on the business of capital formation, without
26 adversely affecting essentials of investor protection.

27 (c) The cooperation, coordination, consultation, and sharing of records and
28 information authorized by this section includes

29 (1) establishing or employing one or more designees as a central
30 depository for registration and notice filings under this chapter and for records
31 required or allowed to be maintained under this chapter;

- 1 (2) developing and maintaining uniform forms;
- 2 (3) conducting a joint examination or investigation;
- 3 (4) holding a joint administrative hearing;
- 4 (5) instituting and prosecuting a joint civil or administrative
- 5 proceeding;
- 6 (6) sharing and exchanging personnel;
- 7 (7) coordinating registrations under AS 45.56.105 and 45.56.405 -
- 8 45.56.440 and exemptions under AS 45.56.240;
- 9 (8) sharing and exchanging records, subject to AS 45.56.615;
- 10 (9) formulating regulations, statements of policy, guidelines, forms,
- 11 and interpretative opinions and releases;
- 12 (10) formulating common systems and procedures;
- 13 (11) notifying the public of proposed regulations, forms, statements of
- 14 policy, and guidelines;
- 15 (12) attending conferences and other meetings among securities
- 16 regulators, that may include representatives of governmental and private sector
- 17 organizations involved in capital formation, considered necessary or appropriate to
- 18 promote or achieve uniformity; and
- 19 (13) developing and maintaining a uniform exemption from
- 20 registration for small issuers and taking other steps to reduce the burden of raising
- 21 investment capital by small businesses.

22 **Sec. 45.56.625. Securities investor education and training fund.** The
 23 securities investor education and training fund is created as a special fund in the
 24 general fund to provide funds for the purposes specified in 45.56.605(d). The
 25 legislature may appropriate 33 percent of the money received by this state from civil
 26 penalties under this chapter into the fund for securities investor education and training.
 27 Nothing in this section exempts money deposited into the fund from the requirements
 28 of AS 37.07 (Executive Budget Act) or dedicates money for a specific purpose.

29 **Sec. 45.56.630. Service of process.** (a) A consent to service of process
 30 complying with this section required by this chapter shall be signed and filed in the
 31 form required by a regulation adopted or order issued under this chapter. A consent

1 appointing the administrator the person's agent for service of process in a noncriminal
2 action or proceeding against the person or the person's successor or personal
3 representative under this chapter or a regulation adopted or order issued under this
4 chapter after the consent is filed has the same force and validity as if the service were
5 made personally on the person filing the consent. A person that has filed a consent
6 under this subsection in connection with a previous application for registration or
7 notice filing need not file an additional consent.

8 (b) If a person, including a nonresident of this state, engages in an act,
9 practice, or course of business prohibited or made actionable by this chapter or a
10 regulation adopted or order issued under this chapter and the person has not filed a
11 consent to service of process under (a) of this section, the act, practice, or course of
12 business constitutes the appointment of the administrator as the person's agent for
13 service of process in a noncriminal action or proceeding against the person or the
14 person's successor or personal representative.

15 (c) Service under (a) or (b) of this section may be made by providing a copy of
16 the process to the office of the administrator, but the service is not effective unless

17 (1) the plaintiff, which may be the administrator, promptly sends
18 notice of the service and a copy of the process, return receipt requested, to the
19 defendant or respondent at the address set out in the consent to service of process or, if
20 a consent to service of process has not been filed, at the last known address, or takes
21 other reasonable steps to give notice; and

22 (2) the plaintiff files an affidavit of compliance with this subsection in
23 the action or proceeding on or before the return day of the process, if any, or within
24 the time that the court, or the administrator in a proceeding before the administrator,
25 allows.

26 (d) Service under (c) of this section may be used in a proceeding before the
27 administrator or by the administrator in a civil action in which the administrator is the
28 moving party.

29 (e) If process is served under (c) of this section, the court, or the administrator
30 in a proceeding before the administrator, shall order continuances as are necessary or
31 appropriate to afford the defendant or respondent reasonable opportunity to defend.

1 **Sec. 45.56.635. Applicability of the chapter.** (a) Unless the persons are
 2 exempt elsewhere in this chapter, this chapter applies to persons who buy or offer to
 3 buy when an offer to

4 (1) buy is made in this state; or

5 (2) sell is made and accepted in this state.

6 (b) Unless the person is exempt elsewhere in this chapter, this chapter applies
 7 to a person who sells or offers to sell when an offer to

8 (1) sell is made in this state; or

9 (2) buy is made and accepted in this state.

10 (c) For the purpose of this section, an offer to sell or to buy is made in this
 11 state, whether or not either party is then present in this state, when the offer

12 (1) originates from this state;

13 (2) is directed by the offeror to this state and received at the place to
 14 which it is directed or at a post office in this state in the case of a mailed offer;

15 (3) is for an interest or participation in an oil, gas, or mining right, title,
 16 or lease on land in this state, including submerged land, regardless of where the offer
 17 is made;

18 (4) is for an interest or participation in payments out of production
 19 under an oil, gas, or mining right, title, or lease on land in this state, including
 20 submerged land, regardless of where the offer is made;

21 (5) is for an interest or participation in real property located in this
 22 state, or in a corporation, a partnership, a limited liability company, a limited
 23 partnership, a limited liability partnership, an association, or a joint-stock company;
 24 jurisdiction under this paragraph may be exercised only when the exercise is
 25 consistent with the constitution of this state or of the United States.

26 (d) For the purpose of this section, an offer to buy or to sell is accepted in this
 27 state when acceptance is communicated to the offeror in this state and has not
 28 previously been communicated to the offeror, orally or in writing, outside this state.
 29 Acceptance is communicated to the offeror in this state, whether or not either party is
 30 then present in this state, when the offeree directs the acceptance to the offeror in this
 31 state reasonably believing the offeror to be in this state and the acceptance is received

1 at the place to which it is directed or, in the case of a mailed acceptance, at a post
2 office in this state.

3 (e) This chapter applies to investment advisers, federal covered advisers, and
4 investment adviser representatives when any act instrumental in effecting prohibited
5 conduct is done in this state, regardless of whether either party is then present in this
6 state.

7 **Sec. 45.56.640. Regulations, forms, orders, interpretative opinions, and**
8 **hearings.** (a) The administrator may

9 (1) issue forms and orders; after notice and comment, adopt and amend
10 regulations necessary or appropriate to carry out this chapter; and repeal regulations,
11 including regulations and forms governing registration statements, applications, notice
12 filings, reports, and other records;

13 (2) by regulation, define terms, whether or not used in this chapter, but
14 those definitions may not be inconsistent with this chapter; and

15 (3) by regulation, classify securities, persons, and transactions and
16 adopt different requirements for different classes.

17 (b) Under this chapter, a regulation or form may not be adopted or amended,
18 or an order issued or amended, unless the administrator finds that the regulation, form,
19 order, or amendment is necessary or appropriate in the public interest or for the
20 protection of investors and is consistent with the purposes intended by this chapter. In
21 adopting, amending, and repealing regulations and forms, AS 45.56.620 applies to
22 achieve uniformity among the states and coordination with federal laws in the form
23 and content of registration statements, applications, reports, and other records,
24 including the adoption of uniform rules, forms, and procedures.

25 (c) Subject to 15 U.S.C. 78o(i) and 80b-18a, the administrator may require
26 that a financial statement filed under this chapter be prepared in accordance with
27 generally accepted accounting principles in the United States and comply with other
28 requirements specified by regulation adopted or order issued under this chapter. A
29 regulation adopted or order issued under this chapter may establish

30 (1) subject to 15 U.S.C. 78o(i) and 80b-18a, the form and content of
31 financial statements required under this chapter;

1 (2) whether unconsolidated financial statements must be filed; and

2 (3) whether required financial statements must be audited by an
3 independent certified public accountant.

4 (d) The administrator may provide interpretative opinions or issue
5 determinations that the administrator will not institute a proceeding or an action under
6 this chapter against a specified person for engaging in a specified act, practice, or
7 course of business if the determination is consistent with this chapter. A regulation
8 adopted or order issued under this chapter may establish a reasonable charge for
9 interpretative opinions or determinations that the administrator will not institute an
10 action or a proceeding under this chapter.

11 (e) A hearing in an administrative proceeding under this chapter shall be
12 conducted in public unless the administrative law judge or the administrator for good
13 cause consistent with this chapter determines that the hearing may not be conducted in
14 public.

15 (f) AS 44.62 (Administrative Procedure Act) applies to all regulations adopted
16 or authorized under this chapter.

17 **Sec. 45.56.645. Investigations and subpoenas.** (a) The administrator may

18 (1) conduct public or private investigations in or outside of this state
19 that the administrator considers necessary or appropriate to determine whether a
20 person has violated, is violating, or is about to violate this chapter or a regulation
21 adopted or order issued under this chapter, or to aid in the enforcement of this chapter
22 or in the adoption of regulations and forms under this chapter;

23 (2) require or permit a person to testify, file a statement, or produce a
24 record, under oath or otherwise as the administrator determines, as to all the facts and
25 circumstances concerning a matter to be investigated or about which an action or
26 proceeding is to be instituted; and

27 (3) publish a record concerning an action, proceeding, or an
28 investigation under, or a violation of, this chapter or a regulation adopted or order
29 issued under this chapter if the administrator determines it is necessary or appropriate
30 in the public interest and for the protection of investors.

31 (b) For the purpose of an investigation under this chapter, the administrator or

1 the designated officer of the administrator may administer oaths and affirmations,
2 subpoena witnesses, seek compulsion of attendance, take evidence, require the filing
3 of statements, and require the production of any records that the administrator
4 considers relevant or material to the investigation.

5 (c) If a person does not appear or refuses to testify, file a statement, produce
6 records, or otherwise obey a subpoena as required by the administrator under this
7 chapter, the administrator may refer the matter to the attorney general, who may bring
8 an action in the superior court or a court of another state to enforce compliance. The
9 court may

- 10 (1) hold the person in contempt;
- 11 (2) order the person to appear before the administrator;
- 12 (3) order the person to testify about the matter under investigation or in
13 question;
- 14 (4) order the production of records;
- 15 (5) grant injunctive relief, including restricting or prohibiting the offer
16 or sale of securities or the providing of investment advice;
- 17 (6) impose a civil penalty of not more than \$100,000 for a single
18 violation; and
- 19 (7) grant any other necessary or appropriate relief.

20 (d) This section does not preclude a person from applying to the superior court
21 or a court of another state for relief from a request to appear, testify, file a statement,
22 produce records, or obey a subpoena.

23 (e) A person is not excused from attending, testifying, filing a statement,
24 producing a record or other evidence, or obeying a subpoena of the administrator
25 under this chapter or in an action or proceeding instituted by the administrator under
26 this chapter on the ground that the required testimony, statement, record, or other
27 evidence, directly or indirectly, may tend to incriminate the individual or subject the
28 individual to a criminal fine, penalty, or forfeiture. If the person refuses to testify, file
29 a statement, or produce a record or other evidence based on the individual's privilege
30 against self-incrimination, the administrator may apply to the superior court to compel
31 the testimony, the filing of the statement, the production of the record, or the giving of

1 other evidence. The testimony, record, or other evidence compelled under an order of
 2 the superior court may not be used, directly or indirectly, against the individual in a
 3 criminal case, except in a prosecution for perjury, contempt, or otherwise failing to
 4 comply with the order.

5 (f) At the request of the securities regulator of another state or a foreign
 6 jurisdiction, the administrator may provide assistance if the requesting regulator states
 7 that it is conducting an investigation to determine whether a person has violated, is
 8 violating, or is about to violate a law or regulation of the other state or foreign
 9 jurisdiction relating to securities matters that the requesting regulator administers or
 10 enforces. The administrator may provide the assistance by using the authority to
 11 investigate and the powers conferred by this section as the administrator determines is
 12 necessary or appropriate. The assistance may be provided without regard to whether
 13 the conduct described in the request would also constitute a violation of this chapter or
 14 other law of this state if occurring in this state. In deciding whether to provide the
 15 assistance, the administrator may consider whether the requesting regulator is
 16 permitted and has agreed to provide assistance reciprocally within its state or foreign
 17 jurisdiction to the administrator on securities matters when requested, whether
 18 compliance with the request would violate or prejudice the public policy of this state,
 19 and the availability of resources and employees of the administrator to carry out the
 20 request for assistance.

21 **Sec. 45.56.650. Administrative enforcement.** (a) If the administrator
 22 determines that a person has engaged, is engaging, or is about to engage in an act,
 23 practice, or course of business constituting a violation of this chapter or a regulation
 24 adopted or order issued under this chapter or that a person has materially aided, is
 25 materially aiding, or is about to aid materially an act, practice, or course of business
 26 constituting a violation of this chapter or a regulation adopted or order issued under
 27 this chapter, the administrator may issue an order

28 (1) directing the person to cease and desist from engaging in the act,
 29 practice, or course of business or to take other action necessary or appropriate to
 30 comply with this chapter;

31 (2) denying, suspending, revoking, or conditioning the exemptions for

1 a broker-dealer under AS 45.56.405(b)(1)(D) or (F) or an investment adviser under
2 AS 45.56.435(b)(1)(C); or

3 (3) denying, suspending, conditioning, or limiting an exemption as
4 provided under AS 45.56.250.

5 (b) An order under (a) of this section is effective on the date of issuance. Upon
6 issuance of the order, the administrator shall promptly serve each person subject to the
7 order with a copy of the order and a notice that the order has been entered. The order
8 must include a statement of any civil penalty, restitution, or costs of investigation the
9 administrator will seek, a statement of the reasons for the order, and notice that, within
10 15 days after receipt of a request in a record from the person, the matter will be
11 scheduled for a hearing. If a person subject to the order does not request a hearing and
12 none is ordered by the administrator within 30 days after the date of service of the
13 order, the order, including the imposition of a civil penalty, the imposition of
14 restitution, or requirement for payment of the costs of investigation sought in a
15 statement in the order, becomes final as to that person by operation of law. If a hearing
16 is requested or ordered, the administrator, after notice of and opportunity for hearing
17 provided to each person subject to the order, may modify or vacate the order or extend
18 it until final determination.

19 (c) If a hearing is requested or ordered under (b) of this section, a hearing shall
20 be conducted by the office of administrative hearings (AS 44.64.010), and
21 AS 44.64.040 - 44.64.200 apply to and govern the hearing.

22 (d) In a final order under (b) of this section, the administrator may impose a
23 civil penalty of not more than \$100,000 for a single violation, unless the violation of
24 this chapter is against an older person or a vulnerable adult. In addition to a civil
25 penalty imposed under this subsection, a person or entity who engages in conduct
26 prohibited under this chapter against an older person or a vulnerable adult may be
27 liable for an additional civil penalty of treble statutory damages. In determining
28 whether to impose a supplemental civil penalty under this subsection, the
29 administrator shall consider, in addition to other appropriate factors, the extent to
30 which the following factors are present:

31 (1) whether the respondent knew that the respondent's conduct was

1 directed to an older person or a vulnerable adult;

2 (2) whether the respondent's conduct caused an older person or a
3 vulnerable adult to suffer

4 (A) severe loss or encumbrance of a primary residence,
5 principal employment, or source of income; or

6 (B) substantial loss of property set aside for retirement or for
7 personal and family care and maintenance; or

8 (3) whether the respondent's conduct caused substantial loss of
9 payments received under a pension or retirement plan or a government benefits
10 program.

11 (e) In a final order under (b) of this section, the administrator may

12 (1) impose restitution to any person in interest for any money or
13 property, real or personal, that may have been acquired or transferred in violation of
14 this chapter;

15 (2) charge the actual cost of an investigation or proceeding for a
16 violation of this chapter or a regulation adopted or order issued under this chapter; and

17 (3) deny the violator of the use of any exemptions listed under this
18 chapter.

19 (f) The administrator may petition the superior court to enter a judgment
20 against a person who is a respondent in the order for the amount of the civil penalty
21 levied against the person. Subject to AS 44.62.570, the filing of the petition for a
22 judgment does not reopen the final order to further substantive review. A judgment
23 entered under this subsection may be executed on and levied under in the manner
24 provided in AS 09.35.

25 (g) If a person does not comply with an order under this section, the
26 administrator may petition a court of competent jurisdiction to enforce the order. The
27 court may not require the administrator to post a bond in an action or proceeding under
28 this section. If the court finds, after service and opportunity for hearing, that the person
29 was not in compliance with the order, the court may adjudge the person in civil
30 contempt of the order. The court may impose a further civil penalty against the person
31 for contempt in an amount not less than \$5,000 but not greater than \$100,000 for each

1 violation and may grant any other relief the court determines is just and proper in the
2 circumstances.

3 **Sec. 45.56.655. Civil enforcement.** (a) If the administrator believes that a
4 person has engaged, is engaging, or is about to engage in an act, practice, or course of
5 business constituting a violation of this chapter or a regulation adopted or order issued
6 under this chapter, or that a person has engaged, is engaging, or is about to engage in
7 an act, practice, or course of business that materially aids a violation of this chapter or
8 a regulation adopted or order issued under this chapter, the administrator may maintain
9 an action in the superior court to enjoin the act, practice, or course of business and to
10 enforce compliance with this chapter or a regulation adopted or order issued under this
11 chapter.

12 (b) In an action under this section and on a proper showing, the court may

13 (1) issue a permanent or temporary injunction, restraining order, or
14 declaratory judgment;

15 (2) order other appropriate or ancillary relief, which may include

16 (A) an asset freeze, accounting, writ of attachment, writ of
17 general or specific execution, and appointment of a receiver or conservator that
18 may be the administrator for the defendant or the defendant's assets;

19 (B) ordering the administrator to take charge and control of a
20 defendant's property, including investment accounts and accounts in a
21 depository institution, rents, and profits; to collect debts; and to acquire and
22 dispose of property;

23 (C) imposing a civil penalty of not more than \$100,000 for a
24 single violation, unless the violation of this chapter is against an older person
25 or a vulnerable adult; in determining whether to impose a supplemental civil
26 penalty for a violation of this chapter against an older person or a vulnerable
27 adult, the court shall consider, in addition to other appropriate factors, the
28 extent to which the following factors are present:

29 (i) whether the respondent knew that the respondent's
30 conduct was directed to an older person or a vulnerable adult;

31 (ii) whether the respondent's conduct caused an older

1 person or a vulnerable adult to suffer severe loss or encumbrance of a
 2 primary residence, principal employment, or source of income; or
 3 substantial loss of property set aside for retirement or for personal and
 4 family care and maintenance; or

5 (iii) whether the respondent's conduct caused
 6 substantial loss of payments received under a pension or retirement
 7 plan or a government benefits program;

8 (D) imposing an order of rescission, or disgorgement directed
 9 to a person that has engaged in an act, practice, or course of business
 10 constituting a violation of this chapter or former AS 45.55 or a regulation
 11 adopted or order issued under this chapter or former AS 45.55;

12 (E) imposing an order of restitution to any person in interest for
 13 any money or property, real or personal, that may have been acquired or
 14 transferred in violation of this chapter; and

15 (F) ordering the payment of prejudgment and post judgment
 16 interest; or

17 (3) order other relief that the court considers appropriate.

18 (c) The administrator may not be required to post a bond in an action or
 19 proceeding under this chapter.

20 (d) After an order issued by the court under (b) of this section becomes final
 21 and all rights of appeal are exhausted, the administrator may petition the superior court
 22 to enter a judgment against a person who is a respondent in the order for the amount of
 23 the civil penalty levied against the person. Subject to AS 44.62.570, the filing of the
 24 petition for a judgment does not reopen the final order to further substantive review. A
 25 judgment entered under this subsection may be executed on and levied under in the
 26 manner provided in AS 09.35.

27 **Sec. 45.56.660. Civil liability.** (a) Enforcement of civil liability under this
 28 section is subject to P.L. 105-353 (Securities Litigation Uniform Standards Act of
 29 1998).

30 (b) A person is liable to the purchaser if the person sells a security in violation
 31 of AS 45.56.105, or by means of an untrue statement of a material fact or an omission

1 to state a material fact necessary to make the statement made, in light of the
2 circumstances under which it is made, not misleading, the purchaser not knowing the
3 untruth or omission and the seller not sustaining the burden of proof that the seller did
4 not know and, in the exercise of reasonable care, could not have known of the untruth
5 or omission. An action under this subsection is governed by the following:

6 (1) the purchaser may maintain an action to recover the consideration
7 paid for the security, less the amount of any income received on the security, and
8 interest at the legal rate of interest under AS 09.30.070, or eight percent a year,
9 whichever is greater, from the date of the purchase, costs, and attorney fees as
10 determined by the court, upon the tender of the security, or for actual damages as
11 provided in (3) of this subsection;

12 (2) the tender referred to in (1) of this subsection may be made any
13 time before entry of judgment; tender requires only notice in a record of ownership of
14 the security and willingness to exchange the security for the amount specified; a
15 purchaser that no longer owns the security may recover actual damages as provided in
16 (3) of this subsection;

17 (3) actual damages in an action arising under this subsection are the
18 amount that would be recoverable upon a tender less the value of the security when the
19 purchaser disposed of it, and interest at the legal rate of interest under AS 09.30.070,
20 or eight percent a year, whichever is greater, from the date of the purchase, costs, and
21 attorney fees as determined by the court.

22 (c) A person is liable to the seller if the person buys a security by means of an
23 untrue statement of a material fact or omission to state a material fact necessary to
24 make the statement made, in light of the circumstances under which it is made, not
25 misleading, the seller not knowing of the untruth or omission, and the purchaser not
26 sustaining the burden of proof that the purchaser did not know and, in the exercise of
27 reasonable care, could not have known of the untruth or omission. An action under
28 this subsection is governed by the following:

29 (1) the seller may maintain an action to recover the security and any
30 income received on the security, costs, and attorney fees as determined by the court,
31 upon the tender of the purchase price, or for actual damages as provided in (3) of this

1 subsection;

2 (2) the tender referred to in (1) of this subsection may be made any
3 time before entry of judgment; tender requires only notice in a record of the present
4 ability to pay the amount tendered and willingness to take delivery of the security for
5 the amount specified; if the purchaser no longer owns the security, the seller may
6 recover actual damages as provided in (3) of this subsection;

7 (3) actual damages in an action arising under this subsection are the
8 difference between the price at which the security was sold and the value the security
9 would have had at the time of the sale in the absence of the purchaser's conduct
10 causing liability, and interest at the legal rate of interest under AS 09.30.070, or eight
11 percent a year, whichever is greater, from the date of the sale of the security, costs,
12 and attorney fees as determined by the court.

13 (d) A person acting as a broker-dealer or agent that sells or buys a security in
14 violation of AS 45.56.405(a), 45.56.435(a), or 45.56.530 is liable to the customer. The
15 customer, if a purchaser, may maintain an action for recovery of actual damages as
16 specified in (b)(1) - (3) of this section or, if a seller, for a remedy as specified in (c)(1)
17 - (3) of this section.

18 (e) A person acting as an investment adviser or investment adviser
19 representative that provides investment advice for compensation in violation of
20 AS 45.56.435(a), 45.56.440(a), or 45.56.530 is liable to the client. The client may
21 maintain an action to recover the consideration paid for the advice, interest at the legal
22 rate of interest under AS 09.30.070, or eight percent a year, whichever is greater, from
23 the date of payment, costs, and attorney fees as determined by the court.

24 (f) A person that receives, directly or indirectly, any consideration for
25 providing investment advice to another person and that employs a device, scheme, or
26 artifice to defraud the other person or engages in an act, practice, or course of business
27 that operates or would operate as a fraud or deceit on the other person is liable to the
28 other person. An action under this subsection is governed by the following:

29 (1) the person defrauded may maintain an action to recover the
30 consideration paid for the advice and the amount of any actual damages caused by the
31 fraudulent conduct, interest at the legal rate of interest under AS 09.30.070, or eight

1 percent a year, whichever is greater, from the date of the fraudulent conduct, costs,
2 and reasonable attorney fees as determined by the court, less the amount of any
3 income received as a result of the fraudulent conduct;

4 (2) this subsection does not apply to a broker-dealer or its agents if the
5 investment advice provided is solely incidental to transacting business as a broker-
6 dealer and special compensation is not received for the investment advice.

7 (g) The following persons are liable jointly and severally with and to the same
8 extent as persons liable under (b) - (f) of this section:

9 (1) a person that directly or indirectly controls a person liable under (b)
10 - (f) of this section, unless the controlling person sustains the burden of proof that the
11 person did not know and, in the exercise of reasonable care, could not have known of
12 the existence of conduct because of which the liability is alleged to exist;

13 (2) an individual who is a managing partner, executive officer, or
14 director of a person liable under (b) - (f) of this section, including an individual having
15 a similar status or performing similar functions, unless the individual sustains the
16 burden of proof that the individual did not know and, in the exercise of reasonable
17 care, could not have known of the existence of conduct because of which the liability
18 is alleged to exist;

19 (3) an individual who is an employee of or associated with a person
20 liable under (b) - (f) of this section and who materially aids the conduct giving rise to
21 the liability, unless the individual sustains the burden of proof that the individual did
22 not know and, in the exercise of reasonable care, could not have known of the
23 existence of conduct because of which the liability is alleged to exist; and

24 (4) a person that is a broker-dealer, agent, investment adviser, or
25 investment adviser representative that materially aids the conduct giving rise to the
26 liability under (b) - (f) of this section, unless the person sustains the burden of proof
27 that the person did not know and, in the exercise of reasonable care, could not have
28 known of the existence of conduct because of which the liability is alleged to exist.

29 (h) A person liable under this section has a right of contribution as in cases of
30 contract against any other person liable under this section for the same conduct.

31 (i) A cause of action under this section survives the death of an individual who

1 might have been a plaintiff or defendant.

2 (j) A person may not obtain relief under (b) of this section

3 (1) for a violation of AS 45.56.105, or under (d) or (e) of this section,
4 unless the action is instituted within three years after the violation occurred; or

5 (2) other than for a violation of AS 45.56.105, or under (c) or (f) of this
6 section, unless the action is instituted within the earlier of two years after discovery of
7 the facts constituting the violation or five years after the violation.

8 (k) A person that has made, or has engaged in the performance of, a contract
9 in violation of this chapter or a regulation adopted or order issued under this chapter or
10 that has acquired a purported right under the contract with knowledge of conduct
11 because of which its making or performance was in violation of this chapter may not
12 base an action on the contract.

13 (l) A condition, stipulation, or provision binding a person purchasing or
14 selling a security or receiving investment advice to waive compliance with this chapter
15 or a regulation adopted or order issued under this chapter is void.

16 (m) The rights and remedies provided by this chapter are in addition to any
17 other rights or remedies that may exist, but this chapter does not create a cause of
18 action not specified in this section or AS 45.56.475(e).

19 **Sec. 45.56.665. Rescission offers.** (a) A purchaser, seller, or recipient of
20 investment advice may not maintain an action under AS 45.56.660 if

21 (1) the purchaser, seller, or recipient of investment advice receives, in
22 a record, before the action is instituted,

23 (A) an offer stating the respect in which liability under
24 AS 45.56.660 may have arisen and fairly advising the purchaser, seller, or
25 recipient of investment advice of that person's rights in connection with the
26 offer and any financial or other information necessary to correct all material
27 misrepresentations or omissions in the information that was required by this
28 chapter to be furnished to that person at the time of the purchase, sale, or
29 investment advice;

30 (B) if the basis for relief under this section may have been a
31 violation of AS 45.56.660(b), an offer to repurchase the security for cash,

1 payable on delivery of the security, equal to the consideration paid, and interest
2 at the legal rate of interest under AS 09.30.070, or eight percent a year,
3 whichever is greater, from the date of the purchase, less the amount of any
4 income received on the security, or, if the purchaser no longer owns the
5 security, an offer to pay the purchaser, upon acceptance of the offer, damages
6 in an amount that would be recoverable upon a tender, less the value of the
7 security when the purchaser disposed of it, and interest at the legal rate of
8 interest under AS 09.30.070, or eight percent a year, whichever is greater, from
9 the date of the purchase in cash equal to the damages computed in the manner
10 provided in this subparagraph;

11 (C) if the basis for relief under this section may have been a
12 violation of AS 45.56.660(c), an offer to tender the security, on payment by the
13 seller of an amount equal to the purchase price paid, less income received on
14 the security by the purchaser and interest at the legal rate of interest under
15 AS 09.30.070, or eight percent a year, whichever is greater, from the date of
16 the sale, or, if the purchaser no longer owns the security, an offer to pay the
17 seller, upon acceptance of the offer, in cash, damages in the amount of the
18 difference between the price at which the security was purchased and the value
19 the security would have had at the time of the purchase in the absence of the
20 purchaser's conduct that may have caused liability and interest at the legal rate
21 of interest in AS 09.30.070, or eight percent a year, whichever is greater, from
22 the date of the sale;

23 (D) if the basis for relief under this section may have been a
24 violation of AS 45.56.660(d); and if the customer is a purchaser, an offer to
25 pay as specified in (B) of this paragraph; or, if the customer is a seller, an offer
26 to tender or to pay as specified in (C) of this paragraph;

27 (E) if the basis for relief under this section may have been a
28 violation of AS 45.56.660(e), an offer to reimburse in cash the consideration
29 paid for the advice and interest at the legal rate of interest under AS 09.30.070,
30 or eight percent a year, whichever is greater, from the date of payment; or

31 (F) if the basis for relief under this section may have been a

1 violation of AS 45.56.660(f), an offer to reimburse in cash the consideration
 2 paid for the advice, the amount of any actual damages that may have been
 3 caused by the conduct, and interest at the legal rate of interest under
 4 AS 09.30.070, or eight percent a year, whichever is greater, from the date of
 5 the violation causing the loss;

6 (2) the offer under (1) of this subsection states that it must be accepted
 7 by the purchaser, seller, or recipient of investment advice within 30 days after the date
 8 of its receipt by the purchaser, seller, or recipient of investment advice or any shorter
 9 period of not less than three days that the administrator, by order, specifies;

10 (3) the offeror has the present ability to pay the amount offered or to
 11 tender the security under (1) of this subsection;

12 (4) the offer under (1) of this subsection is delivered to the purchaser,
 13 seller, or recipient of investment advice or sent in a manner that ensures receipt by the
 14 purchaser, seller, or recipient of investment advice; and

15 (5) the purchaser, seller, or recipient of investment advice that accepts
 16 the offer under (1) of this subsection, in a record, within the period specified under (2)
 17 of this subsection, is paid in accordance with the terms of the offer.

18 (b) The offer under this section shall be filed with the administrator 10
 19 business days before the offering and conform in form and content with a regulation
 20 adopted under this chapter.

21 **Sec. 45.56.670. Criminal enforcement.** (a) A person who intentionally
 22 violates this chapter, except AS 45.56.550 or the notice filing requirements of
 23 AS 45.56.330 or 45.56.445, is guilty of a class C felony punishable by imprisonment
 24 under AS 12.55.125 or by a fine of not more than \$100,000, or by both.

25 (b) A person who intentionally alters, destroys, shreds, mutilates, or conceals a
 26 record, document, or other object, or attempts to do so, with the intent to alter or
 27 impair the record, document, or object for use in an official proceeding under this
 28 chapter, is guilty of a class C felony. A person convicted of violating this subsection is
 29 punishable by imprisonment as provided in AS 12.55.125, by a fine of not more than
 30 \$500,000, or by both.

31 (c) The attorney general, with or without a reference from the administrator,

1 may institute criminal proceedings under this chapter.

2 (d) This chapter does not limit the power of this state to punish a person for
3 conduct that constitutes a crime under other laws of this state.

5 **Sec. 45.56.675. Judicial review.** (a) A person may obtain judicial review by
6 the superior court of a final order issued by the administrator under this chapter by
7 filing a notice of appeal in accordance with the applicable rules of court governing
8 appeals in civil matters. The notice of appeal shall be filed within 30 days after the
9 order becomes final under AS 44.64.060.

10 (b) A regulation adopted under this chapter is subject to judicial review under
