15 * **Sec. 3.** AS 15.15 is amended by adding new sections to read:

16 **Sec. 15.15.055. Ballot security and chain of custody.** (a) The director shall
17 provide by regulation for a system to account for each used and unused ballot and
18 paper record of an electronically generated ballot under AS 15.15.032 through a
19 redundant, secure, and sealed system that tracks the location and entity that has
20 custody of a ballot or record from the time the ballot is printed or paper record
21 produced, until the applicable election is certified under AS 15.15.450 or, if a recount
22 is conducted, until the election is certified under AS 15.20.490. The division shall
23 continually update the system adopted under this section to ensure that state election
24 practices and procedures are consistent with the best practices and procedures and
25 protect the integrity of state elections held under this title.

26 (b) The system established in (a) of this section must provide that

27 (1) each ballot or record of an electronically generated ballot under
28 AS 15.15.032 for an election is tracked and accounted for at all times through a chain-
29 of-custody protocol;

30 (2) each ballot or record of an electronically generated ballot under
31 AS 15.15.032 for an election is returned to a single point of receipt at a designated

1 division location;

2 (3) immediately after the polls close, digital reports from an electronic
3 voting machine are printed in paper form and tracked and accounted for under this
4 section.

5 (c) Before certifying an election under AS 15.15.450 and, if a recount is
6 conducted, before certifying an election under AS 15.20.490, the director shall account
7 for each used or unused ballot and record of an electronically generated ballot under
8 AS 15.15.032. The state ballot counting review board shall audit and certify the ballot
9 accounting under this subsection in accordance with generally accepted accounting
10 principles.

11 (d) If, under the system established in (a) of this section, a ballot or record is
12 not accounted for, there is a break in the scheduled chain of custody, there is a lapse in
13 system security, or the director has reason to anticipate a break in the scheduled chain
14 of custody or lapse in system security before an election is certified under
15 AS 15.15.450 or, if a recount application is accepted, under AS 15.20.490, the director
16 shall notify the attorney general, the lieutenant governor, each affected candidate, and
17 each affected organization or organized group that sponsors or opposes an initiative,
18 referendum, or recall. The director shall provide an affected candidate or affected

23 voting machine, election ballot, record, certificate, or package of ballots has been
24 opened or otherwise tampered with, or another irregularity has occurred, shall

26 following the closing of the polls. If an election official or watcher at a precinct calls
27 for an audit under this subsection, the director shall require an audit of the affected
28 election materials before the materials are mailed under AS 15.15.370.

29 **Sec. 15.15.057. Election offense hotline.** (a) The director shall establish a toll-
30 free election offense hotline to receive telephone calls reporting election offenses
31 under this chapter. The director shall publicize the availability of the toll-free hotline

1 and encourage the public to provide information to the division related to voter
 2 misconduct or other election offenses under this chapter. The director shall ensure the
 3 hotline is continuously staffed during the hours an absentee voting station is open
 4 under AS 15.20.045, during the hours an early voting location is open under
 5 AS 15.20.064, and for 24 hours after the time the polls open on election day. From 24
 6 hours after the polls open until all election results are certified under AS 15.15.450,
 7 the director shall ensure an election official is continuously available to respond to
 8 calls made to the hotline.

9 (b) The director shall have the election offense hotline number printed on a
 10 sticker and placed on voting machines, ballot envelopes, and other election materials
 11 in a manner the director determines will provide maximum public notice of the
 12 election offense hotline.

13 * **Sec. 4.** AS 15.15.060 is amended by adding a new subsection to read:

14 (f) The director shall provide each election board in the state with notices

19 **Sec. 15.15.374. Notice of voter disqualification.** If a voter's vote for or
 20 against a candidate, proposition, or question is not counted, the director shall notify
 21 the voter by mail of the reason the vote was not counted and action the voter may take
 22 to avoid the issue in a future election. The director shall mail the explanation not later
 23 than

24 (1) 10 days after completion of the review of ballots by the state
 25 review board for a primary election or a special primary election under AS 15.40.140;

 27 special election other than a special primary election described in (1) of this section.

28 **Sec. 15.15.375. Free access system.** The director shall make available through
 29 a free access system to each voter a system to check to see whether the voter's ballot
 30 was counted and, if not counted, the reason why the ballot was not counted. The
 31 director shall make this information available through the free access system not less
