7 elections. The following directives shall be followed when applicable:

9 necessary additional instruction notes to voters, and other similar matters of form not
10 provided by law.

11 (2) The director shall number ballots in series to assure simplicity and
12 secrecy and to prevent fraud.

14 regional basis if necessary and shall [MAY] contract for the preparation of ballots **by**
15 [WITHOUT] obtaining **proposals as provided in AS 15.15.031** [COMPETITIVE

2 (4) The director may not include on the ballot as a part of a candidate's
3 name, any honorary or assumed title or prefix but may include in the candidate's name
4 any nickname or familiar form of a proper name of the candidate.

5 (5) The names of the candidates and their party designations shall be
6 placed in separate sections on the state general election ballot under the office
7 designation to which they were nominated. The party affiliation, if any, shall be
8 designated after the name of the candidate. The lieutenant governor and the governor
9 shall be included under the same section. Provision shall be made for voting for write-
10 in and no-party candidates within each section. Paper ballots for the state general
11 election shall be printed on white paper.

12 (6) The names of the candidates for each office shall be set out in the
13 same order on ballots printed for use in each house district. The director shall
14 randomly determine the order of the names of the candidates for state representative
15 for each house district. The director shall rotate the order of placement of the names of
16 candidates for governor, lieutenant governor, United States senator, United States
17 representative, and state senator on the ballot for each house district.

19 candidates of each political party, and of any independent candidates qualified under

22 and Vice-President.

23 (8) The general or special election ballot shall be designed with the
24 title and proposition for any initiative, referendum, or constitutional amendment
25 formulated as prescribed by law and placed on the ballot in the manner prescribed by
26 the director. When placed on the ballot, a state ballot proposition or ballot question
27 shall carry the number that was assigned to the petition for the proposition or question.
28 Provision shall be made for marking the proposition "Yes" or "No."

29 (9) The general or special election ballot shall be designed with the
30 question of whether a constitutional convention shall be called placed on the ballot in

1 made for marking the question "Yes" or "No."

2 (10) A nonpartisan ballot shall be designed for each judicial district in
3 which a justice or judge is seeking retention in office. The ballot shall be divided into
4 four parts and each part must bear a heading indicating the court to which the
5 candidate is seeking approval. Within each part, the question of whether the justice or
6 judge shall be approved or rejected shall be set out in substantially the following
7 manner: (A) "Shall be retained as justice of the supreme court for 10 years?";
8 (B) "Shall be retained as judge of the court of appeals for eight years?"; (C)
9 "Shall be retained as judge of the superior court for six years?"; or (D) "Shall
10 be retained as judge of the district court for four years?" Provision shall be
11 made for marking each question "Yes" or "No."

12 (11) When the legislature by law authorizes a state debt for capital
13 improvements, the director shall place the question of whether the specific
14 authorization shall be ratified by placing the ballot title and question on the next
15 general election ballot, or on the special election ballot if a special election is held for
16 the purpose of ratifying the state debt for capital improvements before the time of the
17 next general election. Unless specifically provided otherwise in the Act authorizing
18 the debt, the ballot title shall, by the use of a few words in a succinct manner, indicate
19 the general subject of the Act. The question shall, by the use of a few sentences in a
20 succinct manner, give a true and impartial summary of the Act authorizing the state
21 debt. The question of whether state debt shall be contracted shall be assigned a letter
22 of the alphabet on the ballot. Provision shall be made for marking the question
23 substantially as follows:

24 "Bonds. Yes" or "Bonds No,"
25 followed by an appropriate oval.

26 (12) [REPEALED
