A BILL

FOR AN ACT ENTITLED

"An Act establishing state land vouchers; relating to restricted land sales for veterans;
relating to the veterans' land purchase discount; relating to the permanent fund
dividend; relating to the duties of the Department of Revenue; authorizing the
Department of Natural Resources to accept state land vouchers; relating to eligibility for
public assistance; and providing for an effective date."

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

7

* Section 1. AS 38.05.940(c) is amended to read:

8 9

10

11

(c) A veteran is entitled to only one discount under this section during the veteran's lifetime. A veteran may apply one or more state land vouchers issued under AS 43.23.018 to the one-time purchase of land using the discount under this section.

- 12 * Sec. 2. AS 38.05.940(d) is amended to read:
- 13

(d) A discount under this section may be applied only to the acquisition of

1	surface rights to state land. A discount under this section may not be applied to survey
2	costs, road development costs, utility assessments, or other costs that the
3	commissioner determines are reimbursable to the state. A state land voucher issued
4	under AS 43.23.018 that is applied to a discounted purchase under this section
5	may be applied only to the acquisition of surface rights to state land and may not
6	be applied to costs ineligible for a discount under this section.
7	* Sec. 3. AS 38.95 is amended by adding new sections to read:
8	Article 8. State Land Vouchers.
9	Sec. 38.95.350. Accepting state land vouchers. The department shall accept
10	one or more state land vouchers issued under AS 43.23.018 as payment for purchases
11	of land sold under land sales contracts under AS 38.05.065, 38.05.067, and 38.05.940
12	entered into on or after January 1, 2021. The department may not accept state land
13	vouchers as payment for any rents, fees, or purchases of state land other than as
14	provided in this section. A state land voucher accepted for payment is exhausted
15	regardless of whether the purchase price of the land sold is less than the face value of
16	the voucher. A purchaser is not entitled to any refund or other credit when a state land
17	voucher is accepted for payment. Regardless of the price paid by a transferee of a state
18	land voucher to the transferor, the department shall accept the face value of the
19	voucher as payment.
20	Sec. 38.95.360. Report on state land vouchers. Before September 1 of each
21	year, the department shall report to the governor the number and value of state land
22	vouchers accepted for payment during the previous fiscal year. The department shall
23	include in the report a recommendation on whether any additional appropriation to the
24	state land disposal income fund under AS 38.04.022 is needed to account for the
25	decrease in deposits to the fund because of the acceptance of state land vouchers.
26	* Sec. 4. AS 43.23 is amended by adding a new section to read:
27	Sec. 43.23.018. Election of state land voucher instead of a monetary
28	dividend. (a) The Department of Revenue shall prepare the electronic Alaska
29	permanent fund dividend application to allow an applicant who files electronically to
30	elect to receive a single state land voucher instead of a monetary dividend. If the
31	commissioner of revenue is unable to determine an applicant's eligibility to receive a

permanent fund dividend under AS 43.23.015(a) during the dividend year, an election
to receive a state land voucher is void. An election to receive a state land voucher is
irrevocable. This election may not be made by any person or public agency submitting
an application on behalf of another individual. An assignee of the right to receive a
permanent fund dividend is ineligible to elect to receive a state land voucher.

6

7

8

9

10

(b) Notwithstanding the amount appropriated for the permanent fund dividend in a fiscal year, each state land voucher shall have a value that is twice that of the permanent fund dividend as would be calculated under AS 43.23.025 for that fiscal year if 50 percent of the income available for distribution were transferred to the dividend fund under AS 37.13.145(b).

(c) A state land voucher may be accepted as payment for the purchase of land
only as provided under AS 38.95.350.

13

(d) A state land voucher issued under this section does not expire.

(e) A state land voucher may be transferred to any person. Unless otherwise
provided by law or contract, a state land voucher may be transferred in the same
manner as other intangible property. The department may not approve or deny any
transfer. The department may not keep records of any transfers. An action may not be
brought against the state related to the transfer of a state land voucher.

(f) The issuance of a state land voucher by the department does not require the
Department of Natural Resources to enter into any land sale contract or make any land
available for purchase. The issuance of a state land voucher by the department is not a
statement as to the eligibility of any person to purchase land from the Department of
Natural Resources.

(g) The portion of a state land voucher subject to levy, execution,
garnishment, attachment, or any other remedy for the collection of debt shall be
determined under AS 43.23.140(e). The department shall issue a state land voucher for
the value remaining after collection.

* Sec. 5. AS 43.23.045 is amended by adding a new subsection to read:

(f) Any amount remaining as a result of individual elections to receive a state
land voucher instead of a monetary dividend, after the application of AS 43.23.140,
lapses into the general fund.

1	* Sec. 6. AS 43.23.055 is amended to read:
2	Sec. 43.23.055. Duties of the department. The department shall
3	(1) annually pay permanent fund dividends from the dividend fund and
4	issue state land vouchers as applicable under AS 43.23.018;
5	(2) subject to AS 43.23.011 and (8) of this section, adopt regulations
6	under AS 44.62 (Administrative Procedure Act) that establish procedures and time
7	limits for claiming a permanent fund dividend; the department shall determine the
8	number of eligible applicants by October 1 of the year for which the dividend is
9	declared and pay the dividends by December 31 of that year;
10	(3) adopt regulations under AS 44.62 (Administrative Procedure Act)
11	that establish procedures and time limits for an individual upon emancipation or upon
12	reaching majority to apply for permanent fund dividends not received during minority
13	because the parent, guardian, or other authorized representative did not apply on
14	behalf of the individual;
15	(4) assist residents of the state, particularly in rural areas, who, because
16	of language, disability, or inaccessibility to public transportation, need assistance to
17	establish eligibility and to apply for permanent fund dividends;
18	(5) use a list of individuals ineligible for a dividend under
19	AS 43.23.005(d) provided annually by the Department of Corrections and the
20	Department of Public Safety to determine the number and identity of those
21	individuals;
22	(6) adopt regulations that are necessary to implement AS 43.23.005(d)
23	and 43.23.048;
24	(7) adopt regulations that establish procedures for the parent, guardian,
25	or other authorized representative of a disabled individual to apply for prior year
26	permanent fund dividends not received by the disabled individual because no
27	application was submitted on behalf of the individual;
28	(8) adopt regulations that establish procedures for an individual to
29	apply to have a dividend disbursement under AS 37.25.050(a)(2) reissued if it is not
30	collected within two years after the date of its issuance; however, the department may
31	not establish a time limit within which an application to have a disbursement reissued

1 must be filed; 2 (9) provide any information, upon request, contained in permanent fund 3 dividend records to the child support services agency created in AS 25.27.010, or the 4 child support enforcement agency of another state, for child support purposes 5 authorized under law; if the information is contained in an electronic data base, the 6 department shall provide the requesting agency with either 7 (A) access to the data base; or 8 (B) a copy of the information in the data base and a statement 9 certifying its contents; 10 (10) establish a fraud investigation unit for the purpose of assisting the 11 (A) Department of Law in the prosecution of individuals who 12 apply for or obtain a permanent fund dividend in violation of a provision in 13 AS 11, by detecting and investigating those crimes; and 14 (B) commissioner to detect and investigate the claiming or 15 paying of permanent fund dividends that should not have been claimed by or 16 paid to an individual and to impose the penalties and enforcement provisions 17 under AS 43.23.270; (11) adopt regulations under AS 44.62 (Administrative Procedure Act) 18 19 so that contributions under AS 43.23.130 are given a priority over donations under 20 AS 43.23.230 if the total amount of contributions and donations elected by an 21 applicant exceeds the amount of the permanent fund dividend that the applicant is 22 entitled to receive; 23 (12) adopt regulations under AS 44.62 (Administrative Procedure 24 Act) that establish procedures and time limits for claiming a state land voucher; 25 (13) report to the Department of Natural Resources 26 (A) the number of individuals electing to receive a state land 27 voucher; and 28 (B) the number and value of state land vouchers issued. 29 * Sec. 7.
