21 located and a copy of the most recent report resulting from an inspection of the

23 jurisdiction in which the wholesale drug or device distributor is located;

24 (3) a sworn statement indicating that the wholesale drug or device  
25 distributor is in compliance with all lawful directions and requests for information  
26 from the regulatory or licensing authority of the jurisdiction in which the wholesale  
27 drug or device distributor is located; and

28 (4) proof satisfactory to the board that the wholesale drug or device  
29 distributor maintains its records of drugs and devices dispensed to vendors in the state  
30 so that the records are readily retrievable from the records of other items dispensed by  
31 the wholesale drug or device distributor.

1 (c) The board may, after a hearing, deny, revoke, or suspend the registration of  
 2 a wholesale drug or device distributor located outside of the state and subject to this  
 3 section if the wholesale drug or device distributor fails to comply with the
