28 permits for each administrative area;

29 (10) administer the buy-back program provided for in AS 16.43.310  
30 and 16.43.320 to reduce the number of outstanding entry permits to the optimum  
31 number of entry permits;

1 (11) provide for the transfer and reissuance of entry permits to

13 (17) issue landing permits under AS 16.05.675 and regulations adopted  
14 under that section;

15 (18) establish and collect annual fees for the issuance of landing  
16 permits that reasonably reflect the costs incurred in the administration and  
17 enforcement of provisions of law related to landing permits;

18 (19) establish a moratorium on entry into commercial fisheries as  
19 provided in AS 16.43.225;

20 (20) [REPEALED

21 (21)] when requested by a regional development organization formed  
22 under AS 44.33.895, provide to the organization, without charge, public information  
23 contained in the commission's data with respect to relevant fisheries, including limited  
24 fisheries, fishery participants, and limited entry permit holders' harvests and earnings;  
25 **and**

26 **(21) administer, when necessary to accomplish the purposes of this**  
27 **chapter, a Bering Sea hair crab fishery vessel permit system under AS 16.43.451 -**  
28 **16.43.521.**

29 \* **Sec. 4.** AS 16.43 is amended by adding new sections to read:

30 **Sec. 16.43.451. Bering Sea hair crab fishery vessel permit system.** (a) The  
31 commission may establish a vessel permit system under AS 16.43.451 - 16.43.521 for

1 the Bering Sea hair crab fishery if the commission determines that

2 (1) the regulation of entry into the fishery is necessary to achieve the  
3 purposes of this chapter;

4 (2) a vessel permit system would achieve the purposes of this chapter;  
5 and

6 (3) either

7 (A) limiting the number of participants in the fishery under  
8 AS 16.43.140 - 16.43.330 would not achieve the purposes of this chapter; or

9 (B) regulating the number of vessels in the fishery would  
10 enable the state to gain or retain management of the fishery.

11 (b) If the federal government has delegated management authority in the  
12 United States exclusive economic zone to the state for the Bering Sea hair crab  
13 fishery, the commission may, to the extent consistent with this chapter, adopt  
14 regulations to ensure that the vessel permit system is consistent with applicable federal  
15 laws.

16 (c) If the commission establishes a vessel permit system for a fishery that  
17 involves more than one fishery resource, type of gear, or administrative area, the  
18 commission may limit, as the commission determines appropriate, the fishery  
19 resources that may be harvested under the vessel permit, the types of gear that may be  
20 used under the vessel permit, or the areas where fishing may occur under the vessel  
21 permit. The commission shall adopt criteria, as appropriate, for determining

22 (1) how restrictions on fishery resources, types of gear, and areas  
23 fished are established for individual vessel interim-use permits and vessel entry  
24 permits; and

25 (2) how eligibility to take a particular fishery resource, to use a  
26 particular type of gear, or to fish in a particular area is established.

27 (d) The commission may, after consultation with the Department of Fish and  
28 Game, regulate the fishing capacity or effort authorized under a vessel interim-use  
29 permit or a vessel entry permit if the commission finds that limitations on fishing  
30 capacity or effort are necessary to achieve the purposes of this chapter. The  
31 commission shall adopt criteria, as appropriate, for measuring the fishing capacity or

1 effort of a vessel and for determining how restrictions on vessel fishing capacity or  
2 effort are established for individual vessel interim-use permits and vessel entry  
3 permits. The criteria may be based on past participation.

4 (e) The commission shall adopt regulations limiting the number of vessel  
5 permits that may be held by a permit holder or group of related permit holders if the  
6 commission finds that limiting the number of vessel permits that may be held by a  
7 permit holder or group of related permit holders is necessary to prevent the excessive  
8 concentration of ownership of vessel permits in the fishery.

9 (f) By February 1 of the filing year, the commission shall submit a biennial  
10 report to the governor and the legislature concerning the harvest and earnings of the  
11 vessel-based limited entry fisheries system for the Bering Sea hair crab during the  
12 preceding two years. The commission shall notify the legislature that the report is  
13 available.

14 **Sec. 16.43.461. Initial issuance of vessel permits.** (a) For the fishery that the  
15 commission establishes a vessel permit system for under AS 16.43.451, the  
16 commission shall establish qualifications for vessel interim-use permits and vessel  
17 entry permits. The qualifications may include a qualification date, eligibility period,  
18 recent and past participation requirements, minimum requirements for the nature and  
19 degree of ownership interest that a permit holder must have in a vessel in order to  
20 receive a vessel permit for the vessel, and criteria for receiving transferable and  
21 nontransferable vessel entry permits. In adopting qualifications for transferable and  
22 nontransferable vessel entry permits, the commission shall consider

23 (1) information provided by the Department of Fish and Game,  
24 participants in the fishery, owners of vessels and gear used in the fishery, and other  
25 interested parties;

26 (2) the level of recent and past participation and harvest in the fishery,  
27 the nature of the fishery, and the need to ensure the manageability of the fishery and  
28 conservation of the fishery resource.

29 (b) If the commission establishes a vessel permit system under AS 16.43.451  
30 for a fishery that was subject to a moratorium on entry of new vessels under former  
31 AS 16.43.901, the commission shall incorporate some or all of the vessel eligibility

1 criteria established for the moratorium into the eligibility criteria for vessel permits  
2 issued under the vessel permit system.

3 (c) Pending the issuance of vessel entry permits for a fishery for which the  
4 commission has established a vessel permit system under AS 16.43.451, the  
5 commission shall issue a vessel interim-use permit to the owner of each vessel that the  
6 commission finds is potentially eligible to receive a vessel entry permit. A vessel  
7 interim-use permit is renewable from year to year; however, a vessel interim-use  
8 permit expires at the end of the period for which the permit was issued and may not be  
9 renewed after a final determination by the commission that the vessel is or is not  
10 eligible for a vessel entry permit.

11 (d) The commission shall issue vessel entry permits for a fishery, subject to  
12 conditions established by the commission under AS 16.43.451 - 16.43.521, to the  
13 owner of each vessel that the commission finds is eligible to receive a vessel entry  
14 permit for that fishery.

15 (e) The commission shall adopt regulations regarding

16 (1) the determination of which person or entity is eligible to receive a  
17 vessel interim-use permit or a vessel entry permit for a vessel in the event of  
18 competing claims to ownership of the vessel; and

19 (2) the substitution of another vessel by the applicant for a vessel  
20 interim-use permit or a vessel entry permit if the vessel or vessels used to establish  
21 eligibility for a vessel entry permit are lost, or are retired from the fishery by the vessel  
22 owner, before the initial issuance of a vessel entry permit for the vessel.

23 **Sec. 16.43.471. Optimum number range of vessel permits.** (a) If, after the  
24 initial issuance of vessel entry permits for the Bering Sea hair crab fishery, the  
25 commission determines that a long-term biological or economic change has occurred  
26 in the fishery, the commission, in consultation with the Department of Fish and Game,  
27 shall establish the optimum number range of vessel entry permits for the fishery.

28 (b) In determining the optimum number range of vessel entry permits, the  
29 commission shall seek to

30 (1) facilitate sound management of the fishery;

31 (2) promote

- (A) the economic health and stability of the fishery;
- (B) broad access to the fishery;
- (C) conservation of the fish resources taken in the fishery;
- (D) quality seafood products; and

(3) discourage waste of harvested fish.

(c) The commission may increase or decrease the optimum number range of vessel entry permits for a fishery if the commission finds that an established long-term change in the biological or economic condition of the fishery has occurred and that the number of vessel entry permits that are necessary to achieve the goals set out in (b) of this section has substantially changed.

(d) If the optimum number range of vessel entry permits is less than the number of outstanding vessel permits for the fishery, the commission may adopt regulations to allow the voluntary consolidation of vessel entry permits by permit holders, including entities. The commission may investigate procedures to permanently reduce the number of vessel permits issued for a fishery to within the optimum number range.

(e) If the optimum number range of vessel entry permits is greater than the number of permits authorized for the fishery, the commission shall issue additional vessel entry permits until the number of vessel entry permits is consistent with the optimum number range for the fishery. The commission shall obtain fair market value for new vessel entry permits issued under this subsection. The commission shall determine whether the additional vessel entry permits issued under this subsection are transferable or nontransferable.

**Sec. 16.43.481. Transfer and expiration of vessel entry permits.** (a) The commission may adopt regulations authorizing the transfer of a transferable vessel entry permit to an eligible transferee and establishing the terms and conditions under which vessel entry permits may be transferred. The commission may require that the transferee of a vessel entry permit must have a legal ownership interest in the vessel identified on the vessel entry permit. The commission may establish by regulation minimum requirements for the nature and degree of ownership interest that the transferee must have in the vessel.

1 (b) The commission may adopt regulations authorizing the simultaneous  
2 transfer of a transferable vessel entry permit to an eligible transferee and the  
3 substitution of another vessel for the vessel identified on the permit under  
4 AS 16.43.491.

5 (c) The commission shall adopt regulations relating to the expiration of  
6 nontransferable vessel entry permits.

7 **Sec. 16.43.491. Substitution of vessels.** (a) The commission shall adopt  
8 regulations providing for the permanent or temporary substitution, after the initial  
9 issuance of vessel entry permits, of another vessel for the vessel that is identified on a  
10 vessel entry permit. The commission may specify by regulation the nature and degree  
11 of legal ownership interest that a permit holder must have in the vessel that is  
12 permanently or temporarily substituted for the vessel identified on the permit. Upon  
13 the approval of a permanent substitution of a vessel, the commission shall issue a new  
14 vessel entry permit for the substituted vessel.

15 (b) A substituted vessel and the operation of the substituted vessel are subject  
16 to all terms and conditions attached to the vessel entry permit at the time that the  
17 vessel permit is transferred from the original vessel to the substituted vessel.

18 **Sec. 16.43.501. Renewal of vessel permits.** (a) A vessel interim-use permit or  
19 vessel entry permit is issued for one year and must be renewed annually.

20 (b) A vessel interim-use permit or vessel entry permit may not be renewed  
21 until the fees for each preceding year during which the permit has not been renewed  
22 are paid.

23 (c) Failure to renew a vessel entry permit for two consecutive years from the  
24 year of last renewal results in a forfeiture of the permit unless the forfeiture is waived  
25 by the commission for good cause. If an administrative closure of a fishery occurs for  
26 an entire season, the commission may not count the season toward the two-year  
27 period.

28 **Sec. 16.43.511. Vessel permit fees.** (a) The commission shall establish fees for  
29 the issuance and annual renewal of vessel interim-use permits and vessel entry  
30 permits. Annual fees established under this subsection may not exceed \$2,500 and  
31 shall reasonably reflect the rate of economic return for the fishery.

1 (b) The commission shall waive the payment of the annual fees for a vessel  
2 interim-use permit or a vessel entry permit for a fishery in which there was an  
3 administrative closure for the entire season.

4 (c) Subject to AS 37.10.050(a), the commission may establish fees for  
5 processing applications for vessel interim-use permits and vessel entry permits, for  
6 transfer of vessel entry permits, and for permanent and temporary substitution of  
7 vessels.

8 (d) The commission may charge interest at a rate not to exceed the legal rate  
9 of interest established in AS 45.45.010(a) on fees established under the section that are  
10 more than 60 days overdue.

11 **Sec. 16.43.521. General Bering Sea hair crab vessel permit provisions.** (a)  
12 A person or entity may not operate a vessel or use a vessel to take fish in the Bering  
13 Sea hair crab commercial fishery for which a vessel interim-use permit or vessel entry  
14 permit is required unless the appropriate vessel permit has been issued for the vessel  
15 and is posted in a prominent location on the vessel.

16 (b) A person or entity may not hold more than one vessel entry permit for the  
17 Bering Sea hair crab fishery unless

18 (1) the number of vessel entry permits held by the person or entity is  
19 consistent with regulations of the commission regarding concentration of ownership of  
20 vessel permits in the fishery; and

21 (2) either

22 (A) the person or entity qualified for each vessel entry permit at  
23 the time of the initial issuance of vessel entry permits for the fishery; or

24 (B) the vessel entry permits are issued for a vessel for which  
25 the person or entity already holds another vessel entry permit for that fishery.

26 (c) The operator of a vessel for which a vessel interim-use permit or vessel  
27 entry permit has been issued shall comply with the terms of the vessel permit while the  
28 vessel is operated in the fishery for which the permit is issued.

29 (d) A vessel interim-use permit and a vessel entry permit constitute a use  
30 privilege that may be modified or revoked by order of the commission or by law  
31 without compensation.

1 (e) A vessel entry permit may not be  
2 (1) pledged, mortgaged, leased, or encumbered in any way;  
3 (2) transferred with any retained right of repossession or foreclosure,  
4 or on any condition requiring a subsequent transfer; or  
5 (3) attached, distrained, or sold on execution of judgment or under any  
6 other process or order of any court.

7 (f) Unless the person who holds a vessel entry permit has expressed a contrary  
8 intent in a will that is probated, the commission shall, upon the death of the person,  
9 transfer the vessel entry permit by right of survivorship directly to the person's  
10 surviving spouse or, if no spouse survives, to another person designated by the vessel  
11 permit holder on a form provided by the commission. If no spouse survives and if the  
12 person designated on the form, if any, does not survive, the permit passes as part of the  
13 vessel permit holder's estate. A designation under this subsection must be  
14 acknowledged before a person authorized to administer an oath under AS 09.63.010 or  
15 must be witnessed by two persons who are qualified under AS 13.12.505 to witness  
16 the will of the vessel permit holder. A vessel entry permit is exempt from the claims of  
17 creditors of the estate.

18 (g) AS 16.43.451 - 16.43.521 do not alter the requirement for an interim-use  
19 permit or entry permit under AS 16.43.140 or a vessel license under AS 16.05.490 -  
20 16.05.520.

21 (h) Nothing in AS 16.43.451 - 16.43.521 limits the powers of the Board of  
22 Fisheries or the Department of Fish and Game.

23 (i) Notwithstanding AS 16.05.815 and AS 16.43.975, the commission may  
24 release to the owner of a vessel information on the vessel's history of harvests in a  
25 fishery that is necessary to apply for a vessel interim-use permit or vessel entry permit  
26 under AS 16.43.451 - 16.43.521.

27 \* **Sec. 5.** AS 16.43.960(a) is amended to read:

28 (a) The commission may revoke, suspend, or transfer all entry or interim-use  
29 permits, vessel entry permits, or vessel interim-use permits held by a person **or**  
30 **entity** who knowingly provides or assists in providing false information, or fails to  
31 correct false information provided to the commission for the purpose of obtaining a

1 benefit for self or another, including the issuance, renewal, duplication, or transfer of  
2 an entry or interim-use permit, [OR] vessel license, **vessel entry permit, or vessel**  
3 **interim-use permit**. The commission may suspend, as appropriate, that person's **or**  
4 **entity's** eligibility to hold an entry or interim-use permit, **vessel entry permit, or**  
5 **vessel interim-use permit** for a period not to exceed three years, and may impose an  
6 administrative fine of not more than \$5,000 on the person **or** [. THE COMMISSION  
7 MAY ALSO IMPOSE AN ADMINISTRATIVE FINE OF NOT MORE THAN  
8 \$5,000 ON AN] entity whose officers, employees, representatives, or agents  
9 knowingly provide or assist in providing false information, or fail to correct false  
10 information provided, to the commission for the purpose of obtaining a benefit.

11 \* **Sec. 6.** AS 16.43.960(a), as amended by sec. 5 of this Act, is amended to read:

12 (a) The commission may revoke, suspend, or transfer all entry or interim-use  
13 permits [, VESSEL ENTRY PERMITS, OR VESSEL INTERIM-USE PERMITS]  
14 held by a person [OR ENTITY] who knowingly provides or assists in providing false  
15 information, or fails to correct false information provided to the commission for the  
16 purpose of obtaining a benefit for self or another, including the issuance, renewal,  
17 duplication, or transfer of an entry or interim-use permit **or** [,] vessel license [,  
18 VESSEL ENTRY PERMIT, OR VESSEL INTERIM-USE PERMIT]. The  
19 commission may suspend [, AS APPROPRIATE,] that person's [OR ENTITY'S]  
20 eligibility to hold an entry or interim-use permit [, VESSEL ENTRY PERMIT, OR  
21 VESSEL INTERIM-USE PERMIT] for a period not to exceed three years, and may  
22 impose an administrative fine of not more than \$5,000 on the person. **The commission**  
23 **may also impose an administrative fine of not more than \$5,000 on an** [OR] entity  
24 whose officers, employees, representatives, or agents knowingly provide or assist in  
25 providing false information, or fail to correct false information provided, to the  
26 commission for the purpose of obtaining a benefit.

27 \* **Sec. 7.** AS 16.43.970(a) is amended to read:

28 (a) A person who violates a provision of this chapter or a regulation adopted  
29 under this chapter **or an entity that violates a provision of AS 16.43.451 - 16.43.521**  
30 **or a regulation adopted under AS 16.43.451 - 16.43.521** is, upon conviction, guilty  
31 of a class B misdemeanor and is punishable by a fine of not more than \$5,000 for a

1 first conviction, and a fine of not more than \$10,000 for a second or third conviction.  
2 Upon a first or second conviction under this subsection, the court may in its discretion  
3 also order the commission to suspend the commercial fishing privileges of the person  
4 or entity for a period of not more than three years and to revoke one or more or all  
5 commercial fishing permits held by the person or entity. Upon a third or subsequent  
6 conviction under this subsection, the person or entity is also subject to a loss of  
7 commercial fishing privileges as provided under (i) of this section. This subsection  
8 does not apply to violations of AS 16.43.140(a).

9 \* **Sec. 8.** AS 16.43.970(a), as amended by sec. 7 of this Act, is amended to read:

10 (a) A person who violates a provision of this chapter or a regulation adopted  
11 under this chapter [OR AN ENTITY THAT VIOLATES A PROVISION OF  
12 AS 16.43.451 - 16.43.521 OR A REGULATION ADOPTED UNDER AS 16.43.451 -  
13 16.43.521] is, upon conviction, guilty of a class B misdemeanor and is punishable by a  
14 fine of not more than \$5,000 for a first conviction, and a fine of not more than \$10,000  
15 for a second or third conviction. Upon a first or second conviction under this  
16 subsection, the court may in its discretion also order the commission to suspend the  
17 commercial fishing privileges of the person [OR ENTITY] for a period of not more  
18 than three years and to revoke one or more or all commercial fishing permits held by  
19 the person [OR ENTITY]. Upon a third or subsequent conviction under this  
20 subsection, the person [OR ENTITY] is also subject to a loss of commercial fishing  
21 privileges as provided under (i) of this section. This subsection does not apply to  
22 violations of AS 16.43.140(a).

23 \* **Sec. 9.** AS 16.43.970(b) is amended to read:

24 (b) A person or entity who knowingly makes a false statement to the  
25 commission for the purpose of obtaining a benefit, including the issuance, renewal,  
26 duplication, or transfer of an entry or interim-use permit, [OR] vessel license, vessel  
27 interim-use permit, or vessel entry permit, or a person who assists another by  
28 knowingly making a false statement to the commission for the purpose of obtaining a  
29 benefit for another, is guilty of the crime of unsworn falsification in the second degree  
30 as set out in AS 11.56.210. Upon conviction, the person or entity is also subject to  
31 suspension of commercial fishing privileges and revocation of commercial fishing

1 permits under (i) of this section.

2 \* **Sec. 10.** AS 16.43.970(b), as amended by sec. 9 of this Act, is amended to read:

4 commission for the purpose of obtaining a benefit, including the issuance, renewal,  
5 duplication, or transfer of an entry or interim-use permit or [,] vessel license [,  
6 VESSEL INTERIM-USE PERMIT, OR VESSEL ENTRY PERMIT,] or a person who  
7 assists another by knowingly making a false statement to the commission for the  
8 purpose of obtaining a benefit for another, is guilty of the crime of unsworn  
9 falsification in the second degree as set out in AS 11.56.210. Upon conviction, the  
10 person [OR ENTITY] is also subject to suspension of commercial fishing privileges  
11 and revocation of commercial fishing permits under (i) of this section.

12 \* **Sec. 11.** AS 16.43.970(d) is amended to read:

13 (d) If a permit holder is charged by the state with violating a provision of this  
14 chapter or a regulation adopted under this chapter, the holder may not transfer any  
15 interim-use or entry permit under AS 16.43.170 or any transferable vessel entry  
16 permit under AS 16.43.451 - 16.43.521 until after the final adjudication or dismissal  
17 of the charges.

18 \* **Sec. 12.** AS 16.43.970(d), as amended by sec. 11 of this Act, is amended to read:

19 (d) If a permit holder is charged by the state with violating a provision of this  
20 chapter or a regulation adopted under this chapter, the holder may not transfer any  
21 interim-use or entry permit under AS 16.43.170 [OR ANY TRANSFERABLE
