14 prices and the maximum underwriting discounts and commissions has been on file for
15 two full business days or a shorter period **that** [WHICH] the administrator permits and
16 the offering is made within those limitations.

17 (d) The registrant shall promptly notify the administrator by telephone or
18 telegram of the date and time when the federal registration statement became effective
19 and the content of the price amendment, if any, and shall promptly file a post-effective

26 notice or hearing, retroactively denying effectiveness to the registration statement or
27 suspending its effectiveness until compliance with this subsection and
28 [SUBSECTION] (c) of this section if the administrator promptly notifies the registrant
29 by telephone or telegram, and promptly confirms by letter or telegram when the
30 administrator notifies by telephone, of the issuance of the order. If the registrant

2 the time of its entry. The administrator may by regulation or otherwise waive either or
3 both of the conditions specified in (c)(2) and (3) of this section. If the federal
4 registration statement becomes effective before all the conditions in this subsection
5 and [SUBSECTION] (c) of this section are satisfied and they are not waived, the
6 registration statement automatically becomes effective as soon as all the conditions are
7 satisfied. If the registrant advises the administrator of the date when the federal
8 registration statement is expected to become effective, the administrator shall
9 promptly advise the registrant by telephone or telegram at the registrant's expense [,]
10 whether all the conditions are satisfied and whether the administrator then
11 contemplates the institution of a proceeding under AS 45.55.120; but this advice by
12 the administrator does not preclude the institution of the proceeding at any time.
