

**HOUSE JOINT RESOLUTION NO. 16**

IN THE LEGISLATURE OF THE STATE OF ALASKA

THIRTY-THIRD LEGISLATURE - SECOND SESSION

**BY REPRESENTATIVE MCKAY**

**Introduced: 1/16/24**

**Referred: Transportation, Resources**

**A RESOLUTION**

1 **Urging the Alaska delegation in Congress to pursue a waiver to the Jones Act for the**  
2 **transportation of oil and gas drilling rigs to the state.**

3 **BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

4 **WHEREAS** the state is grappling with a consequential natural gas shortage, impairing  
5 the well-being and economic stability of its residents and businesses; and

6 **WHEREAS** the natural gas shortage poses a substantial threat to energy security and  
7 reliability in the state; and

8 **WHEREAS** the current deficit in local natural gas production capability is, in part, the  
9 result of a shortage of jack-up drilling rigs, which are pivotal for increasing in-state natural  
10 gas extraction in the Cook Inlet sedimentary basin; and

11 **WHEREAS** 46 U.S.C. 55102 (sec. 27 of the Merchant Marine Act of 1920),  
12 commonly known as the Jones Act, mandates that goods transported between United States  
13 ports be carried on ships that are built, owned, and registered in the United States and crewed  
14 by United States citizens, which complicates the transportation of drilling rigs to the state; and

15 **WHEREAS** the complexity of oil and gas drilling rigs creates substantial barriers to  
16 procuring and constructing rigs within the confines of the state; and

1           **WHEREAS** acquiring a waiver to the Jones Act would facilitate the transportation of  
2 essential drilling rigs from other states and territories of the United States and foreign  
3 countries, thereby helping to mitigate the state's energy crisis; and

4           **WHEREAS** alleviating the natural gas shortage will not only bolster the state's energy  
5 security but will also safeguard the health and safety of the state's residents; and

6           **WHEREAS** the sustainable development of the state's rich energy resources will, in  
7 the longer term, contribute to domestic energy security and economic prosperity, both in the  
8 state and throughout the United States;

9           **BE IT RESOLVED** that the Alaska State Legislature respectfully urges the Alaska  
10 delegation in Congress to pursue a waiver to the Jones Act to facilitate the urgent  
11 transportation of oil and gas drilling rigs to the state, recognizing the imminent and acute  
12 necessity to stabilize the state's energy supply.

13           **COPIES** of this resolution shall be sent to the Honorable Joseph R. Biden, President  
14 of the United States; the Honorable Pete Buttigieg, United States Secretary of Transportation;  
15 and the Honorable Lisa Murkowski and the Honorable Dan Sullivan, U.S. Senators, and the  
16 Honorable Mary Peltola, U.S. Representative, members of the Alaska delegation in Congress.
