14 (I) the president of the National Education Association of
15 Alaska;

16 (J) a representative of Alaska Native interests, appointed by the
17 governor;

18 (2) nonvoting advisory members, as follows:

19 (A) four state legislators, as follows:

20 (i) one member from the senate, appointed by the
21 president of the senate;

22 (ii) one member from the house of representatives,
23 appointed by the speaker of the house of representatives;

24 (iii) the chair of the senate committee having
25 jurisdiction over education;

26 (iv) the chair of the house committee having jurisdiction
27 over education;

28 (B) one member of the armed services of the United States,
29 appointed by the governor;

30 (C) two members who represent private colleges or
31 universities, one of whom is affiliated with Alaska Pacific University,

1 appointed by the governor;

2 (D) one member who represents public postsecondary
3 institutions and who is not affiliated with the University of Alaska, appointed
4 by the governor;

5 (E) three members, in addition to the president, who represent
6 the University of Alaska, appointed by the governor;

7 (F) one member, appointed by the governor, who represents
8 public school district superintendents;

9 (G) one member, appointed by the governor, who represents
10 governing bodies of public school districts and regional educational attendance
11 areas;

12 (H) five members, appointed by the governor, who represent
13 private employers in each of the following industries:

14 (i) banking and finance;

31 in early childhood education;

(N) one member, appointed by the governor, who is an expert in career and technology education; and

(O) the chief executive officer of the Alaska State Chamber of Commerce.

(c) An executive committee of the council shall be responsible for scheduling and presiding over meetings, approving final recommendations, and appointing subcommittees of the council. The executive committee is made up of the governor or the governor's designee, the commissioner of education and early development or the commissioner's designee, the commissioner of labor and workforce development or the commissioner's designee, and the commissioner of commerce, community, and economic development or the commissioner's designee. The executive committee shall elect a chair of the council from among the members of the executive committee.

(d) The council may employ an administrator to serve as staff to the council.

Sec. 14.07.191. Terms of office; compensation. (a) The term of office of a nonvoting member of the council appointed under AS 14.07.190(b)(2) is three years. Terms shall be staggered. A nonvoting member may be selected more than one time or reappointed but may not serve more than two consecutive terms.

(b) A vacancy shall be filled in the same manner as the original selection or appointment. A person selected or appointed to fill a vacancy serves for the unexpired portion of the term.

(c) Members of the council serve without compensation, but voting members of the council are entitled to per diem and travel expenses authorized for boards and commissions under AS 39.20.180.

Sec. 14.07.192. Meetings and quorum. (a) A majority of the members of the council constitutes a quorum for conducting business and exercising the powers of the council. The council may not take action unless a majority of the voting members are present.

(b) The council shall meet at least four times each year at regularly scheduled times, beginning in September of each year. All meetings of the council and special committees appointed by the council shall be open to the public and include public comment as an agenda item. Members may participate in meetings telephonically.

Sec. 14.07.193. Powers and duties of the council. (a) The council shall develop strategies and recommendations to improve coordination of and standards for curriculum and staff development at all grade levels, preschool through secondary school, to ensure the long-term success of students. The strategies and recommendations must address

(1) standards for current and future college and career readiness, including the ability of high school graduates to use critical thinking and technical skills required by postsecondary educational institutions, employers, and the armed services;

(2) transitions between preschool, elementary, middle, secondary and postsecondary schools, and careers;

(3) drop-out and graduation rates in secondary schools;

(4) current and future workforce needs, including shortages in areas critical to the education, health, and safety of residents of the state;

(5) alignment of public elementary and secondary curriculum standards with the needs and expectations of colleges and employers;

(6) educational leadership programs;

(7) improved pathways to college degrees;

(8) access to affordable postsecondary education and career training;

(9) advances made nationally in public education, including measures to improve teacher quality and retention, that may be implemented in the state; and

(10) other issues considered appropriate by the council.

(b) In carrying out the duties under (a) of this section, the council shall

(1) hold public hearings throughout the state;

(2) identify reasons for high and low student achievement, including reasons for schools exceeding or failing to meet standards established by secondary and postsecondary schools in the state;

(3) obtain advice and information from experts and other interested parties;

(4) review actions taken by other states to improve public education, improve teacher quality, and reduce drop-out rates;

(5) consider past efforts by the state to improve public education and reduce drop-out rates and evaluate the effectiveness of those efforts, including the efforts of the Science, Technology, Engineering, and Math Coalition;

(6) initiate long-term studies of postsecondary performance of students graduating from secondary schools in the state;

(7) establish routine communications and enter into collaborative agreements with business, academic, and political leaders in the state; and

(8) improve availability of information and resources for students and parents at all grade levels.

(c) The council may

(1) appoint special committees;

(2) request that the commissioner of education and early development, the president of the University of Alaska, or the commissioner of commerce, community, and economic development employ specialized personnel; a person employed or contracted with at the request of the council shall provide services at the direction of the council;

(3) apply for and receive grants and other public and private funds;

(4) enter into contracts as necessary to carry out the duties of the council.

(d) Before January 15 of each year, the council shall prepare and distribute to the legislature and to the public on request a report that includes the council's findings and recommendations, including the council's recommendations for legislative action.

Sec. 14.07.194. Public outreach. (a) The council shall conduct public outreach across the state to assess educational needs and solicit suggestions for improving public education in the state.

(b) The council may conduct public meetings and electronic surveys and use other appropriate methods for acquiring information under (a) of this section.

(c) The council shall consider the results of public outreach before developing strategies and recommendations under AS 14.07.193.

Sec. 14.07.199. Definition. In AS 14.07.190 - 14.07.199, "council" means the P-16 Education Council.
