 31 becomes a member after June 30, 2006, or a surviving spouse who is eligible under

1 AS 39.35.537(b) may elect medical benefits under AS 39.35.537.

2 * **Sec. 29.** AS 39.35 is amended by adding a new section to read:

3 **Sec. 39.35.537. Medical benefit; eligibility of peace officers or firefighters**
4 **first hired after June 30, 2006; surviving spouses and dependents.** (a) A peace
5 officer or firefighter who became a member of the plan after June 30, 2006, receives a
6 monthly benefit from the plan, and has elected benefits under this section is entitled to
7 medical benefits under this section. A member who applies for medical benefits under
8 this section shall apply on the forms and in the manner prescribed by the
9 administrator.

10 (b) The member's surviving spouse is eligible to elect medical benefits if the
11 member had retired or was eligible for retirement and medical benefits at the time of
12 the member's death.

13 (c) The medical benefits available to eligible persons are access to the retiree
14 major medical insurance plan and access to the health reimbursement arrangement
15 plan under AS 39.30.300. Access to the retiree major medical insurance plan means
16 that an eligible person may not be denied insurance coverage except for failure to pay
17 the required premium.

18 (d) Retiree major medical insurance plan coverage elected by an eligible
19 member under this section covers the eligible member, the spouse of the eligible
20 member, and the dependent children of the eligible member.

21 (e) Retiree major medical insurance plan coverage elected by a surviving
22 spouse of an eligible member under this section covers the surviving spouse and the
23 dependent children of the eligible member who are dependent on the surviving spouse.

24 (f) Participation in the retiree major medical insurance plan is not required in
25 order to participate in the health reimbursement arrangement plan.

26 (g) A person eligible for medical benefits under this section is not required to
27 participate in the health reimbursement arrangement plan in order to participate in the
28 retiree major medical insurance plan.

29 (h) A person who is eligible for medical benefits under this section must make
30 the irrevocable election to participate or not participate in the retiree major medical
31 insurance plan on or before the date the person reaches 70 1/2 years of age or when the

1 person applies for retirement and medical benefits, whichever is later.

2 (i) Major medical insurance coverage takes effect on the first day of the month
3 following the date of the administrator's approval of the election and stops when the
4 person who elects coverage dies or fails to make a required premium payment.

5 (j) The coverage for persons 65 years of age or older is the same as that
6 available for persons under 65 years of age. The benefits payable to those persons 65
7 years of age or older supplement any benefits provided under the federal old age,
8 survivors, and disability insurance program.

9 (k) The medical and optional insurance premiums owed by the person who
10 elects coverage may be deducted from the health reimbursement arrangement. If the
11 amount of the health reimbursement arrangement becomes insufficient to pay the
12 premiums, the person who elects coverage under (a) of this section shall pay the
13 premiums directly.

14 (l) The cost of premiums for retiree major medical insurance coverage under
15 this section for an eligible member or surviving spouse who is

16 (1) not eligible for Medicare is an amount equal to the full monthly
17 group premiums for retiree major medical insurance coverage;

18 (2) eligible for Medicare is the following percentage of the premium
19 amounts established for retirees who are eligible for Medicare:

20 (A) 30 percent if the member had 10 or more, but less than 15,
21 years of service;

22 (B) 25 percent if the member had 15 or more, but less than 20,
23 years of service;

24 (C) 20 percent if the member had 20 or more, but less than 25,
25 years of service;

26 (D) 15 percent if the member had 25 or more, but less than 30,
27 years of service;

28 (E) 10 percent if the member had 30 or more years of service.

29 (m) The eligibility for retiree major medical insurance coverage for an
30 alternate payee under a qualified domestic relations order shall be determined based
31 on the eligibility of the member to elect coverage. The alternate payee shall pay the

1 full monthly premium for retiree major medical insurance coverage.

2 (n) A person who is entitled to retiree major medical insurance coverage under
3 this section shall

4 (1) be informed by the administrator in writing

5 (A) that the health insurance coverage available to retired
6 members may be different from the health insurance coverage provided to
7 employees;

8 (B) of time limits for selecting optional health insurance
9 coverage and whether the election is irrevocable; and

10 (2) indicate in writing on a form provided by the administrator that the
11 person has received the information required by this subsection and whether the
12 person has chosen to receive optional health insurance coverage.

13 (o) The monthly group premiums for retiree major medical insurance coverage
14 under this section are established by the administrator in accordance with
15 AS 39.30.095. Nothing in this chapter guarantees a person who elects coverage under
16 (a) of this section a monthly group premium rate for retiree major medical insurance
17 coverage other than the premium in effect for the month in which the premium is due
18 for coverage for that month.

19 (p) In this section, "health reimbursement arrangement plan" means the plan
20 established in AS 39.30.300.

23 dividing the compensation earned by an employee during a considered period by the
24 number of months, including fractional months, for which compensation was earned;
25 an employee must have at least 115 days of credited service in the last payroll year in
26 order for that year to be used as part of the consecutive payroll years; the considered
27 period consists of

28 (A) for employees first hired before July 1, 1996, the three
29 consecutive payroll years during the period of credited service that yield the
30 highest average;

31 (B) for employees first hired on or after July 1, 1996, the five

1 consecutive payroll years during the period of credited service that yield the
2 highest average;

3 (C) if the employee does not have the number of consecutive
4 payroll years required by (A) or (B) of this paragraph, the actual number of
5 months, including fractional months, that the employee worked;

26 or reorganization that occurs

27 **(i) at any time, with respect to peace officers or**

14 * **Sec. 35.** The uncodified law of the State of Alaska is amended by adding a new section to
15 read:

16 RETIREMENT PLAN ELECTION. (a) A peace officer or firefighter who was first
17 hired after June 30, 2006, and before the effective date of this section, and who is a member
18 of the defined contribution retirement plan of the public employees' retirement system under
19 AS 39.35.700 - 39.35.990, may, within 90 days after the effective date of this section, make a
20 one-time election to participate in the defined benefit retirement plan under AS 39.35.095 -
21 39.35.680 and to transfer all contributions that have been made or should be made to the
22 defined contribution retirement plan for service the member completes before the effective
23 date of the member's participation in the defined benefit retirement plan. The transferred
24 contributions shall be used to purchase credited service in the defined benefit retirement plan
25 on an actuarial equivalent basis determined by the Alaska Retirement Management Board
26 established under AS 37.10.210.

27 (b) In this section, "peace officer" or "firefighter" has the meaning given in
28 AS 39.35.680.

29 * **Sec. 36.** The uncodified law of the State of Alaska is amended by adding a new section to
30 read:

31 RETIREMENT PLAN ELECTION PROCEDURE. (a) An election made under sec.

1 35 of this Act to participate in the defined benefit retirement plan under AS 39.35.095 -
2 39.35.680 must be made in writing on one or more forms and in the manner prescribed by the
3 administrator. Before accepting an election to participate in the defined benefit retirement
4 plan, the administrator shall provide the employee who plans on making an election to
5 participate in the defined benefit retirement plan with information, including calculations to
6 illustrate the effect of moving the employee's retirement plan from the defined contribution
7 retirement plan to the defined benefit retirement plan as well as other information that informs
8 the employee of potential consequences of the employee's election.

9 (b) An election made under sec. 35 of this Act to participate in the defined benefit
10 retirement plan is irrevocable. On the effective date of the election, an eligible employee who
11 makes the election shall be enrolled as a member of the defined benefit retirement plan, and
12 the employee's participation in the plan shall be governed by the applicable provisions of the
13 defined benefit retirement plan. The employee's enrollment in the defined benefit retirement
14 plan is retroactive to the date of hire. An election made by an eligible employee who is
15 married is not effective unless the election is signed by the employee's spouse.

16 (c) When an eligible employee makes a one-time election under sec. 35 of this Act,
17 the administrator shall cause the total amount of the employee's employee and employer
18 contributions, with investment earnings and losses through the day of the employee's election
19 to participate as a member in the defined benefit retirement plan, to be actuarially calculated
20 and, subject to (e) of this section, transferred to the pension fund in the defined benefit
21 retirement plan. On the effective date of the employee's participation in the defined benefit
22 retirement plan, the employee shall be credited with service in the defined benefit retirement
23 plan that may be purchased under an actuarial equivalent purchase formula as determined by
24 the board. The board shall establish transfer procedures by regulation, but the actual transfer
25 may not occur later than 60 days after the date the administrator receives the employee's
26 completed forms under (a) of this section, unless the major financial markets for securities
27 available for a transfer are seriously disrupted by an unforeseen event that also causes the
28 suspension of trading on any national securities exchange in the country where the securities
29 were issued. In that event, the 60-day period may be extended by a resolution of the board. A
30 transfer is not commissionable or subject to other fees and may be in the form of cash or a
31 security as determined by the board. A security shall be valued on the date of receipt in the

1 employee's account.

2 (d) When making a transfer for an eligible employee under (c) of this section, the
3 administrator shall cause an amount equal to the

4 (1) decrease in the accrued actuarial liability of the occupational death and
5 disability trust in the defined contribution retirement plan resulting from the transfer as of the
6 date of transfer, based on the most recent actuarial valuation of the occupational death and
7 disability trust, to be transferred from the occupational death and disability trust in the defined
8 contribution retirement plan to the pension fund in the defined benefit retirement plan; and

9 (2) increase in the accrued actuarial liability of the health care trust in the
10 defined benefit retirement plan resulting from the transfer as of the date of transfer, based on
11 the actuarial assumptions set out in (g) of this section, to be transferred from the trust
12 established under AS 39.30.097(b) for the prefunding of medical benefits provided by
13 AS 39.35.880 to the trust established under AS 39.30.097(a) for the prefunding of medical
14 benefits provided by AS 39.35.537.

15 (e) If the value actuarially calculated under (c) of this section is insufficient to pay for
16 service credit equal to the employee's actual service, the administrator shall allow the
17 employee the option of purchasing any indebtedness up to the amount needed to eliminate the
18 insufficiency; however, if that value exceeds the amount needed to pay for a service credit
19 equal to the employee's actual service, the administrator shall cause the excess to remain in
20 the employee's retirement plan established under AS 39.35.700 - 39.35.990. An excess under
21 this subsection may not be used to purchase service credit in a retirement plan administered
22 under AS 39.35.

23 (f) The amount of service that can be purchased under (e) of this section is based on
24 the transferred employee's accrued actuarial liability of pension benefits in the defined benefit
25 retirement plan. The actuarial assumptions under this section are based on the actuarial
26 assumptions set out in (g) of this section.

27 (g) Actuarial assumptions must be based on the most recent actuarial valuation of the
28 defined benefit retirement plan, except that the retirement rates are computed at 75 percent of
29 the retirement rates for peace officers and firefighters used in the most recent actuarial
30 valuation of the defined contribution retirement pension fund plus 25 percent of the retirement
31 rates for peace officers and firefighters used in the most recent actuarial valuation of the

1 defined benefit retirement plan.

2 (h) The provisions of this section are subject to the requirements of the Internal
3 Revenue Code and the limitations under AS 39.35.115, 39.35.678, 39.35.710(c) and (d), and
4 39.35.895.

7 designated by the commissioner of administration under AS 39.35.003 for a public
8 employees' retirement plan;

9 (2) "board" means the Alaska Retirement Management Board established
10 under AS 37.10.210;

16 * **Sec. 37.** The uncodified law of the State of Alaska is amended by adding a new section to
17 read:

18 **ADOPTION OF REGULATIONS.** (a) The Alaska Retirement Management Board
19 may adopt regulations necessary to implement secs. 1 - 3 of this Act. Regulations adopted by
20 the Alaska Retirement Management Board under this Act relate to the internal management of

25 administration under this Act relate to the internal management of a state agency and are not
26 subject to AS 44.62 (Administrative Procedure Act) under AS 39.30.098 and AS 39.35.005.
