23 \* **Sec. 4.** AS 26.05 is amended by adding new sections to read:

24 **Article 2. Code of Military Justice.**

25 **Sec. 26.05.400. Statement of policy on military justice.** An offense, other  
 26 than a military offense, committed by a member of the militia, organized or  
 27 unorganized, shall be tried in a civil court and prosecuted by a civil authority. This  
 28 policy shall be executed and carried into effect at all times and applies to active state  
 29 service of the militia.

30 **Sec. 26.05.403. Persons subject to military courts; jurisdiction.** (a) This  
 31 chapter applies to a member of the militia in active state service who is accused of or

1 charged with an act or omission of a military offense.

2 (b) Courts-martial have exclusive jurisdiction over military offenses as  
3 defined in AS 26.05.990. Civilian courts established under state or federal law have  
4 jurisdiction over offenses that are not military offenses when an act or omission  
5 violates both local criminal law and a provision of this chapter.

6 **Sec. 26.05.405. Jurisdiction to try certain personnel.** (a) A person  
7 discharged from the militia of the state who is later charged with having fraudulently  
8 obtained a discharge is subject to trial by court-martial on that charge and is, after  
9 apprehension, subject to this chapter while in custody under the direction of the militia  
10 of the state for the trial. Upon conviction of the charge, the person is subject to trial by  
11 court-martial for all military offenses committed before the fraudulent discharge.

12 (b) A person who has deserted from the militia of the state may not be relieved  
13 from amenability to jurisdiction under this chapter by virtue of a separation from a  
14 later period of service.

15 **Sec. 26.05.408. Territorial applicability of this chapter.** (a) This chapter  
16 applies to a member of the militia accused of or charged with a military offense that is  
17 committed outside the state if the member is in active state service under this chapter  
18 and is serving outside the state at the time the military offense is committed.

19 (b) Courts-martial and courts of inquiry may be convened and held in units of  
20 the militia of the state while those units are serving outside the state with the same  
21 jurisdiction and powers granted under this chapter as if the proceedings were held  
22 inside the state. Military offenses committed outside the state may be tried and  
23 punished either inside or outside the state.

24 **Sec. 26.05.410. Judge advocates.** (a) The senior force judge advocate of each  
25 force of militia of the state, or the delegate of the senior force judge advocate, shall  
26 make frequent inspections in the field in supervision of the administration of military  
27 justice in the force.

28 (b) A convening authority shall communicate directly with the authority's  
29 judge advocates in matters relating to the administration of military justice. The judge  
30 advocate of a command is entitled to communicate directly with the judge advocate of  
31 a superior or subordinate command or with the State Judge Advocate.

1 (c) A person who has acted as member, military judge, trial counsel, defense  
2 counsel, or investigating officer, or who has been a witness in a case may not later act  
3 as a judge advocate to an authority reviewing the same case.

4 (d) A person may not serve as a judge advocate under this chapter unless the  
5 person is a commissioned officer of the organized militia of the state, is a member in  
6 good standing of the bar of the highest court of a state, and is

7 (1) certified or designated as a judge advocate in the Judge Advocate  
8 General's Corps of the United States Army, Air Force, Navy, or the Marine Corps or  
9 designated as a law specialist as an officer of the United States Coast Guard, or a  
10 reserve component of one of them; or

11 (2) certified as a non-federally recognized judge advocate, under rules  
12 adopted under AS 26.05.520, by the senior judge advocate of the commander of the  
13 force in the component of the militia of the state of which the accused is a member, as  
14 competent to perform the military justice duties required by this chapter; if a judge  
15 advocate is not available, the certification may be made by the senior judge advocate  
16 of the commander of another force in the militia of the state, as the convening  
17 authority directs.

18 **Sec. 26.05.420. Apprehension.** (a) A member of the militia or a person  
19 authorized under 10 U.S.C. 801 - 946 or this chapter to apprehend persons subject to  
20 this chapter, a marshal of a court-martial, and a peace officer or civil officer having  
21 authority to apprehend offenders under the laws of the United States or of a state may  
22 apprehend a person subject to this chapter upon probable cause that a military offense  
23 has been committed and that the person apprehended committed the military offense.

24 (b) Commissioned officers, warrant officers, petty officers, and  
25 noncommissioned officers have authority to suppress disorder or mutual combat  
26 among members of the militia in active state service and to apprehend a person who  
27 participates in the disorder or mutual combat.

28 (c) If an offender is apprehended outside the state, the offender's return to the  
29 area must be in accordance with applicable extradition procedures or by reciprocal  
30 agreement.

31 (d) A person authorized by this section to apprehend, restrain, or confine

1 persons subject to this chapter may not require payment of a fee for apprehending,  
2 restraining, or confining a person except as otherwise provided by law.

3 **Sec. 26.05.423. Imposition of restraint.** (a) An enlisted member of the militia  
4 in active state service may be arrested or confined by an oral or written order issued by  
5 a commissioned officer or another member of the militia of the state acting at the  
6 commissioned officer's direction. A commanding officer may authorize warrant  
7 officers, petty officers, or noncommissioned officers to order enlisted members of the  
8 commanding officer's command or subject to the commanding officer's authority into  
9 arrest or confinement.

10 (b) A commissioned officer, warrant officer, or civilian subject to this chapter  
11 may be arrested or confined only by a commanding officer who has authority over the  
12 commissioned officer, warrant officer, or civilian. The commanding officer shall  
13 deliver the order orally or in writing, in person or by another commissioned officer. A  
14 commanding officer may not delegate the authority granted in this subsection.

15 (c) A person may not be arrested or confined unless the officer issuing the  
16 order for arrest or confinement has probable cause to believe that a military offense  
17 has been committed and that the person has committed the military offense.

18 (d) This section does not limit the authority of persons authorized to  
19 apprehend offenders to secure the custody of an alleged offender until proper authority  
20 may be notified.

21 **Sec. 26.05.425. Restraint of persons charged with offenses.** A person  
22 charged with a military offense may be arrested or confined as circumstances may  
23 require. A person arrested or confined before trial is entitled to prompt notice of the  
24 military offense of which the person is accused.

25 **Sec. 26.05.428. Place of confinement; reports and receiving of prisoners.**  
26 (a) A person confined as a prisoner under this chapter shall be confined in a civilian or  
27 military confinement facility.

28 (b) Unless otherwise authorized by law, a person authorized to receive a  
29 prisoner under (a) of this section may not refuse to receive or keep the prisoner  
30 committed to the person's charge by a commissioned officer of the militia of the state  
31 if the officer furnishes the person with a statement signed by the officer identifying the

1 military offense charged against the prisoner.

2 (c) A person authorized to receive a prisoner under (a) of this section shall,  
3 within 24 hours after receiving the statement of commitment under (b) of this section,  
4 or as soon as the person is relieved from guard, report to the commanding officer of  
5 the prisoner the name of the prisoner, the military offense charged against the prisoner,  
6 and the name of the person who ordered or authorized the commitment.

7 **Sec. 26.05.430. Confinement with enemy prisoners prohibited.** A member  
8 of the militia of the state may not be placed in confinement in immediate association  
9 with enemy prisoners or foreign nationals who are not members of the armed forces.

10 **Sec. 26.05.433. Punishment prohibited before trial.** A person held for trial  
11 or awaiting a verdict may not be subjected to punishment or penalty other than arrest  
12 or confinement on the charges pending against the person, and the conditions of arrest  
13 or confinement may not be more rigorous than those required to ensure the person's  
14 presence, except that the person is subject to discipline for infractions of the rules of  
15 the facility in which the person is confined.

16 **Sec. 26.05.435. Delivery of offenders to a civil authority.** (a) A person  
17 accused of a criminal offense against a civil authority may be delivered, upon request,  
18 to a civil authority for trial or confinement.

19 (b) When a sentence imposed in a court-martial proceeding under this chapter  
20 is interrupted by the delivery of the offender to a civil authority under this section and  
21 the offender is subsequently convicted and sentenced by the civil authority, competent  
22 military authority shall request the civil authority to return the offender to the custody  
23 of the military authority for completion of the sentence imposed by court-martial.

24 (c) The adjutant general, with the approval of the governor, may enter into an  
25 agreement with a civil authority to ensure the return of an offender under this section.

26 **Sec. 26.05.440. Commanding officer's nonjudicial punishment.** (a) Under  
27 the rules of procedure adopted under AS 26.05.520, a commanding officer or an  
28 officer-in-charge may impose a disciplinary punishment for a minor military offense  
29 without convening a court-martial. The governor, the adjutant general, or an officer of  
30 a general or flag rank in command may delegate the power to impose nonjudicial  
31 punishment under this section to a principal assistant who is a member of the militia of

1 the state.

2 (b) A commanding officer may impose the following disciplinary punishment  
3 on an enlisted member of the officer's command:

4 (1) an admonition;

5 (2) a reprimand;

6 (3) the withholding of privileges for not more than six months; the six  
7 months need not be consecutive;

8 (4) the forfeiture of not more than seven days' pay;

9 (5) a fine of not more than seven days' pay;

10 (6) a reduction to the next inferior pay grade, if the grade from which  
11 the enlisted member is demoted is within the promotion authority of the officer  
12 imposing the reduction or of an officer subordinate to the officer who imposes the  
13 reduction;

14 (7) assignment of extra duties, including fatigue or other duties, for not  
15 more than 14 days; the 14 days need not be consecutive; and

16 (8) restriction to base or ship, or from specific activities, with or  
17 without suspension from active state service, for not more than 14 days; the 14 days  
18 need not be consecutive.

19 (c) A commanding officer of the grade of major or lieutenant commander or  
20 above may impose on an enlisted member of the officer's command

21 (1) a punishment authorized in (b)(1) - (3) of this section;

22 (2) the forfeiture of not more than one-half of one month's pay for each  
23 month for two months;

24 (3) a fine of not more than one month's pay;

25 (4) a reduction to the lowest or any intermediate pay grade if the grade  
26 from which the enlisted member is demoted is within the promotion authority of the  
27 officer imposing the reduction or of an officer subordinate to the officer imposing the  
28 reduction; but an enlisted member in a pay grade above E-4 may not be reduced more  
29 than two pay grades;

30 (5) extra duties, including fatigue or other duties, for not more than 45  
31 days; the 45 days need not be consecutive; and

1 (6) restriction to base or ship, or from specific activities, with or  
2 without suspension from active state service, for not more than 60 days; the 60 days  
3 need not be consecutive.

4 (d) The governor, the adjutant general, an officer exercising general court-  
5 martial convening authority, or an officer of a general or flag rank in command may  
6 impose

7 (1) on an officer of the officer's command

8 (A) a punishment authorized in (c)(1) - (3) and (6) of this  
9 section; and

10 (B) arrest in quarters for not more than 30 days; the 30 days  
11 need not be consecutive;

12 (2) on an enlisted member of the officer's command, a punishment  
13 authorized in (c) of this section.

14 (e) Whenever multiple punishments are combined to run consecutively, the  
15 total length of the combined punishment may not exceed the authorized duration of the  
16 longest punishment in the combination; the punishments must be apportioned so that  
17 no single punishment in the combination exceeds its authorized length under this  
18 subsection.

19 (f) Before offering nonjudicial punishment, a commanding officer shall  
20 determine whether a restriction or arrest to quarters will be considered as a punishment  
21 under this section. If the commanding officer determines that a punishment may  
22 include a restriction or arrest in quarters, the commanding officer shall notify the  
23 accused of the right to demand trial by court-martial. If the commanding officer  
24 determines that a punishment will not include a restriction or arrest to quarters, the  
25 commanding officer shall notify the accused that the accused is not entitled to a trial  
26 by court-martial in lieu of nonjudicial punishment.

27 (g) The officer who imposes the punishment, or the officer's successor in  
28 command, may, at any time, suspend, set aside, mitigate, or remit any part or amount  
29 of the punishment and restore all affected rights, privileges, and property. The officer  
30 may also

31 (1) mitigate reduction in grade to forfeiture of pay;

1 (2) mitigate arrest in quarters to restriction; or

2 (3) mitigate extra duties to restriction.

3 (h) A punishment mitigated under (g) of this section may not be for a longer  
4 period than the original punishment.

5 (i) The amount of a reduction in grade or forfeiture of pay mitigated under (g)  
6 of this section may not be not be greater than the amount that might originally have  
7 been imposed under this section by the officer who imposed it.

8 (j) A person punished under this section who believes that the punishment is  
9 unjust or disproportionate to the military offense may appeal the punishment to the  
10 next superior authority within 15 days after the punishment is imposed. The appeal  
11 shall be promptly forwarded and decided, but the person punished may, in the  
12 meantime, be required to undergo the punishment adjudged. The superior authority  
13 may exercise the same powers with respect to the punishment imposed as may be  
14 exercised under (g) of this section by the officer who imposed the punishment. Before  
15 acting on an appeal from a punishment, the authority that is to act on the appeal may  
16 refer the case to a judge advocate for consideration and advice.

17 (k) The imposition and enforcement of disciplinary punishment under this  
18 section for an act or omission is not a bar to trial by court-martial for a serious crime  
19 or military offense arising out of the same act or omission and not properly punishable  
20 under this section, but, if the person accused of the crime or military offense is  
21 convicted, the court-martial shall consider the disciplinary punishment in imposing  
22 sentence.

23 (l) If a punishment of forfeiture of pay is imposed under this section, the  
24 forfeiture may apply to pay accruing before, on, or after the date the punishment is  
25 imposed.

26 (m) The form of records to be kept of proceedings under this section shall be  
27 prescribed in rules of procedure adopted under AS 26.05.520. The rules may require  
28 that certain categories of the proceedings be in writing.

29 **Sec. 26.05.450. Courts-martial classified.** The military courts for the militia  
30 of the state are

31 (1) a general court-martial, consisting of

1 (A) a military judge and not fewer than five members; or

2 (B) only a military judge, if, before the court is assembled, the  
3 accused, knowing the identity of the military judge and after consultation with  
4 defense counsel, requests orally on the record or in writing a court composed  
5 of only a military judge and the military judge approves;

6 (2) a special court-martial, consisting of

7 (A) a military judge and not fewer than three members; or

8 (B) only a military judge, if one has been detailed to the court,  
9 and the accused so requests under the conditions prescribed in (1)(B) of this  
10 section; and

11 (3) a summary court-martial, consisting of one commissioned officer.

12 **Sec. 26.05.453. Jurisdiction of courts-martial in general.** Each force of the  
13 militia of the state in active military service has court-martial jurisdiction over all

15 over personnel of another force must be in accordance with the rules of procedure  
16 adopted under AS 26.05.520.

17 **Sec. 26.05.455. Jurisdiction of a general court-martial.** Subject to

25 one year, forfeiture of pay exceeding two-thirds pay a month, or forfeiture of pay for  
26 more than one year.

28 AS 26.05.453, a summary court-martial has jurisdiction to try a member of the militia  
29 in active state service except officers, cadets, candidates, and midshipmen, for a  
30 military offense.

31 (b) A person over whom a summary court-martial has jurisdiction may not be

1 brought to trial before a summary court-martial if the person objects.

2 (c) If a person accused of a military offense objects to a summary court-  
3 martial under (b) of this section, the person may be ordered tried by special or general  
4 court-martial, as appropriate.

5 (d) A summary court-martial may, under the limitations as the governor may  
6 prescribe, adjudge a punishment not forbidden by this chapter, except dismissal,  
7 dishonorable or bad-conduct discharge, confinement for more than one month,  
8 restriction to specified limits for more than two months, or forfeiture of more than  
9 two-thirds of one month's pay.

10 **Sec. 26.05.470. Who may convene a general court-martial.** (a) A general  
11 court-martial may be convened by

- 15 (4) the commanding officer of a division or a separate brigade;
- 16 (5) the commanding officer of a separate wing.

17 (b) If a commanding officer who is authorized to convene a general court-  
18 martial is the accuser in a matter, the court hearing the matter shall be convened by  
19 superior competent authority.

20 (c) A superior authority may convene a case if the superior authority considers  
21 it desirable.

22 **Sec. 26.05.473. Who may convene a special court-martial.** (a) A special  
23 court-martial may be convened by

- 24 (1) a person who may convene a general court-martial;

4 competent authority.

5 (c) A superior authority may convene a case if the superior authority considers  
6 it desirable.

7 **Sec. 26.05.475. Who may convene a summary court-martial.** (a) A  
8 summary court-martial may be convened by

9 (1) a person who may convene a general or special court-martial;

18 (b) If only one commissioned officer is present with a command or  
19 detachment, that officer shall be the summary court-martial of that command or  
20 detachment and shall hear and determine all summary court-martial cases.

21 (c) A superior competent authority may convene a summary court-martial if  
22 the superior authority considers it desirable.

23 **Sec. 26.05.478. Who may serve on courts-martial.** (a) A commissioned

25 court-martial for the trial of a member of the militia in active state service.

26 (b) A warrant officer of the militia of the state is eligible to serve on a general  
27 or special court-martial for the trial of any person, other than a commissioned officer.

28 (c) An enlisted member of the militia of the state who is not a member of the  
29 same unit as the accused is eligible to serve on a general or special court-martial for  
30 the trial of an enlisted member, but only if the accused has, before the conclusion of a  
31 session of the court-martial called by the military judge under AS 26.05.528,

1 personally requested, orally on the record or in writing, that enlisted members serve on  
2 the court-martial.

3 (d) After a request is made under (c) of this section, the accused may not be  
4 tried by a general or special court-martial unless enlisted members make up at least  
5 one-third of the total membership of the court. If eligible enlisted members are not  
6 available because of physical conditions or military exigencies, the court may proceed  
7 to try the accused without enlisted members, but the convening authority shall place  
8 on the record a detailed written explanation of why eligible enlisted members were not  
9 available.

10 (e) The accused may not be tried by a court-martial that includes a member  
11 who is junior in rank or grade to the accused, unless the inclusion cannot be avoided.

12 (f) When convening a court-martial, the convening authority shall detail the  
13 members of the militia of the state who are, in the convening authority's opinion, the  
14 best qualified for the duty by reason of age, education, training, experience, length of  
15 service, and judicial temperament. A member of the militia of the state is not eligible  
16 to serve as a member of a general or special court-martial if the member is the accuser,  
17 is a witness, or has acted as investigating officer or as counsel in the same case.

18 (g) Before a court-martial is assembled for the trial of a case, the convening  
19 authority may excuse a member of the court from participating in the case. The  
20 convening authority may delegate the authority under this subsection to a judge  
21 advocate or to a principal assistant.

22 **Sec. 26.05.480. Military judge of a general or special court-martial.** (a) A  
23 senior force judge advocate who is in the same force as the accused, or a designee,

26 been detailed.

27 (b) A military judge must be

- 28 (1) an active or retired commissioned officer of the militia of the state;  
29 (2) licensed to practice law in a state or a member of the bar of a  
30 federal court for at least five years;  
31 (3) certified as qualified for duty as a military judge by a senior force

1 judge advocate who is in the same force as the accused.

2 (c) The convening authority or a staff member of the convening authority may  
3 not prepare or review a report concerning the effectiveness, fitness, or efficiency of the  
4 military judge detailed to the case that relates to performance of duty as a military  
5 judge.

6 (d) A person may not act as military judge in a case if that person is the  
7 accuser or a witness or has acted as investigating officer or counsel in the same case.

8 (e) The military judge of a court-martial may not consult with the members of  
9 the court except in the presence of the accused, trial counsel, and defense counsel, or  
10 vote with the members of the court-martial.

11 **Sec. 26.05.483. Detail of trial counsel and defense counsel.** (a) For each  
12 general and special court-martial, the convening authority shall detail trial counsel,  
13 defense counsel, and assistants, as appropriate.

14 (b) A person who has acted as investigating officer, military judge, witness, or  
15 court member in a case may not act as trial counsel, assistant trial counsel, or, unless  
16 expressly requested by the accused, defense counsel or assistant or associate defense  
17 counsel in the case.

18 (c) A person who has acted for the prosecution may not act in the same case  
19 for the defense. A person who has acted for the defense may not act in the same case  
20 for the prosecution.

21 (d) Trial counsel or defense counsel detailed in a general or special court-  
22 martial must be

23 (1) a judge advocate, or, if serving as defense counsel, otherwise  
24 certified by the senior force judge advocate; and

25 (2) admitted to the practice of law in this state or otherwise permitted  
26 to appear in an action in the courts of this state.

27 **Sec. 26.05.485. Detail or employment of reporters and interpreters.** (a) The  
28 convening authority of a general or special court-martial or court of inquiry shall detail  
29 or employ qualified court reporters, who shall record the proceedings of and testimony  
30 taken before that court and may detail or employ interpreters to interpret for the court.

31 (b) A person may not act as a reporter or interpreter under this section in a

1 case if the person is the accuser, a witness, an investigating officer, counsel for a party,  
2 or, if the trial is a rehearing, a member of a prior court-martial in the same case.

3 **Sec. 26.05.488. Absent and additional members.** (a) A member of a general  
4 or special court-martial may not be absent or excused after the court has been  
5 assembled for the trial of the accused unless the member is excused

6 (1) as a result of a challenge; or

7 (2) for good cause by the military judge or by order of the convening  
8 authority.

9 (b) If a general court-martial, other than a general court-martial composed of  
10 only a military judge, is reduced below five members, the trial may not proceed unless  
11 the convening authority assigns new members sufficient in number to restore the court  
12 to five members. The trial may proceed with the new members present after the  
13 recorded evidence previously introduced before the members of the court has been  
14 read to the court in the presence of the military judge, the accused, and counsel for  
15 both sides.

16 (c) If a special court-martial, other than a special court-martial composed of  
17 only a military judge, is reduced below three members, the trial may not proceed  
18 unless the convening authority details new members in sufficient number to restore the  
19 court to three members. The trial shall proceed with the new members present as if no  
20 evidence had been introduced previously at the trial, unless a verbatim record of the  
21 evidence previously introduced before the members of the court or a written  
22 stipulation of the evidence is read to the court in the presence of the military judge, the  
23 accused, and counsel for both sides.

24 (d) If the military judge of a court-martial composed of only a military judge  
25 is unable to proceed with a trial because of a challenge or for other good cause, the  
26 senior force judge advocate shall detail a new military judge. The trial shall proceed as  
27 if no evidence had previously been introduced, unless a verbatim record of the  
28 evidence previously introduced or a written stipulation of the evidence is read in court  
29 in the presence of the new military judge, the accused, and counsel for both sides.

30 **Sec. 26.05.490. Charges and specifications.** (a) Charges and specifications  
31 must be signed by a member of the militia in active state service under oath before a

1 commissioned officer authorized by AS 26.05.803 to administer oaths. The charges  
2 and specifications must state

3 (1) that the signer has personal knowledge of, or has investigated, the  
4 facts set out in the charges and specifications;

5 (2) that the charges and specifications are true in fact to the best of the  
6 signer's knowledge and belief.

7 (b) The person proffering the charges and specifications shall present them to  
8 the proper authority. The proper authority receiving the charges and specifications  
9 shall immediately determine the disposition of the charges in the interest of justice and  
10 discipline, and the person accused shall be informed of the charges as soon as  
11 practicable.

12 **Sec. 26.05.493. Compulsory self-incrimination prohibited.** (a) A member of  
13 the militia in active state service may not compel a person to make a self-incriminating  
14 statement or to answer a question the answer to which may tend to incriminate the  
15 person.

16 (b) A member of the militia in active state service may not interrogate or  
17 request a statement from a person suspected of a military offense without first  
18 informing the person of the nature of the accusation and advising the person that the  
19 person does not have to make any statement regarding the military offense of which  
20 the person is accused or suspected and that any statement made by the person may be  
21 used as evidence against the person in a trial by court-martial.

22 (c) A member of the militia in active state service may not compel a person to  
23 make a statement or produce evidence before a military court if the statement or  
24 evidence is not material to the issue before the court and may tend to degrade the  
25 person.

26 (d) A statement obtained from a person in violation of this section or through  
27 the use of coercion, unlawful influence, or unlawful inducement may not be admitted  
28 into evidence against the person in a trial by court-martial.

29 **Sec. 26.05.495. Investigation.** (a) A charge or specification may not be  
30 referred to a general court-martial for trial until a thorough and impartial  
31 investigation has been made of all the matters set out in the charge or specification.

1 The investigation must include inquiry into the truth of the matters set out in the  
2 charges, consideration of the form of the charges, and a recommendation as to the  
3 disposition that should be made of the case in the interest of justice and discipline.

4 (b) The accused has the right to be represented by counsel as provided under  
5 AS 26.05.525 at an investigation.

6 (c) The authority investigating the accused shall

7 (1) advise the accused of the charges against the accused and of the  
8 accused's right to be represented by counsel under (b) of this section;

9 (2) give the accused the opportunity to cross-examine witnesses  
10 against the accused, if the witnesses are available;

11 (3) give the accused the opportunity to present evidence on the  
12 accused's own behalf, either in defense or mitigation; the investigating officer shall  
13 examine available witnesses requested by the accused.

14 (d) If, after the investigation, the charges are referred to the court-martial,  
15 the charges shall be accompanied by a statement of the substance of the  
16 testimony taken, and a copy shall be given to the accused.

17 (e) If an investigation of a military offense is conducted before the accused is  
18 charged with the military offense and the accused is present at the investigation and  
19 provided with counsel and an opportunity to cross-examine witnesses and present  
20 evidence under (c) of this section, no further investigation of that charge is necessary  
21 under this section unless the accused demands further investigation after the accused  
22 is informed of the charge. A demand for further investigation entitles the accused to  
23 recall witnesses for further cross-examination and to offer new evidence in the  
24 accused's own behalf.

25 (f) If evidence adduced in an investigation under this section indicates that  
26 the accused committed an uncharged military offense, the investigating officer may  
27 investigate the subject matter of that offense without the accused's having first been  
28 charged with the military offense if the accused is

29 (1) present at the investigation;

30 (2) informed of the nature of each uncharged military offense  
31 investigated; and

1 (3) provided with counsel and an opportunity to cross-examine  
2 witnesses and present evidence under (c) of this section.

3 **Sec. 26.05.498. Forwarding of charges.** (a) When a person is held for trial by  
4 general court-martial, the commanding officer shall, within eight days after the  
5 accused is ordered into arrest or confinement, if practicable, forward the charges,  
6 together with the investigation and associated records, to the person exercising general  
7 court-martial jurisdiction.

8 (b) If it is not practicable to forward the charges and investigation and  
9 associated records under (a) of this section, the commanding officer shall provide the  
10 person with a written explanation for the delay.

11 **Sec. 26.05.500. Advice of judge advocate and reference for trial.** (a) Before  
12 directing the trial of a charge by general court-martial, the convening authority shall  
13 refer it to a judge advocate for consideration and advice. The convening authority may  
14 not refer a specification under a charge to a general court-martial for trial unless the  
15 convening authority has been advised in writing by a judge advocate that

16 (1) the specification alleges a military offense;

17 (2) the specification is warranted by the evidence set out in the report  
18 of investigation under AS 26.05.495, if there is a report; and

19 (3) a court-martial has jurisdiction over the accused and the military  
20 offense.

21 (b) The advice of the judge advocate under (a) of this section with respect to a  
22 specification under a charge shall include a written and signed statement by the judge  
23 advocate

24 (1) stating the judge advocate's conclusions with respect to each matter  
25 set out in (a) of this section; and

26 (2) recommending to the convening authority what action to take  
27 regarding the specification; if the specification is referred for trial, the  
28 recommendation of the judge advocate must accompany the specification.

29 (c) If a charge or specification is not in the correct form or does not conform  
30 to the substance of the evidence set out in the investigating officer's report, the  
31 convening authority, with the advice of the judge advocate, may correct the charge or

1 specification to conform to the evidence.

2 **Sec. 26.05.503. Service of charges.** A trial counsel shall serve or caused to be  
3 served on the accused a copy of the charges. A person may not, against the person's  
4 objection, be brought to trial before a general court-martial within five days after the  
5 service of charges on the person, or before a special court-martial within three days  
6 after the service of charges on the person.

7 **Sec. 26.05.520. Governor or adjutant general to prescribe rules of**  
8 **procedure.** (a) The adjutant general shall, with the approval of the governor, adopt  
9 rules of pretrial, trial, and post-trial procedure, including methods of proof, for cases  
10 before courts-martial and courts of inquiry.

11 (b) The rules adopted under this section must, as the adjutant general and the  
12 governor may consider practicable, apply the principles of law and the rules of  
13 evidence and procedure governing military criminal cases in the courts of the armed  
14 forces of the United States, but may not be contrary to or inconsistent with this chapter  
15 or with the applicable Alaska Rules of Evidence.

16 (c) The rules adopted under this section must include adequate protection from  
17 public disclosure of classified information.

18 (d) The rules adopted under this section are rules of procedure and are exempt  
19 from AS 44.62.

20 **Sec. 26.05.523. Unlawfully influencing the action of a court.** (a) An  
21 authority convening a general, special, or summary court-martial, a commanding  
22 officer, or an officer serving on the staff of a convening authority or commanding  
23 officer may not censure, reprimand, or admonish the court, a member of the court, the  
24 military judge, or counsel appearing before the court, with respect to the findings of or  
25 sentence imposed by the court, or with respect to another exercise of the respective  
26 functions of the court, a member of the court, the military judge, or counsel appearing  
27 before the court in the conduct of the proceedings.

28 (b) A member of the militia in active state service may not attempt to coerce  
29 or, by unauthorized means, influence the action of a court-martial or court of inquiry  
30 or a member of a court, in reaching the findings or sentence in a case, or the action of  
31 a convening, approving, or reviewing authority with respect to a judicial act. This

1 subsection does not apply to

2 (1) general instructional or informational courses in military justice if  
3 the courses are designed solely for the purpose of instructing members of a command  
4 in the substantive and procedural aspects of courts-martial; or

5 (2) statements and instructions given in open court by the military  
6 judge, summary court-martial officer, or counsel.

7 (c) A member of the militia in active state service may not, in the preparation  
8 of an effectiveness, fitness, or efficiency report, or any other report or document used,  
9 in whole or in part, for the purpose of determining whether a member of the militia of  
10 the state is qualified to be advanced in grade, in determining the assignment or transfer  
11 of a member of the militia of the state, or in determining whether a member of the  
12 militia of the state should be retained on active status,

13 (1) consider or evaluate the performance of duty of the member as a  
14 member of a court-martial or witness; or

15 (2) give a less favorable rating or evaluation of any counsel for the  
16 accused because of zealous representation before a court-martial.

17 (d) In this section, "unauthorized" means contrary to a statute or regulation of  
18 the United States or the state.

19 **Sec. 26.05.525. Duties of trial counsel and defense counsel.** (a) The trial  
20 counsel of a general or special court-martial shall be licensed to practice law in this  
21 state and shall, under the direction of the court, prepare the record of the proceedings.

22 (b) The accused has the right to be represented before a general or special  
23 court-martial or at an investigation under AS 26.05.495.

24 (c) The accused may be represented by

25 (1) civilian counsel at the expense of accused;

26 (2) military counsel detailed under AS 26.05.483; or

27 (3) military counsel of the accused's own choice if that counsel is  
28 reasonably available as determined under (g) of this section.

29 (d) If the accused is represented by civilian counsel, military counsel detailed  
30 or selected under (c)(2) or (3) of this section shall act as associate counsel unless  
31 excused at the request of the accused.

1 (e) Except as provided in (f) of this section, if the accused is represented by  
2 military counsel of the accused's own selection under (c)(3) of this section, military  
3 counsel detailed under (c)(2) shall be excused.

4 (f) The accused is not entitled to be represented by more than one military  
5 counsel. However, the person authorized under AS 26.05.483 to detail counsel, may,  
6 in the person's sole discretion

7 (1) detail additional military counsel as assistant defense counsel;

8 (2) if the accused is represented by military counsel of the accused's  
9 own selection under (c)(3) of this section, approve a request from the accused that  
10 military counsel detailed under (c)(2) of this section act as associate defense counsel.

11 (g) The senior force judge advocate of the same force of which the accused is  
12 a member shall determine whether the military counsel selected by an accused under  
13 (c)(3) of this section is reasonably available.

14 (h) In a court-martial proceeding resulting in a conviction, the defense counsel  
15 may

16 (1) forward for attachment to the record of proceedings a brief of the  
17 matters as counsel determines should be considered on behalf of the accused on  
18 review, including any objection to the contents of the record that counsel considers  
19 appropriate;

20 (2) assist the accused in the submission of any matter under  
21 AS 26.05.613;

22 (3) take another action authorized under this chapter.

23 **Sec. 26.05.528. Sessions.** (a) At any time after the service of charges that have  
24 been referred for trial to a court-martial composed of a military judge and members,  
25 the military judge may, subject to the limitations of AS 26.05.503, call the court into  
26 session without the presence of the members for the purpose of

27 (1) hearing and determining motions raising defenses or objections that  
28 are capable of determination without trial of the issues raised by a plea of not guilty;

29 (2) hearing and ruling on a matter that the military judge is authorized  
30 to determine under this chapter, whether or not the matter is appropriate for later  
31 consideration or decision by the members of the court;

1 (3) conducting the arraignment and receiving the pleas of the accused;

2 (4) performing any other procedural function that does not require the  
3 presence of the members of the court under this chapter.

4 (b) A military judge shall conduct proceedings under this section in the  
5 presence of the accused, the defense counsel, and the trial counsel, and the  
6 proceedings shall be made a part of the record. The proceedings may be conducted  
7 notwithstanding the number of court members and without regard to AS 26.05.488.

8 (c) When the members of a court-martial deliberate or vote, only the members  
9 may be present.

10 (d) All other proceedings, including any other consultation of the members of  
11 the court with counsel or the military judge, shall be made a part of the record and  
12 shall be in the presence of the accused, the defense counsel, the trial counsel, and the  
13 military judge.

14 **Sec. 26.05.530. Continuances.** The military judge of a general, special, or  
15 summary court-martial may, for reasonable cause, grant a continuance to a party for  
16 the time, and as often, as may appear to be just.

17 **Sec. 26.05.533. Challenges.** (a) The military judge and members of a general  
18 or special court-martial may be challenged by the accused or the trial counsel for  
19 cause stated to the court. The military judge or the court shall determine the relevancy  
20 and validity of challenges for cause and may not receive a challenge to more than one  
21 person at a time. Challenges by the trial counsel shall ordinarily be presented and  
22 decided before those by the accused are offered.

23 (b) If exercise of a challenge for cause reduces the court below the minimum  
24 number of members required by AS 26.05.450, all parties shall, notwithstanding  
25 AS 26.05.488, either exercise or waive a challenge for cause then apparent against the  
26 remaining members of the court before additional members are detailed to the court.  
27 This subsection does not apply to preemptory challenges under (c) and (d) of this  
28 section.

29 (c) Each accused and the trial counsel are entitled to one preemptory challenge  
30 of members of the court. The military judge may not be challenged except for cause.

31 (d) If the exercise of a preemptory challenge reduces the court below the

1 minimum number of members required by AS 26.05.450, the parties shall,  
2 notwithstanding AS 26.05.488, either exercise or waive remaining peremptory  
3 challenges, not previously waived, against the remaining members of the court before  
4 additional members are detailed to the court.

5 (e) If additional members are detailed to the court, and after challenges for  
6 cause against the additional members are presented and decided, each accused and the  
7 trial counsel are entitled to one peremptory challenge against members not previously  
8 subject to peremptory challenge.

9 **Sec. 26.05.535. Oaths or affirmations.** (a) Before performing their respective  
10 duties, military judges, general and special court-martial members, trial counsel,  
11 defense counsel, reporters, and interpreters shall take an oath or affirmation in the  
12 presence of the accused that they will perform their duties faithfully.

13 (b) The form of the oath or affirmation, the time and place of taking, the  
14 manner of recording, and a determination of whether the oath or affirmation shall be  
15 taken for all cases in which the duties are to be performed or for a particular case, shall  
16 be prescribed in the rules of procedure adopted under AS 26.05.520. The rules may  
17 provide that, if a person takes an oath or affirmation with respect to a duty, the person  
18 need not take the oath or affirmation again on detailment to the duty.

19 (c) A witness before a court-martial shall be examined under oath or  
20 affirmation.

21 **Sec. 26.05.538. Statute of limitations.** (a) A person charged with a military  
22 offense may not be tried or punished for the military offense unless the person  
23 received sworn charges and specifications issued by an officer exercising court-martial  
24 jurisdiction over the command not later than three years after the commission of the  
25 military offense or the imposition of a nonjudicial punishment for the military offense  
26 under AS 26.05.440.

27 (b) A period when the accused is absent without authority or fleeing from  
28 justice shall be excluded in computing the period of limitation in this section.

29 (c) A period when the accused is absent from territory in which the proper  
30 authority has the ability to apprehend the accused, in the custody of civil authorities,  
31 or in the hands of the enemy, shall be excluded in computing the period of limitation

1 in this section.

2 (d) When the United States is at war, the running of a period of limitation for a  
3 military offense under this section is suspended until two years after the termination of  
4 hostilities as proclaimed by the President of the United States or by a joint resolution  
5 of the United States Congress if the military offense

6 (1) involves fraud or attempted fraud against the United States, a state,  
7 or an agency of either, including a conspiracy to commit fraud;

8 (2) is committed in connection with the acquisition, care, handling,  
9 custody, control, or disposition of real or personal property of the United States or a  
10 state; or

11 (3) is committed in connection with the negotiation, procurement,  
12 award, performance, payment, interim financing, cancellation, or other termination or  
13 settlement, of a contract, subcontract, or purchase order that is connected with or  
14 related to the prosecution of the war, or with the disposition of inventory by a war  
15 contractor or government agency.

16 (e) If charges or specifications are dismissed as defective or insufficient for  
17 any cause, and the period prescribed by the applicable statute of limitations has  
18 expired or will expire within 180 days after the date of dismissal of the charges and  
19 specifications, trial and punishment under new charges and specifications are not  
20 barred by the statute of limitations if the new charges and specifications

21 (1) are received by an officer exercising summary court-martial  
22 jurisdiction over the command within 180 days after the dismissal of the charges or  
23 specifications;

24 (2) allege the same acts or omissions that were alleged in the dismissed  
25 charges or specifications or acts or omissions that were included in the dismissed  
26 charges or specifications.

27 **Sec. 26.05.540. Former jeopardy.** (a) A person may not, without the person's  
28 consent, be tried a second time for the same military offense.

29 (b) A proceeding in which an accused has been found guilty by a court-martial  
30 on any charge or specification is not a trial under this chapter until a finding of guilty  
31 has become final after review of the case has been completed.

1 (c) A proceeding that, after the introduction of evidence but before a finding,  
2 is dismissed or terminated by the convening authority or on motion of the prosecution  
3 for failure of available evidence or witnesses, without any fault of the accused, is a  
4 trial.

5 **Sec. 26.05.543. Pleas of the accused.** (a) If, after arraignment, an accused  
6 makes an irregular pleading or, after a plea of guilty, initiates an action inconsistent  
7 with the plea, or if the accused appears to have entered the plea of guilty  
8 improvidently or through lack of understanding of its meaning and effect, or if the  
9 accused fails or refuses to plead, a plea of not guilty shall be entered in the record, and  
10 the court shall proceed as though the accused had pleaded not guilty.

11 (b) With respect to a charge or specification to which a plea of guilty has been  
12 made by the accused and accepted by the military judge or by a court-martial without  
13 a military judge, a finding of guilty of the charge or specification may be entered  
14 immediately without vote. This finding shall constitute the finding of the court unless  
15 the plea of guilty is withdrawn before announcement of the sentence, in which event,  
16 the proceedings shall continue as though the accused had pleaded not guilty.

17 **Sec. 26.05.545. Opportunity to obtain witnesses and other evidence.** Trial  
18 counsel, defense counsel, and the court-martial shall have equal opportunity to obtain  
19 witnesses and other evidence. Process issued in court-martial cases to compel  
20 witnesses to appear and testify and to compel the production of other evidence shall be  
21 issued in accordance with the rules of procedure adopted under AS 26.05.520, and  
22 shall apply the principles of law and the rules of courts-martial generally recognized in  
23 military criminal cases in the courts of the armed forces of the United States, but may  
24 not be contrary to or inconsistent with this chapter. Process shall run to any part of the  
25 United States, or the territories, commonwealths, and possessions, and may be  
26 executed by civil officers as prescribed by the laws of the place where the witness or  
27 evidence is located or of the United States.

28 **Sec. 26.05.548. Refusal to appear or testify.** A person who is not a member  
29 of the militia in active state service, who has been subpoenaed to appear as a witness  
30 or to produce books and records before a court-martial or court of inquiry, or before a  
31 military or civil officer designated to take a deposition to be read in evidence before

1 the court, who has been paid or tendered the fees and mileage of a witness at the rates  
 2 allowed to witnesses attending a criminal court of the state, and who wilfully neglects  
 3 or refuses to appear, or refuses to qualify as a witness or to testify or to produce any  
 4 evidence that the person may have been legally subpoenaed to produce is guilty of a  
 5 violation and may be charged and punished as provided in AS 26.05.550.

6 **Sec. 26.05.550. Contempts.** (a) A military judge or summary court-martial  
 7 officer may punish for contempt a person who uses a menacing word, sign, or gesture  
 8 in its presence, or who disturbs its proceedings by any riot or disorder.

9 (b) A military judge or summary court-martial officer may punish a member  
 10 of the militia in active state service for contempt by confinement not to exceed 30 days  
 11 or a fine of \$100, or both.

12 (c) A military judge or summary court-martial officer may punish a person  
 13 who is not a member of the militia in active state service for direct contempt in an  
 14 amount not to exceed \$100.

15 **Sec. 26.05.553. Depositions.** (a) At any time after charges have been signed as  
 16 provided in AS 26.05.490, a party may take oral or written depositions unless the  
 17 military judge or summary court-martial officer hearing the case or, if the case is not  
 18 being heard, an authority competent to convene a court-martial for the trial of those  
 19 charges, forbids the depositions for good cause.

20 (b) The party at whose instance a deposition is to be taken shall give to every  
 21 other party reasonable written notice of the time and place for taking the deposition.

22 (c) A deposition may be taken before and authenticated by any military or  
 23 civil officer authorized by the laws of the state or by the laws of the place where the  
 24 deposition is taken to administer oaths.

25 (d) A duly authenticated deposition taken upon reasonable notice to the other  
 26 parties, if otherwise admissible under the rules of evidence, may be read in evidence  
 27 or, in the case of audiotape, videotape, digital image or file, or similar material, may  
 28 be played in evidence before a military court, if it appears that

29 (1) the witness resides in a state other than the state in which the court  
 30 is ordered to sit, or more than 100 miles from the place of trial or hearing;

31 (2) the witness by reason of death, age, sickness, bodily infirmity,

1 imprisonment, military necessity, nonamenability to process, or other reasonable  
 2 cause, is unable or refuses to appear and testify in person at the place of trial or  
 3 hearing; or

4 (3) the present whereabouts of the witness is unknown.

5 **Sec. 26.05.555. Admissibility of records of courts of inquiry.** (a) In a case  
 6 that does not involve the dismissal of a commissioned officer, the sworn testimony of  
 7 a person whose oral testimony cannot be obtained may, if it is set out in the duly  
 8 authenticated record of proceedings of a court of inquiry and is otherwise admissible  
 9 under the rules of evidence, be read in evidence by any party before a court-martial if  
 10 the accused was a party before the court of inquiry and the case before the court and  
 11 the court of inquiry involve the same issue, or if the accused consents to the  
 12 introduction of the evidence.

13 (b) If testimony from a court of inquiry meets the conditions set out in (a) of  
 14 this section, but the case before the court involves the dismissal of a commissioned  
 15 officer, only the defense may read the testimony in evidence.

16 (c) The testimony may also be read in evidence before a court of inquiry.

17 **Sec. 26.05.558. Defense of insanity.** (a) The accused may assert the  
 18 affirmative defense of insanity as provided in AS 12.47.010. If the accused gives  
 19 notice of the defense, the accused shall file with the military judge the notice required  
 20 by AS 12.47.090.

21 (b) If the accused asserts the defense of insanity under (a) of this section, the  
 22 court shall order an examination to be conducted that meets the standards of  
 23 AS 12.47.070.

24 (c) If the defense of insanity is properly at issue, the military judge shall  
 25 instruct the members of the court as to the defense and charge them to find the accused

26 (1) guilty;

27 (2) not guilty; or

28 (3) not guilty by reason of insanity.

29 (d) The accused may be found not guilty by reason of insanity if

30 (1) a majority of the members of the court-martial present at the time  
 31 the vote is taken determines that the defense of insanity has been established; or

1 (2) in the case of a court-martial composed of a military judge or a  
2 summary court-martial officer sitting without court members, the military judge or  
3 summary court-martial officer determines that the defense of insanity has been  
4 established.

5 (e) In the case of a court-martial composed of a military judge or a summary  
6 court-martial officer sitting without court members, if the defense of insanity is  
7 properly at issue, the military judge or summary court-martial officer shall find the  
8 accused

9 (1) guilty;

10 (2) not guilty; or

11 (3) not guilty by reason of insanity.

12 (f) If an accused is found not guilty by reason of insanity, trial counsel shall,  
13 within 24 hours, file a petition under AS 47.30.700 for a screening investigation to  
14 determine the need for treatment if trial counsel has good cause to believe that the  
15 defendant is suffering from a mental illness and, as a result, is gravely disabled or  
16 likely to cause serious harm to self or others. In this subsection, "mental illness" has  
17 the meaning given in AS 47.30.915.

18 **Sec. 26.05.560. Voting and rulings.** (a) Voting by members of a general or  
19 special court-martial on the findings and on the sentence shall be by secret written  
20 ballot. The junior member of the court shall count the votes. The count shall be  
21 checked by the president, who shall immediately announce the result of the ballot to  
22 the members of the court.

23 (b) The military judge shall rule on all questions of law and all interlocutory  
24 questions arising during the proceedings. A ruling made by the military judge on a  
25 question of law or an interlocutory question, other than the factual issue of mental  
26 responsibility of the accused, is final and constitutes the ruling of the court. However,  
27 the military judge may change the ruling at any time during the trial. Unless the ruling  
28 is final, if a member objects to a ruling, the court shall be cleared and closed, and the  
29 question shall be decided by a voice vote as provided in AS 26.05.563, beginning with  
30 the junior in rank.

31 (c) Before a vote is taken on the findings, the military judge shall, in the

1 presence of the accused and counsel, instruct the members of the court as to the  
2 elements of the military offense and charge them that

3 (1) the accused is presumed to be innocent until the guilt of the  
4 accused is established by legal and competent evidence beyond a reasonable doubt;

5 (2) if there is a reasonable doubt as to the guilt of the accused, the  
6 doubt must be resolved in favor of the accused, and the accused must be acquitted;

7 (3) if there is a reasonable doubt as to the degree of guilt, a finding of  
8 guilt must be in a lower degree as to which there is no reasonable doubt; and

9 (4) the burden of proof to establish the guilt of the accused beyond a  
10 reasonable doubt is on the state.

11 (d) A military judge sitting without court members shall

12 (1) determine all questions of law and fact arising during the  
13 proceedings and, if the accused is convicted, adjudge an appropriate sentence;

14 (2) make a general finding and shall, in addition, on request, find the  
15 facts specially.

16 (e) If a military judge sitting without court members files an opinion or  
17 memorandum of decision, the opinion or memorandum of decision is sufficient if the  
18 findings of fact appear in the opinion or memorandum of decision.

19 **Sec. 26.05.563. Number of votes required.** (a) A person may not be convicted  
20 of a military offense tried to a court-martial unless by the concurrence of two-thirds of  
21 the members of the court present at the time the vote is taken.

22 (b) All other questions to be decided by the members of a general or special  
23 court-martial shall be determined by a majority vote, but a determination to reconsider  
24 a finding of guilty or to reconsider a sentence, with a view toward decreasing it, may  
25 be made by any lesser vote that indicates that the reconsideration is not opposed by the  
26 number of votes required for that finding or sentence. A tie vote on a challenge  
27 disqualifies the member challenged. A tie vote on any other question is a  
28 determination in favor of the accused.

29 **Sec. 26.05.565. Court to announce action.** A court-martial shall announce its  
30 findings and sentence to the parties as soon as determined.

31 **Sec. 26.05.568. Record of trial.** (a) Each general and special court-martial

1 shall keep a separate record of the proceedings in each case brought before it, and the  
2 record must be authenticated by the signature of the military judge. If the military  
3 judge cannot authenticate the record because of the military judge's death, disability,  
4 or absence, the record shall be authenticated by the signature of the trial counsel or, if  
5 the trial counsel is unable to authenticate the record because of the trial counsel's  
6 death, disability, or absence, then by the signature of a member of the court. In a  
7 court-martial consisting of only a military judge, the record shall be authenticated by  
8 the court reporter under the same conditions that would impose a duty on a member  
9 under this subsection.

10 (b) In each general and special court-martial case resulting in a conviction, a  
11 complete verbatim record of the proceedings and testimony shall be prepared. In all  
12 other court-martial cases, the record shall contain the matters as may be prescribed by  
13 the rules of procedure adopted under AS 26.05.520.

14 (c) Each summary court-martial shall keep a separate record of the  
15 proceedings in each case, and the record shall be authenticated in the manner as may  
16 be prescribed by the rules of procedure adopted under AS 26.05.520.

17 (d) A copy of the record of the proceedings of each general and special court-  
18 martial shall be given to the accused as soon as the record is authenticated.

19 **Sec. 26.05.580. Cruel and unusual punishments prohibited.** A court-martial  
20 may not impose on a member of the militia in active state service punishment by  
21 flogging, branding, marking, or tattooing on the body, or another cruel or unusual  
22 punishment. The use of irons, single or double, except for the purpose of safe custody,  
23 is prohibited.

24 **Sec. 26.05.583. Punishments; maximum limits.** (a) A court-martial may not  
25 impose a punishment for a military offense that exceeds the limits set out in this  
26 chapter and may not impose a sentence of death. A sentence for a military offense may  
27 not exceed 10 years. A crime for which a sentence of confinement for a term of more  
28 than one year is authorized is a felony offense. Except for convictions by a summary  
29 court-martial and except as otherwise specifically provided in this chapter, all other  
30 military offenses are misdemeanors. A conviction by a summary court-martial is a  
31 violation.

1 (b) The maximum punishment for a violation of this chapter shall be lesser of  
2 the sentences prescribed by the manual for courts-martial of the United States in effect  
3 on January 1, 2004, and the rules adopted under AS 26.05.520, but in no instance shall  
4 any punishment exceed that authorized by this chapter.

5 **Sec. 26.05.585. Effective date of sentences.** (a) If a sentence of a court-martial  
6 as lawfully adjudged and approved includes a forfeiture of pay or allowances in  
7 addition to unsuspended confinement, the forfeiture may apply to pay or allowances  
8 becoming due on or after the date the sentence is approved by the convening authority.  
9 A forfeiture may not extend to pay or allowances accrued before that date.

10 (b) A sentence of a court-martial that includes a period of confinement begins  
11 to run from the date the sentence is adjudged by the court-martial, but periods during  
12 which the sentence to confinement is suspended or deferred shall be excluded in  
13 computing the service of the term of confinement.

14 (c) All other sentences of courts-martial are effective on the date they are  
15 ordered to be executed.

16 **Sec. 26.05.588. Deferment of sentences.** (a) If an accused is under sentence to  
17 confinement that has not yet been ordered executed, the convening authority or, if the  
18 accused is no longer under the convening authority's jurisdiction, the person exercising  
19 general court-martial jurisdiction over the command to which the accused is currently  
20 detailed may, in that person's sole discretion, defer service of the sentence to  
21 confinement. The deferment terminates when the sentence is ordered to be executed.  
22 The deferment may be rescinded at any time by the authority who granted it or, if the  
23 accused is no longer under that person's jurisdiction, by the person exercising general  
24 court-martial jurisdiction over the command to which the accused is currently detailed.

25 (b) If a court-martial sentences an accused to confinement, the convening  
26 authority may, without the consent of the accused, defer the service of the sentence  
27 until after the accused has been permanently released to the militia of the state by a  
28 state, the United States, or a foreign country

29 (1) that had custody of the accused;

30 (2) that temporarily returned the accused to the militia of the state for  
31 trial by court-martial; and

1 (3) to which, after the court-martial, the militia of the state returned the  
2 accused under the authority of a mutual agreement or treaty.

3 (c) In a case in which a court-martial sentences an accused to confinement and  
4 the sentence to confinement has been ordered executed, but in which review of the  
5 case under AS 26.05.628 is pending, the adjutant general may defer further service of  
6 the sentence to confinement while that review is pending.

7 (d) In (b) of this section, "state" includes the District of Columbia and any  
8 commonwealth, territory, or possession of the United States.

9 **Sec. 26.05.590. Execution of confinement.** (a) A person must serve a sentence  
10 of confinement adjudged by a court-martial, whether or not the sentence includes  
11 discharge or dismissal from the militia of the state, and whether or not the discharge or  
12 dismissal has been executed. The sentence may be carried into execution by  
13 confinement in a place authorized by this chapter. A person confined under this  
14 chapter is subject to the same discipline and treatment as other persons confined or  
15 committed to the place of confinement.

16 (b) A place of confinement may not require payment of any fee or charge for  
17 receiving or confining a person under this chapter except as otherwise provided by  
18 law.

19 **Sec. 26.05.593. Sentences: reduction in enlisted grade upon approval.** (a) A  
20 court-martial sentence of an enlisted member in a pay grade above E-1, as approved  
21 by the convening authority, that includes a dishonorable or bad-conduct discharge or  
22 confinement reduces that member to pay grade E-1, effective on the date of the  
23 approval.

24 (b) If the sentence of a member who is reduced in pay grade under (a) of this  
25 section is set aside or disapproved or, as finally approved, does not include a  
26 dishonorable or bad-conduct discharge or confinement, the rights and privileges of  
27 which the person was deprived because of the reduction shall be restored, including  
28 pay and allowances.

29 **Sec. 26.05.595. Sentences: forfeiture of pay and allowances during**  
30 **confinement.** (a) A court-martial sentence that includes confinement for more than six  
31 months or confinement for six months or less and a dishonorable or bad-conduct

1 discharge or dismissal shall result in the forfeiture of pay, or of pay and allowances,  
2 due the member of the militia of the state during any period of confinement or parole.

3 (b) A forfeiture imposed under this section is effective on the date determined  
4 under AS 26.05.585.

5 (c) A forfeiture imposed by

6 (1) a general court-martial shall be all pay and allowances due to the  
7 member during the period of forfeiture;

8 (2) a special court-martial shall be two-thirds of all pay due to the  
9 member during the period of forfeiture.

10 (d) If a member subject to a sentence of forfeiture has dependents, the  
11 convening authority or other person acting under AS 26.05.613 may waive all or a  
12 portion of the forfeitures of pay and allowances for a period not to exceed six months.  
13 The pay or allowances waived under this subsection shall be paid to the dependents of  
14 the member in the amount waived, as the convening authority or other person directs.

15 (e) If the sentence of a member who forfeits pay and allowances under (a) of  
16 this section is set aside or disapproved or, as finally approved, does not include  
17 confinement for more than six months or confinement for six months or less and a  
18 dishonorable or bad-conduct discharge or dismissal, the member shall be paid the pay  
19 and allowances that the member would, but for the forfeiture, have been paid for the  
20 period during which the forfeiture was in effect.

21 **Sec. 26.05.610. Error of law; lesser included military offense.** (a) A finding  
22 or sentence of a court-martial may not be held incorrect on the ground of an error of  
23 law unless the error materially prejudices the substantial rights of the accused.

24 (b) A reviewing authority with the power to approve or affirm a finding of  
25 guilt may approve or affirm, instead, so much of the finding as includes a lesser  
26 included military offense.

27 **Sec. 26.05.613. Action by the convening authority.** (a) The findings and  
28 sentence of a court-martial shall be reported promptly to the convening authority after  
29 the announcement of the sentence.

30 (b) The accused may submit to the convening authority matters for  
31 consideration by the convening authority with respect to the findings and the sentence.

1 The submission must be in writing. The accused shall make the submission

2 (1) in a case before a general or special court-martial, within 10 days  
3 after the accused has been given an authenticated record of trial and, if applicable, the  
4 recommendation of a judge advocate under (h) of this section;

5 (2) in a case before a summary court-martial, within seven days after  
6 the sentence is announced; the accused shall be promptly provided a copy of the  
7 record of trial for use in preparing a submission authorized under this subsection.

8 (c) If the accused shows that additional time is required for the accused to  
9 submit the matters, the convening authority or other person taking action under this  
10 section may, for good cause, extend the applicable period for not more than an  
11 additional 20 days.

12 (d) The accused may waive the right to make a submission to the convening  
13 authority under (b) of this section. The waiver must be made in writing and may not be  
14 revoked. A waiver has the effect of terminating an extension granted under (c) of this  
15 section.

16 (e) The authority of the convening authority to modify the findings and  
17 sentence of a court-martial is a matter of command prerogative and may be exercised  
18 at the sole discretion of the convening authority. If it is impractical for the convening  
19 authority to act, the convening authority shall forward the case to a person exercising  
20 general court-martial jurisdiction who may take action under this section.

21 (f) An action on the sentence of a court-martial shall be taken by the  
22 convening authority. The action may be taken only after consideration of matters  
23 submitted by the accused under (b) of this section or after the time for making the  
24 submission expires, whichever is earlier. The convening authority in the convening  
25 authority's sole discretion may approve, disapprove, commute, or suspend the  
26 sentence, in whole or in part.

27 (g) The convening authority is not required to take action under this section;  
28 however, the convening authority may, in the convening authority's sole discretion,

29 (1) dismiss a charge or specification by setting aside a finding of guilty  
30 to a charge or specification; or

31 (2) change a finding of guilty to a charge or specification to a finding

1 of guilty to a military offense that is a lesser included offense of the military offense  
2 stated in the charge or specification.

3 (h) Before acting on a general or special court-martial case in which there is a  
4 finding of guilt, the convening authority shall obtain and consider the written  
5 recommendation of a judge advocate. The convening authority shall provide the  
6 record of trial to the judge advocate, and the judge advocate shall use the record in the  
7 preparation of the recommendation. The recommendation of the judge advocate shall  
8 include matters as may be prescribed by the rules adopted under AS 26.05.520 and  
9 shall be served on the accused, who may submit any matter in response under (b) of  
10 this section. Failure to object in the response to the recommendation or to any matter  
11 attached to the recommendation is a waiver of the right to object to the  
12 recommendation or matter.

13 (i) The convening authority may, in the convening authority's sole discretion,  
14 order

15 (1) a proceeding in revision if there is an apparent error or omission in  
16 the record or if the record shows an improper or inconsistent action by a court-martial  
17 with respect to the findings or sentence that can be rectified without material prejudice  
18 to the substantial rights of the accused; however, a proceeding in revision may not

19 (A) reconsider a finding of not guilty of any specification or a  
20 ruling that amounts to a finding of not guilty;

21 (B) reconsider a finding of not guilty of any charge, unless  
22 there has been a finding of guilty under a specification laid under that charge,  
23 that sufficiently alleges a violation of a provision of AS 26.05.400 - 26.05.999;  
24 or

25 (C) increase the severity of the sentence unless the sentence  
26 prescribed for the military offense is mandatory.

27 (2) a rehearing, if the convening authority disapproves the findings and  
28 sentence and states the reasons for disapproval of the findings, or disapproves the  
29 sentence; however, the convening authority may not order rehearing as to the findings  
30 if there is a lack of sufficient evidence in the record to support the findings.

31 (j) If the convening authority disapproves the findings and sentence and does

1 not order a rehearing under (i) of this section, the convening authority shall dismiss the  
2 charges.

3 (k) In this section, "convening authority" includes a person authorized to act  
4 under (e) of this section.

5 **Sec. 26.05.615. Withdrawal of appeal.** In a case subject to appellate review  
6 under this chapter, the accused may, at any time, file with the convening authority a  
7 written statement expressly withdrawing the right of the accused to the appeal. The  
8 withdrawal shall be signed by both the accused and the accused's defense counsel and  
9 filed in accordance with the procedures adopted under AS 26.05.520.

10 **Sec. 26.05.618. Appeal by the state.** (a) In a trial by court-martial in which a  
11 punitive discharge may be adjudged, the state may appeal

12 (1) an order or ruling of the military judge that terminates the  
13 proceedings with respect to a charge or specification;

14 (2) an order or ruling that excludes evidence that is substantial proof of  
15 a fact material in the proceeding;

16 (3) an order or ruling that directs the disclosure of classified  
17 information;

18 (4) an order or ruling that imposes sanctions for nondisclosure of  
19 classified information;

20 (5) the refusal of the military judge to issue a protective order sought  
21 by the prosecution to prevent the disclosure of classified information;

22 (6) the refusal of the military judge to enforce an order issued under  
23 (a)(5) of this section that was previously issued by an appropriate authority.

24 (b) An appeal of an order or ruling may not be taken unless the trial counsel  
25 provides the military judge with written notice of appeal from the order or ruling  
26 within 72 hours after the order or ruling. The notice must include a certification by the  
27 trial counsel that the appeal is not taken for the purpose of delay and, if the order or  
28 ruling appealed is one that excludes evidence, that the evidence excluded is substantial  
29 proof of a fact material in the proceeding.

30 (c) An appeal under this section shall be forwarded to the court prescribed in  
31 AS 26.05.628. In ruling on the appeal, the appellate authority may act only with

1 respect to matters of law.

2 (d) A period of delay resulting from an appeal under this section shall be  
3 excluded in deciding an issue involving the denial of a speedy trial, unless an  
4 appropriate authority determines that the appeal was filed solely for the purpose of  
5 delay with the knowledge that it was totally frivolous and without merit.

6 (e) The state may not appeal a finding of not guilty with respect to a charge or  
7 specification by the members of the court-martial, or by a judge in a bench trial if the  
8 finding was not made on reconsideration.

9 **Sec. 26.05.620. Rehearings.** A rehearing under this chapter shall be heard by a  
10 court-martial composed of members who were not members of the court-martial that  
11 first heard the case. Upon a rehearing, the accused may not be tried for a military  
12 offense of which the accused was found not guilty by the first court-martial, and may  
13 not receive a sentence in excess of or more severe than the sentence in the first court-  
14 martial, unless the sentence is based on a finding of guilt for a military offense not  
15 considered on the merits in the original proceedings, or unless the sentence prescribed  
16 for the military offense is mandatory. If the sentence approved after the first court-  
17 martial was in accordance with a pretrial agreement and the accused, at the rehearing,  
18 changes a plea with respect to the charges or specifications on which the pretrial  
19 agreement was based, or otherwise does not comply with the pretrial agreement, the  
20 approved sentence as to those charges or specifications may include any punishment  
21 not in excess of the lawfully adjudged sentence of the first court-martial.

22 **Sec. 26.05.623. Review by the senior force judge advocate.** (a) The senior  
23 force judge advocate or the judge advocate's designee shall review a general or special  
24 court-martial case in which there has been a finding of guilty. The judge advocate or  
25 designee may not review a case under this subsection if the judge advocate or designee  
26 acted in the same case as an accuser, investigating officer, member of the court,  
27 military judge, or counsel or otherwise acted on behalf of the prosecution or defense.  
28 The senior force judge advocate's review shall be in writing and must include

29 (1) conclusions as to whether

30 (A) the court had jurisdiction over the accused and the military  
31 offense;

1 (B) the charge and specification stated a military offense; and

2 (C) as a matter of law, the sentence was within the limits  
3 prescribed under this chapter;

4 (2) a response to each allegation of error made in writing by the  
5 accused;

6 (3) if the case is sent for action by the adjutant general under (b) of this  
7 section, a recommendation as to the appropriate action to be taken and an opinion as to  
8 whether corrective action is required as a matter of law.

9 (b) The record of trial and related documents in each case reviewed under (a)  
10 of this section shall be sent for action to the adjutant general if

11 (1) the judge advocate who reviewed the case recommends corrective  
12 action;

13 (2) a sentence approved under AS 26.05.613 extends to dismissal, a  
14 bad-conduct or dishonorable discharge, or confinement for more than six months; or

15 (3) the action is otherwise required by the rules adopted under  
16 AS 26.05.520.

17 (c) If the opinion of the senior force judge advocate or the judge advocate's  
18 designee in the senior force judge advocate's review under (a) of this section is that  
19 corrective action is required as a matter of law and if the adjutant general does not take  
20 action that is at least as favorable to the accused as that recommended by the judge  
21 advocate, the record of trial and action on the case shall be sent to the governor for  
22 review and action.

23 (d) The senior force judge advocate or the judge advocate's designee may  
24 review a case in which there has been a finding of not guilty of all charges and  
25 specifications. The judge advocate or designee may not review a case under this  
26 subsection if the judge advocate or designee acted in the same case as an accuser,  
27 investigating officer, member of the court, military judge, or counsel or otherwise
