AN ACT

Extending an exemption from regulation as a public utility for plants and facilities generating electricity entirely from renewable energy resources; and providing for an effective date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

THE ACT FOLLOWS ON PAGE 1

AN ACT

1 Extending an exemption from regulation as a public utility for plants and facilities generating
2 electricity entirely from renewable energy resources; and providing for an effective date.

3 _____
4 * **Section 1.** AS 42.05.711(r) is amended to read:

5 (r) A plant or facility that generates electricity entirely from renewable energy
6 resources is exempt from regulation under this chapter, **other than applicable**
7 **regulation under AS 42.05.760 - 42.05.790**, if

8 (1) the plant or facility

9 (A) is first placed into commercial operation on or after
10 August 31, 2010, and before July 1, **2028** [2021]; and

11 (B) does not generate more than 65 megawatts of electricity;

12 (2) the electricity generated by the plant or facility is sold only to one
13 or more electric utilities that are regulated by the commission; and

1 (3) the person that constructs, owns, acquires, or operates the plant or
2 facility has not received from the state

3 (A) a grant that was used to generate the electricity from the
4 renewable energy resources; or

5 (B) a tax credit related to the generation of electricity from the
6 renewable energy resources.

7 * **Sec. 2.** This Act takes effect July 1, 2021.
