17 descendants take by representation the property to which the devisee would have been
18 entitled had the devisee survived the testator;

19 (2) except as provided in (4) of this subsection, if the devise is in the
20 form of a class gift, other than a devise to "issue," "descendants," "heirs of the body,"

5 intent contrary to the application of this section;

6 (4) if the will creates an alternative devise with respect to a devise for
7 which a substitute gift is created by (1) or (2) of this subsection, the substitute gift is

11 excludes the substitution of the descendants of an appointee for the appointee, a

16 board shall make a certificate in duplicate of the results. The certificate includes the
17 number of votes cast for each candidate, for and against each proposition, yes or no on
18 each question, and any additional information prescribed by the director. The election
19 board shall, immediately upon completion of the certificate or as soon thereafter as the
20 local mail service permits, send in one sealed package to the director one copy of the
21 certificate and the register. In addition, all ballots properly cast shall be mailed to the
22 director in a separate, sealed package. Both packages, in addition to an address on the
23 outside, shall clearly indicate the precinct from which they come. Each board shall,
24 immediately upon completion of the certification and as soon thereafter as the local
25 mail service permits, send the duplicate certificate to the respective election
26 supervisor. The director may authorize election boards in precincts in those areas of
27 the state where distance and weather make mail communication unreliable to forward
28 their election results by telephone [, TELEGRAM,] or radio. The director may
29 authorize the unofficial totaling of votes on a regional basis by election supervisors,
30 tallying the votes as indicated on duplicate certificates. To **ensure** [ASSURE]

6 than 16 days after an election and shall be continued until completed. The director
7 may designate the hours each day during which the state ballot counting review board
8 is to conduct its ballot counting review. The director shall close the review when the
9 director is satisfied that no missing precinct certificate of election would, if received,
10 change the result of the election. If no election certificate has been received from a
11 precinct, the director may secure from the election supervisors and may count a
12 certified copy of the duplicate election certificate of the precinct. If no election
13 materials have been received, but election results have been received by telephone [,
14 TELEGRAM,] or radio, the director shall count the election results so received. If the
15 director has reason to believe that a missing precinct certificate, if received, would
16 affect the result of the election, the director shall await the receipt of the certificate
17 until the close of business on the 15th day after the date of election. A certificate not
18 actually delivered to the director by the close of business on the 15th day after the
