\* Sec. 3. AS 38.95 is amended by adding new sections to read:

#### **Article 8. State Land Vouchers.**

Sec. 38.95.350. State land vouchers. The department shall accept one or more state land vouchers issued under AS 43.23.018 as payment for purchases of land, other than mental health trust land, sold under land sales contracts under AS 38.05.065, 38.05.067, and 38.05.940 entered into on or after January 1, 2023. The department may not accept a state land voucher as payment for any rents or purchases of state land or payment of fees related to state land other than as provided in this section. A state land voucher accepted for payment is exhausted regardless of whether the purchase price of the land sold is less than the face value of the voucher. A purchaser is not entitled to a refund or other credit when a state land voucher is accepted for payment. Regardless of the price paid by a transferee of a state land voucher to the transferor, the department shall accept the face value of the voucher as payment.

Sec. 38.95.360. Report on state land vouchers. Before September 1 of each year, the department shall report to the governor the number and value of state land vouchers accepted for payment during the previous fiscal year. The department shall include in the report a recommendation on whether any additional appropriation to the state land disposal income fund under AS 38.04.022 is needed to account for the decrease in deposits to the fund because of the acceptance of state land vouchers.

**Sec. 38.95.400. Definition.** In AS 38.95.350 and 38.95.360, "department" means the Department of Natural Resources.

\* Sec. 4. AS 43.23 is amended by adding a new section to read:

Sec. 43.23.018. Election of state land voucher instead of a monetary dividend. (a) The department shall prepare the electronic Alaska permanent fund dividend application to allow an applicant who files electronically to elect to receive a

single state land voucher instead of a monetary dividend. If the commissioner is
unable to determine an applicant's eligibility to receive a permanent fund dividend
under AS 43.23.015(a) during the dividend year, an election to receive a state land
voucher is void. An election to receive a state land voucher is irrevocable. This
election may not be made by a person or public agency submitting an application on
behalf of another individual. An assignee of the right to receive a permanent fund
dividend is ineligible to elect to receive a state land voucher.

- (b) Notwithstanding the amount appropriated for the permanent fund dividend in a fiscal year, the value of each state land voucher must equal twice that of the current statutory permanent fund dividend for that fiscal year if 50 percent of the income available for distribution were transferred to the dividend fund under AS 37.13.145(b).
- (c) A state land voucher may be accepted as payment for the purchase of land only as provided under AS 38.95.350.
  - (d) A state land voucher issued under this section does not expire.
- (e) A state land voucher may be transferred to another person. Unless otherwise provided by law or contract, a state land voucher may be transferred in the same manner as other intangible property. The department shall keep records of any transfers. An action may not be brought against the state related to the transfer of a state land voucher.
- (f) The issuance of a state land voucher by the department does not require the Department of Natural Resources to enter into a land sale contract or to make land available for purchase. The issuance of a state land voucher by the department is not a statement as to the eligibility of a person to purchase land from the Department of Natural Resources.
- (g) The portion of a state land voucher subject to levy, execution, garnishment, attachment, or any other remedy for the collection of debt shall be determined under AS 43.23.140(e). The department shall issue a state land voucher for the value remaining after collection.
- \* Sec. 5. AS 43.23.045 is amended by adding a new subsection to read:
  - (f) Any amount remaining as a result of individual elections to receive a state
