8 jurisdiction;

9 (B) a class B or class C felony or a crime in another jurisdiction

 9 department;

10 (11) has denied care or treatment to a patient or person seeking

 12 the patient to agree to arbitrate as provided in AS 09.55.535(a);

13 (12) has had a license or certificate to practice health care in another  
 14 state or territory of the United States, or a province or territory of Canada, denied,  
 15 suspended, revoked, surrendered while under investigation for an alleged violation,  
 16 restricted, limited, conditioned, or placed on probation unless the denial, suspension,  
 17 revocation, or other action was caused by the failure of the member to pay fees to that  
 18 state, territory, or province;

19 (13) exceeded the scope of the member's privilege to practice in this  
 20 state under AS 08.02.130; or

23 **Sec. 08.02.140. Disciplinary sanctions for an out-of-state multidisciplinary**  
 24 **care team member.** (a) If the department finds grounds to sanction a member of an

 26 department may

27 (1) permanently prohibit the member from practicing in the state;

28 (2) prohibit the member from practicing in the state for a determinate  
 29 period;

30 (3) censure the member;

31 (4) issue a letter of reprimand to the member;

1 (5) place the member on probationary status under (c) of this section;  
2 (6) limit or impose conditions on the member's privilege to practice in  
3 the state;

4 (7) impose a civil penalty of not more than \$25,000;

5 (8) issue a cease and desist order prohibiting the member from  
6 providing health care services through telehealth under AS 08.02.130; an order issued  
7 under this paragraph remains in effect until the member submits evidence acceptable  
8 to the department showing that the violation has been corrected;

9 (9) promptly notify the licensing authority in each state in which the  
10 member is licensed of a sanction imposed under this subsection.

11 (b) In a case finding grounds for sanction under AS 08.02.135(12), the final  
12 findings of fact, conclusions of law, and order of the authority that suspended or  
13 revoked a license or certificate constitute a prima facie case that the license or  
14 certificate was suspended or revoked and the grounds under which the suspension or  
15 revocation was granted.

16 (c) The department may place a member on probation under this section until  
17 the department finds that the deficiencies that required the imposition of a sanction  
18 have been remedied. The department may require a member on probation to

19 (1) report regularly to the department on matters involving the reason  
20 for which the member was placed on probation;

21 (2) limit the member's practice in the state to those areas prescribed by  
22 the department;

23 (3) participate in professional education until the department  
24 determines that a satisfactory degree of skill has been attained in areas identified by  
25 the department as needing improvement.

26 (d) The department may summarily prohibit a member from practicing in the  
27 state under AS 08.02.130 if the department finds that the member, by continuing to  
28 practice, poses a clear and immediate danger to public health and safety. A member  
29 prohibited from practicing under this subsection is entitled to a hearing conducted by  
30 the office of administrative hearings (AS 44.64.010) not later than seven days after the  
31 effective date of the order prohibiting the member from practicing. The department

1 may lift an order prohibiting a member from practicing if the department finds after a  
 2 hearing that the member is able to practice with reasonable skill and safety. The  
 3 member may appeal a decision of the department under this subsection to the superior  
 4 court.

5 (e) The department shall take measures to recover from a member the cost of  
 6 proceedings resulting in a sanction under (a) of this section, including the costs of  
 7 investigation by the department, and hearing costs.

8 (f) The department may prohibit a member from practicing in the state upon  
 9 receiving a certified copy of evidence that a license or certificate to practice within the  
 10 member's scope of practice in another state or territory of the United States or  
 11 province or territory of Canada has been suspended or revoked. The prohibition  
 12 remains in effect until a hearing can be held by the department.

13 (g) The department shall be consistent in the application of disciplinary  
 14 sanctions. A significant departure from earlier decisions of the department involving  
 15 similar situations must be explained in findings of fact or orders made by the  
 16 department.

17 \* **Sec. 6.** AS 44.33.381(b) is amended to read:

18 (b) The department shall maintain the registry of businesses performing  
 19 telemedicine services in the state. The registry must include the name, address, and  
 20 contact information of businesses performing telemedicine services in the state. **The**  
 21 **department may renew every two years the registration of a business that meets**  
 22 **all renewal requirements established by regulation and pays a renewal fee every**  
 23 **two years.**

24 \* **Sec. 7.** AS 44.33.381 is amended by adding a new subsection to read:

 30 the department;

31 (3) fee to report changes in the business's registration information, \$50.
