 30 jurisdiction;

31 (B) a class B or class C felony or a crime in another jurisdiction

3 duties of the member; or

4 (C) a crime involving the unlawful procurement, sale,

13 (8) has demonstrated

14 (A) professional incompetence, gross negligence, or repeated  
15 negligent conduct; the department may not base a finding of professional  
16 incompetence solely on the basis that a member's practice is unconventional or  
17 experimental in the absence of demonstrable physical harm to a patient;

18 (B) addiction to, severe dependency on, or habitual overuse of  
19 alcohol or other drugs that impairs the member's ability to practice safely;

20 (C) unfitness because of physical or mental disability;

21 (9) engaged in unprofessional conduct, in sexual misconduct, or in  
22 lewd or immoral conduct in connection with the delivery of professional services to  
23 patients; in this paragraph, "sexual misconduct" includes sexual contact, or attempted  
24 sexual contact with a patient outside the scope of generally accepted methods of  
25 examination or treatment of the patient, regardless of the patient's consent or lack of  
26 consent, during the term of the health care provider-patient relationship, unless the

29 relationship with the member;

30 (10) has violated any code of ethics adopted imposed by the  
31 department;

1 (11) has denied care or treatment to a patient or person seeking

 3 the patient to agree to arbitrate as provided in AS 09.55.535(a);

4 (12) has had a license or certificate to practice health care in another  
 5 state or territory of the United States, or a province or territory of Canada, denied,  
 6 suspended, revoked, surrendered while under investigation for an alleged violation,  
 7 restricted, limited, conditioned, or placed on probation unless the denial, suspension,  
 8 revocation, or other action was caused by the failure of the member to pay fees to that  
 9 state, territory, or province;

10 (13) exceeded the scope of the member's privilege to practice in this  
 11 state under AS 08.02.130; or

12 (14) prescribed, dispensed, or administered through telehealth to a  
 13 patient located in the state a controlled substance listed in AS 11.71.140 - 11.71.190.

14 **Sec. 08.02.140. Disciplinary sanctions for an out-of-state multidisciplinary**  
 15 **care team member.** (a) If the department finds grounds to sanction a member of an  
 16 out-of-state physician's multidisciplinary care team under AS 08.02.135, the  
 17 department may

- 18 (1) permanently prohibit the member from practicing in the state;  
 19 (2) prohibit the member from practicing in the state for a determinate  
 20 period;  
 21 (3) censure the member;  
 22 (4) issue a letter of reprimand to the member;  
 23 (5) place the member on probationary status under (c) of this section;  
 24 (6) limit or impose conditions on the member's privilege to practice in  
 25 the state;  
 26 (7) impose a civil penalty of not more than \$25,000;  
 27 (8) issue a cease and desist order prohibiting the member from  
 28 providing health care services through telehealth under AS 08.02.130; an order issued  
 29 under this paragraph remains in effect until the member submits evidence acceptable  
 30 to the department showing that the violation has been corrected;  
 31 (9) promptly notify the licensing authority in each state in which the

1 member is licensed of a sanction imposed under this subsection.

2 (b) In a case finding grounds for sanction under AS 08.02.135(12), the final  
3 findings of fact, conclusions of law, and order of the authority that suspended or  
4 revoked a license or certificate constitute a prima facie case that the license or  
5 certificate was suspended or revoked and the grounds under which the suspension or  
6 revocation was granted.

7 (c) The department may place a member on probation under this section until  
8 the department finds that the deficiencies that required the imposition of a sanction  
9 have been remedied. The department may require a member on probation to

10 (1) report regularly to the department on matters involving the reason  
11 for which the member was placed on probation;

12 (2) limit the member's practice in the state to those areas prescribed by  
13 the department;

14 (3) participate in professional education until the department  
15 determines that a satisfactory degree of skill has been attained in areas identified by  
16 the department as needing improvement.

17 (d) The department may summarily prohibit a member from practicing in the  
18 state under AS 08.02.130 if the department finds that the member, by continuing to  
19 practice, poses a clear and immediate danger to public health and safety. A member  
20 prohibited from practicing under this subsection is entitled to a hearing conducted by  
21 the office of administrative hearings (AS 44.64.010) not later than seven days after the  
22 effective date of the order prohibiting the member from practicing. The department  
23 may lift an order prohibiting a member from practicing if the department finds after a  
24 hearing that the member is able to practice with reasonable skill and safety. The  
25 member may appeal a decision of the department under this subsection to the superior  
26 court.

27 (e) The department shall take measures to recover from a member the cost of  
28 proceedings resulting in a sanction under (a) of this section, including the costs of  
29 investigation by the department, and hearing costs.

30 (f) The department may prohibit a member from practicing in the state upon  
31 receiving a certified copy of evidence that a license or certificate to practice within the

1 member's scope of practice in another state or territory of the United States or  
2 province or territory of Canada has been suspended or revoked. The prohibition  
3 remains in effect until a hearing can be held by the department.

4 (g) The department shall be consistent in the application of disciplinary  
5 sanctions. A significant departure from earlier decisions of the department involving  
6 similar situations must be explained in findings of fact or orders made by the  
7 department.

8 \* **Sec. 5.** AS 44.33.381(b) is amended to read:

9 (b) The department shall maintain the registry of businesses performing  
10 telemedicine services in the state. The registry must include the name, address, and  
11 contact information of businesses performing telemedicine services in the state. **The**  
12 **department may renew every two years the registration of a business that meets**  
13 **all renewal requirements established by regulation and pays a renewal fee every**  
14 **two years.**

15 \* **Sec. 6.** AS 44.33.381 is amended by adding a new subsection to read:

16 (d) The department shall charge the following fees for businesses performing  
17 telemedicine services in the state:

19 determined by the department;

20 (2) renewal fee, \$100, adjusted for inflation in a manner determined by  
21 the department;

22 (3) fee to report changes in the business's registration information, \$50.
