8 On page 15, line 13, delete the quotation mark and
9 insert a new subsection thereafter to read as follows:

10 "(d) Nothing in this chapter shall expand the
11 obligations of any CMRS, voice communications, or other
12 originating service provider to transmit, convey, or route a
13 voice call, video call, text call, data-only call, or any
14 other request for assistance to an emergency service provider
15 beyond the requirements set forth under federal law and valid
16 regulations of the Federal Communications Commission."
