25 AN ACT
26

1 To amend Section 40-18-194, Code of Alabama 1975,
2 relating to an income tax capital credit for qualifying
3 projects of new businesses and business expansions; to allow
4 for an extension of the time period in which certain capital
5 credits may be claimed and will also allow the credit to be
6 carried forward from one (1) to four (4) years depending upon
7 the amount of the capital costs of the project.

8 BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

9 Section 1. Section 40-18-194, Code of Alabama 1975,
10 is amended to read as follows:

11 "§40-18-194.

12 (a) The Legislature recognizes that a substantial
13 number of businesses are organized as limited liability
14 companies, partnerships, and other types of business entities
15 and that certain business entities, organized as corporations,
16 elect to be treated as "S" corporations under federal and
17 state tax laws, and that it is essential that the capital
18 credit amount shall be available on a pass-through basis in
19 the manner hereinafter provided.

20 (b) Each investing company, or its shareholders,
21 partners, members, owners, or beneficiaries shall be entitled
22 to the capital credit for each tax year of an investing
23 company with respect to which a capital credit is provided
24 pursuant to this article. The capital credit shall be allowed
25 as follows:

26 (1) The owner of an investing company which is a
27 proprietorship shall receive a credit against the individual

1 income tax levied by Section 40-18-5 that otherwise would be
2 owed to the state in any year by the owner with respect to the
3 income of the investing company generated by or arising out of
4 the qualifying project.

5 (2) An investing company which is an Alabama C
6 corporation as defined in Section 40-18-160, or which is an
7 Alabama S corporation and which is subject to taxation under
8 Section 40-18-174, or Section 40-18-175, shall receive a
9 credit against the corporate income tax levied by Section
10 40-18-31 or by Section 40-18-174 or Section 40-18-175, that
11 otherwise would be owed to the state in any year by the
12 investing company with respect to the income generated by or
13 arising out of the qualifying project.

14 (3) The shareholders of an investing company which
15 is an Alabama S corporation as defined in Section 40-18-160,
16 and whose taxable income is subject to determination under
17 Section 40-18-161, each shall receive a credit against the
18 individual income tax levied by Section 40-18-5 that otherwise
19 would be owed to the state in any year by each shareholder of
20 the investing company with respect to income of the investing
21 company generated by or arising out of the qualifying project.

22 (4) The partners, members, or owners of an investing
23 company, the income of which is subject to taxation under
24 Section 40-18-24, each shall receive a credit against the
25 corporate income tax levied by Section 40-18-31, or against
26 the individual income tax levied by Section 40-18-5, whichever
27 is applicable to each such partner, member, or owner that

1 otherwise would be owed to the state in any year by each
2 partner, member, or owner of the investing company with
3 respect to income of the investing company generated by or
4 arising out of the qualifying project.

5 (5) An investing company which is a trust or estate
6 having income subject to taxation under Section 40-18-25(c)
7 shall receive a credit against the income tax levied by
8 Section 40-18-5 that otherwise would be owed to the state in
9 any year by the investing company on the income generated by
10 or arising out of the qualifying project.

11 (6) The beneficiaries of an investing company which
12 is a trust or estate the income of which is subject to
13 taxation under Section 40-18-25(d) each shall receive a credit
14 against the corporate income tax levied by Section 40-18-31,
15 or against the individual income tax levied by Section
16 40-18-5, whichever is applicable to each such beneficiary,
17 that otherwise would be owed to the state in any year by each
18 beneficiary of the investing company with respect to income of
19 the investing company generated by or arising out of the
20 qualifying project.

21 (7) A shareholder, partner, member, owner, or
22 beneficiary which is eligible to receive a credit under
23 subdivision (3), (4), or (6) of this subsection and which is
24 an Alabama S corporation, or which has income which is subject
25 to taxation under Section 40-18-24 or Section 40-18-25(d),
26 solely for purposes of the application of this subsection,

1 shall be treated as though the shareholder, partner, member,
2 owner, or beneficiary were also an investing company.

3 (8)a. An investing company which is a financial
4 institution as defined in Section 40-16-1 shall receive a
5 credit against the financial institution excise tax levied by
6 Section 40-16-4 that otherwise would be owed to the state in
7 any year by the investing company with respect to the income
8 generated by or arising out of the qualifying project which is
9 a data processing center, is a headquarters facility, or is
10 described in the 2007 North American Industry Classification
11 System National Industry 561422 (other than establishments
12 that originate telephone calls). To receive the capital credit
13 authorized by this paragraph (8)a., Section 40-18-193 shall be
14 complied with. Further, the financial institution must be the
15 investing company or it must own, directly or indirectly, at
16 least 50 percent of the investing company. If the financial
17 institution is a shareholder, partner, member, owner, or
18 beneficiary of an investing company which is not itself
19 subject to taxation, the financial institution shall be
20 entitled to a capital credit corresponding to its relative
21 ownership interest in the investing company, subject to the 50
22 percent ownership requirement of the immediately preceding
23 sentence.

24 b. In making the report required by Section
25 40-16-6(d), a financial institution receiving the capital
26 credit authorized in paragraph (8)a. shall not take into
27 account the qualifying project.

1 (9) The capital credit allowed under this subsection
2 for any tax year of an investing company shall not exceed the
3 aggregate amount which otherwise would be due from the
4 investing company, its shareholders, partners, members,
5 owners, or beneficiaries to the state in tax with respect to
6 the income of the investing company generated by or arising
7 out of the qualifying project, determined after the
8 application of all other deductions, losses, or credits
9 permitted under Titles 40 and 41, for the taxable year, and
10 determined by applying the maximum rate applicable to
11 individuals under Section 40-18-5, or the rate applicable to
12 corporations under Section 40-18-31, or the rate applicable to
13 financial institutions under Section 40-16-4, as the case may
14 be. Notwithstanding the foregoing, the capital credit allowed
15 under this subsection shall not exceed 60 percent of the
16 aggregate amount which would otherwise be due from the
17 investing company, in the case of a qualifying project for the
18 production of electricity from coal gasification or
19 liquefaction or advanced fossil-based generation, as such
20 terms are defined in Section 40-18-1, or hydropower
21 production, or 80 percent of the aggregate amount which would
22 otherwise be due, in the case of a qualifying project
23 described in Section 40-18-190(a)(13)e which produces
24 electricity from any other type of alternative energy
25 resource.

26 (10) ~~a. In~~ Except as provided in subsection b.
27 below, in no event may any amount described in this subsection

1 be carried forward or back by any investing company,
2 shareholders, partners, members, owners, or beneficiaries with
3 respect to a prior or subsequent year.

4 b. If the qualifying project has capital costs of at
5 least one hundred million dollars and provides not less than
6 one hundred jobs for new employees, the capital credit may be
7 carried forward for a maximum of four (4) taxable years,
8 depending on the amount of capital costs. Amounts described in
9 this subsection may only be carried forward by any investing
10 company, shareholders, partners, members, owners, or
11 beneficiaries as follows:

12 (1) If the capital costs are at least four hundred
13 million dollars, the capital credit may be carried forward for
14 a maximum of four (4) taxable years.

15 (2) If the capital costs are at least three hundred
16 million dollars but less than four hundred million dollars,
17 the capital credit may be carried forward for a maximum of
18 three (3) taxable years.

19 (3) If the capital costs are at least two hundred
20 million dollars but less than three hundred million dollars,
21 the capital credit may be carried forward for a maximum of two
22 (2) taxable years.

23 (4) If the capital costs are at least one hundred
24 million dollars but less than two hundred million dollars, the
25 capital credit may be carried forward for a maximum of one (1)
26 taxable year.

1 (5) If the capital costs are less than one hundred
2 million dollars, the capital credit may not be carried
3 forward.

4 c. Any provisions of the law to the contrary
5 notwithstanding any entity described in subsection b. may
6 delay the initial utilization of the capital credit for up to
7 three years after the qualifying project is placed in service,
8 after which time the twenty year period for the credit shall
9 begin.

10 (11) Any shareholder, partner, member, owner, or
11 beneficiary of an investing company may elect annually to use
12 his or her allowable portion of the tax credit created by this
13 article as a nonrefundable estimated tax payment against his
14 or her individual income tax liability. If a taxpayer makes an
15 annual election to use the aforementioned credit as a
16 nonrefundable estimated payment, the taxpayer shall compute
17 the amount of the credit as though it were a credit, subject
18 to all the requirements and limitations provided by law for
19 the credit, but shall use the amount computed as a
20 nonrefundable estimated payment and shall not use the same
21 amount as a credit. In no event shall this provision be
22 construed to allow the credit or nonrefundable estimated tax
23 payment to expand the 20-year limitation of the credit or
24 estimated tax payment. In no event shall a credit used as
25 nonrefundable estimated payment exceed the amount that would
26 be available if the credit were not used as a nonrefundable
27 estimate payment.

1 (c) The amendments made to this section by Act
2 2008-275 shall be effective for tax years and periods
3 beginning after December 31, 2011.

4 Section 2. This act shall become effective for all
5 qualifying projects placed in service after December 31, 2011,
6 following its passage and approval by the Governor, or its
7 otherwise becoming law.
