8 SYNOPSIS: Under existing law, when a requirement
9 exists that a written certificate or other document
10 be filed with the Department of Revenue, the
11 Commissioner of Revenue may accept a filing by
12 electronic means in lieu of a filing using a paper
13 written certificate.

14 This bill would authorize the Commissioner
15 of Revenue to waive the notarization requirements
16 associated with the filings.

17 Under existing law, designated agents of the
18 state, which include judges of probate,
19 commissioners of licenses, directors of revenue,
20 and certain other county officials, may retain a
21 commission for the processing of motor vehicle and
22 manufactured home title applications.

23 This bill would provide that when the
24 Department of Revenue processes a motor vehicle or
25 manufactured home title application, and the
26 application is not processed by a designated agent,

1 the department may collect the \$1.50 commission
2 authorized to be collected by the designated agent.

3 Under existing law, the Department of
4 Revenue may issue a replacement certificate of
5 title when the original certificate of title is
6 lost, stolen, mutilated, or destroyed or becomes
7 illegible. Also under existing law, the department
8 may not issue a new certificate of title to a
9 transferee upon application made on a replacement
10 certificate of title until 15 calendar days after
11 the issuance date of the surrendered replacement
12 title.

13 This bill would provide that, upon
14 application made on a replacement certificate, a
15 new certificate of title to a transferee may be
16 issued without a 15-day hold if the title
17 information can be verified through the National
18 Motor Vehicle Title Information System.
