8 SYNOPSIS: Under existing law, the driver of a motor  
9 vehicle involved in an accident resulting in injury  
10 to or death of any person or damage to a motor  
11 vehicle is required to immediately stop the vehicle  
12 and remain at the scene of the accident or as close  
13 as possible.

14 This bill would authorize the driver of a  
15 vehicle to move a motor vehicle involved in an  
16 accident from the roadway when no apparent serious  
17 physical injury or death has occurred and would  
18 authorize employees of the Department of  
19 Transportation and the Alabama Law Enforcement  
20 Agency to require and assist in moving a disabled  
21 vehicle involved in an accident from the roadway on  
22 the state highway system.

23 The bill would provide immunity to the  
24 departments for actions under the bill.

25
