8 SYNOPSIS: Under existing law, the National Criminal
9 History Access and Child Protection Act authorizes
10 organizations providing care for children, the
11 elderly, and the disabled to use national
12 fingerprint criminal history background checks to
13 screen volunteers and prospective and current
14 employees for relevant criminal records.

15 Also under existing law, the Department of
16 Human Resources conducts nationwide criminal
17 history background checks of current licensees,
18 licensed and volunteer applicants, prospective
19 employees, current employees, and volunteers of
20 licensed child placing agencies and child and adult
21 care facilities to ensure that they are suitable
22 for employment, to perform volunteer work, or to
23 hold a license, permit, approval, or certification
24 and have not been convicted of a crime that bears
25 upon their fitness to provide care or have
26 responsibility for the safety or well-being of

1 children, the elderly, or individuals with
2 disabilities.

3 This bill would make clarifying changes to
4 the laws governing these criminal history
5 background checks, and would provide for permissive
6 referrals for prosecution, for termination of
7 employment, or for denial of approval as a foster
8 or adoptive parent as a result of inadvertently
9 providing false information on an application
10 regarding an applicant's criminal history.

11 This bill would clarify which employees of
12 the Department of Human Resources are required to
13 undergo criminal history background checks.

14 This bill would eliminate certain
15 requirements that the Department of Human Resources
16 request certain criminal background information
17 from the Department of Education for individuals
18 who have had a criminal background check through
19 the Department of Education.

20 This bill would provide for: The
21 transmission of criminal history reports from the
22 Department of Public Safety to the Department of
23 Human Resources via a FBI-certified channeler; the
24 transmission of criminal history reports to
25 applicants that have disqualifying crimes; and
26 further clarification of the Department of Public
27 Safety's duties regarding the transmission of

1 arrests or convictions or subsequent arrests or
2 convictions for applicants.

3 This bill would also clarify which types of
4 suitability determinations may be considered for
5 reversal.

7 A BILL
8 TO BE ENTITLED
9 AN ACT

10
11 To amend Sections 38-13-2, 38-13-3, 38-13-4, and

13 the laws governing the use of criminal background checks for
14 certain individuals providing care for children, the elderly,
15 and the disabled; to provide for permissive prosecution of
16 certain individuals who inadvertently provide false
17 information regarding their criminal history; to clarify which
18 employees of the Department of Human Resources are required to
19 undergo criminal history background checks; to eliminate
20 certain requirements that the Department of Human Resources
21 request certain criminal background information from the
22 Department of Education; to provide for the transmission of
23 criminal history reports from the Department of Public Safety
24 to the Department of Human Resources by certain means; to
25 clarify certain duties of the Department of Public Safety with
26 regard to criminal background checks; and to clarify the types

1 of suitability determinations which may be considered for
2 reversal.
