8 SYNOPSIS: Under existing law, a tenured K-12 or
9 postsecondary education employee may not terminate
10 his or her employment within the 30 calendar days'
11 prior to the beginning of a school term and is
12 required to provide five days' written notice at
13 any other time.

14 This bill would delete the requirements for
15 postsecondary education employees.

16 This bill would provide that the law applies
17 to all K-12 teachers and would increase the time
18 frame required for a teacher to give notice before
19 terminating his or her employment at any other time
20 of the year from five to 30 days.
