8 SYNOPSIS: Under existing law, certain controlled
9 substance analogues are included in Schedule I of
10 the controlled substances list. Possession,
11 distribution, and trafficking of these compounds
12 are unlawful, and violations are subject to the
13 existing criminal penalties for distribution and
14 possession.

15 This bill would add Mitragynine and
16 Hydroxymitragynine, commonly known as Kratom or
17 Vicazen, to Schedule I of the controlled substances
18 list.

19 Amendment 621 of the Constitution of Alabama
20 of 1901, now appearing as Section 111.05 of the
21 Official Recompilation of the Constitution of
22 Alabama of 1901, as amended, prohibits a general
23 law whose purpose or effect would be to require a
24 new or increased expenditure of local funds from
25 becoming effective with regard to a local
26 governmental entity without enactment by a 2/3 vote
27 unless: it comes within one of a number of

1 specified exceptions; it is approved by the
2 affected entity; or the Legislature appropriates
3 funds, or provides a local source of revenue, to
4 the entity for the purpose.

5 The purpose or effect of this bill would be
6 to require a new or increased expenditure of local
7 funds within the meaning of the amendment. However,
8 the bill does not require approval of a local
9 governmental entity or enactment by a 2/3 vote to
10 become effective because it comes within one of the
11 specified exceptions contained in the amendment.

12
13 A BILL
14 TO BE ENTITLED
15 AN ACT
16

17 To amend Section 20-2-23, Code of Alabama 1975, as
18 amended by Act 2015-316 and Act 2015-368, 2015 Regular
19 Session, relating to Schedule I of the controlled substances
20 list, to include additional controlled substances; and in
21 connection therewith would have as its purpose or effect the
22 requirement of a new or increased expenditure of local funds
23 within the meaning of Amendment 621 of the Constitution of
24 Alabama of 1901, now appearing as Section 111.05 of the
25 Official Recompilation of the Constitution of Alabama of 1901,
26 as amended.

27 BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

1 Section 1. Section 20-2-23, Code of Alabama 1975, as
2 amended by Act 2015-316 and Act 2015-368, 2015 Regular
3 Session, is amended to read as follows:

4 "§20-2-23.

5 "(a) The Legislature finds the following:

6 "(1) New synthetic substances are being created
7 which are not controlled under the provisions of existing
8 state law but which have a potential for abuse similar to or
9 greater than that for substances controlled under existing
10 state law. These new synthetic substances are called
11 "synthetic controlled substances or synthetic controlled
12 substance analogues" and can be designed to produce a desired
13 pharmacological effect and to evade the controlling statutory
14 provisions. Synthetic controlled substances or synthetic
15 controlled substance analogues are being manufactured,
16 distributed, possessed, and used as substitutes for controlled
17 substances.

18 "(2) The hazards attributable to the traffic in and
19 use of a synthetic controlled substance or synthetic
20 controlled substance analogues are increased because their
21 unregulated manufacture produces variations in purity and
22 concentration.

23 "(3) Many new synthetic substances are untested, and
24 it cannot be immediately determined whether they have useful
25 medical or chemical purposes.

26 "(4) The uncontrolled importation, manufacture,
27 distribution, possession, or use of controlled substance

1 analogues has a substantial and detrimental impact on the
2 health and safety of the people of this state.

3 "(5) Synthetic controlled substances or synthetic
4 controlled substance analogues can be created more rapidly
5 than they can be identified and controlled by action of the
6 Legislature. There is a need for a speedy determination of
7 their proper classification under existing law. It is
8 therefore necessary to identify and classify new substances
9 that have a potential for abuse, so that they can be
10 controlled in the same manner as other substances controlled
11 under existing state law.

12 "(b) The controlled substances listed in this
13 section are included in Schedule I:

14 "(1) Any of the following opiates, including their
