8 SYNOPSIS: Under existing law, a juvenile court
9 exercises original jurisdiction over certain civil
10 proceedings, including, but not limited to,
11 proceedings for the adoption of a child that have
12 been removed from probate court on motion of any
13 party, proceedings to establish paternity or
14 maternity of a child pursuant to the Alabama
15 Uniform Parentage Act, and proceedings to establish
16 child and spousal support in cases brought pursuant
17 to Title IV-D of the Social Security Act.

18 Also under existing law, once a child has
19 been adjudicated dependent, delinquent, or in need
20 of supervision by a juvenile court, jurisdiction of
21 the juvenile court terminates when the child
22 becomes 21 years of age unless, prior thereto, the
23 judge of the juvenile court terminates its
24 jurisdiction over the case involving the child;
25 however, the juvenile court retains jurisdiction
26 over an individual of any age for the enforcement
27 of any prior orders requiring the payment of fines,

1 court costs, restitution, or other money ordered by
2 the juvenile court until paid in full.

3 Also under existing law, all actions to
4 determine paternity and to enforce support
5 obligations may be brought in either the juvenile
6 court or district court or the circuit court or
7 appropriate federal court, and the juvenile courts
8 and district courts and the circuit courts have
9 concurrent jurisdiction of actions involving
10 paternity, desertion, nonsupport, or support.

11 This bill would provide that a juvenile
12 court has jurisdiction over proceedings for the
13 adoption of a child when these proceedings have
14 been transferred from probate court as provided by
15 law, a juvenile court generally has jurisdiction to
16 establish, modify, or enforce support, visitation,
17 or custody when a juvenile court has previously
18 established paternity or maternity, and a juvenile
19 court has jurisdiction to modify or enforce child
20 and spousal support, or both, in cases brought
21 pursuant to Title IV-D of the Social Security Act.

22 This bill would also provide that a juvenile
23 court generally retain jurisdiction to enforce or
24 modify previous orders issued by the juvenile court
25 in any case in which it has jurisdiction.

26 This bill would also provide that a court of
27 this state which determined parentage or

1 established, modified, or enforced support
2 generally retains jurisdiction to enforce or modify
3 previous orders issued by the court.

15 support, visitation, or custody when a juvenile court has

18 child and spousal support in cases brought pursuant to Title

20 court generally retains jurisdiction to enforce or modify
21 previous orders issued by the juvenile court in any case in
22 which it has jurisdiction; to add a provision that a court of
23 this state which determined parentage or established,
