8 SYNOPSIS: This bill would provide that the annexation
9 of property by general or local law would not
10 extend the police jurisdiction unless specifically
11 provided for in the general or local law.

12 This bill would specify that a municipality
13 could only change its police jurisdiction based on
14 annexation and deannexation once a year.

15 This bill would further specify that a
16 municipality could only enforce certain ordinances,
17 collect license fees, and levy and collect taxes
18 within its police jurisdiction after providing
19 notice to affected persons.

20 This bill would require that if an
21 annexation results in a portion of a
22 county-maintained street being within the police
23 jurisdiction of a municipality being bound on at
24 least two sides by a municipal street, the
25 municipality would assume responsibility for that
26 portion of the county-maintained street.

1 This bill would also require that a
2 municipality provide an annual accounting of all
3 revenues collected in its police jurisdiction and
4 an itemization of its expenditures for providing
5 services within the police jurisdiction.

8 TO BE ENTITLED

22 street being within the police jurisdiction of a municipality
23 being bound on at least two sides by a municipal street, the
24 municipality would assume responsibility for that portion of
25 the county-maintained street; to further provide that a
26 municipality must annually account for all revenues collected

1 provided within the police jurisdiction; to provide that no
2 municipality can levy or assess taxes within a police
3 jurisdiction without providing notice under certain terms and

6 provided, however, that no tax levy or assessment may be
7 imposed under this section in an expanded police jurisdiction
8 until the police jurisdiction expansion is effective under
9 subsection (d) of Section 11-40-10. The notice given shall be
10 the same as required for adoption of an ordinance in Section
11 11-45-8. Additionally, the 30-day notice shall be posted on
12 the Atlas Alabama state website or any successor
13 state-operated website providing information to businesses
14 and, if the municipality maintains a website, the notice shall
15 be posted on the website of the municipality. Each
16 municipality shall prepare an annual report which shall
17 include an accounting of all revenues collected pursuant to
18 this section and an itemization of the services provided by
19 the municipality within the police jurisdiction. A copy of the
20 annual report, which shall be completed within 90 days of the
21 close of the fiscal year, shall be forwarded to the Office of

25 "(a) Except as otherwise provided herein, the
26 territorial jurisdiction of any municipal planning commission
27 shall include all land located in the municipality and all

1 land lying within five miles of the corporate limits of the

23 the respective corporate limits of each municipality. A copy
24 of the resolution altering the territorial jurisdiction shall
25 be forwarded to the county commission within five days of
26 adoption. Additionally, nothing in this subsection shall be
27 construed to alter the provisions of Article 5 of Chapter 49,

25 Chapter 24 and the municipal planning commission has been
26 unsuccessful in reaching an agreement to exercise its
27 jurisdiction as provided in subdivision (1), the governing

1 body of the municipality and the municipal planning commission
2 may override the county's enforcement of the regulation of
3 subdivisions within the planning jurisdiction by fully
4 complying with all of the following requirements:

5 "a. The municipal governing body and the municipal
6 planning commission shall each adopt separate resolutions

11 "b. The municipal planning commission shall at all
12 times thereafter employ or contract with a licensed

9 months after the effective date of its withdrawal.

10 "(d) If a county commission has not adopted
11 subdivision regulations pursuant to Chapter 24, the municipal
12 planning commission shall have sole jurisdiction for the

19 approved the within plat for the recording of same in the
20 Probate Office of _____ County, Alabama."

21 "(h) Approval by the county engineer pursuant to
22 this subsection shall not constitute approval in lieu of or on
23 behalf of any municipality with respect to subdivision
24 development regulated and enforced by the municipal planning
25 commission, wherein all maps or plats must be first submitted
26 to and approved by the municipal planning commission or other

9 levy taxes or fees outside of its corporate limits.

10 "(k) Nothing in this section shall limit or impair
11 the authority of a municipality to regulate the construction
12 of buildings within the police jurisdiction of the
13 municipality, including, but not limited to, the issuing of

22 immediately following its passage and approval by the
23 Governor, or its otherwise becoming law.
