22 A BILL
23 TO BE ENTITLED
24 AN ACT

4 bonds of the state for the purpose of providing for the
5 improvement, renovation, equipping, acquisition, provision,

26 BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

1 Section 1. This act shall be known and may be cited
2 as the Alabama State Parks Enhancement Act.

3 Section 2. The Legislature hereby finds and declares
4 all of the following:

5 (1) That the state parks provide essential services
6 and outdoor recreation opportunities to Alabama residents and

12 (3) Because of the essential nature of state parks,
13 it is necessary, desirable, and in the public interest that
14 the state parks under the jurisdiction of the Department of
15 Conservation and Natural Resources be improved and maintained
16 for future use and enjoyment.

17 (4) It is the intent of the Legislature to authorize
18 the formation of a public corporation for the purposes of
19 providing for the improvement, renovation, equipping,
20 acquisition, provision, construction, and maintenance of the
21 Alabama state parks under the jurisdiction of the Department
22 of Conservation and Natural Resources and to authorize the
23 corporation to provide for payment of the costs of
24 accomplishing the stated purposes by implementing an amendment
25 to the Constitution of Alabama of 1901 proposed in SB362 of
26 the 2021 Regular Session, authorizing the issuance by the
27 state of up to \$80,000,000 in aggregate principal amount of

1 general obligation bonds, and by issuing and selling for the
2 state, subject to the approval of the Governor, interest
3 bearing general obligation bonds of the state.

4 (5) The bonds shall be issued for the state by the
5 Alabama State Parks Enhancement Authority, and the proceeds
6 thereof shall be used exclusively for the purpose of paying
7 the expenses incurred in the sale and issuance of bonds and
8 for payment of the costs of the improvement, renovation,

11 in this act, the authority shall also have all of the
12 following powers:

13 (a) To improve, renovate, equip, acquire, provide,
14 construct, and maintain Alabama state parks under the
15 jurisdiction of the Department of Conservation and Natural
16 Resources.

17 (b) To acquire by purchase, gift, or any other

1 furtherance of its public purposes and objects either relative
2 to work done or to be done.

3 (d) To turn over to the Alabama Department of
4 Conservation and Natural Resources any funds of the authority
5 as, from time to time, may be necessary or convenient for
6 carrying out the business of the authority.

7 Section 7. The bonds issued pursuant to this act
8 shall not be obligations of the authority but shall be general
9 obligations of the state with the full faith and credit and
10 taxing power of the state to be pledged to the prompt and
11 faithful payment of the principal thereof and the interest and
12 redemption premium, if any, thereon. The proceeds from the
13 sale of the bonds shall be used exclusively for the purposes
14 described in the amendment. The bonds may be sold and issued
15 in one or more series at any time and from time to time; may
16 have such series designations; may be in such forms, principal
17 amounts, denominations and numbers; may be of such tenor and
18 maturities; may bear such date or dates; may be payable in
19 installments and at the time or times, may be payable at a
20 place or places within or without the state; may bear interest
21 at the rate or rates payable and evidenced in such manner; may
22 contain provisions for redemption at the option of the state
23 to be exercised by the authority on the date or dates prior to
24 their respective maturities and upon payment of the redemption
25 price or prices; and may contain such other provisions not
26 inconsistent with the amendment and this act, all as shall be
27 provided by the board of directors of the authority in the

1 resolution or resolutions pursuant to which the bonds are
2 authorized, sold, and issued.

3 Section 8. The State Treasurer is authorized and
4 directed to pay the principal, premium, if any, and interest
5 on the bonds issued under this act, as the principal, premium,
6 if any, and interest shall respectively mature, and he or she
7 is further authorized and directed to maintain appropriate
8 records.

9 Section 9. (a) The bonds of each series issued
10 pursuant to this act may be issued as serial bonds payable in
11 annual installments or as term bonds or as a combination
12 thereof, and the principal of the bonds of each such series
13 shall mature or be subject to mandatory redemption according
14 to the schedule as the board of directors shall determine in
15 the resolution authorizing the issuance of such series.

16 (b) The bonds may be made subject to redemption
17 prior to their respective maturities, at the option of the
18 state, on such terms and conditions as shall be provided by
19 the board of directors in the resolution authorizing the
20 issuance of such series. Any or all of such bonds subject to
21 redemption at the option of the state may be called for
22 redemption by the corporation pursuant to a resolution adopted
23 by the board of directors thereof if, pursuant to
24 appropriations made by the Legislature, the moneys required
25 for the redemption are at the time held in the State Treasury
26 or if the redemption is to be effected with moneys provided by
27 the sale and issuance of refunding bonds issued pursuant to

1 the amendment and as provided for in this act. The corporation
2 may specify the terms and conditions under which any of the
3 bonds authorized pursuant to the amendment may be exchanged
4 for like bonds of other denominations as the authority may
5 prescribe.

6 Section 10. The bonds of each series thereof issued
7 pursuant to this act shall be sold by the authority at public
8 or private sale as provided in the amendment. The bonds shall
9 be executed in the name of the state by the Governor and
10 countersigned by the secretary of the authority issuing the
11 bonds, and the Great Seal of the state shall be impressed
12 thereon and attested by the Secretary of State. An electronic
13 signature or facsimile of the signature of each official may
14 be imprinted on any of the bonds in lieu of manual signatures,
15 and a facsimile of the Great Seal of the state may be printed
16 on the bonds in lieu of such seal being manually impressed
17 thereon. Each facsimile signature shall be valid in all
18 respects as if the officials whose facsimile signatures are
19 used had signed the bonds in person, and any facsimile of the
20 Great Seal of the state used shall be valid in all respects as
21 if such seal had been manually impressed on the bonds. In the
22 event any official who shall sign any of the bonds or whose
23 facsimile signature shall appear thereon shall thereafter
24 cease to hold office before the bonds are delivered and paid
25 for, the bonds shall nevertheless be valid for all purposes to
26 the same extent as if the official who signed the bonds or
27 whose facsimile signature appears thereon had remained in

1 office until all of the bonds bearing the signature or
2 facsimile thereof shall have been delivered and paid for.

3 Section 11. The proceeds derived from the sale of
4 each series of the bonds issued pursuant to this act by the
5 authority, other than refunding bonds, shall be paid into the
6 State Treasury upon receipt thereof, and the State Treasurer
7 shall keep such proceeds, as well as all income received from
8 the investment and reinvestment of the proceeds, including
9 income derived from the investment and reinvestment of
10 previously derived income, in a special fund in the State
11 Treasury, designated the Alabama State Parks Enhancement Fund,
12 pending the expenditure of the proceeds and income for the
13 purposes authorized and as required by the amendment and this
14 act. All proceeds deposited in the State Treasury shall be
15 continuously invested by the State Treasurer in Permitted
16 Investments, and as and when income from the investment of
17 such proceeds is received, the income shall be kept
18 continuously invested in the same manner as the proceeds. The
19 State Treasurer, on the advice of the officers of the
20 authority, acting on projections of expenditures provided by
21 the Director of Finance, shall keep all such proceeds,
22 together with the income derived from the investment and
23 reinvestment thereof, invested in investments that shall
24 mature or otherwise be subject to liquidation on such terms as
25 will provide cash when required for the purposes for which
26 bonds may be issued pursuant to this act.

1 Section 12. Upon order of the board of directors,
2 all expenses incurred in connection with the authorization,
3 preparation, sale, and issuance of bonds authorized by this
4 act and by the amendment shall be paid out of the proceeds
5 thereof. The proceeds remaining after payment of such
6 expenses, together with the income derived from the investment
7 and reinvestment of such proceeds, including income derived
8 from the investment and reinvestment of previously derived
9 income, shall be disbursed from time to time on the order of
10 said corporation upon the approval of the Director of Finance,
11 the Commissioner of Conservation and Natural Resources, and
12 the Governor.

13 Section 13. For the purpose of refunding any bonds
14 or refunding bonds of the authority issued under this act or
15 any other state law or any combination thereof, whether such
16 refunding shall occur before, at, or after the maturity of the
17 bonds refunded and for the purpose of paying all premiums and
18 expenses of such refunding, including, but not limited to,
19 attorneys' fees, advisors fees, and accountants' fees, the
20 authority is authorized to sell and issue its refunding bonds
21 in one or more series, and if sold in more than one series,
22 may all be authorized in one initial resolution of the
23 authority with the pledges therefore made by the authority in
24 the initial resolution, although some of the details
25 applicable to each series may be specified in the respective
26 resolutions under which the different series are issued. The
27 refunding bonds shall be sold on a competitive basis or on a

1 negotiated basis, as determined by the authority. The
2 authority may fix the method and the terms and conditions
3 under which the sale of any series of the refunding bonds may
4 be held, provided that such terms and conditions shall not
5 conflict with any requirement of this act. Provided, however,
6 no refunding bonds shall be issued unless the present value of
7 the aggregate debt service on the refunding bonds, computed
8 with a discount rate equal to the yield of the refunding
9 bonds, calculated in accordance with Section 148 of the
10 Internal Revenue Code, is not greater than 97 percent of the
11 present value of the aggregate debt service on the bonds to be
12 refunded, computed with a discount rate equal to the yield of
13 the refunding bonds, calculated in accordance with Section 148
14 of the Internal Revenue Code, and determined as if such bonds
15 to be refunded were paid and retired in accordance with the
16 schedule of maturities, considering mandatory redemption as
17 scheduled maturity, provided at the time of their issuance.
18 Provided, further, that the average maturity of the refunding
19 bonds, as measured from the date of issuance of the refunding
20 bonds, shall not exceed by more than three years the average
21 maturity of the bonds to be refunded, as also measured from
22 such date of issuance, with the average maturity of any
23 principal amount of bonds to be determined by multiplying the
24 principal of each maturity by the number of years, including
25 any fractional part of a year, intervening between the date of
26 issuance and each maturity, taking the sum of all such
27 products, and then dividing the sum by the aggregate principal

1 amount of bonds for which the average maturity is to be
2 determined. Pending the application of the proceeds of
3 refunding bonds issued in accordance with this section, the
4 proceeds, together with investment earnings therefrom and
5 amounts in any sinking fund, together with investment earnings
6 thereon, may be held by the State Treasurer as treasurer of
7 the authority in trust, or may be deposited by the State
8 Treasurer in trust, on such terms as the State Treasurer and
9 the authority shall approve, with a trustee or escrow agent,
10 which trustee or escrow agent shall be a banking institution
11 or trust company authorized to exercise trust powers in this
12 state for investment in permitted investments. Proceeds of
13 refunding bonds shall be so invested and applied as to assure
14 that the principal, interest, and redemption premium, if any,
15 on the bonds being refunded shall be paid in full on the
16 respective maturity, redemption, or interest payment dates.
17 Refunding bonds issued by the authority shall not be general
18 obligations of the authority but shall be payable solely from
19 the sources specified in this act and in the proceedings
20 whereby the refunding bonds are authorized to be issued. All
21 refunding bonds issued by the authority shall be solely and
22 exclusively obligations of the authority and shall not create
23 debts of this state. The faith and credit of this state shall
24 never be pledged for the payment of any refunding bonds issued
25 by the authority under this act. The authority may contract
26 with respect to the safekeeping and application of the
27 proceeds of refunding bonds and other funds included therewith

1 and the income therefrom, and shall have the right and power
2 to appoint a trustee therefore, which may be any bank or
3 company authorized to exercise trust powers and located within
4 or without the state. All other provisions of this act shall
5 apply to the refunding bonds issued under this act except: (1)
6 the limitation contained in Section 2 on the amount of bonds
7 that may be issued under this act; and (2) the provisions of
8 Section 11. Any bonds refunded prior to their maturity with
9 the proceeds of refunding bonds shall be deemed paid and the
10 pledges herein and by the authority made for the payment
11 thereof defeased if the authority, in its proceedings
12 regarding issuance of the refunding bonds provides for and
13 establishes a trust or escrow fund comprised of monies or
14 government securities, or both, sufficient to pay, when due,
15 the entire principal, premium, if any, and interest on the
16 bonds to be refunded thereby; provided, that such government
17 securities shall not be subject to redemption prior to their
18 maturities other than at the option of the holder thereof.
19 Upon the establishment of such a trust or escrow fund, the
20 refunded bonds shall no longer be deemed to be outstanding,
21 shall no longer be secured by the funds pledged therefor in
22 this act, shall no longer be obligations of the authority, and
23 shall be secured solely by and payable from monies and
24 government securities deposited in the trust or escrow fund.

25 Section 14. All bonds, including refunding bonds,
26 issued pursuant to this act, and the income therefrom,
27 including the interest income thereon, shall be free from all

1 taxation by the state or any county, municipality, or other
2 political subdivision or instrumentality of the state,
3 excepting inheritance, estate, and gift taxes. Any bonds
4 issued by the authority may be used by the holder thereof as
5 security for any funds belonging to the state or to any
6 instrumentality or agency of the state in any instance where
7 security for such deposits may be required by law. Unless
8 otherwise directed by the court having jurisdiction thereof,
9 or by the document that is the source of authority, a trustee,
10 executor, administrator, guardian, or person acting in any
11 other fiduciary capacity may, in addition to any other
12 investment powers conferred by law and with the exercise of
13 reasonable business prudence, invest trust and other fiduciary
14 funds in bonds of the authority.

15 Section 15. All contracts of the authority for the
16 improvement, renovation, equipping, acquisition, provision,
17 construction, and maintenance of Alabama state parks under the
18 jurisdiction of the Alabama Department of Conservation and
19 Natural Resources shall be in writing, shall be subject to the
20 rules of, and shall be let under the supervision of, the
21 Alabama Department of Conservation and Natural Resources and
22 shall be subject to approval by the Governor and the Director
23 of Finance. Contracts under the Alabama State Parks
24 Enhancement Authority must also be approved by the Alabama
25 Department of Conservation and Natural Resources. Any real or
26 personal property acquired by the corporation by purchase,
27 gift, transfer, or otherwise shall be acquired in the name of

1 the state and, as soon as possible, shall be conveyed to
2 Department of Conservation and Natural Resources.

3 Section 16. Except as provided otherwise in this
4 act, the proceeds from the bonds issued by the authority and
5 interest income thereon are appropriated for the improvement,
6 renovation, equipping, acquisition, provision, construction,
7 and maintenance of state parks under the jurisdiction of the
8 Department of Conservation and Natural Resources and the
9 issuance costs of the bonds.

10 Section 17. At any time when no bonds of the
11 authority are outstanding, the authority may be dissolved upon
12 filing with the Secretary of State an application for
13 dissolution, which shall be subscribed by each of the members
14 of the authority and which shall be sworn to by each such
15 member before an officer authorized to take acknowledgments to
16 deeds. Upon the filing of the application for dissolution, the
17 authority shall cease, and any property owned by it at the
18 time of its dissolution shall pass to the Department of
19 Conservation and Natural Resources. The Secretary of State
20 shall file and record the application for dissolution in an
21 appropriate book of record in his or her office, shall make
22 and issue, under the Great Seal of the state, a certificate
23 that the authority is dissolved, and shall record the
24 certificate with the application for dissolution.

25 Section 18. The authority, on behalf of the state,
26 shall have the power to provide for payments to the United
27 States of America as the directors deem necessary to cause the

1 interest on any bonds to be and remain exempt from federal
2 income taxation. The authority shall have the power to make
3 agreements respecting the investment of the proceeds of the
4 bonds or other funds of the authority necessary in order that

20 during fiscal year 1976-77. This restriction will apply in
21 coordination with those provided hereinabove and, should
22 conflict occur, the lesser amount of expenditure shall be
23 required. At the end of each fiscal year, an accounting shall

13 severable. If any part of this act is declared invalid or
14 unconstitutional, that declaration shall not affect the part
15 which remains.

16 Section 21. This act shall become effective
17 immediately following its passage and approval by the
18 Governor, or its otherwise becoming law, contingent upon the
19 ratification of the constitutional amendment proposed in SB362
20 of the 2021 Regular Session, authorizing the issuance of bonds
21 for improvement, renovation, acquisition, provision,
22 construction, equipping, and maintenance of Alabama state
23 parks.
