8 SYNOPSIS: Under existing law, any Class 1 municipality
9 is authorized to establish a racing commission
10 under certain conditions. The members of the host
11 county House legislative delegation and the host
12 county Senate legislative delegation each appoint
13 one member to the commission. The host county
14 legislative delegations are defined to include only
15 members of each delegation whose district is
16 composed of all or a majority of residents of the
17 host county. When a vacancy occurs on the
18 commission in the position of a member appointed by
19 the host county legislative delegations, the mayor
20 of the sponsoring municipality calls the meeting to
21 make the appointment to fill the vacancy.

22 This bill would provide that the host county
23 House and Senate delegations would consist of all
24 members of the respective House and Senate host
25 county legislative delegations. The bill would also
26 provide that the chair of the House or Senate host

1 county legislative delegation would call a meeting
2 to fill a vacancy.

20 such determination shall not affect, impair, or invalidate the

22 mayor or other chief executive officer of the sponsoring
23 municipality shall have the right to appoint the member of
24 each commission that, absent such determination, would have
25 been appointed by the Lieutenant Governor, all subject to the

27 an appointment made by the Lieutenant Governor. The

1 appointments of members by the host county house delegation
2 and the host county senate delegation shall be made at
3 meetings of the members of the respective delegations held
4 pursuant to the call of the ~~mayor or other chief executive~~
5 ~~officer of the sponsoring municipality~~ chair of the host
6 county House or Senate legislative delegation, as the case may
7 be, who shall provide the members of ~~each~~ the respective
8 delegation with written notice of any such meeting at least
9 ten days prior to the date set therefor. All meetings of the
10 host county house delegation or the host county senate
11 delegation called and held pursuant to this chapter shall be
12 open to the public. Any appointment of a member by the host
13 county house delegation or the host county senate delegation
14 must be approved by a majority of the members of such
15 delegation voting in person at a public meeting called and
16 held pursuant to this chapter. Any meeting of the host county
17 house delegation or the host county senate delegation at which
18 fewer than a majority of the members of such delegation are
19 present, or at which no appointment of a member is made
20 because of a failure to obtain the approval of a majority of
21 the members of such delegation, may be adjourned to a future
22 time and place announced at such meeting; provided that, if
23 either delegation fails to appoint a member within 30 days of
24 the date of the first meeting called for the purpose of such
25 appointment, the right of such delegation to appoint a member
26 shall terminate and such appointment shall be made as soon

1 thereafter as practicable by the mayor or other chief
2 executive officer of the sponsoring municipality.

3 "(b) The mayor or other chief executive officer of
4 the sponsoring municipality and the president or other
5 designated presiding officer of the county commission of the
6 host county shall each have the right, exercisable in his or
7 her discretion and at any time during his or her tenure as
8 such official, to appoint a member of the commission to serve
9 in lieu of such appointing official for a fixed term from the
10 effective date of such appointment until the end of the
11 current term of office of the appointing official. Any such
12 appointed member shall, during his or her term, exercise the
13 full rights and powers of a member of the commission that the
14 appointing official would have possessed if he or she had
15 chosen to serve as an ex officio member. Any such appointed
16 member shall also comply with the qualifications set forth in
17 subsection (f), except that the mayor or other chief executive
18 officer of the sponsoring municipality may, in his or her
19 discretion, appoint a member of the governing body of the
20 sponsoring municipality to serve as a fixed-term member of the
21 commission, and the president or other designated presiding
22 officer of the county commission of the host county may, in
23 his or her discretion, appoint a member of the county
24 commission to serve as a fixed-term member of the commission.

25 "(c) The mayor or other chief executive officer of
26 the sponsoring municipality and the president or other
27 designated presiding officer of the county commission of the

1 host county shall have the right, exercisable in the
2 discretion of each such official and at any time and from time
3 to time during his or her tenure as such official, to appoint
4 a deputy member of the commission to represent such ex officio
5 member in connection with the business of the commission. In
6 the event that, pursuant to subsection (b), a member of the
7 governing body of the sponsoring municipality is appointed as
8 a fixed-term member of the commission or a member of the
9 county commission of the host county is appointed as a
10 fixed-term member of the commission, then each such appointed
11 member shall have the same right to appoint a deputy member as
12 would belong to the appointing official if he or she chose
13 service as an ex officio member. Any deputy member shall be
14 appointed by a letter signed by the appointing member and
15 filed with the executive secretary of the commission, which
16 letter shall specify the period of time for which such deputy
17 member shall be appointed or, if not for a period of time, the
18 particular meeting or other business for which he or she shall
19 be appointed. Any deputy member shall serve at the pleasure of
20 the appointing member, and his or her appointment may be
21 revoked at any time during the term of office of the
22 appointing member by a letter signed by the appointing member
23 and filed with the executive secretary of the commission. The
24 appointment of any deputy member shall be automatically
25 revoked when the appointing member ceases to be a member of
26 the commission for any reason. Each member of the commission
27 entitled to appoint a deputy member may, during his or her

1 term of office, appoint and remove from office as many deputy
2 members as he or she may choose, provided that at any given
3 time such member may have no more than one validly appointed
4 deputy member. Any deputy member shall comply with the
5 qualifications set forth in subsection (f), except that the
6 mayor or other chief executive officer of the sponsoring
7 municipality or any fixed-term member appointed to serve in
8 lieu of such official, may, in his or her discretion, appoint
9 a member of the governing body of the sponsoring municipality
10 or a full-time officer or employee of such municipality to
11 serve as deputy member, and the president or other designated
12 presiding officer of the county commission of the host county
13 or any fixed-term member appointed to serve in lieu of such
14 official may, in his or her discretion, appoint a member of
15 the county commission of the host county or a full-time
16 officer or employee of such county to serve as deputy member.
17 Any deputy member validly appointed and serving in accordance
18 with the provisions of this section shall be entitled to
19 exercise all powers and perform all functions and duties of
20 the member who appointed such deputy member, including,
21 without limitation, the right to vote on all matters coming
22 before the commission when such appointing member is not
23 present.

24 "(d) The member to be appointed by the Lieutenant
25 Governor of the state shall be appointed for a term beginning
26 immediately upon his appointment and ending at noon on July 1
27 in the third calendar year next following the calendar year in

1 which the election authorizing the incorporation of the
2 commission shall be conducted; the member to be appointed by
3 the host county house delegation shall be appointed for a term
4 beginning immediately upon his appointment and ending at noon
5 on July 1 in the fourth calendar year next following the
6 calendar year in which the election authorizing the
7 incorporation of the commission shall be conducted; the member
8 to be appointed by the host county senate delegation shall be
9 appointed for a term beginning immediately upon his
10 appointment and ending at noon on July 1 in the fifth calendar
11 year next following the calendar year in which the election
12 authorizing the incorporation of the commission shall be
13 conducted. Thereafter, the term of office of each appointed
14 member shall be five years, commencing at noon on the July 1
15 on which the term of the immediate predecessor member shall
16 end.

17 "(e) If at any time there shall be a vacancy among
18 the appointed members of a commission (i.e., those members who
19 do not serve ex officio), a successor member shall be
20 appointed to serve for the unexpired term applicable to such
21 vacancy; provided, however, that any official entitled ex
22 officio (e.g., the mayor of the sponsoring municipality or the
23 president of the county commission of the host county) to a
24 vacant membership previously held by a member appointed in
25 lieu of such official may, instead of appointing a successor,
26 resume his or her ex officio membership by filing written
27 notice to that effect with the Secretary of State and the

1 executive secretary of the commission. The appointment of each
2 member appointed by the Lieutenant Governor, the host county
3 house delegation, or the host county senate delegation, as the
4 case may be (other than those initially appointed), whether
5 for a full five-year term or to complete an unexpired term,
6 shall be made by the officer or legislative delegation
7 responsible for the appointment of the member whose term shall
8 have expired or is to expire or in whose position a vacancy
9 otherwise exists and shall be made not earlier than 30 days
10 prior to the date on which such member is to take office as
11 such. If the term of any such member shall expire prior to the
12 reappointment of such member or prior to the appointment of
13 his successor, such member shall continue to serve until his
14 successor is appointed, and if such member is reappointed for
15 a new term after the expiration of the immediately preceding
16 term which he has been serving, his new term of office shall
17 be deemed to have commenced at noon on the July 1 on which the
18 immediately preceding term shall have expired. Any member
19 appointed pursuant to subsection (b) shall not serve beyond
20 the term for which appointed, and upon the expiration of such
21 term, the position previously held by such member shall
22 immediately revert to the official entitled thereto by reason
23 of his or her office, and such official shall continue as ex
24 officio member of the commission until the expiration of his
25 or her current term of office, the vacation of such office
26 prior to the expiration thereof, or the appointment of someone
27 pursuant to said subsection (b) to serve as a member in lieu

1 of such official, as the case may be. Members appointed by any
2 appointing authority shall be eligible for reappointment
3 without limit as to the number of terms previously served. In
4 the event that any appointments required to be made by the
5 Lieutenant Governor, the host county house delegation, or the
6 host county senate delegation are not made within 60 days
7 after the certification to the Secretary of State of a
8 favorable vote at an election called and held pursuant to this
9 chapter (in the case of initial appointments), or within 30
10 days of the end of a term or other vacancy, then a vacancy
11 shall be filled or a successor member appointed by a majority
12 of the members of the commission holding appointments already
13 made or serving as ex officio members. Appointments shall be
14 evidenced by a written certificate executed by the appointing
15 official, or, in the case of appointments made by a majority
16 of the other members, by a certificate signed by the members
17 making such appointment, or, in the case of appointments made
18 by a legislative delegation, by the members of the delegation
19 voting for such appointment or by a member of the delegation
20 designated to serve as the secretary of the meeting at which
21 such appointment is made and to report the results thereof to
22 the Secretary of State. The certificates evidencing the
23 appointment of members of a commission shall be addressed and
24 delivered to the Secretary of State, who shall maintain the
25 originals of such certificates as official records in his
26 office, and copies of such certificates shall be furnished to
27 the executive secretary of the commission.

1 "(f) Each appointed member of any commission shall
2 have been a resident of the host county for a period of at
3 least five years prior to his or her appointment and shall, at
4 the time of his or her appointment and at all times during his
5 or her term of office, be a resident of the host county and a
6 qualified elector of the state, and a failure by any appointed
7 member to remain so qualified during such term of office shall
8 cause a vacancy of the office of such member. Except as
9 otherwise provided in subsections (b) and (c), no person
10 serving as a member of the Legislature of the state, serving
11 as a member of the governing body of any municipality, county,
12 or other political subdivision of the state, or holding a
13 full-time office or position of employment with the United
14 States of America, the state, any county, or municipality in
15 the state, or any instrumentality, agency, or subdivision of
16 any of the foregoing, shall be eligible for appointment as a
17 member or deputy member of a commission. Service by any person
18 as a member, director, trustee, or other participant in the
19 management or administration of any governmental agency,
20 board, or commission, or public educational institution, or
21 other public body of the United States of America, the state,
22 or any county or municipality or other political subdivision
23 shall not render such person ineligible for appointment as a
24 member of a commission unless such service constitutes
25 full-time employment. Each appointed member shall be of good
26 moral character and shall never have been convicted of a
27 felony or other offense involving moral turpitude. Each

1 appointed member of a commission shall make and submit to the
2 appointing officer or legislative delegation responsible for
3 his or her appointment an affidavit confirming his or her
4 qualifications, as set forth in the preceding provisions of
5 this subsection, to serve as a member of a commission, which
6 affidavit shall be filed with the Secretary of State along
7 with the aforesaid certificate evidencing such appointment.
8 Any appointed member of a commission who in such affidavit
9 intentionally makes a false statement of material fact or
10 intentionally fails to disclose any information necessary to
11 make any statement of material fact made therein not
12 misleading shall be guilty of perjury and shall be subject to
13 prosecution and punishment therefor in the same manner as if
14 he had committed perjury as a witness in open court.

15 "(g) Any person who is an appointed member of a
16 commission shall be deemed to vacate his or her office as such
17 member by (1) the acceptance of any office or employment
18 which, had such person held such office or been so employed at
19 the time of his or her appointment as a member, would have
20 rendered such person ineligible for appointment as a member or
21 (2) the occurrence of any event or circumstance involving the
22 character of such person which, had such event or circumstance
23 occurred prior to the time of his or her appointment as a
24 member, would have precluded such appointment. Any appointed
25 member may be impeached and removed from office as a member of
26 a commission in the same manner and on the same grounds
27 provided in Section 175 of the Constitution of Alabama, or

1 successor provision thereof, and the general laws of the state
2 for impeachment and removal of the public officers subject to
3 said Section 175 or successor provision thereof. The mayor or
4 other chief executive officer of the sponsoring municipality
5 and the president or other designated presiding officer of the
6 county commission of the host county may not be impeached and
7 removed from office as a member of a commission apart from
8 their impeachment and removal from their respective offices by
9 virtue of which, ex officio, they serve as members."

10 Section 2. This act shall become effective
11 immediately following its passage and approval by the
12 Governor, or its otherwise becoming law.
