13  
14 SECTION 52. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS  
15 CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. SHARED  
16 SERVICES.

17 (a)(1)(A) The Chief Fiscal Officer of the State may create paying  
18 accounts on his or her books and on the books of the Treasurer of State and  
19 the Auditor of State for the payment of personal services and operating  
20 expenses by the Department of Energy and Environment.

21 (B) Upon prior approval of the Arkansas Legislative Council, or  
22 if meeting in Legislative Session the Joint Budget Committee, the Chief  
23 Fiscal Officer of the State shall direct the transfer of funds and  
24 appropriations to the Shared Services Paying Account appropriation section of  
25 this act and the transfer of positions to the Regular Salaries – Shared  
26 Services appropriation section of this act on the books of the Treasurer of  
27 State, the Auditor of State, and the Chief Fiscal Officer of the State.

28 (2) The transfer authority provided in subdivision (a)(1) of  
29 this section for efficiencies and to eliminate duplication of services are  
30 limited only to those services that are provided for multiple divisions of a  
31 department, including without limitation to administration, human resources,  
32 procurement, communications, fleet operations, and information services.

33 (3) The transfer authority provided to the department in  
34 subdivision (a)(1) of this section may be used to make transfers only within  
35 the department's appropriation act or between other appropriation acts  
36 authorized for the department.

1       (b)(1) Each department utilizing the Shared Services Paying Account  
2 section or Regular Salaries – Shared Services section of this act shall  
3 submit a report to be included in the Budget Manuals for hearings, conducted  
4 by the General Assembly, listing all shared services transfers of positions,  
5 funds, and appropriation under this section, which shall be submitted as  
6 instructed by the Department of Finance and Administration - Office of Budget  
7 for uniformity.

8               (2) A report submitted under subdivision (b)(1) of this section  
9 shall include the following:

10                   (A) The position number, authorized position title, class  
11 code, grade, business area, and name of the division, section, or unit for  
12 the position being transferred to the Regular Salaries – Shared Services  
13 section of this act; and

14                   (B) The fund center, appropriation, appropriation amount,  
15 commitment item or items, business area, and name of the division, section,  
16 or unit for the fund or appropriation being transferred to the Shared  
17 Services Paying Account.

18       (c)(1) It is the intent of the Ninety-Second General Assembly that the  
19 authority under this section to transfer positions is intended for use for  
20 the time period prior to Fiscal Year 2022 to allow cabinet-level departments  
21 to establish a centralized Regular Salaries - Shared Services section, with  
22 the recommendation that the position transfer authority granted under this  
23 section be discontinued after that time.

24               (2) The Bureau of Legislative Research shall bring the  
25 recommendation in subdivision (c)(1) of this section to the attention of the  
26 chairs conducting the 2021 Regular Session pre-session budget hearings, the  
27 chairs of the Special Language Subcommittee, and the members of the Special  
28 Language Subcommittee during pre-session budget hearings.

29       (d) Determining the maximum number of employees and the maximum amount  
30 of appropriation and general revenue funding for a cabinet-level department  
31 each fiscal year is the prerogative of the General Assembly and is usually  
32 accomplished by delineating the maximums in the appropriation act or acts and  
33 establishing authorized positions and the general revenue allocations  
34 authorized for each fund and fund account by amendment to the Revenue  
35 Stabilization Law. Further, the General Assembly has determined that the  
36 cabinet-level departments created under Acts 2019, No. 910, may operate more

1 efficiently if some flexibility is provided as authorized under this section.  
2 Therefore, it is both necessary and appropriate that the General Assembly  
3 maintain oversight by requiring prior approval of the Legislative Council or,  
4 if the General Assembly is in session, the Joint Budget Committee, as  
5 provided by this section. The requirement of approval by the Legislative  
6 Council or Joint Budget Committee is not a severable part of this section.  
7 If the requirement of approval by the Legislative Council or Joint Budget  
8 Committee is ruled unconstitutional by a court of competent jurisdiction,  
9 this entire section is void.

10 (e) The provisions of this section shall be in effect from the date of  
11 passage through June 30, 2021.

12  
13 SECTION 53. COMPLIANCE WITH OTHER LAWS. Disbursement of funds  
14 authorized by this act shall be limited to the appropriation for such agency  
15 and funds made available by law for the support of such appropriations; and  
16 the restrictions of the State Procurement Law, the General Accounting and  
17 Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary  
18 Procedures and Restrictions Act, or their successors, and other fiscal  
19 control laws of this State, where applicable, and regulations promulgated by  
20 the Department of Finance and Administration, as authorized by law, shall be  
21 strictly complied with in disbursement of said funds.

22  
23 SECTION 54. LEGISLATIVE INTENT. It is the intent of the General  
24 Assembly that any funds disbursed under the authority of the appropriations  
25 contained in this act shall be in compliance with the stated reasons for  
26 which this act was adopted, as evidenced by the Agency Requests, Executive  
27 Recommendations and Legislative Recommendations contained in the budget  
28 manuals prepared by the Department of Finance and Administration, letters, or  
29 summarized oral testimony in the official minutes of the Arkansas Legislative  
30 Council or Joint Budget Committee which relate to its passage and adoption.

31  
32 SECTION 55. EMERGENCY CLAUSE. It is found and determined by the  
33 General Assembly, that the Constitution of the State of Arkansas prohibits  
34 the appropriation of funds for more than a one (1) year period; that the  
35 effectiveness of this Act on July 1, 2020 is essential to the operation of  
36 the agency for which the appropriations in this Act are provided, and that in

the event of an extension of the legislative session, the delay in the effective date of this Act beyond July 1, 2020 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 2020.
