23 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:  
24

25 SECTION 1. DO NOT CODIFY. Legislative findings.

26 The General Assembly finds that:

27 (1) In furtherance of the administration of justice in the State  
28 of Arkansas, there is a compelling governmental interest to allow a person  
29 who has been the victim of a crime the right to be present at all proceedings  
30 at which the defendant accused of committing the homicide has the right to be  
31 present;

32 (2) A crime scene or autopsy photograph of a person who has been  
33 the victim of a homicide that is typically introduced to a judge and jury is  
34 not an acceptable substitution for the presence in the courtroom of the  
35 person who has been the victim of a homicide;

36 (3) The introduction of an admissible crime scene or autopsy

1 photograph does not effectively communicate to a judge or jury the personhood  
2 of the person who has been the victim of a homicide;

3 (4) Due to the nature of homicide crimes, a trial involving a  
4 homicide offense stands apart from other trials in that the person who has  
5 been the victim of a homicide can neither be present nor seek justice himself  
6 or herself;

7 (5) It is the policy of the State of Arkansas that the display  
8 of an in-life photograph of a person who has been the victim of a homicide is  
9 not by its nature inflammatory or likely to unduly provoke the sympathies of  
10 a judge or jury to a degree as to unfairly prejudice a person accused of  
11 committing the homicide or otherwise override the compelling public interest  
12 of allowing a person who has been the victim of a homicide to be  
13 appropriately represented at a homicide trial;

14 (6) It is a legitimate and compelling policy interest of the  
15 State of Arkansas that the courts afford persons who have been victims of a  
16 homicide the same consideration as persons who have been the victims of other  
17 crimes; and

18 (7) There is a compelling public interest in ensuring that  
19 persons who have been a victim of a homicide are granted a respectful  
20 presence in a courtroom, not merely a presence diminished in humanity as  
21 depicted in a crime scene or autopsy photograph that cannot capture the  
22 personhood of the person who once lived, but depicted as a real person, and  
23 this compelling public interest is narrowly tailored to achieve this public  
24 policy by allowing an appropriate and respectful in-life photograph of the  
25 person who has been the victim of a homicide to be displayed to a judge or  
26 jury during a trial for a homicide offense.

28 *SECTION 2. Arkansas Code Title 16, Chapter 90, Subchapter 11, is*  
29 *amended to add an additional section to read as follows:*

30 16-90-1116. Photograph of deceased person in homicide case.

31 (a) This section shall be known and may be cited as the "Arkansas In-  
32 Life Photograph Act".

33 (b)(1) In a homicide case, the state has a right to have a photograph  
34 depicting the deceased person as he or she appeared in life before the crime  
35 occurred admitted and displayed at trial during the state's case-in-chief, if  
36 the photograph is submitted by the prosecution and is a reasonable, accurate,

1 and appropriate depiction of the deceased person, subject to Rule 403 of the  
2 Arkansas Rules of Evidence and any other rule or law.

3 (2) The court may limit the size of the photograph, the length  
4 of time the photograph is displayed, and give a limiting instruction to the  
5 jury as to the weight the photograph should be afforded.
