20 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
21

22 SECTION 1. DO NOT CODIFY. Legislative findings.

23 The General Assembly finds that:

24 (1) Civil War tourism brings many benefits to the surrounding
25 community including new:

26 (A) Jobs for local residents;

27 (B) State and local tax revenues; and

28 (C) Business for the local economy;

29 (2) Well-preserved Civil War battlefields are important to
30 Arkansas tourism in attracting tourists who wish to experience the
31 authenticity of place associated with the battles that shaped American
32 history, and these types of tourists tend to stay significantly longer in the
33 areas they visit than other tourists;

34 (3) The Camden Expedition was the Arkansas phase of the Red
35 River Campaign devised to reassert the Union Army's control over Arkansas,
36 Louisiana, and Texas;

1 (4) On March 23, 1864, Major General Frederick Steele led a
2 Union army of eight thousand five hundred (8,500) troops made up of infantry,
3 artillery, and cavalry south from Little Rock to join a larger Union force in
4 Shreveport, Louisiana, and invade Texas;

5 (5) Major General Steele's army abandoned the drive south and
6 turned instead to Camden after learning Union forces in Louisiana had been
7 defeated;

8 (6) Due to a lack of logistical planning, poor roads, shortage
9 of food and supplies, and continued Confederate resistance, Steele and his
10 remaining troops fled Camden and retreated to Little Rock;

11 (7) The defeated Union force arrived in Little Rock on May 3,
12 1864, with over two thousand five hundred (2,500) casualties making the
13 Camden Expedition one of the worst Union military disasters of the American
14 Civil War to take place in Arkansas;

15 (8) In 1994, eight (8) historic sites associated with the Camden
16 Expedition were designated as the "Camden Expedition National Historic
17 Landmark", a distinction accorded by the United States Secretary of the
18 Interior only to landmarks of national historical significance;

19 (9) The Camden Expedition Scenic Highway guides a Civil War
20 tourist through southern and central Arkansas connecting five (5)
21 battlefields and other Civil War historic sites, including the:

22 (A) Confederate State Capitol building in Historic
23 Washington State Park in Hempstead County;

24 (B) Elkins' Ferry Battlefield in Clark and Nevada
25 counties;

26 (C) Fort Lookout on Rogers Street, in Camden, Ouachita
27 County;

28 (D) Fort Southerland on Bradley Ferry Road, in Camden,
29 Ouachita County;

30 (E) Jenkins' Ferry Battleground State Park, Grant County;

31 (F) Marks' Mills Battleground State Park, Cleveland
32 County;

33 (G) Site of the Skirmishes at Okolona, Clark County;

34 (H) Poison Springs Battleground State Park State Park,
35 Ouachita County;

36

1 (I) Prairie D'Ane Battlefield, Nevada County; and
2 (J) Site of the Skirmish at Terre Noire Creek, Clark
3 County; and

4 (10) The designation of the "Camden Expedition Scenic Highway" is
5 essential to preserve and develop Civil War historic sites while increasing
6 economic development of cities in close proximity to the Civil War historic
7 sites.
