15 ~~report of the appraisers may then be filed.~~

16 ~~(c)(1) The clerk shall immediately issue a summons directed to the~~
17 ~~sheriff of the county, together with a copy of the award attached to the~~
18 ~~summons, commanding him or her to serve the owner if he or she resides in the~~
19 ~~county or, if the land belongs to a minor, an individual with mental illness,~~
20 ~~or an estate, to serve the summons upon the guardian, curator, executor, or~~

~~(c) The petition originally filed by the levee or drainage district and the award of the appraisers shall constitute all necessary pleadings in the proceedings, and, in case a trial is demanded or requested by either party, the question shall be tried as other common law cases are tried.~~

~~(d)(1) The owner of the land shall be entitled to recover the:~~

~~(A) Value of the land appropriated or intended to be appropriated;~~

~~(e)(1) It shall be the duty of the court or any county, circuit, or~~

1 ~~district judge to enjoin any owner of land from interfering with the~~
2 ~~construction of any levee, drain, ditch, or canal after an award has been~~
3 ~~made for the value of the land until such time as the court having proper~~

5 ~~(2) In case of an appeal from any judgment rendered by the~~
6 ~~circuit court, the levee or drainage district, upon filing a supersedeas bond~~
7 ~~with the Clerk of the Supreme Court, shall be entitled to have the owner of~~
8 ~~the land enjoined from interfering with the construction of any levee, ditch,~~
9 ~~drain, or canal until the cause can be heard in the Supreme Court.~~

12 ~~(a)(1) If no exception shall be taken to the award of the appraisers~~
13 ~~and no appeal taken from any judgment rendered by the circuit court, then the~~
14 ~~levee or drainage district seeking to condemn the right-of-way shall pay the~~
15 ~~award to the person in whose favor the award is made, taking duplicate~~
16 ~~receipts therefor, one (1) of which shall be attached to the award and filed~~
17 ~~with the proceedings in the cause.~~

18 ~~(2) However, in the event the owner of the land, material, or~~
19 ~~property is unknown, or if it is uncertain who he or she is, or if there are~~
20 ~~conflicting claims to the land or to the award, or any part thereof, then the~~
21 ~~levee or drainage district shall pay the award to the clerk of the circuit~~
22 ~~court of the proper county for the owner and take the clerk's receipt from~~
23 ~~the owner and have it recorded in the book provided for the recording of~~
24 ~~petitions. The clerk and his or her sureties shall be answerable for the~~
25 ~~safekeeping of the money.~~

26 ~~(b)(1) Any claimants to the land may file an application in the~~
27 ~~circuit court and set up title to the land or property, and after giving~~
28 ~~notice to all adverse claimants by summons if they are residents of the~~
29 ~~county, and by warning order if nonresidents of the county or unknown, then~~
30 ~~the claimants shall have their claim to the money adjudicated and tried as~~
31 ~~other cases are tried under the rules and practice of the circuit court. Upon~~
32 ~~a final hearing, the circuit court shall direct a proper disposition of the~~
33 ~~money.~~

34 ~~(2) The judgment shall be a bar to recovery against the levee or~~

9 ~~except as to the costs.~~

10
11 ~~18-15-1008.—Appropriation of land without owner's consent.~~

12 ~~(a) Whenever the board of directors or commissioners of any levee or~~
13 ~~drainage district may have appropriated, or shall appropriate, any land for~~
14 ~~right of way for the construction and maintenance of either levees, ditches,~~
15 ~~canals, or drains, and constructed levees or drains thereon without having~~
16 ~~procured the consent of the owner of the land to construct the levees or~~
17 ~~drains or without having procured the right of way, either by purchase,~~
18 ~~donations, or condemnation, the owner, when his or her cause of action has~~
19 ~~not been barred by the statute of limitations, shall have a cause of action~~
20 ~~against the board of directors or commissioners for the market value of the~~
21 ~~land at the time it was actually occupied.~~

22 ~~(b) The owner may also claim such damages for inconveniences of~~

24 ~~to recover, to the other portion of the tract, as he or she has sustained,~~
25 ~~and such damages as the owner may have sustained on account of obstruction of~~
26 ~~natural drainage to the tract of land over which the levee or drain may have~~
27 ~~been or shall be constructed, not to exceed the cost of constructing~~
28 ~~artificial drainage.~~

29
30 ~~18-15-1009.—Limitation on actions and damages.~~

31 ~~(a) All actions for the recovery of damages against any levee or~~
